Statutory Filing of Pro Forma Financial Statements for Micro Focus Acquisition

Earlier today OpenText filed its Current Report on Form 8-K/A, which includes the audited consolidated financial statements of Micro Focus International Limited (formerly known as Micro Focus International plc) (Micro Focus) and unaudited pro forma financial information with respect to OpenText's acquisition of Micro Focus (the Acquisition), on EDGAR and SEDAR, as required under applicable securities laws following completion of the

Acquisition. The required unaudited pro forma financial information combines historical OpenText and Micro Focus results, after giving effect to the Acquisition, the financing of the Acquisition and the pro forma effects of certain assumptions and adjustments described therein, and includes a (i) Balance sheet as of December 31, 2022, (ii) Statements of operations for the year ended June 30, 2022, and (iii) Statements of operations for the six months ended December 31, 2022.

The unaudited pro forma financial information has been prepared for illustrative purposes only, as required by Form 8-K, and is not necessarily indicative of the consolidated financial position or results of operations that would have been realized had the Acquisition occurred on the dates indicated in the pro forma financial information, nor is it meant to be indicative of any future consolidated financial position or future results of operations that OpenText will experience. Further, the historical consolidated statement of financial position and results of operations of Micro Focus utilized for purposes of preparing the unaudited pro forma financial information, have been prepared in accordance with IFRS and are not based on the same period end as OpenText.

More information on OpenText's historical acquisitions, including the Micro Focus Acquisition, is available at: investors.opentext.com.
