Forward-Looking Statements

Information provided in this press release may contain statements relating to current expectations, estimates, forecasts and projections about future events that are "forward-looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as "goals," "intend," "seek," "anticipate," "believe," "could," "continue," "expect," "estimate," "may," "plan," "outlook," "future" and "project" and other similar expressions that predict, project or indicate future events or trends or that are not statements of historical matters. Such forward looking statements include statements regarding the Company's sustainability goals and plans, intentions, expectations, assumptions, goals and beliefs regarding the Company's business and sustainability vision. These forward-looking statements also may relate to the Company's plans, objectives and expectations for future operations, including estimations relating to the impact of the COVID-19 pandemic and mitigation measures in connection thereto, and expectations of the results of the Company's business optimization initiatives. These forward-looking statements are based upon management's current estimates and projections of future results or trends. Actual results may differ materially from those projected as a result of certain risks and uncertainties, both known or unknown. These factors include, but are not limited to: the impact of the COVID-19 pandemic on end-consumers, the effects of global economy and geo-politics on the Company's business and operations; raw material shortages, increased prices and effects of challenges in global shipping; Company's ability to pass all or some of these increases to its customers; the strength of the home renovation and construction sectors; intense competitive pressures; disruptions to our information technology systems globally, including by deliberate cyber-attacks; the degree of the Company's ability to develop, produce and deliver high quality and safe products; fluctuations in currency exchange rates against the U.S. Dollar; Company's ability to raise funds to finance our current and future capital needs; Company's ability to build-out and expand into certain markets and successfully integrate our acquisitions; the Company's ability to effectively manage its relationship with key suppliers; the outcome of silicosis and other bodily injury claims; regulatory requirements relating to hazards associated with our operations and products; efficiently manufacturing our products and managing changes in production and supply chain; economic conditions within any of our key existing markets; the success of our expansion efforts in the United States; the extent of the Company's ability to meet its ESG goals and targets, management of GHG and other emissions; the impacts of conditions in Israel, such as negative economic, labor or geopolitical events; the unpredictability of seasonal fluctuations in revenues; disturbances to the Company's operations or the operations of its suppliers, distributors, customers or other third parties and other factors, risks and uncertainties discussed under the sections "Risk Factors" and "Special Note Regarding Forward-Looking Statements and Risk Factor Summary" in our most recent annual report on Form 20-F filed with the Securities and Exchange Commission (the "SEC") on March 15, 2022, and in other documents filed by Caesarstone with the SEC, which are available free of charge at www.sec.gov. These forward-looking statements are made only as of the date hereof, and the Company undertakes no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
