OF THE BOARD OF DIRECTORS  
OF DERMIRA, INC.**

**I. PURPOSE**

The purpose of the Audit Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of **DERMIRA, INC.** (the “*Company*”) is to assist the Board in fulfilling its oversight responsibilities relating to the Company’s financial accounting, reporting and controls. The Committee’s principal functions are to:

- oversee the integrity of accounting and financial reporting processes of the Company and the audits of the Company’s financial statements by the Company’s independent auditors (the “*Independent Auditors*”);
- monitor the periodic reviews of the adequacy of the accounting and financial reporting processes and systems of internal control that are conducted by the Independent Auditors and the Company’s financial and senior management;

This charter (the “*Charter*”) sets forth the authority and responsibility of the Committee. In fulfilling its responsibilities, it is recognized that members of the Committee are neither employees of the Company nor professional accountants or auditors. The functions of the Committee are not intended to duplicate or substitute for the activities of management and the Independent Auditors, and the Committee members cannot provide any expert or special assurance as to the Company’s financial statements, internal controls or management of risk or any professional certifications as to the work of the Independent Auditors.

It is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with U.S. generally accepted accounting principles. This is the responsibility of the Company’s management and the Independent Auditors. In addition, the Company’s management is responsible for managing its risk function and for reporting on its processes and assessments with respect to the Company’s management of risk.

Each member of the Committee can rely on (a) the integrity of those persons and organizations within and outside of the Company from which it receives information, (b) the accuracy of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board) and (c) representations made by management as to any audit and non-audit services provided by the Independent Auditors.

The Board has formed the Committee to assist the Board in directing the Company’s affairs and this Charter has been adopted in furtherance of this purpose. While this Charter should be interpreted in the context of all applicable laws, regulations and listing requirements, as well as in the context of the Company’s Certificate of Incorporation and Bylaws, it is not intended to establish by its own force any legally binding obligations.
