N/A = Not available

MT= Metric tons

MWh=Mega watt hours

¹ Scopes 1, 2, and 3 emissions have been independently verified. Verification statements are available in the Additional Disclosures section of ir.53.com. For 2022, carbon offsets were obtained from A-Gas HFC Project (Ohio) and Ascend Performance Materials (Florida). All carbon offsets are register with a leading carbon offset registry and independently verified in accordance with industry best practices.

² Historic water and waste data has been revised from previously reported totals to reflect impact of merger with MB Financial, Inc.

³ Waste data includes all locations where the Bank receives a waste bill and data.
