OpenText to Ring the Nasdaq Stock Market Opening Bell in Ottawa

Celebrating Canadian Innovation

Waterloo, ON, December 19, 2022 - Open Text Corporation (NASDAQ: OTEX), (TSX: OTEX), today announced that Mark J. Barrenechea, OpenText CEO & CTO, will join members of the Company's executive leadership team and Board of Directors to ring the Nasdaq opening bell on February 3, 2023, from 9:15 a.m. to 9:30 a.m. ET.

The Nasdaq opening bell in Ottawa, Canada, celebrates Canada's leading role in global innovation and OpenText as Canada's most valued cloud company. The event will be broadcast live from the National Arts Centre in Ottawa.

"OpenText is honoured to open the Nasdaq, live from Ottawa, Canada, in recognition of the company's leading role in global technology innovation and business transformation," said Mark J. Barrenechea, OpenText CEO & CTO. "Canada is the fastest growing technology hub in the world and we plan on playing our part to develop and expand Canada's rich culture of innovation and talent."
