Tax Information Provided by DuPont de Nemours, Inc. Pursuant to Treasury Regulation § 1.1273-2(f)(9): Issuer’s Determination and Communication of “traded on an established market” Status and Issue Price of Newly Issued Debt

On November 3, 2025, DuPont de Nemours, Inc. (“**DuPont**”) formally solicited consents (the “**Consent Solicitation**”) from holders of the 5.319% Notes due 2038 (the “**Original 2038 Notes**”) to adopt proposed amendments to the indenture governing the Original 2038 Notes. On the same date, DuPont entered into a transaction support agreement with certain holders of the Original 2038 Notes (the “**Supporting Holders**”) entitling the Supporting Holders to a cash payment (the “**Support Fee**”) if the Supporting Holders provided consent as part of the Consent Solicitation.

On November 19, 2025, (the “**Amendment Date**”), after receiving the requisite consents, amendments to the Original 2038 Notes became effective.

DuPont has determined that the payment of the Support Fee to Supporting Holders triggered a “significant modification” within the meaning of Treasury Regulation § 1.1001-3(e) with respect to the Original 2038 Notes held by the Supporting Holders that received the Support Fee, resulting in a deemed exchange (the “**Exchange**”) of those respective Original 2038 Notes for new respective amended 2038 Senior Notes (the “**Amended 2038 Notes**”) for U.S. federal income tax purposes.

DuPont has concluded that, as of the Amendment Date, the Amended 2038 Notes were “traded on an established market” within the meaning of Treasury Regulation § 1.1273-2(f). Accordingly, DuPont has determined that the issue price of the Amended 2038 Notes as of the Amendment Date was as follows (expressed as a percentage of face amount):

Debt Tranche	Issue Price (%)
Amended 2038 Notes	101.873%

Pursuant to Treasury Regulation § 1.1273-2(f)(9), DuPont’s determinations in this statement are binding on a holder of the Amended 2038 Notes unless such holder explicitly discloses that its determinations are different from the borrower’s determinations on a timely filed U.S. federal income tax return for the taxable year that includes its acquisition date of the Amended 2038 Notes.

This notice is only intended to fulfill DuPont’s notification obligation under Treasury Regulation § 1.1273-2(f)(9) and does not constitute tax advice. Holders are encouraged to consult their own tax advisors regarding their particular consequences relating to the Exchange.
