

Graphic Packaging International Worldwide Policy for Health, Safety & Environment

Graphic Packaging International is committed to protecting the health and safety of our employees and the public, and the quality of our environment . . .

- ☛ by minimizing health, safety and environmental risks to our employees and the communities in which we operate.
- ☛ by providing leadership at the business unit level to assure effective standards exist to protect our employees, contractors, communities and the environment.
- ☛ by building a team so that each employee shares the responsibility for protecting the health and safety of our employees and the quality of our environment.
- ☛ by developing and using innovative technologies and processes to minimize the amount of materials required to fabricate packaging, the creation of wastes and the release of pollutants
- ☛ by complying with applicable laws and regulations.

A handwritten signature in blue ink, reading "Michael P. Doss".
