About Caesarstone

Caesarstone is a concept and lifestyle-driven company with a customer-centered approach to designing, developing, and producing high-end engineered quartz surfaces used in residential and commercial buildings. Caesarstone® products offer superior aesthetic appeal and perfected functionality through a distinct variety of colors, styles, textures and finishes used in countertops, vanities, wall cladding, floors, and other interior surfaces. Marked by their inherent longevity characteristics such as non-porousness, scratch and stain resistance, and durability, the company's product umbrella offers a highly desirable alternative to other surfaces. Strong commitment to service has fostered growing customer loyalty in over 50 countries where the four distinct Caesarstone product collections are available: Classico, Supernatural, Metropolitan and Concetto. Forward-Looking Statements

Information provided in this press release may contain statements relating to current expectations, estimates, forecasts and projections about future events that are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally relate to the Company's plans, objectives and expectations for future operations, including its projected results of operations and the expected timing of expanding its manufacturing facilities. These forward-looking statements are based upon management's current estimates and projections of future results or trends. Actual results may differ materially from those projected as a result of certain risks and uncertainties. These factors include, but are not limited to: the strength of the home renovation and construction sectors; economic conditions within any of our key existing markets; actions by our competitors; changes in raw material prices, particularly polymer resins and pigments; fluctuations in currency exchange rates; the success of our expansion efforts in the United States; the outcome of silicosis claims and other claims; unpredictability of seasonal fluctuations in revenues; delays in manufacturing and other factors discussed under the heading "Risk Factors" in our most recent annual report on Form 20-F and other documents filed with the Securities and Exchange Commission. These forward-looking statements are made only as of the date hereof, and the Company undertakes no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
