Forward-Looking Statements

Information provided in this press release may contain statements relating to current expectations, estimates, forecasts and projections about future events that are "forward-looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as "goals," "intend," "seek," "anticipate," "believe," "could," "continue," "expect," "estimate," "may," "plan," "outlook," "future" and "project" and other similar expressions that predict, project or indicate future events or trends or that are not statements of historical matters. Such forward looking statements include statements regarding the Company's sustainability goals and plans, intentions, expectations, assumptions, goals and beliefs regarding the Company's business and sustainability vision. These forward-looking statements also may relate to the Company's plans, objectives and expectations for future operations, including estimations relating to the impact of the COVID-19 pandemic and mitigation measures in connection thereto, and expectations of the results of the Company's business optimization initiatives. These forward-looking statements are based upon management's current estimates and projections of future results or trends. Actual results may differ materially from those projected as a result of certain risks and uncertainties, both known or unknown. These factors include, but are not limited to: the impact of the COVID-19 pandemic on end-consumers, the global economy and the Company's business and results of operations; raw material shortages and prices and effects of challenges in global shipping; the ability of the company to realign aspects of its business based on the business optimization initiatives, the strength of the home renovation and construction sectors; intense competitive pressures; the extent of the Company's ability to meet its ESG goals and targets, including the extent of the Company's ability to maintain a healthy and safe environment for the Company's employees; management of GHG and silica emissions; the degree of the Company's ability to develop, produce and deliver high quality and safe products; the Company's ability to effectively manage changes in its production and supply chain; the extent of the Company's ability to build-out and expand into certain markets; the Company's ability to effectively manage its relationship with suppliers; the outcome of silicosis and other bodily injury claims; regulatory requirements relating to hazards associated with exposure to silica dust; efficiently manufacturing our products and managing changes in production and supply chain; economic conditions within any of our key existing markets; changes in raw material prices; fluctuations in currency exchange rates; the success of our expansion efforts in the United States; the unpredictability of seasonal fluctuations in revenues; disturbances to the Company's operations or the operations of its suppliers, distributors, customers or other third parties and other factors, risks and uncertainties discussed under the sections "Risk Factors" and "Special Note Regarding Forward-Looking Statements and Risk Factor Summary" in our most recent annual report on Form 20-F filed with the Securities and Exchange Commission (the "SEC") on March 22, 2021, and in other documents filed by Caesarstone with the SEC, which are available free of charge at www.sec.gov. These forward-looking statements are made only as of the date hereof, and the Company undertakes no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
