Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

Forward-looking statements in this press release are not promises or guarantees of future performance and are subject to risks and uncertainties that could cause the Company's actual results to differ materially from those anticipated. The Company cautions you not to place undue reliance upon any such forward-looking statements, which speak only as of the date made. Forward-looking statements relate to, among other things, the Company's expectations regarding the timing of the announcement of financial results for its first quarter of fiscal 2006. Forward-looking statements may also include, without limitation, any statement relating to future events, conditions or circumstances. The risks and uncertainties that may affect forward-looking statements include, among others, the failure to develop new products, risks involved in fluctuations in currency exchange rates, delays in purchasing decisions of customers, the completion and integration of acquisitions, the possibility of technical, logistical or planning issues in connection with deployments, the continuous commitment of the Company's customers, demand for the Company's products and other risks detailed from time to time in the Company's filings with the Securities and Exchange Commission (SEC), including the Company's Annual Report on Form 10-K for the year ended June 30, 2005. Forward-looking statements are based on management's beliefs and opinions at the time the statements are made, and the Company does not undertake any obligation to update forward-looking statements should circumstances or management's beliefs or opinions change.
