Upper Midwest Unemployment Rate

IRET

The Upper Midwest has the lowest unemployment rate of all U.S. regions

Commentary

- Out of the 10 states with the lowest unemployment rate, 6 come from the Upper Midwest
  - The average unemployment rate for the Upper Midwest is 3.8%, compared to a national average of 5.1%
- Low unemployment is a positive indicator for multi-family properties
  - Promotes tenant retention and rent increases

Investment Highlights

IRET

Unique Geography with Differentiated Economic Drivers	• Only pure play Upper Midwest focused REIT • Sparse competition in multi-family REITs within the Upper Midwest • Economic conditions of IRET's core markets are stable and outperform the U.S. average
Commitment to Core Properties and Strategic Repositioning	• Announced Strategic Repositioning plan on January 23, 2015 • Executed on plan by disposing of office and retail portfolio and implementing share buyback • Will continue to refine portfolio, shift focus to core property types, and acquire better quality assets with higher margins
Attractive Value	• Trading at one of the largest discounts to consensus NAV in the industry • Robust acquisition and development pipeline • Consistent dividend performance
Deepened Focus on Capital Allocation & Balance Sheet Management	• Authorized $50mm share buyback program in August 2015 • Deleveraging and reworking balance sheet composition from secured debt towards unsecured debt
Veteran Management Team	• 15+ year average tenure of senior management (CEO and COO have 50+ years combined) • Experts in Upper Midwest real estate • Adding highly-qualified members to our Board of Trustees
