Forward-Looking Statements

Information provided in this press release may contain statements relating to current expectations, estimates, forecasts and projections about future events that are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. These forward-looking statements relate to the Company's plans, objectives and expectations for future operations, including estimations relating to the impact of the COVID-19 pandemic and mitigation measures in connection thereto, expectations of the results of the Company's business optimization initiative, integration of the company's acquisitions and its projected outlook and results of operations. These forward-looking statements are based upon management's current estimates and projections of future results or trends. Actual results may differ materially from those projected as a result of certain risks and uncertainties, both known or unknown. These factors include, but are not limited to: the impact of the COVID-19 pandemic on end-consumers, economic conditions in our key markets, raw material shortages and prices, ,

fluctuations in home renovation and construction sectors; the company's ability to compete with lower-priced products and other intense competitive pressures; the outcome of silicosis and other bodily injury claims; regulatory requirements relating to hazards associated with exposure to silica dust; ability to efficiently manufacture products and managing required changes in production and supply chain in light of our recent acquisitions; fluctuations in currency exchange rates; the success of our expansion efforts in the United States; unpredictability of seasonal fluctuations in revenues and other factors discussed under the heading "Risk Factors" in our most recent annual report on Form 20-F and other documents filed with the Securities and Exchange Commission. These forward-looking statements are made only as of the date hereof, and the Company undertakes no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
