Reporting Concerns or Questionable Behavior

CDW’s reputation for honesty, integrity and fair dealing has been earned through the efforts of many coworkers over many years and is one of CDW’s most valuable assets. It only takes one misguided or inappropriate action to put this reputation at risk. If a partner suspects CDW’s reputation is at risk or believes there is a violation of this Code of Conduct, share the concern directly with a CDW contact or with the partner’s legal department and/or ethics and compliance officer. If this approach is not possible or appropriate, contact the CDW Ethics Helpline at 877.723.9929 or online at CDW.ethicspoint.com
