NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)
(All U.S. Dollar and Euro amounts presented in thousands except share and per share data or except as otherwise specified)

1. Nature of Operations and Accounting Policies

Nature of Operations

THOR Industries, Inc. was founded in 1980 and is the sole owner of operating subsidiaries (collectively, the "Company" or "THOR"), that, combined, represent the world's largest manufacturer of recreational vehicles ("RVs"). The Company manufactures a wide variety of RVs in the United States and Europe and sells those vehicles, as well as related parts and accessories, primarily to independent, non-franchise dealers throughout the United States, Canada and Europe. Unless the context requires or indicates otherwise, all references to "THOR," the "Company," "we," "our" and "us" refer to THOR Industries, Inc. and its subsidiaries.

The July 31, 2023 amounts are derived from the annual audited financial statements of THOR. The interim financial statements are unaudited. In the opinion of management, all adjustments (which consist of normal, recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows for the interim periods presented have been made. These financial statements should be read in conjunction with the Company's Annual Report on Form 10-K for the fiscal year ended July 31, 2023. Due to seasonality within the recreational vehicle industry, the impact of supply chain disruptions primarily in Europe, inflation and shifting consumer demand on our industry, among other factors, annualizing the results of operations for the six months ended January 31, 2024 would not necessarily be indicative of the results expected for the full fiscal year.

Recently Issued Accounting Standards Not Yet Adopted

In November 2023, the Financial Accounting Standards Board ("FASB") issued Accounting Standard Update No. 2023-07 ("ASU 2023-07") "Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures", which requires additional disclosures about significant segment expenses regularly provided to the Chief Operating Decision Maker. ASU 2023-07 is effective for annual reporting periods beginning after December 15, 2023, or the annual report for fiscal 2025 for the Company, and interim periods within fiscal years beginning after December 15, 2024, or interim periods starting in fiscal 2026 for the Company. Early adoption is permitted. We are currently evaluating the impact of ASU 2023-07 on our consolidated financial statements and related disclosures.

In December 2023, the FASB issued ASU 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures", requiring enhancements and further transparency to certain income tax disclosures. Under this ASU, entities must disclose, on an annual basis, specific categories in the rate reconciliation and provide additional information for reconciling items that meet a quantitative threshold. In addition, ASU 2023-09 requires entities to disclose additional information about income taxes paid. The new standard also eliminates certain existing disclosure requirements related to uncertain tax positions and unrecognized deferred tax liabilities. ASU 2023-09 is effective for financial statements for annual periods beginning after December 15, 2024. This ASU is effective for the Company in its fiscal year 2026 beginning on August 1, 2025. The Company is currently evaluating the potential impact of adopting this guidance on the consolidated financial statements.

2. Business Segments

The Company has three reportable segments, all related to recreational vehicles: (1) North American Towable Recreational Vehicles, (2) North American Motorized Recreational Vehicles and (3) European Recreational Vehicles. The operations of the Company's Airxcel and Postle subsidiaries are included in "Other". Net sales included in Other relate primarily to the sale of specialized component parts and aluminum extrusions. Intercompany eliminations adjust for Airxcel and Postle sales to the Company's North American Towable and North American Motorized segments, which are consummated at established transfer prices generally consistent with the selling prices of products to third parties.

The following tables reflect certain financial information by reportable segment:

8. Equity Investments

As discussed in Note 8 to the Company's Consolidated Financial Statements included in the Fiscal 2023 Form 10-K, effective December 30, 2022, the Company formed a joint venture with TechNexus Holdings LLC ("TechNexus"), whereby the Company transferred TH2Connect, LLC d/b/a Roadpass Digital and its associated legal entities to TN-RP Holdings, LLC ("TN-RP"), following which the Company and TechNexus own 100% of the Class A-RP units and Class C-RP units, respectively, issued by TN-RP.

TN-RP is a variable interest entity ("VIE"), in which both the Company and TechNexus each have a variable interest. The Company's equity interest, which entitles the Company to a share of future distributions from TN-RP, represents a variable interest. The Company has significant influence due to its Class A-RP unit ownership interest, non-majority seats on the TN-RP advisory board and certain protective rights, and therefore the Company's investment in TN-RP is accounted for under the equity method of accounting and reported as a component of Equity investments in the Condensed Consolidated Balance Sheets. Similarly, the Company holds an additional investment that is also a VIE over which the Company has significant influence. This is also reported as a component of Equity investments in the Condensed Consolidated Balance Sheets.

The Company had the following aggregate investment and maximum exposure to loss related to these VIEs:

	January 31, 2024	July 31, 2023
Carrying amount of investments	$ 128,572	$ 126,909
Maximum exposure to loss	$ 145,622	$ 161,459

The Company's share of gains and losses accounted for under the equity method of accounting are included in Other income, net in the Condensed Consolidated Statements of Income and Comprehensive Income. The losses recognized in the three and six months ended January 31, 2024 were $3,502 and $9,437, respectively, and the amounts recognized in the three and six months ended January 31, 2023 were not material.

9. Concentration of Risk

One dealer, FreedomRoads, LLC, accounted for 15% of the Company's consolidated net sales for the three-month period ended January 31, 2024 and 14% of the Company's consolidated net sales for the three-month period ended January 31, 2023, and accounted for 14% of the Company's consolidated net sales for both the six-month periods ended January 31, 2024 and January 31, 2023. The majority of the sales to this dealer are reported within the North American Towable and North American Motorized segments. This dealer also accounted for 17% of the Company's consolidated trade accounts receivable at January 31, 2024 and 13% at July 31, 2023. The loss of this dealer could have a material effect on the Company's business.

10. Fair Value Measurements

The financial assets and liabilities that are accounted for at fair value on a recurring basis at January 31, 2024 and July 31, 2023 are as follows:

	Input Level	January 31, 2024	July 31, 2023
Cash equivalents	Level 1	$ 194,454	$ 286,984
Deferred compensation plan mutual fund assets	Level 1	$ 42,042	$ 40,220
Equity investments	Level 1	$ 704	$ 4,105
Foreign currency forward contract liability	Level 2	$ 399	$ —
Interest rate swap liability	Level 2	$ 1,110	$ 932

Cash equivalents represent investments in short-term money market instruments that are direct obligations of the U.S. Treasury and/or repurchase agreements backed by U.S. Treasury obligations. These investments are reported as a component of Cash and cash equivalents in the Condensed Consolidated Balance Sheets.

Deferred compensation plan assets accounted for at fair value are investments in securities (primarily mutual funds) traded in an active market held for the benefit of certain employees of the Company as part of a deferred compensation plan, which are reported within Other assets in the Condensed Consolidated Balance Sheets. Additional plan investments in corporate-owned life insurance are recorded at their cash surrender value, not fair value, and therefore are not included above.

Equity investments represent stock investments that are publicly traded in an active market and are reported within Other assets in the Condensed Consolidated Balance Sheets.

The fair value of foreign currency forward contracts is estimated by discounting the difference between the contractual forward price and the current available forward price for the residual maturity of the contract using observable market rates.

The fair value of interest rate swaps is determined by discounting the estimated future cash flows based on the applicable observable yield curves.

11. Product Warranties

The Company generally provides retail customers of its products with a one-year or two-year warranty covering defects in material or workmanship, with longer warranties on certain structural components.

As discussed in Note 13 to the Company's Consolidated Financial Statements included in the Fiscal 2023 Form 10-K, the Company is a party to a term loan ("term loan") agreement, which consists of a U.S. dollar-denominated term loan tranche and a Euro-denominated term loan tranche, and a $1,000,000 revolving asset-based credit facility ("ABL").

On November 15, 2023, the Company entered into amendments to both its term loan and ABL agreements to extend maturities and lower the applicable margins used to determine the interest rate on the U.S. dollar-denominated term loan tranche. Pursuant to the term loan amendments, the applicable margin used to determine the interest rate on U.S. dollar-denominated loans was reduced by 0.25% so that the applicable margin for Alternate Base Rate ("ABR")-based loans is 1.75% and 2.75% for Secured Overnight Financing Rate ("SOFR")-based loans. The SOFR credit spread adjustment applicable to U.S. dollar-denominated SOFR-based loans was eliminated. The applicable margin for Euro-denominated EURIBOR-based loans was unchanged. The maturity date for the term loan was extended from February 1, 2026 to November 15, 2030. Covenants and other material provisions of the term loan agreement remain materially unchanged. Following the amendments, the principal amounts outstanding under the term loan agreement were $450,000 on the U.S. dollar-denominated term loan tranche and 330,000 Euro on the Euro-denominated term loan tranche. Under the provisions of the amended term loan, both the U.S. and Euro tranches require annual principal payments of 1.0% of the new term loan balance, payable quarterly in 0.25% installments starting on May 1, 2024. Pursuant to the ABL amendment, the maturity date for loans under the ABL agreement was extended from September 1, 2026 to November 15, 2028. Maximum availability under the ABL remains at $1,000,000 and there were no borrowings outstanding as of the November 15, 2023 amendment date. The applicable margin, covenants and other material provisions of the ABL remain materially unchanged.

The November 15, 2023 debt amendments noted above were evaluated on a creditor-by-creditor basis pursuant to the requirements in ASC 470-50 related to syndicated loan arrangements. Extinguishment accounting was applied to the creditors that were deemed to have a substantial difference in terms based on an analysis of the present values of cash flows before and after the amendments. As a result of this analysis, the Company recorded expense of $14,741 in the second quarter of fiscal 2024. $7,566 of this $14,741 expense is classified as interest expense in the Company's Condensed Consolidated Statements of Income and Comprehensive Income and primarily represents extinguishment charges, while the remaining $7,175 is classified as administrative expense and primarily represents third-party costs attributed to the modified loans. In addition, during the second quarter of fiscal 2024 the Company capitalized qualifying financing-related costs of $10,480 related to these amendments which will be amortized over the remaining term of the amended agreements subject to acceleration for early term loan principal payments.

As of January 31, 2024, the outstanding U.S. term loan tranche balance of $450,000 was subject to a SOFR-based rate totaling 8.083%. As of July 31, 2023, the outstanding U.S. term loan tranche balance of $271,900 was subject to a SOFR-based rate totaling 8.433%. The interest rate on the January 31, 2024 outstanding Euro term loan tranche balance of $357,621 was 6.88%, and the interest rate on the July 31, 2023 outstanding Euro term loan tranche of $486,194 was 6.625%.

As of January 31, 2024, the weighted-average interest rate on the outstanding ABL borrowings of $59,604 was 5.108%. As of July 31, 2023, there were no outstanding ABL borrowings. The Company may, generally at its option, pay any borrowings under the ABL, in whole or in part, at any time and from time to time, without penalty or premium.

Availability under the ABL agreement is subject to a borrowing base based on a percentage of applicable eligible receivables and eligible inventory. The unused availability under the ABL is generally available to the Company for general operating purposes and, based on January 31, 2024 eligible receivables and inventory balances, net of amounts drawn, totaled approximately $938,000.

As discussed in Note 13 to the Company's Consolidated Financial Statements included in the Fiscal 2023 Form 10-K, on October 14, 2021, the Company issued an aggregate principal amount of $500,000 of 4.000% Senior Unsecured Notes ("Senior Unsecured Notes") that will mature on October 15, 2029 unless redeemed or repurchased earlier. Interest on the Senior Unsecured Notes is payable in semi-annual installments on April 15 and October 15 of each year.

The unsecured notes of 25,000 Euro ($27,093) relate to long-term debt of our European segment. There are two series, 20,000 Euro ($21,674) with an interest rate of 1.945% maturing in March 2025, and 5,000 Euro ($5,419) with an interest rate of 2.534% maturing in March 2028. Other debt relates primarily to real estate loans with varying maturity dates through September 2032 and interest rates ranging from 2.38% to 2.87%.

Total contractual gross debt maturities are as follows:

For the remainder of the fiscal year ending July 31, 2024	$	7,532
For the fiscal year ending July 31, 2025		40,626
For the fiscal year ending July 31, 2026		11,201

For the fiscal year ending July 31, 2029 and thereafter		1,343,481
	$	1,429,786

For the three and six months ended January 31, 2024, interest expense on the term loan, ABL, Senior Unsecured Notes and other debt facilities was $30,548 and $53,747, respectively, which includes amortization of capitalized debt issuance costs and the debt extinguishment charges noted above totaling $8,992 and $11,864, respectively. For the three and six months ended January 31, 2023, interest expense on the term loan, ABL and other debt facilities was $26,926 and $49,940, respectively, which includes amortization of debt issuance costs of $2,862 and $5,697, respectively.

The fair value of the Company's Senior Unsecured Notes at January 31, 2024 and July 31, 2023 was $444,950 and $430,650, respectively. The fair value of all other debt held by the Company approximates carrying value. The fair values of the Company's long-term debt are primarily estimated using Level 2 inputs as defined by ASC 820, based on quoted prices in markets that are not active.

13. Provision for Income Taxes

The overall effective income tax rate for the three months ended January 31, 2024 was 22.7%, and the effective income tax rate for the six months ended January 31, 2024 was 24.0%. These rates were both favorably impacted by certain foreign tax rate differences which include certain interest income not subject to corporate income tax.

The overall effective income tax rate for the three months ended January 31, 2023 was 21.1%, and the effective income tax rate for the six months ended January 31, 2023 was 23.0%. These rates were both favorably impacted by certain foreign rate differences and the mix of earnings between foreign and domestic operations which include certain interest income not subject to corporate income tax. The tax rate for this six-month period includes an unfavorable impact from the vesting of share-based compensation awards.

Within the next 12 months, the Company does not anticipate any material changes in its unrecognized tax benefits recorded as of January 31, 2024.

The Company files income tax returns in the U.S. federal jurisdiction and in many U.S. state and foreign jurisdictions. The Company is currently under exam by certain foreign jurisdictions for fiscal years ended 2016 through 2021. The Company believes it has adequately reserved for its exposure to additional payments for uncertain tax positions in its liability for unrecognized tax benefits.

14. Contingent Liabilities, Commitments and Legal Matters

The Company's total commercial commitments under standby repurchase obligations on global dealer inventory financing were $3,949,915 and $3,893,048 as of January 31, 2024 and July 31, 2023, respectively. The commitment term is generally up to 18 months.

The Company accounts for the guarantee under repurchase agreements of dealers' financing by deferring a portion of the related product sale that represents the estimated fair value of the guarantee at inception. This deferred amount is included in the repurchase and guarantee reserve balances of $15,621 and $12,114 as of January 31, 2024 and July 31, 2023, respectively, which is included in Other current liabilities in the Condensed Consolidated Balance Sheets.

Losses incurred related to repurchase agreements that were settled during the three and six months ended January 31, 2024 totaled $2,892 and $6,060, respectively, and losses during the three and six months ended January 31, 2023 were not material. Based on current market conditions, the Company believes that any future losses under these agreements will not have a material effect on the Company's consolidated financial position, results of operations or cash flows.

The Company is also involved in certain litigation arising out of its operations in the normal course of its business, most of which is based upon state "lemon laws," warranty claims and vehicle accidents (for which the Company carries insurance above a specified self-insured retention or deductible amount). The outcomes of legal proceedings and claims brought against the Company are subject to significant uncertainty. There is significant judgment required in assessing both the probability of an adverse outcome and the determination as to whether an exposure can be reasonably estimated. Based on current conditions, management does not believe the ultimate disposition of any current legal proceedings or claims against the Company will have a material effect on the Company's financial condition, operating results or cash flows. Litigation is, however, inherently uncertain and an adverse outcome from such litigation could have a material effect on the operating results of a particular reporting period.

A product recall was issued in late fiscal 2021 related to certain purchased parts utilized in certain of our products, and a reserve to cover anticipated costs was established at that time. Starting in fiscal 2022, the reserve has been adjusted quarterly based on developments involving the recall, including our expectations regarding the extent of vendor reimbursements and the estimated total cost of the recall. The Company has been, and will continue to be, reimbursed for a portion of the costs it will incur related to this recall. In addition, the Company accrued expenses during fiscal 2022 based on developments related to an ongoing investigation by certain German-based authorities regarding the adequacy of historical disclosures of vehicle weight in advertisements and other Company-provided literature in Germany. The Company is fully cooperating with the investigation. For the three and six months ended January 31, 2024, the Company recognized income of $4,200 and $14,200, respectively, as a component of selling, general and administrative expense from adjustments related to these matters. For the three months and six months ended January 31, 2023, the Company's adjustments related to these two matters were not material. Based on current available information, the Company does not believe there will be a material adverse impact to our future results of operations and cash flows due to these matters.

15. Leases

The Company has operating leases principally for land, buildings and equipment, and has various finance leases for certain land and buildings expiring through 2035.

Certain of the Company's leases include options to extend or terminate the leases, and these options have been included in the relevant lease term to the extent that they are reasonably certain to be exercised.

The Company does not include significant restrictions or covenants in our lease agreements, and residual value guarantees are not generally included within our operating leases.

17. Revenue Recognition

The table below disaggregates revenue to the level that the Company believes best depicts how the nature, amount, timing and uncertainty of the Company's revenue and cash flows are affected by economic factors. Other RV-related revenues shown below in the European Recreational Vehicle segment include sales related to accessories and services, new and used vehicle sales at owned dealerships and RV rentals. Performance obligations for all material revenue streams are recognized at a point-in-time. Other sales relate primarily to component part sales to RV original equipment manufacturers and aftermarket sales through dealers and retailers, as well as aluminum extruded components.

Executive Overview

We were founded in 1980 and have grown to become the largest manufacturer of recreational vehicles ("RVs") in the world based on units sold and revenue. We are also the largest manufacturer of RVs in North America, and one of the largest manufacturers of RVs in Europe. In North America, according to Statistical Surveys, Inc. ("Stat Surveys"), for the calendar year ended December 31, 2023, THOR's combined U.S. and Canadian market share was approximately 41.8% for travel trailers and fifth wheels combined and approximately 48.7% for motorhomes. In Europe, according to the European Caravan Federation ("ECF") and based on unit registrations for Europe's original equipment manufacturer ("OEM") reporting countries, our European market share for the calendar year ended December 31, 2023 was approximately 20.9% for motorcaravans and campervans combined and approximately 18.2% for caravans.

Our business model includes decentralized operating units, and our RV products are primarily sold to independent, non-franchise dealers who, in turn, retail those products. The Company also sells component parts to both RV and other original equipment manufacturers, including aluminum extruded components, and sells aftermarket component parts through dealers and retailers. Our growth has been achieved both organically and through acquisition, and our strategy is designed to increase our profitability by driving innovation, servicing our customers, manufacturing quality products, improving the efficiencies of our facilities and making strategic acquisitions.

We generally do not finance independent dealers directly, but we do provide repurchase agreements to the independent dealers' floor plan lenders.

We generally have financed our growth through a combination of internally generated cash flows from operations and, when needed, outside credit facilities. Ongoing supply chain challenges, particularly chassis issues within our European operations, have and could continue to impact our business and our consolidated financial results and financial position. In addition, the impact of ongoing inflation on consumer confidence, which historically has been highly correlated with RV retail sales, and the impact of inflation on the availability of discretionary funds of our end consumers, combined with significantly higher interest rates compared to recent years impacting both our independent dealers and the end consumer, had a negative impact on demand for our products at both the wholesale and retail levels during the first half of fiscal 2024 and are expected to continue to impact the remainder of our fiscal year. These risks to our business are more fully described in Part 1, Item 1A of our Annual Report on Form 10-K for the fiscal year ended July 31, 2023.

Recent Events

Refinancing of Credit Agreements

On November 15, 2023, the Company entered into amendments to both its term loan and ABL agreements to extend maturities and lower the applicable margins used to determine the interest rate on the U.S. dollar-denominated loan tranche. The maturity date for the term loan was extended from February 1, 2026 to November 15, 2030. Covenants and other material provisions of the term loan agreement remain materially unchanged. Following the amendments, the principal amounts outstanding under the term loan agreement were $450,000 on the U.S. dollar-denominated term loan tranche and 330,000 Euro on the Euro-denominated term loan tranche. Under the provisions of the amended term loan, both the U.S. and Euro tranches require annual principal payments of 1.0% of the new term loan balance, payable quarterly in 0.25% installments starting on May 1, 2024. Pursuant to the ABL amendment, the maturity date for loans under the ABL agreement was extended from September 1, 2026 to November 15, 2028. Maximum availability under the ABL remains at $1,000,000 and the applicable margin, covenants and other material provisions of the ABL remain materially unchanged. As a result of these amendments and associated maturity date extensions, the Company recognized total expense of $14,741 in the second quarter of fiscal 2024.

Industry Outlook — North America

The Company monitors industry conditions in the North American RV market using a number of resources including its own performance tracking and modeling. The Company also considers monthly wholesale shipment data as reported by the RV Industry Association ("RVIA"), which is typically issued on a one-month lag and represents manufacturers' North American RV production and delivery to dealers. In addition, we monitor monthly North American retail sales trends as reported by Stat Surveys, whose data is typically issued on a month-and-a-half lag. The Company believes that monthly RV retail sales data is important as consumer purchases impact future dealer orders and ultimately our production and net sales.

North American RV independent dealer inventory of our North American RV products as of January 31, 2024 decreased 27.6% to approximately 87,800 units, compared to approximately 121,300 units as of January 31, 2023. As of January 31, 2024, we believe North American dealer inventory levels for most products are generally at, or slightly higher than, the levels that dealers are comfortable stocking given the current retail sales levels and associated carrying costs. We believe dealers will continue to closely evaluate the unit stocking levels that they will elect to carry in future periods, which may be less than historical unit stocking levels, due to a combination of factors such as retail activity, RV wholesale prices as well as interest rates and other carrying costs.

THOR's North American RV backlog as of January 31, 2024 decreased $1,092,226, or 36.4%, to $1,908,889 compared to $3,001,115 as of January 31, 2023. The decrease in backlog is primarily a result of a reduction in orders from dealers, which we believe is due to lower retail sales and dealer concerns over current interest costs and other carrying costs compared to the prior-year period.

North American Industry Wholesale Statistics

Key wholesale statistics for the North American RV industry, as reported by RVIA for the periods indicated, are as follows:

	U.S. and Canada Wholesale Unit Shipments			
	Calendar Year		Increase	%
	2023	2022	(Decrease)	Change
North American Towable units	267,295	434,858	(167,563)	(38.5)
North American Motorized units	45,879	58,410	(12,531)	(21.5)
Total	313,174	493,268	(180,094)	(36.5)

In February 2024, RVIA issued a revised forecast for calendar year 2024 wholesale unit shipments. Under the RVIA's most likely scenario, towable and motorized unit shipments are projected to be approximately 301,800 units and 48,300 units, respectively, for an annual total of approximately 350,100 units, up 11.8% from the 2023 calendar year wholesale shipments. The RVIA's most likely forecast for calendar year 2024 of 350,100 total units could range from a lower estimate of approximately 334,700 total units to an upper estimate of approximately 365,500 total units.

North American Industry Retail Statistics

Key retail statistics for the North American RV industry, as reported by Stat Surveys for the periods indicated, are as follows:

	U.S. and Canada Retail Unit Registrations			
	Calendar Year		Increase	%
	2023	2022	(Decrease)	Change
North American Towable units	334,250	399,815	(65,565)	(16.4)
North American Motorized units	44,955	48,811	(3,856)	(7.9)
Total	379,205	448,626	(69,421)	(15.5)

Note: Data reported by Stat Surveys is based on official state and provincial records. This information is subject to adjustment, is continuously updated and is often impacted by delays in reporting by various states or provinces.

We believe that North American retail consumer interest remains high due to an ongoing interest in the RV lifestyle. While we anticipate that near-term demand will be influenced by many factors, including consumer confidence and the level of consumer spending on discretionary products, we believe future retail demand over the longer term will exceed historical, pre-pandemic levels as consumers continue to value the perceived benefits offered by the RV lifestyle, which provides people with the ability to connect with loved ones and nature as well as the potential to get away for short, frequent breaks or longer adventures.

North American Outlook

Historically, RV industry sales have been impacted by a number of economic conditions faced by RV dealers, and ultimately retail consumers, such as the rate of unemployment, the rate of inflation, the level of consumer confidence, the disposable income of consumers, interest rates, credit availability, the health of the housing market, tax rates and fuel availability and prices. We believe these factors will continue to affect retail sales in 2024. In addition, due to inflationary pressures, higher interest rates and other factors, we believe that RV dealers will be continuously reevaluating their desired stocking levels, which may result in lower than historical dealer inventory stocking levels on a unit basis. It is difficult to predict the extent to which any or all of these factors will impact the RV industry or our business in a particular future period, however, we currently believe the remainder of our fiscal 2024 will continue to be negatively impacted by these factors.

Despite the near-term challenges, we remain optimistic about future growth in North American retail sales in the long term, as there are many factors driving product interest. Surveys conducted by THOR, RVIA and others show that Americans of all generations love the freedom of the outdoors and the enrichment that comes with living an active lifestyle. RVs allow people to be in control of their travel experiences, going where they want, when they want and with the people they want. The RV units we design, produce and sell allow people to spend time outdoors pursuing their favorite activities, creating cherished moments and deeply connecting with family and friends. Based on the on-going value consumers place on these factors, we expect to see long-term growth in the North American RV industry. The growth in industry-wide RV sales during late 2020 through early 2023 has also resulted in exposing a wider range of consumers to the RV lifestyle. We believe many of those who have been recently exposed to the industry for the first time will become future owners, and that those who became first-time owners since the onset of the pandemic will become long-term RVers, resulting in future repeat and upgrade sales opportunities. We also believe many consumers are likely to continue opting for fewer vacations via air travel, cruise ships and hotels, while preferring vacations that RVs are uniquely positioned to provide, allowing consumers the ability to explore or unwind, often close to home. In addition, we believe that the availability of camping and RV parking facilities will be an important factor in the future growth of the industry and view both the significant recent investments and the future committed investments by campground owners, states and the federal government in camping facilities and accessibility to state and federal parks and forests to be positive long-term factors.

Economic and industry-wide factors that have historically affected, and which we believe will continue to affect, our operating results include the costs of commodities, the availability of critical supply components and labor costs incurred in the production of our products. Material and labor costs are the primary factors determining our cost of products sold, and any future increases in raw material or labor costs will impact our profit margins negatively if we are unable to offset those cost increases through a combination of product recontenting, material sourcing strategies, efficiency improvements or raising the selling prices for our products by corresponding amounts. Historically, we have generally been able to offset net cost increases over time.

It is extremely difficult to predict when or whether future supply chain issues related to chassis or other components used in the production of RVs will arise. Modifying available chassis for certain motorized products to use for other products is not a viable alternative, particularly in the short term, due to engineering requirements. The North American recreational vehicle industry has, from time to time in the past, experienced shortages of chassis for various reasons, including component shortages, production delays or other production issues and work stoppages at the chassis manufacturers.

While the North American RV industry has at times faced supply shortages or delivery delays of other, non-chassis raw material components, the supply chain is currently able to support our demand. If any factors were to impact our suppliers' ability to fully supply our needs for key components, our costs of such components and our production output could be adversely affected.

Industry Outlook — Europe

The Company monitors industry conditions in the European RV market using a number of resources including its own performance tracking and modeling. The Company also considers retail trends in the European RV market as reported by the European Caravan Federation (“ECF”) and its members. On a monthly basis, the Company receives original equipment manufacturer ("OEM")-specific reports for most of the individual member countries that make up the ECF through the Caravaning Industrie Verband e.V. (“CIVD”). The timing of these reports may vary, but typically they are issued on a one-to-two-month lag. While most countries provide OEM-specific information, the United Kingdom, which made up 20.7% and 8.3% of the caravan and motorcaravan (including campervans) European market for the calendar year ended December 31, 2023, respectively, does not provide OEM-specific information. Industry wholesale shipment data for the European RV market is not available.

Within Europe, over 90% of our sales are made to dealers within 10 different European countries. The market conditions, as well as the operating status of our independent dealers within each country, vary based on the various local economic and other conditions. It is inherently difficult to generalize about the operating conditions within the entire European region.

Independent dealer inventory of our European RV products as of January 31, 2024 was approximately 24,800 units. Independent RV dealer inventory levels of our European products are generally in line with historic levels in the various countries we serve. Within Germany, which accounts for approximately 60% of our European product sales, independent dealer inventory levels are also generally in line with historical norms. Comparable independent dealer inventory unit information was not available as of January 31, 2023.

THOR's European RV backlog as of January 31, 2024 decreased $309,431, or 10.1%, to $2,746,307 compared to $3,055,738 as of January 31, 2023, primarily due to improved chassis supply availability as chassis constraints in the prior year resulted in elevated backlogs.

European Outlook

Our European operations offer a full lineup of leisure vehicles including caravans and motorized products including urban vehicles, campervans and small-to-large motorcaravans. Our product offerings are not limited to vehicles only but also include accessories and services, including vehicle rentals. We address European retail customers through a sophisticated brand management approach based on consumer segmentation according to target group, core values and emotions. With the help of data-based and digital marketing, we intend to continue expanding our retail customer reach to new and younger consumer segments.

The impact of current macroeconomic factors on our business, including inflation and interest rates, supply chain constraints, environmental and sustainability regulations and geopolitical events, is uncertain. Our outlook for future European RV retail sales depends upon the various economic and regulatory conditions in the respective countries in which we sell our products, and on our ability to manage through supply chain issues that have, and are expected to continue to, impact the efficiency of our production of our motorized products in the near term. End-customer demand for RVs depends strongly on consumer confidence. Factors such as the rate of unemployment, the rate of inflation, private consumption and investments, the level of disposable income of consumers, interest rates, the health of the housing market, tax rates and regulatory restrictions and, since the pandemic, travel safety considerations all influence retail sales. Our long-term outlook for future growth in European RV retail sales remains positive as more people discover RVs as a way to support their lifestyle in search of independence and individuality, as well as using the RV as a multi-purpose vehicle to escape urban life and explore outdoor activities and nature.

We and our independent European dealers market our European recreational vehicles through multiple avenues including at numerous RV fairs at the country and regional levels which occur throughout the calendar year. These fairs have historically been well-attended events that allow retail consumers the ability to see the newest products, features and designs and to talk with product experts in addition to being able to purchase or order an RV. The most recent 2023 Caravan Salon show in late August 2023 experienced near-record attendance, demonstrating the high level of interest in the RV lifestyle despite the current macroeconomic uncertainties facing many consumers. In addition to our attendance at various strategic trade fairs, we have and will continue to strengthen and expand our digital activities to reach high potential target groups, generate leads and steer customers directly to dealerships. With approximately 1,100 active independent dealers in Germany and throughout Europe with whom we do business, we believe our European brands have one of the strongest and most professionally structured dealer and service networks in Europe.

Economic or industry-wide factors affecting our European RV operating results include the availability and costs of commodities and component parts and the labor used in the manufacture of our products. Material and labor costs are the primary factors determining our cost of products sold and any future increases in these costs will impact our profit margins negatively if we are unable to offset those cost increases through a combination of product recontenting, material sourcing strategies, efficiency improvements or raising the selling prices for our products by corresponding amounts.

Throughout fiscal 2023, we experienced delays in the receipt of, and significant reductions in the volume of, chassis from our European chassis suppliers, limiting our ability to further increase production of our motorized products. While overall chassis supply has improved, we anticipate disruptions in the sequence of delivery of chassis to continue through the majority of calendar year 2024. The sequence of chassis supply inhibits our ability to efficiently and consistently maintain our planned production levels. Uncertainties related to changing emission standards may also impact the availability of chassis used in our production of certain European motorized RVs and could also impact consumer buying patterns.

In Europe, we also continue to experience cost increases, supply shortages and delivery delays of other, non-chassis raw material components which negatively impacted the efficiency of our production in the current fiscal year, and which resulted in the continuation of an elevated level of work in process inventory on hand compared to historical norms. We believe these shortages and delays will continue to result in production inefficiencies and a continuation of the elevated level of work in process inventory in the near term, which will have a negative impact on our European operating results as well as on our consolidated results due to the negative impact of carrying excess inventory levels and the negative impact of completing units off the production line.

Where possible, to minimize the future impact of supply chain constraints, we have identified a second-source supplier base for certain component parts, however, the engineering requirements required with an alternate component part, particularly the chassis our various units are built upon, limits the impact of these alternative suppliers on reducing any near-term supply constraints.

In addition to potential material supply constraints, labor shortages may also impact our European operations. Currently, we are experiencing a shortage of available skilled workers due to near full employment rates in the European countries where the majority of our manufacturing sites are located.

CONSOLIDATED

Consolidated net sales for the three months ended January 31, 2024 decreased $139,266, or 5.9%, compared to the three months ended January 31, 2023. The decrease in consolidated net sales is primarily due to lower dealer and consumer demand in comparison to the prior-year period, primarily in the North American RV markets. Approximately 35.4% of the Company's consolidated net sales for the quarter ended January 31, 2024 were transacted in a currency other than the U.S. dollar. The Company's most material exchange rate exposure is sales in Euros. The decrease in consolidated net sales includes an increase of $26,558 from the change in currency exchange rates between the two periods. To determine this impact, net sales transacted in currencies other than U.S. dollars have been translated to U.S. dollars using the average exchange rates that were in effect during the comparative period.

Consolidated gross profit for the three months ended January 31, 2024 decreased $12,088, or 4.3%, compared to the three months ended January 31, 2023. Consolidated gross profit was 12.3% of consolidated net sales for the three months ended January 31, 2024 and 12.1% for the three months ended January 31, 2023. The decrease in consolidated gross profit was primarily due to the impact of the decrease in consolidated net sales while the slight increase in the consolidated gross profit percentage is due to the favorable impacts of selling price increases, stable material costs and cost-saving initiatives in the current-year quarter compared to the prior-year quarter.

Selling, general and administrative expenses for the three months ended January 31, 2024 increased $11,382, or 5.5%, compared to the three months ended January 31, 2023, primarily due to third-party fees of $7,175 related to the debt refinancing in the second quarter of fiscal 2024 as discussed in Note 12 to the Condensed Consolidated Financial Statements.

The decrease of $25,824, or 78.9%, in income before income taxes for the three months ended January 31, 2024 as compared to the three months ended January 31, 2023 was primarily driven by the decrease in consolidated net sales and the increase in consolidated selling, general and administrative expenses noted above.

The overall effective income tax rate for the three months ended January 31, 2024 was 22.7% compared with 21.1% for the three months ended January 31, 2023. The primary reason for the increase relates to the jurisdictional mix of pre-tax income between foreign and domestic operations between the comparable periods.

Additional information concerning the changes in net sales, gross profit, selling, general and administrative expenses and income before income taxes are addressed below and in the segment reporting that follows.

Corporate costs included in consolidated selling, general and administrative expenses increased $13,919 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023. This increase includes an increase of $7,990 in legal and professional fees, including the debt financing-related third-party fees of $7,175 discussed above. This increase also includes an increase in deferred compensation expense of $5,231 due to market value fluctuations between the two periods, an increase in innovation-led research and development costs of $2,578 and an increase in stock-based and other compensation of $1,015. These increases were partially offset by $4,200 of income from adjustments made during the quarter related to certain legal and recall matters as discussed in Note 14 to the Condensed Consolidated Financial Statements.

Net expense in Corporate interest and other income and expense increased $9,697 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023. This net expense increase included an increase in net interest expense of $1,336 on our debt, primarily due to extinguishment charges of $7,566 related to the refinancing of our debt facilities as discussed in Note 12 to the Condensed Consolidated Financial Statements more than offsetting increased interest income received from higher average cash balances held and higher interest income rates and lower debt interest expense primarily due to lower average debt balances outstanding. In addition, the current-year period included a non-cash foreign currency loss of $2,627 on certain Euro-denominated loans as compared to a $6,923 gain in the prior-year period. The current-year period also included operating losses of $3,502 related to our Roadpass Digital joint venture as discussed in Note 8 to the Condensed Consolidated Financial Statements. These increases were partially offset by a favorable change of $5,156 in the fair value of the Company's deferred compensation plan assets due to market fluctuations between the two periods.

IMPACT OF CHANGE IN PRODUCT MIX AND PRICE ON NET SALES:	% Change

Travel Trailers	(24.6)
Fifth Wheels	(11.1)
Total North American Towable	(22.1)

The decrease in total North American Towable net sales of 11.9% compared to the prior-year quarter resulted from a 10.2% increase in unit shipments and a 22.1% decrease in the overall net price per unit due to the combined impact of changes in product mix and price. The increase in unit shipments is primarily due to the heightened demand for the lower cost travel trailers units, which increased 13.9% over the prior-year quarter. According to statistics published by RVIA, for the three months ended January 31, 2024, combined North American travel trailer and fifth wheel wholesale unit shipments increased 12.9% compared to the same period last year. According to the most recently published statistics from Stat Surveys, for the three months ended December 31, 2023 and 2022, our North American market share for travel trailers and fifth wheels combined was 39.7% and 41.2%, respectively. Comparisons of Company shipments to industry shipments on a quarterly basis would not necessarily be indicative of the results expected for a full fiscal year.

The decreases in the overall net price per unit within both the travel trailer product line of 24.6% and the fifth wheel product line of 11.1% were primarily due to the combined impact of sales price reductions due to lower input costs, higher sales discounting levels and product mix changes trending toward more moderately-priced units as compared to the prior-year quarter.

North American Towable cost of products sold decreased $99,817 to $677,071, or 92.6% of North American Towable net sales, for the three months ended January 31, 2024 compared to $776,888, or 93.6% of North American Towable net sales, for the three months ended January 31, 2023. Changes in material, labor, freight-out and warranty costs comprised $91,773 of the $99,817 decrease in cost of products sold. Material, labor, freight-out and warranty costs as a combined percentage of North American Towable net sales decreased to 82.2% for the three months ended January 31, 2024 compared to 83.5% for the three months ended January 31, 2023, primarily due to a decrease in the material costs percentage from the combined favorable impacts of cost-saving initiatives and product mix changes. This decrease was partially offset by an increase in the labor percentage primarily due to product mix changes.

Total manufacturing overhead decreased $8,044 in correlation with the decrease in sales but increased as a percentage of North American Towable net sales from 10.1% to 10.4% as the decreased net sales levels resulted in higher overhead costs per unit sold.

The increase in North American Towable gross profit of $1,034 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023 was due to the decrease in net sales being more than offset by the favorable impact of the decrease in the cost of products sold percentage noted above.

The increase in North American Towable selling, general and administrative expenses of $2,051 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023 is primarily due to increases in costs related to our repurchase obligations of $2,085 and legal and professional fees of $1,845, partially offset by the decrease in North American Towable net sales and income before income taxes causing related commissions, incentive and other compensation to decrease by $1,538. The increase in the overall selling, general and administrative expense as a percentage of North American Towable net sales is primarily due to the decrease in net sales.

The increase in North American Towable income before income taxes of $7,780 for the three months ended January 31, 2024 compared to the loss before income taxes for the three months ended January 31, 2023 was primarily attributable to lower amortization costs and larger gains on the sales of fixed assets in the current-year quarter.

The decrease in total North American Motorized net sales of 22.8% compared to the prior-year quarter resulted from a 18.4% decrease in unit shipments and a 4.4% decrease in the overall net price per unit due to the combined impact of changes in product mix and price, which included elevated sales discounts compared to the prior-year quarter. The decrease in unit shipments is primarily due to a softening in current dealer and consumer demand in comparison with the demand in the prior-year quarter, which included independent dealer restocking of certain motorized products. According to statistics published by RVIA, for the three months ended January 31, 2024, combined North American motorhome wholesale unit shipments decreased 15.8% compared to the same period last year. According to the most recently published statistics from Stat Surveys, for the three months ended December 31, 2023 and 2022, our North American market share for motorhomes was 47.3% for both periods. Comparisons of Company shipments to industry shipments on a quarterly basis would not necessarily be indicative of the results expected for a full fiscal year.

The decreases in the overall net price per unit within the Class A product line of 0.3%, the Class C product line of 4.2% and the Class B product line of 5.2% were all primarily due to higher discounting levels since the prior-year quarter, and consumers trending toward more moderately-priced units compared to the prior-year quarter.

North American Motorized cost of products sold decreased $121,668 to $509,703, or 89.4% of North American Motorized net sales, for the three months ended January 31, 2024 compared to $631,371, or 85.5% of North American Motorized net sales, for the three months ended January 31, 2023. The changes in material, labor, freight-out and warranty costs comprised $114,854 of the $121,668 decrease primarily due to the decreased net sales volume. Material, labor, freight-out and warranty costs as a combined percentage of North American Motorized net sales increased to 82.3% for the three months ended January 31, 2024 compared to 79.1% for the three months ended January 31, 2023, with the increase due to an increase in the material cost percentage, primarily due to higher sales discounting, which effectively decreases net selling prices and correspondingly increases the material cost percentage, as well as increased chassis costs.

Total manufacturing overhead decreased $6,814 in correlation with the net sales decrease but increased as a percentage of North American Motorized net sales from 6.4% to 7.1% as the decrease in net sales levels resulted in higher overhead costs per unit sold.

The decrease in North American Motorized gross profit of $46,491 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023 was driven by the decrease in net sales, and the decrease in the gross profit percentage is due to the increase in the cost of products sold percentage noted above.

The decrease in North American Motorized selling, general and administrative expenses of $11,626 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023 was primarily due to the decrease in North American Motorized net sales and income before income taxes, which caused related commissions, incentive and other compensation to decrease by $10,228. The decrease in commissions, incentive and other compensation also drove the slight decrease in the overall selling, general and administrative expense as a percentage of North American Motorized net sales.

The decrease in North American Motorized income before income taxes of $35,084 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023 was primarily due to the decrease in North American Motorized net sales, and the primary reason for the decrease in percentage was the increase in the cost of products sold percentage noted above.

The increase in total European Recreational Vehicle net sales of 20.9% compared to the prior-year quarter resulted from a 3.9% increase in unit shipments and a 17.0% increase in the overall net price per unit due to the total combined impact of changes in foreign currency, product mix and price. The increase in European Recreational Vehicle net sales of $135,356 includes an increase of $26,558, or 4.1%, due to the increase in foreign exchange rates since the prior-year quarter.

The overall net price per unit increase of 17.0% includes a 4.1% increase due to the impact of foreign currency exchange rate changes and a 12.9% increase due to the combined impact of product mix and selling prices, primarily due to the much higher concentration of Motorcaravan sales in the current-year quarter due to improved chassis supply and fewer other component constraints in the current-year quarter.

The constant-currency increase in the overall net price per unit within the Motorcaravan product line of 1.3% was primarily due to the impact of selling price increases and product mix changes. The constant-currency decreases in the overall net price per unit within the Campervan product line of 7.9% and the Caravan product line of 1.7% are primarily due to product mix changes and increased sales discounting. In addition, the current-year quarter included a higher concentration of Campervan units with a customer-supplied chassis that is not included in the unit sales price as opposed to a purchased chassis that is included in the unit sales price.

European Recreational Vehicle cost of products sold increased $107,461 to $662,969, or 84.7% of European Recreational Vehicle net sales, for the three months ended January 31, 2024 compared to $555,508, or 85.9% of European Recreational Vehicle net sales, for the three months ended January 31, 2023. Changes in material, labor, freight-out and warranty costs comprised $92,861 of the $107,461 increase. Material, labor, freight-out and warranty costs as a combined percentage of European Recreational Vehicle net sales decreased to 73.6% for the three months ended January 31, 2024 compared to 74.8% for the three months ended January 31, 2023, with the decrease primarily due to a decrease in the material cost percentage due to net selling price increases and product mix changes. The labor cost percentage also improved. Total manufacturing overhead increased $14,600 with the increase in net sales but remained constant as a percentage of European Recreational Vehicle net sales at 11.1%.

European Recreational Vehicle gross profit increased $27,895 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023 primarily due to the increase in European Recreational Vehicle net sales, and the increase in the gross profit percentage is due to the decrease in the cost of products sold percentage noted above.

European Recreational Vehicle selling, general and administrative expenses increased $4,282 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023 primarily due to the increase in sales-related travel, advertising and promotional costs of $2,019 in correlation with the increase in European Recreational Vehicle net sales. The decrease in the overall selling, general and administrative expense as a percentage of European Recreational Vehicle net sales is primarily due to the increase in European Recreational Vehicle net sales noted above.

The increase in European Recreational Vehicle income before income taxes of $26,042 for the three months ended January 31, 2024 compared to the three months ended January 31, 2023 was primarily due to the increase in European Recreational Vehicle net sales. The primary reasons for the increase in percentage were the decreases in both the cost of products sold and selling, general and administrative expense percentages noted above. CONSOLIDATED

Consolidated net sales for the six months ended January 31, 2024 decreased $746,591, or 13.7%, compared to the six months ended January 31, 2023. The decrease in consolidated net sales is primarily due to lower current dealer and consumer demand in comparison to demand in the prior-year period, primarily in the North American Towable and Motorized segments. Approximately 31.7% of the Company's net sales for the six months ended January 31, 2024 were transacted in a currency other than the U.S. dollar. The Company's most material exchange rate exposure is sales in Euros. The decrease in consolidated net sales includes an increase of $77,163 from the change in currency exchange rates between the two periods. To determine this impact, net sales transacted in currencies other than U.S. dollars have been translated to U.S. dollars using the average exchange rates that were in effect during the comparative periods.

Consolidated gross profit for the six months ended January 31, 2024 decreased $140,632 compared to the six months ended January 31, 2023. Consolidated gross profit was 13.4% of consolidated net sales for the six months ended January 31, 2024 and 14.1% for the six months ended January 31, 2023. The decreases in consolidated gross profit and the consolidated gross profit percentage were both primarily due to the impact of the decrease in consolidated net sales in the current-year period compared to the prior-year period.

Selling, general and administrative expenses for the six months ended January 31, 2024 decreased $12,346, or 2.7%, compared to the six months ended January 31, 2023, primarily due to the 13.7% decrease in consolidated net sales and a decrease in net costs related to the ongoing investigation of the Company's advertising practices in Germany and a product recall as discussed in Note 14 to the Condensed Consolidated Financial Statements, partially offset by an increase in third-party fees related to the debt refinancing in the second quarter of fiscal 2024.

The decrease of $132,513, or 62.5%, in income before income taxes for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 was primarily driven by the decrease in consolidated net sales noted above.

The overall effective income tax rate for the six months ended January 31, 2024 was 24.0% compared with 23.0% for the six months ended January 31, 2023. The primary reason for the increase relates to the jurisdictional mix of pre-tax income between foreign and domestic operations between the comparable periods.

Additional information concerning the changes in net sales, gross profit, selling, general and administrative expenses and income before income taxes are addressed below and in the segment reporting that follows.

The $8,643 increase in Corporate costs included in selling, general and administrative expenses for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 includes an increase of $9,355 in legal and professional fees, primarily related to third-party fees of $7,175 incurred with the debt refinancing discussed in Note 12 to the Condensed Consolidated Financial Statements. The $8,643 increase also includes an increase in deferred compensation expense of $3,684 due to market value fluctuations between the two periods, an increase in innovation-led research and development costs of $4,167 and an increase in stock-based and other compensation of $5,531. These increases were partially offset by income of $14,200 related to the legal and recall matters discussed in Note 14 to the Condensed Consolidated Financial Statements.

The $12,489 increase in net expense in Corporate interest and other income and expense for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 includes a decrease of $8,405 in non-cash foreign currency gains on certain Euro-denominated loans in the current-year period as compared to the prior-year period, and the current-year period included operating losses of $9,437 related to our Roadpass Digital joint venture as discussed in Note 8 to the Condensed Consolidated Financial Statements. These increases in net expense were partially offset by the favorable change of $3,226 in the fair value of the Company's deferred compensation plan assets due to market fluctuations between the two periods, and a decrease in net interest expense of $2,496, in spite of the one-time debt refinancing fees incurred in the second quarter of fiscal 2024, primarily due to increased interest income received from higher average cash balances held and higher interest income rates and lower debt interest expense primarily due to lower average debt balances outstanding.

The decrease in total North American Towable net sales of 21.9% compared to the prior-year period resulted from a 4.1% decrease in unit shipments and a 17.8% decrease in the overall net price per unit due to the combined impact of changes in product mix and price. The decrease in unit shipments is primarily due to a softening in dealer and consumer demand in comparison with demand in the prior-year period. According to statistics published by RVIA, for the six months ended January 31, 2024, combined North American travel trailer and fifth wheel wholesale unit shipments decreased 0.3% compared to the same period last year. According to the most recently published statistics from Stat Surveys, for the six-month periods ended December 31, 2023 and 2022, our North American market share for travel trailers and fifth wheels combined was 40.6% and 42.1%, respectively. Comparisons of Company shipments to industry shipments on a quarterly basis would not necessarily be indicative of the results expected for a full fiscal year.

The decreases in the overall net price per unit within the travel trailer product line of 17.8% and the fifth wheel product line of 12.5% were primarily due to the combined impact of sales price reductions due to lower input costs, higher sales discounting levels and product mix changes trending toward more moderately-priced units as compared to the prior-year period.

North American Towable cost of products sold decreased $394,314 to $1,504,514, or 89.7% of North American Towable net sales, for the six months ended January 31, 2024 compared to $1,898,828, or 88.4% of North American Towable net sales, for the six months ended January 31, 2023. Total manufacturing overhead decreased $17,325 in correlation with the decrease in sales but increased as a percentage of North American Towable net sales from 7.7% to 8.8%, as the decreased net sales levels resulted in higher overhead costs per unit sold.

The decrease of $76,821 in North American Towable gross profit for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 was driven by the decrease in net sales and the decrease in the gross profit percentage is due to the increase in the cost of products sold percentage noted above.

The decrease of $12,179 in North American Towable selling, general and administrative expenses for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 includes the impact of the decrease in North American Towable net sales and income before income taxes, which caused related commissions, incentive and other compensation to decrease by $17,038. These decreases were partially offset by an increase of $8,006 in professional fees and related settlement and RV repurchase costs. The increase in the overall selling, general and administrative expense as a percentage of North American Towable net sales is primarily due to the decrease in net sales.

The decrease of $53,978 in North American Towable income before income taxes for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 was primarily due to the decrease in North American Towable net sales, and the primary reasons for the decrease in percentage were the increases in the cost of products sold and selling, general and administrative expense percentages noted above.

The decrease in total North American Motorized net sales of 31.2% compared to the prior-year period resulted from a 26.3% decrease in unit shipments and a 4.9% decrease in the overall net price per unit due to the combined impact of changes in product mix and price, which included elevated sales discounts compared to the prior-year period. The decrease in unit shipments is primarily due to a softening in current dealer and consumer demand in comparison with the demand in the prior-year period, which included independent dealer restocking of certain motorized products. According to statistics published by RVIA, for the six months ended January 31, 2024, combined North American motorhome wholesale unit shipments decreased 25.7% compared to the same period last year. According to statistics published by Stat Surveys, for the six-month periods ended December 31, 2023 and 2022, our North American market share for motorhomes was 48.3% and 47.2%, respectively. Comparisons of Company shipments to industry shipments on a quarterly basis would not necessarily be indicative of the results expected for a full fiscal year.

The decreases in the overall net price per unit within the Class A product line of 3.2%, the Class C product line of 2.9% and the Class B product line of 4.0% were all primarily due to higher discounting levels since the prior-year period and consumers trending toward more moderately-priced units compared to the prior-year period.

North American Motorized cost of products sold decreased $427,685 to $1,141,470, or 89.1% of North American Motorized net sales, for the six months ended January 31, 2024 compared to $1,569,155, or 84.3% of North American Motorized net sales, for the six months ended January 31, 2023. Changes in material, labor, freight-out and warranty costs comprised $406,092 of the $427,685 decrease. Material, labor, freight-out and warranty costs as a combined percentage of North American Motorized net sales increased to 82.8% for the six months ended January 31, 2024 compared to 78.8% for the six months ended January 31, 2023, with the increase due to an increase in the material cost percentage, primarily due to higher sales discounting, which effectively decreases net selling prices and correspondingly increases the material cost percentage, as well as increased chassis costs. Total manufacturing overhead decreased $21,593 with the decrease in net sales but increased as a percentage of North American Motorized net sales from 5.5% to 6.3% as the decrease in net sales levels resulted in higher overhead costs per unit sold.

The decrease of $152,834 in North American Motorized gross profit for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 was driven by the decrease in net sales, while the decrease in the gross profit percentage is due to the increase in the cost of products sold percentage noted above.

The decrease of $31,328 in North American Motorized selling, general and administrative expenses for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 is primarily due to the decreases in North American Motorized net sales and income before income taxes, which caused related commissions, incentive and other compensation to decrease by $30,763.

The decrease of $122,465 in North American Motorized income before income taxes for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 was primarily due to the decrease in North American Motorized net sales, and the primary reason for the decrease in percentage was the increase in the cost of products sold percentage noted above.

The increase in total European Recreational Vehicle net sales of 29.5% compared to the prior-year period resulted from increases of 10.8% in unit shipments and 18.7% in the overall net price per unit due to the total combined impact of changes in foreign currency, product mix and price. The increase in European Recreational Vehicle net sales of $339,255 includes an increase of $77,163, or 6.7% of the 29.5% increase, due to the increase in foreign exchange rates since the prior-year period. Sales on a constant-currency basis increased by 22.8%.

The overall net price per unit increase of 18.7% includes increases of 6.7% due to the impact of foreign currency exchange rate changes and 12.0% due to the combined impact of product mix and selling price increases, primarily due to the much higher concentration of Motorcaravan sales in the current-year period due primarily to improved supply of chassis and other components in the current-year period compared to the prior-year period.

The constant-currency increases in the overall net price per unit within the Motorcaravan product line of 4.5% and the Caravan product line of 1.6% were primarily due to the impact of selling price increases and product mix changes. The constant-currency decrease in the overall net price per unit within the Campervan product line of 3.5% was primarily due to the impact of product mix changes.

European Recreational Vehicle cost of products sold increased $257,397 to $1,248,342, or 83.8% of European Recreational Vehicle net sales, for the six months ended January 31, 2024 compared to $990,945, or 86.1% of European Recreational Vehicle net sales, for the six months ended January 31, 2023. Changes in material, labor, freight-out and warranty costs comprised $222,851 of the $257,397 increase. Material, labor, freight-out and warranty costs as a combined percentage of European Recreational Vehicle net sales decreased to 72.6% for the six months ended January 31, 2024 compared to 74.6% for the six months ended January 31, 2023, with the decrease primarily due to a decrease in the material cost percentage due to net selling price increases and product mix changes. The labor cost percentage also improved. Total manufacturing overhead increased with the increase in European Recreational Vehicle net sales but decreased as a percentage of European Recreational Vehicle net sales from 11.5% to 11.2% primarily due to the increase in net sales resulting in decreased overhead costs per unit sold.

The increase of $81,858 in European Recreational Vehicle gross profit for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 was primarily due to the increase in European Recreational Vehicle net sales and the decrease in the cost of products sold percentage noted above.

The increase of $21,075 in European Recreational Vehicle selling, general and administrative expenses for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 was primarily due to the increase in European Recreational Vehicle net sales and income before income taxes, which caused related commissions, incentive and other compensation to increase by $7,381. Sales-related travel, advertising and promotional costs also increased $8,927, primarily due to increased display space at the annual Dusseldorf show and attending more regional shows in comparison to the prior-year period.

The increase of $61,277 in European Recreational Vehicle income before income taxes for the six months ended January 31, 2024 compared to the six months ended January 31, 2023 was primarily due to the increase in European Recreational Vehicle net sales. The primary reasons for the increase in percentage were the decreases in both the cost of products sold and selling, general and administrative expense percentages noted above. Amortization expense was also 0.6% lower as a percentage of sales in the current year compared to the prior-year period.

Liquidity and Capital Resources

As of January 31, 2024, we had $340,192 in cash and cash equivalents, of which $257,635 was held in the U.S. and the equivalent of $82,557, predominantly in Euros, was held in Europe, compared to $441,232 on July 31, 2023, of which $338,703 was held in the U.S. and the equivalent of $102,529, predominantly in Euros, was held in Europe. Cash and cash equivalents held internationally may be subject to foreign withholding taxes if repatriated to the U.S. The components of the $101,040 decrease in cash and cash equivalents are described in more detail below, but the decrease was primarily attributable to cash used in operations of $44,200 and cash used in investing activities of $80,943, partially offset by cash provided by financing activities of $26,754.

Net working capital at January 31, 2024 was $1,212,801 compared to $1,077,098 at July 31, 2023. Capital expenditures of $78,901 for the six months ended January 31, 2024 were made primarily for production building additions and improvements and replacing machinery and equipment used in the ordinary course of business.

We strive to maintain adequate cash balances to ensure we have sufficient resources to respond to opportunities and changing business conditions. In addition, the unused availability under our revolving asset-based credit facility is generally available to the Company for general operating purposes and approximated $938,000 at January 31, 2024. We believe our on-hand cash and cash equivalents and funds generated from operations, along with funds available under the revolving asset-based credit facility, will be sufficient to fund expected operational requirements for the foreseeable future.

Our priorities for the use of current and future available cash generated from operations remain consistent with our history, and include reducing our indebtedness, maintaining and, over time, growing our dividend payments and funding our growth, both organically and, opportunistically, through acquisitions. We may also consider strategic and opportunistic repurchases of shares of THOR stock under the share repurchase authorizations as discussed in Note 16 to the Condensed Consolidated Financial Statements, and special dividends based upon market and business conditions and excess cash availability, subject to potential customary limits and restrictions pursuant to our credit facilities, applicable legal limitations and determination by the Company's Board of Directors ("Board"). We believe our on-hand cash and cash equivalents and funds generated from operations will be sufficient to fund expected cash dividend payments and share repurchases for the foreseeable future.

Our current estimate of committed and internally approved capital spend for the remainder of fiscal 2024 is $100,000, primarily for certain building projects and certain automation projects, as well as replacing and upgrading machinery, equipment and other assets throughout our facilities to be used in the ordinary course of business. We anticipate that these expenditures will be funded by cash provided by our operating activities.

The Company's Board currently intends to continue regular quarterly cash dividend payments in the future. As is customary under credit facilities, certain actions, including our ability to pay dividends, are subject to the satisfaction of certain conditions prior to payment. The conditions for the payment of dividends under the existing debt facilities include a minimum level of adjusted excess cash availability and a fixed charge coverage ratio test, both as defined in the credit agreements. The declaration of future dividends and the establishment of the per share amounts, record dates and payment dates for any such future dividends are subject to the determination of the Board, and will be dependent upon future earnings, cash flows and other factors, in addition to compliance with any then-existing financing facilities.

Operating Activities

Net cash used in operating activities for the six months ended January 31, 2024 was $44,200 as compared to net cash provided by operating activities of $185,321 for the six months ended January 31, 2023.

For the six months ended January 31, 2024, net income adjusted for non-cash items (primarily depreciation, amortization of intangibles and stock-based compensation) provided $207,653 of operating cash. The change in net working capital resulted in a net use of $251,853 of operating cash during that period, primarily due to an increase in chassis inventory as European chassis suppliers continue to get caught up delivering their order backlog, and RV finished goods had a seasonal increase heading into the spring selling season. In addition, required income tax payments during the period exceeded the income tax provision for the period, and certain accrued liabilities decreased with the reduction in sales and production when compared to the prior-year end period.

For the six months ended January 31, 2023, net income adjusted for non-cash items (primarily depreciation, amortization of intangibles and stock-based compensation) provided $314,016 of operating cash. The change in working capital resulted in the use of $128,695 of operating cash during that period, primarily due to an increase in chassis inventory to support the motorized sales and production and as North American chassis suppliers got caught up delivering their order backlog, as the cash impact of the reductions in accounts receivable, accounts payable and accrued liabilities due to the net sales and production decreases mostly offset each other.

Investing Activities

Net cash used in investing activities for the six months ended January 31, 2024 was $80,943, primarily due to capital expenditures of $78,901.

Net cash used in investing activities for the six months ended January 31, 2023 was $113,748, primarily due to capital expenditures of $100,985.

Financing Activities

Net cash provided by financing activities for the six months ended January 31, 2024 was $26,754, which included borrowings of $113,502 on the asset-based credit facility for temporary working capital needs and payments of $51,925 on the asset-based credit facility. In addition, borrowings of $186,723 and payments of $127,626 were made on the term-loan credit facilities in connection with the debt refinancing as discussed in Note 12 to the Condensed Consolidated Financial Statements. Treasury share repurchases of $30,037 were made and regular quarterly dividend payments of $0.48 per share for each of the first two quarters of fiscal 2024 were also made totaling $51,135.

Net cash used in financing activities for the six months ended January 31, 2023 was $101,742, including payments of $15,000 on the asset-based credit facility and $12,355 on the term-loan credit facilities, in addition to treasury share repurchases of $25,407. Regular quarterly dividend payments of $0.45 per share for each of the first two quarters of fiscal 2023 were also made totaling $48,165.

The Company increased its previous regular quarterly dividend of $0.45 per share to $0.48 per share in October 2023. In October 2022, the Company increased its previous regular quarterly dividend of $0.43 per share to $0.45 per share.

Accounting Standards

See Note 1 in the Notes to the Condensed Consolidated Financial Statements included in Item 1 of Part 1 of this Quarterly Report on Form 10-Q.

Critical Accounting Estimates

For a discussion of our critical accounting estimates, refer to "Management's Discussion and Analysis of Financial Condition and Results of Operations" in Part II, Item 7 and the notes to our Consolidated Financial Statements in Part II, Item 8 of our Annual Report on Form 10-K for the year ended July 31, 2023. There have been no material changes to our critical accounting estimates since our Annual Report on Form 10-K for the year ended July 31, 2023.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The Company is exposed to market risk from changes in foreign currency exchange rates and interest rates. At times, the Company enters into hedging transactions to mitigate certain of these risks in accordance with guidelines established by the Company's management. The Company does not use financial instruments for trading or speculative purposes.

CURRENCY EXCHANGE RISK – The Company's principal currency exposures mainly relate to the Euro and British Pound Sterling. The Company periodically uses foreign currency forward contracts to manage certain foreign exchange rate exposure related to anticipated sales transactions in Pounds Sterling with financial instruments whose maturity date, along with the realized gain or loss, occurs on or near the execution of the anticipated transaction.

The Company also holds $479,786 of debt denominated in Euros at January 31, 2024. A hypothetical 10% change in the Euro/U.S. Dollar exchange rate would change our January 31, 2024 debt balance by approximately $47,978.

INTEREST RATE RISK – Based on our assumption of the Company's floating-rate debt levels over the next 12 months, a one-percentage-point increase in interest rates (approximately 13.2% of our weighted-average interest rate at January 31, 2024) would result in an estimated $8,776 reduction in income before income taxes over a one-year period.

ITEM 4. CONTROLS AND PROCEDURES

The Company maintains "disclosure controls and procedures," as such term is defined under Exchange Act Rule 13a-15(e), that are designed to ensure that information required to be disclosed in our Exchange Act reports is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow for timely decisions regarding required disclosures. In designing and evaluating the disclosure controls and procedures, our management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives and our management is required to apply its judgment in evaluating the cost-benefit relationship of possible controls and procedures. The Company has carried out an evaluation, as of the end of the period covered by this report, under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of the Company's disclosure controls and procedures. Based on this evaluation, the Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures were effective at attaining the level of reasonable assurance noted above.

During the quarter ended January 31, 2024, there were no changes in our internal controls over financial reporting that have materially affected, or are reasonably likely to materially affect, our internal controls over financial reporting.

ITEM 5. OTHER INFORMATION

Rule 10b5-1 Trading Arrangements

The Company's Insider Trading Policy permits its directors and officers to trade Company stock under a "Rule 10b5-1 trading arrangement" (as defined in Item 408 of Regulation S-K) that is intended to satisfy the affirmative defense of Rule 10b5-1(c) under the Exchange Act, subject to compliance with applicable regulations as well as the Company's Insider Trading Policy and share ownership requirements. The Insider Trading Policy provides that each officer or director Rule 10b5-1 trading arrangement must be entered into in writing during an open trading window and at a time that the officer or director is not aware of material nonpublic information. The Company generally requires that any Rule 10b5-1 trading arrangement adopted by an officer or director must not expire within one year of implementation and is subject to a mandatory cooling-off period requirement.

On January 16, 2024, our Chief Financial Officer, Colleen Zuhl, adopted a Rule 10b5-1 trading arrangement (providing for the sale of up to 9,728 shares of Company common stock) that is intended to satisfy the affirmative defense of Rule 10b5-1(c) under the Exchange Act. Mrs. Zuhl's Rule 10b5-1 trading arrangement provides for a mandatory cooling-off period as required by Rule 10b5-1 and is scheduled to expire on January 16, 2025 or such earlier date as of which all of the shares covered by the arrangement have been sold. As of January 31, 2024, Mrs. Zuhl held 118,028 shares of Company common stock not subject to trading under her Rule 10b5-1 trading arrangement.

Except as described above, no director or officer of the Company adopted or terminated a Rule 10b5-1 trading arrangement or "non-Rule 10b5-1 trading arrangement" (as defined in Item 408 of Regulation S-K) during the three months ended January 31, 2024.

PART II – OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

The Company is involved in certain litigation arising out of its operations in the normal course of its business, most of which is based upon state "lemon laws," warranty claims and vehicle accidents (for which the Company carries insurance above a specified self-insured retention or deductible amount). The outcomes of legal proceedings and claims brought against the Company are subject to significant uncertainty. There is significant judgment required in assessing both the probability of an adverse outcome and the determination as to whether an exposure can be reasonably estimated. In management's opinion, the ultimate disposition of any current legal proceedings or claims against the Company will not have a material effect on the Company's financial condition, operating results or cash flows. Litigation is, however, inherently uncertain and an adverse outcome from such litigation could have a material effect on the operating results of a particular reporting period.

ITEM 1A. RISK FACTORS

Although risks specific to the supply chain disruptions are ongoing, and macroeconomic issues like general inflation, as well as certain geopolitical events, including military conflicts, remain, at this point there have been no material changes in those risks or any others from the risk factors previously disclosed in Part I, Item 1A of our Annual Report on Form 10-K for the fiscal year ended July 31, 2023.

AMENDMENT NO. 3 TO TERM LOAN CREDIT AGREEMENT

AMENDMENT NO. 3, dated as of November 15, 2023 (this "Amendment"), to the Term Loan Credit Agreement dated as of February 1, 2019 (as amended by Amendment No. 1 to Term Loan Credit Agreement, dated as of March 25, 2021 and Amendment No. 2 to Term Loan Credit Agreement, dated as of May 9, 2023, and as further amended, supplemented, amended and restated or otherwise modified from time to time prior to the date hereof, the "Credit Agreement"; the Credit Agreement as amended by this Amendment, the "Amended Credit Agreement") among THOR INDUSTRIES INC., a corporation organized under the laws of Delaware (the "Borrower"), each lender from time to time party thereto (collectively, the "Lenders" and individually, a "Lender"), JPMORGAN CHASE BANK, N.A., as Administrative Agent (in such capacity, the "Administrative Agent") and the other parties thereto. Capitalized terms used and not otherwise defined herein shall have the meanings assigned to them in the Amended Credit Agreement.

WHEREAS, Section 2.27 of the Credit Agreement provides that the Borrower may incur Term Refinancing Facilities, the proceeds of which are used to refinance in whole or in part any tranche of Term Loans by entering into Refinancing Amendments with Lenders willing to provide such Term Refinancing Facilities;

WHEREAS, the Borrower desires, pursuant to Sections 2.27 and 10.1 of the Credit Agreement, to create a new tranche of Term B-2 USD Loans (as defined in the Amended Credit Agreement) and a new tranche of Term B-2 Euro Loans (as defined in the Amended Credit Agreement) (the Term B-2 USD Loans together with the Term B-2 Euro Loans, collectively, the "Term B-2 Loans") under the Credit Agreement having the terms set forth in the Amended Credit Agreement;

WHEREAS, each Term B-1 Lender that executes and delivers a consent substantially in the form of Exhibit B hereto (a "Consent") to (i) exchange all (or such lesser amount allocated to it by the Administrative Agent) of its outstanding (x) Term B-1 USD Loans for Term B-2 USD Loans and (y) Term B-1 Euro Loans for Term B-2 Euro Loans or (ii) have all of its outstanding Term B-1 Euro Loans repaid on the Amendment No. 3 Effective Date (as defined below) and to purchase by assignment Term B-2 Euro Loans in a like principal amount (or such lesser amount allocated to such Lender by the Administrative Agent) (each such Term B-1 Lender executing a Consent pursuant to this clause (ii), a "Cash Settlement Lender"), in each case, upon effectiveness of this Amendment and thereafter become a Term B-2 Lender, shall be deemed to have consented to this Amendment.

WHEREAS, (x) JPMorgan Chase Bank, N.A. ("JPMorgan"), Barclays Bank PLC ("Barclays"), BMO Capital Markets Corp. ("BMOCM") and U.S. Bank National Association ("U.S. Bank") will act as joint lead arrangers and joint bookrunners for the Term B-2 USD Loans and (y) (i) Barclays and JPMorgan will act as active joint lead arrangers and joint bookrunners and (ii) BMOCM and U.S. Bank will act as joint lead arrangers and joint bookrunners, in each case, for the Term B-2 Euro Loans.

NOW, THEREFORE, in consideration of the premises and covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. Term B-2 Lenders and Term B-2 Loans.

(a) (x) Each Term B-2 USD Lender hereby agrees to make Term B-2 USD Loans and (y) each Term B-2 Euro Lender hereby agrees to make Term B-2 Euro Loans, in each case, in an aggregate principal amount specified opposite its name on Schedule 1 attached hereto on the Amendment No. 3 Effective Date. The Term B-2 Commitments of the Term B-2 Lenders pursuant to this Section 1(a) shall terminate upon the funding of the Term B-2 Loans on the Amendment No. 3 Effective Date. Once repaid, the Term B-2 Loans may not be reborrowed. The Term B-2 Loans shall have the terms set forth in this Amendment and in the Amended Credit Agreement and each Term B-2 Lender party hereto consents to this Amendment.

(b) Subject to the terms and conditions set forth herein, on the Amendment No. 3 Effective Date, (i) each Term B-2 Lender shall become a "Term Lender" and a "Lender" under the Amended Credit Agreement and (ii) each Term B-2 Lender shall have all the rights and obligations of a "Term Lender" and a "Lender" holding a Term Loan under the Amended Credit Agreement and other Loan Documents. On the Amendment No. 3 Effective Date, each Term B-1 Lender (in its capacity as such, but not in any other capacity) shall cease to be a Lender party to the Credit Agreement (and, for the avoidance of doubt, shall not be a party to the Amended Credit Agreement with respect to the Term B-1 Loans (except to the extent that it shall subsequently become a party thereto (A) pursuant to an Assignment and Assumption Agreement entered into with any Lender in accordance with the terms of the Amended Credit Agreement, (B) as a Rollover Term Lender pursuant to the cashless exchange mechanism in accordance with this Amendment, (C) as a Cash Settlement Lender pursuant to the cash settlement mechanism in accordance with this Amendment or (D) through other means in accordance with the terms and provisions of the Amended Credit Agreement)), and all accrued and unpaid fees and other amounts payable under the Existing Credit Agreement for the account of each Term B-1 Lender shall be due and payable on the Amendment No. 3 Effective Date.

(c) Each Rollover Term Lender severally agrees to (i) exchange its Exchanged Term B-1 USD Loans (as defined in the Amended Credit Agreement) for a like principal amount of Term B-2 USD Loans (or such lesser amount allocated to such Lender by the Administrative Agent) and/or (ii) exchange its Exchanged Term B-1 Euro Loans (as defined in the Amended Credit Agreement) for a like principal amount of Term B-2 Euro Loans (or such lesser amount allocated to such Lender by the Administrative Agent), in each case on the Amendment No. 3 Effective Date.

(d) Each Cash Settlement Lender severally agrees to have all of its outstanding Term B-1 Euro Loans repaid on the Amendment No. 3 Effective Date and to purchase by assignment Term B-2 Euro Loans in a like principal amount (or such lesser amount allocated to such Lender by the Administrative Agent).

(e) The Term B-2 USD Loans may from time to time be Term Benchmark Loans or ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Section 2.2 or 2.12 of the Amended Credit Agreement. The Term B-2 Euro Loans shall be Term Benchmark Loans. The Applicable Margin shall be a percentage per annum

determined in accordance with the definition of "Applicable Margin" set forth in the Amended Credit Agreement.

(f) The proceeds of the Term B-2 Loans shall be applied toward the prepayment of the aggregate outstanding principal amount of the Non-Exchanged Term B-1 Loans (as defined in the Amended Credit Agreement) and the Term B-1 Euro Loans held by Cash Settlement Lenders, and fees, costs, expenses and original issue discount payable in connection with the Term B-2 Loans, with any excess to be used for general corporate purposes.

(g) With effect from the effectiveness of this Amendment, each Term B-2 Loan made on the Amendment No. 3 Effective Date in accordance with Section 1(a) and 1(c) shall constitute, for all purposes of the Credit Agreement as amended hereby, a Term B-2 Loan made pursuant to the Amended Credit Agreement. The initial Interest Period applicable to the Term B-2 Loans will be a length set forth in the Borrowing Request delivered by the Borrower to the Administrative Agent in connection with such Term B-2 Loans.

(a) Effective as of the Amendment No. 3 Effective Date, the Credit Agreement is hereby amended in accordance with Exhibit A hereto by deleting the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and inserting the double-underlined text (indicated textually in the same manner as the following example: **double-underlined text**), in each case in place where such text appears therein.

(c) Each Lender delivering a Consent hereunder waives any right to compensation for losses incurred by such Lender to which it may otherwise be entitled pursuant to Section 2.20 of the Credit Agreement in respect of the transactions contemplated hereby.

Section 3. Representations and Warranties.

Each Loan Party represents and warrants to the Lenders as of the Amendment No. 3 Effective Date that:

(a) Each Loan Party has the corporate or similar organizational power and authority, and the legal right, to make, deliver and perform the Amendment and, in the case of the Borrower, to obtain extensions of credit hereunder. Each Loan Party has taken all necessary corporate or similar organizational action to authorize the execution, delivery and performance of the Amendment and, in the case of the Borrower, to authorize the extensions of credit on the terms and conditions of this Amendment. This Amendment has been duly executed and delivered on behalf of each Loan Party party thereto. This Amendment constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party

party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(b) The execution, delivery and performance of this Amendment, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any Contractual Obligation of any Group Member, except for violations that could not reasonably be expected to have a Material Adverse Effect, and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation.

(c) Each of the representations and warranties made by any Loan Party in or pursuant to this Amendment and the other Loan Documents shall be true and correct in all material respects (or in all respects if qualified by materiality) on and as of such date as if made on and as of such date, except to the extent expressly made as of an earlier date, in which case such representations and warranties shall have been so true and correct as of such earlier date.

(d) At the time and immediately after giving effect to the incurrence of the Term B-2 Loans, no Default or Event of Default shall have occurred and be continuing.

(3) a certificate signed by a Responsible Officer of the Borrower certifying as to the satisfaction of the conditions set forth in paragraphs (e) and (f) of this Section 4 as of the Amendment No. 3 Effective Date; and

(4) a solvency certificate from a Responsible Officer of the Borrower in the form of Exhibit L to the Credit Agreement.

(c) The Borrower shall have paid to the Administrative Agent, for the ratable account of the Term B-1 Lenders immediately prior to the Amendment No. 3 Effective Date, all accrued and unpaid interest on the Term B-1 Loans to, but not including, the Amendment No. 3 Effective Date and the aggregate principal amount of all Term B-1 Loans shall be repaid in full (or cashlessly exchanged pursuant to the terms hereof).

(d) All reasonable and documented out-of-pocket fees and expenses due to the Administrative Agent (including pursuant to Section 10 hereof) shall have been paid (or the Borrower shall have made arrangements reasonably satisfactory to the Administrative Agent for such payment).

(e) At the time and immediately after giving effect to the incurrence of the Term B-2 Loans, no Default or Event of Default shall have occurred and be continuing.

(f) Each of the representations and warranties made by any Loan Party in or pursuant to this Amendment and the other Loan Documents shall be true and correct in all material respects (or in all respects if qualified by materiality) on and as of such date as if made on and as of such date, except to the extent expressly made as of an earlier date, in which case such representations and warranties shall have been so true and correct as of such earlier date.

(g) (i) The Administrative Agent shall have received at least three Business Days prior to the Amendment No. 3 Effective Date any information requested at least ten Business Days prior to the Amendment No. 3 Effective Date by the Administrative Agent that such Administrative Agent reasonably determines is required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including without limitation the USA Patriot Act and (ii) to the extent the Borrower qualifies as a "legal entity customer" under the Beneficial Ownership Regulation (as defined in the Amended Credit Agreement), at least five days prior to the Amendment No. 3 Effective Date, any Lender that has requested, in a written notice to the Borrower at least ten days prior to the Amendment No. 3 Effective Date, a Beneficial Ownership Certification (as defined in the Amended Credit Agreement) in relation to the Borrower shall have received such Beneficial Ownership Certification (provided that, upon the execution and delivery by such Term B-2 Lender of its signature page to this Agreement, the condition set forth in this clause (ii) shall be deemed to be satisfied).

Section 5. Acknowledgments.

Each Loan Party hereby expressly acknowledges and agrees to the terms of this Amendment and reaffirms and confirms, as of the date hereof, (i) the covenants and agreements contained in each Loan Document to which it is a party, including, in each case, such covenants and agreements as in effect immediately after giving effect to this Amendment and the transactions contemplated hereby and that on and after the Amendment No. 3 Effective Date each Loan Document remains in full force and effect, (ii) its guarantee of the Obligations (including, without limitation, the Term B-2 Loans) pursuant to the Guarantee Agreement and that that on and after the Amendment No. 3 Effective Date its guarantee will extend to the Obligations as amended by this Amendment, and (iii) its grant of Liens on the Collateral to secure the Obligations (including, without limitation, the Obligations with respect to the Term B-2 Loans) pursuant to the Security Documents and that on and after the Amendment No. 3 Effective Date the Liens will continue to secure the Obligations as amended by this Agreement.

Section 6. **Liens Unimpaired**.

After giving effect to this Amendment, neither the modification of the Credit Agreement effected pursuant to this Amendment nor the execution, delivery, performance or effectiveness of this Amendment:

(a) impairs the validity, effectiveness or priority of the Liens granted pursuant to any Loan Document, and such Liens continue unimpaired with the same priority to secure repayment of all Obligations, whether heretofore or hereafter incurred; or

(b) requires that any new filings be made or other action taken to perfect or to maintain the perfection of such Liens.

Section 7. **Entire Agreement**.

This Amendment, the Credit Agreement and the other Fundamental Documents constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties hereto with respect to the subject matter hereof. Except as expressly set forth herein, this Amendment and the Credit Agreement shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of any party under, the Credit Agreement, nor alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement, all of which are ratified and affirmed in all respects and shall continue in full force and effect. It is understood and agreed that each reference in each Loan Document to the "Credit Agreement," whether direct or indirect, shall hereafter be deemed to be a reference to the Credit Agreement as amended by this Amendment and that this Amendment is a "Loan Document" and a "Refinancing Amendment."

Section 8. **Amendment, Modification and Waiver**.

This Amendment may not be amended, modified or waived except pursuant to a writing signed by each of the parties hereto.

Section 9. **Expenses**.

The Borrower agrees to reimburse the Administrative Agent for its reasonable and documented out-of-pocket expenses incurred by them in connection with this Amendment, including the reasonable and documented fees, charges and disbursements of counsel for the Administrative Agent, pursuant to the terms of Section 11.4 of the Credit Agreement.

Section 10. Counterparts.

This Amendment may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which when taken together shall constitute a single instrument. Section 10.8(b) of the Amended Credit Agreement is hereby incorporated by reference into this Amendment and shall apply hereto.

Section 11. Governing Law and Waiver of Right to Trial by Jury.

THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK. Section 13. Effect of Amendment.

The Administrative Agent shall determine the Dollar Equivalent of any amount in accordance with the terms hereof, and a determination thereof by the Administrative Agent shall be presumptively correct absent manifest error. The Administrative Agent may, but shall not be obligated to, rely on any determination made by any Credit Party in any document delivered to the Administrative Agent. Notwithstanding the foregoing, for purposes of Section 7 and the calculation of compliance with any financial ratio or financial test for purposes of taking any action hereunder, on any relevant date of determination, amounts denominated in currencies other than Dollars shall be translated into Dollars at the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Sections 6.1(a) or (b), as applicable, for the relevant fiscal period.

The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Such fee shall be paid by the Borrower to the Administrative Agent, for the account of the applicable Term B-~~1~~-2 Lenders in respect of the applicable Term B-~~1~~-2 Loans, on the date of such event.

2.11 Mandatory Prepayments and Commitment Reductions. (a) If any Indebtedness shall be incurred by any Group Member (excluding any Indebtedness permitted in accordance with Section 7.2), an amount equal to 100% of the Net Cash Proceeds thereof shall be applied on the date of such incurrence toward the prepayment of the Term Loans as set forth in Section 2.11(d); provided that prepayments pursuant to this Section 2.11(a) shall be accompanied by any fees payable with respect thereto pursuant to Section 2.10(b).

(b) If on any date any Group Member shall receive Net Cash Proceeds from any Asset Sale or Recovery Event then, unless a Reinvestment Notice shall be delivered in respect thereof, such Net Cash Proceeds shall be applied within five Business Days after such date toward the prepayment of the Term Loans as set forth in Section 2.11(d); provided, that, notwithstanding the foregoing, on each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied toward the prepayment of the Term Loans as set forth in Section 2.11(d).

(c) If, for any fiscal year of the Borrower commencing with the first full fiscal year after the ~~Closing~~Amendment No. 3 Effective Date, there shall be Excess Cash Flow, the Borrower shall, on the relevant Excess Cash Flow Application Date, apply toward the prepayment of the Term Loans as set forth in Section 2.11(d) the excess of (x) the ECF Percentage of such Excess Cash Flow over (y) solely to the extent not funded with the proceeds of Indebtedness, the aggregate amount of all optional prepayments of Term Loans pursuant to Section 2.10, any Incremental Equivalent Debt (including any Permitted Refinancing Indebtedness thereof), any Replacement Financing of the Term Loans (in each case to the extent such Indebtedness was secured on a pari passu basis with the Liens securing the Term Loans), any ABL Loans (including any Permitted Refinancing Indebtedness thereof, in each case to the extent accompanied by a corresponding reduction in commitments) plus the aggregate amount of all Loan purchases pursuant to Section 2.25 and Section 10.6(e) (provided that the aggregate amount of any such purchase shall be the amount of the Borrower's cash payment in respect of such purchase), in each case, made during such fiscal year or, at the Borrower's option, after fiscal year end and prior to the date such Excess Cash Flow payment is due (without counting such amounts against subsequent years' Excess Cash Flow). Each such prepayment shall be made on a date (an "Excess Cash Flow Application Date") no later than five Business Days after the earlier of (i) the date on which the financial statements of the Borrower referred to in Section 6.1(a), for the fiscal year with respect to which such prepayment is made, are required to be delivered to the Lenders and (ii) the date such financial statements are actually delivered.

(d) Amounts to be applied in connection with prepayments made pursuant to this Section 2.11 shall be applied to the prepayment of the Term Loans therein in accordance with Section 2.17(b). The Borrower shall notify the Administrative Agent of any event giving rise to a prepayment under this Section 2.11 at least three Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment that is required to be made under this Section 2.11. Any Lender may decline to accept all (but not less than all) of its share of any such prepayment (the "Declined Amount") by providing written notice to the Administrative Agent no later than two Business Days after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. If the Lender does not give a notice to the Administrative Agent on or prior to such second Business Day informing the Administrative Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. Such Lender's Declined Amount may be retained by the Borrower.

(f) Notwithstanding any other provisions of this Section 2.11, to the extent any or all of the Net Cash Proceeds of any Asset Sale by a Foreign Subsidiary, the Net Cash Proceeds of any Recovery Event received by a Foreign Subsidiary or Excess Cash Flow attributable to Foreign Subsidiaries, are prohibited or delayed by any applicable local law (including financial assistance, corporate benefit restrictions on upstreaming of cash intra group and the fiduciary and statutory duties of the directors of such Foreign Subsidiary) from being repatriated or passed on to or used for the benefit of the Borrower or any applicable Domestic Subsidiary or if the Borrower has determined in good faith that repatriation of any such amount to the Borrower or any applicable Domestic Subsidiary would have material adverse tax consequences (including a material acceleration of the point in time when such earnings would otherwise be taxed) with respect to such amount, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay the Term Loans at the times provided in this Section 2.11 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation or the passing on to or otherwise using for the benefit of the Borrower or the applicable Domestic Subsidiary, or the Borrower believes in good faith

that such material adverse tax consequence would result, and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law or the Borrower determines in good faith such repatriation would no longer have such material adverse tax consequences, such repatriation will be promptly effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than five Business Days after such repatriation) applied (net of additional taxes payable or reasonably estimated to be payable as a result thereof) to the prepayment of the Term Loans pursuant to this Section 2.11 provided that no such prepayment of the Term Loans pursuant to this Section 2.11 shall be required in the case of any such Net Cash Proceeds or Excess Cash Flow the repatriation of which the Borrower believes in good faith would result in material adverse tax consequences, if on or before the date on which such Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to a Reinvestment Notice (or such Excess Cash Flow would have been so required if it were Net Cash Proceeds), the Borrower applies an amount equal to the amount of such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary).

2.12 Conversion and Continuation Options. (a) The Borrower may elect from time to time to convert Term Benchmark Loans denominated in Dollars to ABR Loans by giving the Administrative Agent prior irrevocable notice of such election by submitting an Interest Election Request no later than 12:00 Noon, New York City time, on the Business Day preceding the proposed conversion date, provided that any such conversion of Term Benchmark Loans may only be made on the last day of an Interest Period with respect thereto. The Borrower may elect from time to time to convert ABR Loans to Term Benchmark Loans by giving the Administrative Agent prior irrevocable notice of such election by submitting an Interest Election Request no later than 12:00 Noon, New York City time, on the third Business Day preceding the proposed conversion date (which Interest Election Request shall specify the length of the initial Interest Period therefor), provided that no ABR Loan under a particular Facility may be converted into a Term Benchmark Loan when any Event of Default has occurred and is continuing and the Administrative Agent or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such conversions. Upon receipt of any such Interest Election Request the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any Term Benchmark Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving irrevocable notice by submitting an Interest Election Request to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, provided that no Term Benchmark Loan under a particular Facility may be continued as such (i) when any Event of Default has occurred and is continuing and the Administrative Agent has or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such continuations or (ii) if an Event of Default specified in clause (i) or (ii) of Section 8(f) with respect to the Borrower is in existence, and provided, further, that if the Borrower shall fail to give any required Interest Election Request as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso such Loans shall, in the case of Loans Denominated in Dollars, be automatically converted to ABR Loans on the last day of such then expiring Interest Period and in the case of Loan denominated in Euro, automatically continued as EURIBOR Rate Loans with a one month Interest Period. Upon receipt of any such Interest Election Request the Administrative Agent shall promptly notify each relevant Lender thereof.

2.13 Limitations on Term Benchmark Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Term Benchmark Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Term Benchmark Loans comprising each Term Benchmark Tranche shall be equal to $5,000,000 or €5,000,000, as applicable or a whole multiple of $1,000,000 or €1,000,000, as applicable, in excess thereof and (b) no more than 10 Term Benchmark Tranches shall be outstanding at any one time.

2.14 Interest Rates and Payment Dates. (a) Each Term Benchmark Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the ~~Adjusted~~ Term SOFR Rate or the EURIBOR Screen Rate, as applicable, determined for such day plus the Applicable Margin.

(b) Each ABR Loan shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

(c) (i) If all or a portion of the principal amount of any Loan shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2%, and (ii) if all or a portion of any interest payable on any Loan or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to ABR Loans under the relevant Facility (or if not denominated in Dollars, such rate as would be then applicable to Loans that are Term Benchmark Loans denominated in the applicable currency with a one month Interest Period) plus 2% (or, in the case of any such other amounts that do not relate to a particular Facility, the rate then applicable to ABR Loans under the Term Facility plus 2%), in each case, with respect to clauses (i) and (ii) above, from the date of such non-payment until such amount is paid in full (as well after as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to paragraph (c) of this Section shall be payable from time to time on demand.

2.15 Computation of Interest and Fees. (a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to ABR Loans the rate of interest on which is calculated on the basis of the Prime Rate, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed (including the first day, but excluding the last day; provided that if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on such Loan). The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a ~~Adjusted~~ Term SOFR Rate or an EURIBOR Screen Rate. Any change in the interest rate on a Loan resulting from a change in the ABR or the reserve requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.14(a).

2.16 Inability to Determine Interest Rate. (a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 2.16, if:

(i) the Administrative Agent shall have determined (which determination shall be conclusive and binding absent manifest error) (A) that adequate and reasonable means do not exist for ascertaining the Term SOFR Rate ~~or the Adjusted Term SOFR Rate, as applicable,~~ for a Loan for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable ~~Adjusted~~ Daily Simple SOFR; or

(ii) the Administrative Agent shall have received notice from the Majority Facility Lenders in respect of the relevant Facility that the (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the ~~Adjusted~~ Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period or (B) at any time, the applicable ~~Adjusted~~ Daily Simple SOFR will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing,

then the Administrative Agent shall give notice thereof to the Borrower and the relevant Lenders by telephone, telecopy or electronic mail as soon as practicable thereafter. If such notice is given (x) (1) Loans denominated in Dollars, including any request for a conversion or continuation of a Term Benchmark Borrowing shall be made as (A) a Daily Simple SOFR Borrowing denominated in dollars so long as the ~~Adjusted~~ Daily Simple SOFR for Borrowings denominated in dollars is not also the subject of Section 2.16(a)(i) or (ii) above or (B) an ABR Borrowing if the ~~Adjusted~~ Daily Simple SOFR for Borrowings denominated in dollars also is the subject of Section 2.16(a)(i) or (ii) above and (2) any Borrowing Request that requests a SOFR Borrowing shall instead be deemed to be a Borrowing Request, as applicable, for an ABR Borrowing or (y) Loans denominated in Euro shall be a Borrowing at the ~~Alternate Rate~~ABR plus the Applicable Margin for ABR Borrowings. Furthermore, if any Term Benchmark Loan, Daily Simple SOFR Loan or EURIBOR Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.16(a) with respect to a Relevant Rate applicable to such Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.12 or a new Borrowing Request in accordance with the terms of Section 2.02, (1) for Loans denominated in Dollars, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) a Daily Simple SOFR Borrowing denominated in Dollars so long as the ~~Adjusted~~ Daily Simple SOFR for Borrowings denominated in dollars is not also the subject of Section 2.16(a)(i) or (ii) above or (y) an ABR Loan if the ~~Adjusted~~ Daily Simple SOFR for Borrowings denominated in dollars also is the subject of Section 2.16(a)(i) or (ii) above, on such day, and (2) any Daily Simple SOFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute an ABR Loan, and (2) for Loans denominated in Euro such Loans shall be at the ~~Alternate Rate~~ABR plus the Applicable Margin for ABR Borrowings.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" with respect to Dollars for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders of each applicable Facility.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.16, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.16.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate or the EURIBOR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

2.17 Pro Rata Treatment and Payments. (a) Each borrowing by the Borrower from (i) the Initial Term Lenders under a Facility hereunder shall be made pro rata according to the Initial Term Percentage of the Initial Term Lenders under such Facility and, (ii) the Term B-1 Lenders under a Facility hereunder shall be made pro rata according to the Term B-1 Loan Percentage of the Term B-1 Lenders under such Facility and (iii) the Term B-2 Lenders under a Facility hereunder shall be made pro rata according to the Term B-2 Loan Percentage of the Term B-2 Lenders under such Facility.

(b) With respect to any Facility, each payment (including each prepayment under this Agreement) by the Borrower on account of principal of and interest on the Term Loans of such Facility shall be made pro rata according to the respective outstanding principal amounts of the Term Loans of such Facility then held by the Term Lenders (except as otherwise provided in Section 2.11(e)). The amount of each principal prepayment of the Term Loans pursuant to Section 2.11 shall be applied to reduce the Term B-~~1~~-2 Loans and Incremental Term Loans on a pro rata basis based upon the respective then remaining principal amounts thereof (unless any Incremental Term Lenders have agreed to less than pro rata prepayments) and shall be applied within each Facility to the then remaining installments thereof as directed by the Borrower (or if not so directed, to the then remaining installments thereof in direct order of maturity). Amounts repaid (including amounts pursuant to Section 2.11) and prepaid on account of the Term Loans may not be reborrowed.

(c) [Reserved].

(d) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 2:00 P.M., New York City time, on the due date thereof to the Administrative Agent, for the account of the Lenders, at the Funding Office, in Dollars (provided payments of principal and interest in respect of Loans denominated in Euro shall be in Euro) and in immediately available funds. The Administrative Agent shall distribute such payments to each relevant Lender promptly upon receipt in like funds as received, net of any amounts owing by such Lender pursuant to Section 9.7. If any payment hereunder (other than payments on the Term Benchmark Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Term Benchmark Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(e) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon, at a rate equal to the greater of (i) in the case of Loans in Dollars, the NYFRB and in the case of Loans in Euro, a customary rate determined by the Administrative Agent and (ii) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to, in the case of Dollar denominated Loans, ABR Loans and in the case of Euro denominated Loans, a customary rate determined by the Administrative Agent, under the relevant Facility, on demand, from the Borrower.

(f) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment due to be made by the Borrower hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average NYFRB (or for Loans denominated in Euro, a customary rate determined by the Administrative Agent). Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

(g) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.17(e), 2.17(f), 2.19(e) or 9.7, then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent to satisfy such Lender's obligations to it under such Sections until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

2.18 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation, administration, implementation or application thereof or compliance by any Lender or other Credit Party with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made or occurring subsequent to the Closing Date:

(i) shall subject any Credit Party to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit (or participations therein) by, or any other acquisition of funds by, any office of such Lender that is not otherwise included in the determination of the ~~Adjusted~~ Term SOFR Rate or EURIBOR Screen Rate; or

(iii) shall impose on such Lender any other condition (other than Taxes);

and the result of any of the foregoing is to increase the cost to such Lender or such other Credit Party, by an amount that such Lender or other Credit Party deems to be material, of making, converting into, continuing or maintaining Loans, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender or such other Credit Party, upon its demand, any additional amounts necessary to compensate such Lender or such other Credit Party for such increased cost or reduced amount receivable. If any Lender or such other Credit Party becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled and provide reasonable supporting detail.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital or liquidity requirements or in the interpretation, administration, implementation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital or liquidity requirements (whether or not having the force of law) from any Governmental Authority made subsequent to the Closing Date shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor with reasonable supporting detail, the Borrower shall, subject to clauses (d) and (e) below, pay to such Lender such additional amount or amounts as will compensate such Lender or such corporation for such reduction.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted, issued or implemented.

(d) A certificate as to any additional amounts payable pursuant to this Section submitted by any Lender to the Borrower (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section, the Borrower shall not be required to compensate a Lender pursuant to this Section for any amounts incurred more than nine months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; provided that, if the circumstances giving rise to such claim have a retroactive effect, then such period shall be extended to include the period of such retroactive effect. The obligations of the Borrower pursuant to this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(e) Notwithstanding any other provision of this Section 2.18 to the contrary, no Lender shall be entitled to receive any compensation pursuant to this Section 2.18 unless it shall be the general policy or practice of such Lender to seek compensation from other similarly situated borrowers in the U.S. syndicated loan market with respect to its similarly affected loans under agreements with such borrowers having provisions similar to this Section 2.18.

2.19 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that, after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.19), the amounts received with respect to this agreement equal the sum which would have been received had no such deduction or withholding been made.

(b) The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it (for its own account and on behalf of any other Credit Party, as applicable) for, Other Taxes.

(c) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.19, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Without duplication of payments made pursuant to Section 2.19(a) above, the Loan Parties shall jointly and severally indemnify each Credit Party, within 10 days after demand therefor, for the full amount of any Indemnified Taxes payable or paid by such Credit Party or required to be withheld or deducted from a payment to such Credit Party and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.19(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable

(1) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Non-U.S. Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Non-U.S. Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) On the date of this Agreement, the Administrative Agent shall (and any successor or replacement Administrative Agent) shall on or before the date on which it becomes the Administrative Agent hereunder) deliver to the Borrower two duly executed originals of either (i) IRS Form W-9 or (ii) IRS Form W-8ECI (with respect to any payments to be received on its own behalf) and IRS Form W-8IMY (for all other payments), establishing that it is a U.S. branch that has agreed to be treated as a U.S. Person for United States federal withholding Tax purposes with respect to payments received by it from the Borrower for the account of others under the Loan Documents.

(h) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.19 (including by the payment of additional amounts pursuant to this Section 2.19), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.19 shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Each party's obligations under this Section 2.19 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

2.20 Indemnity(a) . The Borrower agrees to indemnify each Lender for, and to hold each Lender harmless from, any loss or expense that such Lender sustains or incurs as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Term Benchmark Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment of or conversion from Term Benchmark Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment of Term Benchmark Loans on a day that is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the applicable funding market. A certificate as to any amounts payable pursuant to this Section submitted to the Borrower by any Lender shall be conclusive in the absence of manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder for nine months.

(b) with respect to Daily Simple SOFR Loans (only to the extent set forth in Section 2.16), in the event of (i) the payment of any principal of such Daily Simple SOFR Loans other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default or an optional mandatory prepayment of Loans), (ii) the failure to borrow or prepay such Daily Simple SOFR Loans on the date specified in any notice delivered pursuant hereto, (iii) the assignment of any Daily Simple SOFR Loans other than on the Interest Payment Date applicable thereto as a result of a request by the Borrower pursuant to Section 2.22, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

2.21 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.18 or 2.19(a) with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates with the object of avoiding the consequences of such event; provided, that such designation or assignment is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending offices to suffer no material economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.18 or 2.19(a).

2.22 Replacement of Lenders. The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.18 or 2.19(a) or (b) does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of each of the Lenders or each of the Lenders affected thereby (so long as the consent of the Required Lenders has been obtained), with a replacement financial institution; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) prior to any such replacement, such Lender shall have taken no action under Section 2.21 so as to eliminate the continued need for payment of amounts owing pursuant to Section 2.18 or 2.19(a), (iv) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement, (v) the Borrower shall be liable to such replaced Lender under Section 2.20 if any Term Benchmark Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto or any Daily Simple SOFR Loan (only to the extent set forth in Section 2.16) owing to such replaced Lender shall be purchased other than on the latest day of the Interest Payment Date relating thereto, (vi) the replacement financial institution shall be reasonably satisfactory to the Administrative Agent, (vii) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein), (viii) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.18 or 2.19(a), as the case may be, and (ix) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee, and that the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective.

2.23 [Reserved].

2.24 Incremental Facilities. (a) The Borrower and any one or more Lenders (including New Lenders) may from time to time agree that such Lenders shall make, obtain or increase the amount of their Incremental Term Loans (which may be effected by increasing the amount of any then existing Facility) by executing and delivering to the Administrative Agent an Incremental Term Loan Activation Notice specifying (v) the amount of such Incremental Term Loans, (w) the applicable Incremental Term Loan Closing Date (which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent (or such earlier date as shall be agreed by the Administrative Agent)), (x) the applicable Incremental Term Loan Maturity Date, (y) the amortization schedule for such Incremental Term Loans and (z) the Applicable Margin for such Incremental Term Loans; provided, that (i) the aggregate amount of all Incremental Term Loans established on any date after the Amendment No. 3 Effective Date shall not exceed (x) an amount equal to the Base Incremental Amount on such date, (y) an additional amount equal to the Voluntary Prepayment Amount on such date and (z) an additional amount subject to the Maximum Incremental Amount as of such date (it being understood that (A) the Borrower shall be deemed to have utilized amounts under clause (z) above prior to utilization of amounts under clauses (x) or (y) above and (B) the proceeds from any incurrence under such clauses may be utilized in a single transaction by first calculating the incurrence under clause (z) above and then calculating the incurrence under clauses (x) and/or (y) above), (ii) each Incremental Term Facility shall be in a minimum aggregate principal amount of $25,000,000 (or €25,000,000), (iii) the Incremental Term Loans in respect of any Incremental Term Facility and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are (A) guaranteed on a pari passu basis with all of the other Obligations under this Agreement and the other Loan Documents and (B) secured by the Collateral (and no other property) and the Liens on the Collateral securing such Incremental Term Loans and all other obligations in respect thereof shall be pari passu with the Liens on the Collateral securing all of the other Obligations under this Agreement and the other Loan Documents, (iv) the Incremental Term Loans in respect of any Incremental Term Facility will be entitled to prepayments on the same basis as the Term B-~~1~~-2 Loans unless the applicable Incremental Term Loan Activation Notice specifies a lesser treatment, (v) such Incremental Term Loans shall have a final maturity no earlier than the Latest Maturity Date (determined immediately prior to incurrence of such Incremental Term Loans), (vi) the weighted average life to maturity of such Incremental Term Facility shall be no shorter than that of any existing Term Loans (except if required in order to make such Incremental Term Loans fungible with any outstanding Term Loans), (vii) the all-in-yield (whether in the form of interest rate margins, original issue discount, upfront fees or interest rate floors) and (subject to clauses (v) and (vi) above) amortization schedule applicable to such Incremental Term Facility shall be determined by the Borrower and the Lenders providing such Incremental Term Facility, provided that, prior to the date that is six months following the Amendment No. 3 Effective Date, in the event that the all-in-yield for any Incremental Term Facility (other than an Incremental Term Facility incurred to finance a Permitted Acquisition or similar Investment and an Incremental Term Facility that has a final stated maturity on or after the date that is 12 months following the Latest Maturity Date) shall be more than 50 basis points higher than the corresponding all-in-yield for (x) the then existing Term B-~~1~~-2 USD Loans, in the case of Incremental Term Loans denominated in Dollars and (y) the then existing Term B-~~1~~-2 Euro Loans, in the case of Incremental Term Loans denominated in Euros, in each case, as determined by the Administrative Agent in accordance with standard market practices (after giving effect to interest rate margins, original issue discount, upfront fees or interest rate floors), then the all-in-yield with respect to the applicable outstanding Term B-~~1~~-2 Loans shall be increased to the amount necessary so that the difference between the all-in-yield with respect to the Incremental Term Facility and the all-in-yield on such outstanding Term B-~~1~~-2 Loans is equal to 50 basis points and (viii) to the extent that (subject to clauses (iv) through (vii) above) the terms of any Incremental Term Facility are not consistent with the terms of the Term Facility, they shall be reasonably satisfactory to the Administrative Agent or, if such terms are more favorable to the holders of such Incremental Term Facility, an equivalent amendment shall be made to the Loan Documents for the benefit of the existing Facilities (provided that if such amendment is required, and it benefits such Facilities, it shall be reasonably satisfactory to the Administrative Agent), and such amendment may be implemented by the Borrower and the

Administrative Agent, without the consent of any other parties hereto. No Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion.

(b) Any additional bank, financial institution or other entity which, with the consent of the Borrower and the Administrative Agent (which consent shall not be unreasonably withheld), elects to become a "Lender" under this Agreement in connection with any transaction described in Section 2.24(a) shall execute a New Lender Supplement (each, a "New Lender Supplement"), substantially in the form of Exhibit I-2, whereupon such bank, financial institution or other entity (a "New Lender") shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement.

(c) Each Incremental Term Loan Activation Notice may, without the consent of any Lender (other than the applicable Incremental Term Lenders) effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.24 (including any amendments that are beneficial to a particular Facility to ensure fungibility of that Facility with the applicable Incremental Term Facility). This Section shall supersede any provision of Section 10.1 to the contrary.

(d) The availability of the Incremental Commitments will be subject to the following conditions: (i) no Specified Event of Default shall have occurred and be continuing immediately prior to and immediately after giving effect to the making of such Incremental Term Loans, (ii) the representations and warranties set forth in each Loan Document (or, in the case of any Incremental Acquisition Term Facility, if agreed by the lenders thereof, the Specified Representations and the Specified Acquisition Agreement Representations) shall be true and correct in all material respects (or, if qualified by materiality, in all respects) on and as of the Incremental Term Loan Closing Date immediately prior to and immediately after giving effect to the making of such Incremental Term Loans, except to the extent expressly made as of an earlier date, in which case they shall be so true and correct as of such earlier date and (iii) the Borrower shall have delivered such legal opinions, board resolutions, secretary's certificate, officer's certificate and other documents as shall be reasonably requested by the Administrative Agent in connection with any Incremental Term Facility. Notwithstanding anything to the contrary herein, in the case of an Incremental Acquisition Term Facility to be incurred under the Maximum Incremental Amount (including in respect of Incremental Equivalent Debt), at the option of the Borrower, (i) the date of determination of whether an incurrence is permitted under the Maximum Incremental Amount shall be deemed to be the date the definitive agreements for the relevant Permitted Acquisition, acquisition or investment are entered into (the "LCA Test Date"), and if, after giving pro forma effect to such transaction and the other transactions to be entered into in connection therewith (including assuming the full incurrence of such Incremental Acquisition Term Facility), the Borrower would have been permitted to incur such Incremental Acquisition Term Facility under the Maximum Incremental Amount in compliance with the applicable ratio tests on such LCA Test Date, such ratio tests shall be deemed to have been complied with.

2.25 Loan Purchases. (a) Subject to the terms and conditions set forth or referred to below, a Purchasing Borrower Party may from time to time, in its discretion, conduct modified Dutch auctions to make Auction Purchase Offers, each such Auction Purchase Offer to be managed by an investment bank of recognized standing selected by the Borrower following consultation with the Administrative Agent (in such capacity, the "Auction Manager") and to be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.25 and the Auction Procedures, in each case, so long as the following conditions are satisfied:

(i) no Default or Event of Default shall have occurred and be continuing at the time of purchase of any Term Loans or on the date of the delivery of each Auction Notice;

(ii) the assigning Lender and the Purchasing Borrower Party shall execute and deliver to the Administrative Agent an Assignment and Assumption;

(iii) the maximum principal amount (calculated on the face amount thereof) of Term Loans that the Purchasing Borrower Party offers to purchase in any Auction Purchase Offer shall be no less than $10,000,000 or €10,000,000 (unless another amount is agreed to by the Administrative Agent in its reasonable discretion);

(iv) any Term Loans assigned to any Purchasing Borrower Party shall be automatically and permanently cancelled upon the effectiveness of such assignment and will thereafter no longer be outstanding for any purpose hereunder, and such Term Loans may not be resold (it being understood and agreed that any gains or losses by any Purchasing Borrower Party upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Excess Cash Flow, Consolidated Net Income or Consolidated EBITDA);

(v) no more than one Auction Purchase Offer with respect to any Facility may be ongoing at any one time and no more than four Auction Purchase Offers (regardless of Facility) may be made in any one year;

(vi) at the time of each purchase of Term Loans through an Auction Purchase Offer, the Borrower shall have delivered to the Auction Manager a certificate of a Responsible Officer certifying as to compliance with the preceding clause (i);

(vii) no Purchasing Borrower Party may use the proceeds, directly or indirectly, from ABL Loans to purchase any Term Loans; and

(viii) each Auction Purchase Officer shall be made to all Lenders of the applicable Facility subject to such Auction Purchase Offer.

(b) A Purchasing Borrower Party must terminate any Auction Purchase Offer if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction Purchase Offer. If a Purchasing Borrower Party commences any Auction Purchase Offer (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of such Auction Purchase Offer have in fact been satisfied), and if at such time of commencement the Purchasing Borrower Party reasonably believes that all required conditions set forth above which are required to be satisfied at the time of the consummation of such Auction Purchase Offer shall be satisfied, then the Purchasing Borrower Party shall have no liability to any Lender for any termination of such Auction Purchase Offer as a result of the failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of consummation of such Auction Purchase Offer, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans of any Facility made by a Purchasing Borrower Party pursuant to this Section 2.25, the Purchasing Borrower Party shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans of the applicable Facility up to the settlement date of such purchase.

The Administrative Agent and the Lenders hereby consent to the Auction Purchase Offers and the other transactions effected pursuant to and in accordance with the terms of this Section 2.25 (provided that no Lender shall have an obligation to participate in any such Auction Purchase Offer). For the avoidance of doubt, it is understood and agreed that the provisions of Section 2.17 will not apply to the purchases of Term Loans pursuant to and in accordance with the provisions of this Section 2.25. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Article VIII and Article IX to the same extent as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction Purchase Offer.

2.26 Loan Modification Offers. (a) The Borrower may on one or more occasions after the Closing Date, by written notice to the Administrative Agent, make one or more offers (each, a "Loan Modification Offer") to all (and not fewer than all) the Lenders of one or more Facilities (each Facility subject to such a Loan Modification Offer, an "Affected Facility") to make one or more Permitted Amendments pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower. Such notice shall set forth (i) the terms and conditions of the requested Loan Modification Offer and (ii) the date on which such Loan Modification Offer is requested to become effective. Permitted Amendments shall become effective only with respect to the Loans of the Lenders of the Affected Facility that accept the applicable Loan Modification Offer (such Lenders, the "Accepting Lenders") and, in the case of any Accepting Lender, only with respect to such Lender's Loans and Commitments of such Affected Facility as to which such Lender's acceptance has been made. With respect to all Permitted Amendments consummated by the Borrower pursuant to this Section 2.26, (i) such Permitted Amendments shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.11 and (ii) any Loan Modification Offer, unless contemplating a scheduled maturity date already in effect with respect to any Loans hereunder pursuant to a previously consummated Permitted Amendment, must be in a minimum amount of $25,000,000 or €25,000,000 (or such lesser amount as may be approved by the Administrative Agent in its reasonable discretion); provided that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Permitted Amendment that a minimum amount (to be determined and specified in the relevant Loan Modification Offer in the Borrower's sole discretion and which may be waived by the Borrower) of Loans of any or all Affected Facilities be extended. If the aggregate principal amount of Loans of any Affected Facility in respect of which Lenders shall have accepted the relevant Loan Modification Offer shall exceed the maximum aggregate principal amount of Loans of such Affected Facility offered to be extended by the Borrower pursuant to such Loan Modification Offer, then the Loans of such Lenders shall be extended ratably up to such maximum amount based on the relative principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Loan Modification Offer.

(b) A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by the Borrower, each Accepting Lender and the Administrative Agent; provided that no Permitted Amendment shall become effective unless (i) no Event of Default shall have occurred and be continuing on the date of effectiveness thereof, (ii) on the date of effectiveness thereof, the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (or if qualified by materiality, in all respects), in each case on and as of such date, except in the case of any such representation and warranty expressly made as of an earlier date, in which case such representation and warranty shall be so true and correct on and as of such earlier date, (iii) the Borrower shall have delivered, or agreed to deliver by a date following the effectiveness of such Permitted Amendment reasonably acceptable to the Administrative Agent, to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents (including reaffirmation agreements, supplements and/or amendments to Mortgages or other Security Documents, in each case to the extent applicable) as shall reasonably be requested by the Administrative Agent in connection therewith and (iv) any applicable Minimum Extension Condition shall be satisfied (unless waived by the Borrower). The Administrative Agent shall promptly notify each

Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to give effect to the provisions of this Section 2.26, including any amendments necessary to treat the applicable Loans of the Accepting Lenders as a new Facility of loans hereunder (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments); provided that (i) all prepayments of Loans (i.e., both extended and non-extended) shall continue to be made on a ratable basis among all Lenders, based on the relative amounts of their Loans unless a Permitted Amendment provides for lesser treatment of the Loans of the Accepting Lenders, until the repayment of the non-extended Loans on the relevant scheduled maturity date in respect thereof. The Administrative Agent and the Lenders hereby acknowledge that in respect of payments on non-extended Loans on the scheduled maturity date in respect thereof the pro rata payment requirements contained elsewhere in this Agreement are not intended to apply to the transactions effected pursuant to this Section 2.26. This Section 2.26 shall supersede any provisions in Section 2.17 or Section 10.1 to the contrary.

2.27 Refinancing Facilities.

(a) The Borrower may, subject to the terms hereof, at any time or from time to time after the Closing Date, enter into an amendment (a "Refinancing Amendment") to effect a refinancing or replacement of all or any portion of the Term Loans. Each such refinancing or replacement may, at the Borrower's option, be in the form of one or more series of senior secured loans or notes (each of which may be secured by the Collateral on a pari passu or junior basis to the Obligations), or with one or more series of unsecured loans or notes (collectively, the "Replacement Financing", and if in the form of loans a "Term Refinancing Facility" and if in the form of notes "Term Refinancing Notes"); provided that (i) no such Term Refinancing Facility or Term Refinancing Notes may mature prior to the maturity date of, or have a shorter weighted average life to maturity than, the Term Loans being refinanced; (ii) no Term Refinancing Facility or Term Refinancing Notes may have an obligor that is not an obligor in respect of the Term Loans; (iii) to the extent secured, (A) no Term Refinancing Facility or Term Refinancing Notes may be secured by any assets that do not constitute Collateral and (B) such Term Refinancing Facility or Term Refinancing Notes shall be subject to the Intercreditor Agreement (and, as applicable) such additional intercreditor agreements as reasonably requested by the Administrative Agent in form and substance reasonably acceptable to the Administrative Agent; (iv) as reasonably determined by the Borrower, the other terms and conditions of such Term Refinancing Facility or Term Refinancing Notes (excluding pricing and optional prepayment or redemption terms) must be substantially identical to, or not materially more favorable (taken as a whole) to the lenders or holders providing such Term Refinancing Facility or Term Refinancing Notes, as applicable, than those applicable to the Term Loans being refinanced are to the Term Lenders (except for covenants and other provisions applicable only to periods after the latest final maturity date of the Term Loans existing at the time of such refinancing) or must otherwise be reasonably satisfactory to the Administrative Agent or, if such terms are more favorable to the holders of such Term Refinancing Facility, an equivalent amendment shall be made to the Loan Documents for the benefit of the existing Term Loans (provided that if such amendment is required and benefits the Term Loans, then it shall be reasonably satisfactory to the Administrative Agent); (v) the amount of such Term Refinancing Facility or Term Refinancing Notes will be in an amount not in excess of the amount of loans and commitments refinanced plus fees, expenses and premiums payable in connection therewith; and (vi) the proceeds of such Term Refinancing Facility or Term Refinancing Notes shall be applied, substantially concurrently with the incurrence thereof, to the pro rata prepayment of outstanding Loans in respect of the applicable Term Loans being so refinanced; and provided further that in no event shall Term Refinancing Facility or Term Refinancing Notes be permitted to be voluntarily or mandatorily prepaid prior to the repayment in full of all then existing Term Loans, unless accompanied by a ratable prepayment of the Term Loans.

(b) For the avoidance of doubt, no Lender is obligated to participate in such Replacement Financing and a Replacement Financing in the form of notes or of junior lien or unsecured loans shall be documented separately from the Loan Documentation as agreed between the Borrower and the Administrative Agent. The effectiveness of any Refinancing Amendment shall be subject to (a) each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents being true and correct in all material respects (or in all respects if qualified by materiality) on and as of the date of the Refinancing Amendment as if made on and as of such date, except to the extent expressly made as of an earlier date, in which case such representations and warranties shall have been so true and correct as of such earlier date, (b) there being no Event of default in existence at the time of, or after giving effect to the making of, such Refinancing Facilities and (c) to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 5.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent). Notwithstanding anything to the contrary in this Agreement (including Section 9.02), the Borrower and the Administrative Agent may enter into amendments to the Loan Documentation without the consent of any other parties hereto to effect the provisions of this Section 2.20, including without limitation, amendments to this Agreement to permit any Replacement Financing under the terms of the Loans Documents. Each Refinancing Agreement may, without the consent of any Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to give effect to the provisions of this Section 2.27, including any amendments necessary to treat applicable Loans under a Refinancing Facility as a new Facility of loans hereunder (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments). This Section 2.27 shall supersede any provisions in Section 2.17 or Section 10.1 to the contrary.

SECTION 3. [RESERVED]

SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Administrative Agent and the Lenders to enter into this Agreement and to make the Loans, the Borrower hereby represents and warrants to the Administrative Agent and each Lender that:

4.1 Financial Condition. (a) The unaudited pro forma combined balance sheet and related pro forma combined statement of income (including the notes thereto) combining (i) the consolidated balance sheet and related statement of income of the Borrower and its consolidated Subsidiaries (other than the Target and its consolidated Subsidiaries) as of and for the 12 months ended July 31, 2018 and (ii) the consolidated balance sheet and related statement of income of Target and its consolidated Subsidiaries as of and for the 12 months ended August 31, 2018, and which is subject to certain adjustments (the "Pro Forma Financial Statements"), copies of which have heretofore been furnished to each Lender, have been prepared giving effect (as if such events had occurred on such date (in the case of the balance sheet) or at the beginning of such period (in the case of the statement of

income)) to the consummation of the Transactions and the payment of fees and expenses in connection therewith. The Pro Forma Financial Statements have been prepared based on the best information available to the Borrower as of the date of delivery thereof, and present fairly in all material respects and on a Pro Forma Basis the estimated financial condition and results of operations of Borrower and its consolidated Restricted Subsidiaries as of and for the 12 months ended at July 31, 2018, assuming that the events specified in the preceding sentence had actually occurred at such date or at the beginning of such period, as applicable.

(b) The audited consolidated balance sheets of the Borrower and its consolidated Subsidiaries (other than the Target and its Subsidiaries) as at July 31, 2016, July 31, 2017 and July 31, 2018, and the related consolidated statements of income, stockholders' equity and cash flows for the fiscal years ended on such dates, reported on by and accompanied by an unqualified report from Deloitte & Touche LLP, present fairly, in all material respects, the consolidated financial condition of the Borrower and its consolidated Subsidiaries (other than the Target and its Subsidiaries) as at such date, and the consolidated results of its operations and its consolidated cash flows for the respective fiscal years then ended. The unaudited consolidated balance sheet of the Borrower and its consolidated Subsidiaries as at October 31, 2018, and the related unaudited consolidated statement of income, stockholders' equity and cash flow for the three-month period ended on each such date, present fairly, in all material respects, the consolidated financial condition of the Borrower and its consolidated Subsidiaries as at such dates, and the consolidated results of its operations and its consolidated cash flow for the three-month period then ended (subject to normal year-end audit adjustments). All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein).

(c) To the knowledge of the Borrower, the audited consolidated financial statements of each of Erwin Hymer Group AG & Co. KG and Erwin Hymer Vermögensverwaltungs AG, for each of the fiscal years ending on August 31, 2017 and August 31, 2016 (each including a statement of financial position (*Bilanz*), a statement of profit or loss (*Gewinn- und Verlustrechnung*), a statement of comprehensive income (*Gesamtergebnisrechnung*), a statement of cash flows (*Kapitalflussrechnung*), a statement of changes in owner's equity (*Entwicklung des Eigenkapitals*), notes (*Anhang*), based on the circumstances actually known (*positive bekannt*) by the management of Erwin Hymer Group AG & Co. KG or Erwin Hymer Vermögensverwaltungs AG, respectively, at the time of the preparation (*Aufstellung*) of the relevant consolidated financial statements, have been prepared in accordance with IFRS and the additional requirements of German commercial law pursuant to Section 315a German Commercial Code (*HGB*) as consistently applied (except as disclosed therein) and have been audited and have received an unqualified audit opinion by Ernst & Young GmbH Wirtschaftsprüfungsgesellschaft. To the knowledge of the Borrower, the unaudited consolidated financial statements of each of Erwin Hymer Group AG & Co. KG and Erwin Hymer Vermögensverwaltungs AG, for the nine months ending May 31, 2018 (each including a statement of financial position (*Bilanz*), a statement of profit or loss (*Gewinn- und Verlustrechnung*), a statement of comprehensive income (*Gesamtergebnisrechnung*), a statement of cash flows (*Kapitalflussrechnung*), a statement of changes in owner's equity (*Entwicklung des Eigenkapitals*), based on the circumstances actually known (*positive bekannt*) by the management of Erwin Hymer Group AG & Co. KG or Erwin Hymer Vermögensverwaltungs AG, respectively, at the time of the preparation (*Aufstellung*) of the relevant consolidated financial statements have been prepared in accordance with IFRS as consistently applied (except as disclosed therein), except that the interim financial statements are subject to year-end adjustments and are lacking footnote disclosures.

(d) Except as disclosed on Schedule 4.1(d), as of the Closing Date, no Group Member (other than the Target and its Restricted Subsidiaries), and, to the knowledge of the Borrower, neither Target nor its Restricted Subsidiaries, has any material Guarantee Obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are required by GAAP or IFRS, as applicable, to be reflected on a balance sheet or in

the notes thereto and that are not reflected in the most recent financial statements referred to in clauses (b) and (c) above.

4.2 No Change. Since July 31, ~~2018~~2023, there has been no development or event that has had or could reasonably be expected to have a Material Adverse Effect.

4.3 Existence; Compliance with Law. Each Group Member (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has the corporate or similar organizational power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign corporation or other organization and in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification, except where the failure to be so qualified could not, in the aggregate, reasonably be expected to have a Material Adverse Effect and (d) is in compliance with all Requirements of Law except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4 Power; Authorization; Enforceable Obligations. (a) Each Loan Party has the corporate or similar organizational power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to obtain extensions of credit hereunder. Each Loan Party has taken all necessary corporate or similar organizational action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the extensions of credit on the terms and conditions of this Agreement. Each Loan Document has been duly executed and delivered on behalf of each Loan Party party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(b) No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person is required in connection with the Acquisition and the extensions of credit hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the other Loan Documents, except (i) consents, authorizations, filings and notices that have been obtained or made and are in full force and effect, (ii) the filings referred to in Section 4.19 and (iii) the consents, authorizations, filings and notices set forth in Schedule 4.4(b).

4.5 No Legal Bar. The execution, delivery and performance of this Agreement and the other Loan Documents, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any Contractual Obligation of any Group Member, except for violations that could not reasonably be expected to have a Material Adverse Effect, and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Security Documents).

4.6 Litigation. No litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Borrower, threatened by or against any Group Member or against any of their respective properties or revenues (a) with respect to any of the Loan Documents or any of the transactions contemplated hereby or thereby, or (b) that could reasonably be expected to have a Material Adverse Effect.

4.7 No Default. No Group Member is in default under or with respect to any of its Contractual Obligations in any respect that could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

4.8 Ownership of Property; Liens. Each Group Member has title in fee simple to, or a valid leasehold interest in, all its real property, and good title to, or a valid leasehold interest in, all its other property, and none of such property is subject to any Lien except as permitted by Section 7.3.

4.9 Intellectual Property. Except as could not reasonably be expected to have a Material Adverse Effect, each Group Member owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted, free and clear of all Liens, except as permitted by Section 7.3. Except as could not reasonably be expected to have a Material Adverse Effect, no claim has been asserted or is pending by any Person challenging or questioning the use of any Intellectual Property or the validity or effectiveness of any Intellectual Property, nor does the Borrower know of any valid basis for any such claim. To the knowledge of each Loan Party, the use of any material Intellectual Property necessary for the conduct of its business does not infringe upon the rights of any Person unless such infringement could not reasonably be expected to be material to the Borrower and its Restricted Subsidiaries.

4.10 Taxes. Each Group Member has filed or caused to be filed all Federal, state and other material Tax returns that are required to be filed and has paid all Taxes shown to be due and payable on said returns or on any assessments made against it or any of its property and all other Taxes, fees or other charges imposed on it or any of its property by any Governmental Authority (other than (a) any the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the relevant Group Member, or (b) to the extent that the failure to file or pay, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect); no material Lien in respect of Taxes has been filed, and, to the knowledge of the Borrower, no material claim is being asserted, with respect to any such Tax, fee or other charge.

4.11 Federal Regulations. No part of the proceeds of any Loans, and no other extensions of credit hereunder, will be used, directly or indirectly, (a) for "buying" or "carrying" any "margin stock" within the respective meanings of each of the quoted terms under Regulation U as now and from time to time hereafter in effect for any purpose that violates the provisions of the regulations of the Board or (b) for any purpose that violates the provisions of the regulations of the Board. No more than 25% of the value of the assets of the Group Members consist of "margin stock" as so defined. If requested by the Administrative Agent, the Borrower will furnish to the Administrative Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1, as applicable, referred to in Regulation U.

4.12 Labor Matters. Except as, in the aggregate, could not reasonably be expected to have a Material Adverse Effect: (a) there are no strikes or other labor disputes against any Group Member pending or, to the knowledge of the Borrower, threatened; (b) hours worked by and payment made to employees of each Group Member have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters; and (c) all payments due from any Group Member on account of employee health and welfare insurance have been paid or accrued as a liability on the books of the relevant Group Member.

4.13 ERISA. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

9.3 Exculpatory Provisions. No Agent nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's (respectively) own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. 9.4 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, facsimile or e-mail message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Each Lender represents to the Agents that it has, independently and without reliance upon any Agent, any arranger of the Term Facility or any amendment thereto or any other Lender or any of their respective Related Parties, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent, any arranger of the Term Facility or any amendment thereto or any other Lender or any of their respective Related Parties, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

9.7 Indemnification. The Lenders agree to severally indemnify each Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

9.8 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9 Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 30 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless a Specified Event of Default with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 30 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 9 and of Section 10.5 shall continue to inure to its benefit.

9.10 Arranger, Syndication Agent and Documentation Agents. None of the Arrangers, the Syndication Agent or the Documentation Agents shall have any duties or responsibilities hereunder in their respective capacities as such.

9.11 Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide

for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.1), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

JPMCB, as administrative agent or collateral agent on a syndicated facility, will post on the applicable electronic platform (or otherwise distribute to each Lender in the syndicate) documents that it receives in connection with the Flood Laws. However, JPMCB reminds each Lender and Participant in the facility that, pursuant to the Flood Laws, each federally regulated Lender (whether acting as a Lender or Participant in the facility) is responsible for assuring its own compliance with the flood insurance requirements.

9.14 Release from any Restrictions on Representing Several Persons and Self-Dealing. For the purpose of performing its rights and obligations as Administrative Agent, each Secured Party hereby authorizes, and each future Secured Party by becoming a party to this Agreement in accordance with its terms authorizes, the Administrative Agent to act as its agent (*Stellvertreter*), and, to the extent possible, releases the Administrative Agent from any restrictions on representing several persons and self-dealing under any applicable law, and in particular from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*). The Administrative Agent has the power to grant sub-power of attorney, including the release from the restrictions of section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*). A Secured Party which is barred from its constitutional documents or by-laws from granting such exemption shall inform the Administrative Agent thereof within reasonable time after becoming a Secured Party and, upon request of the Administrative Agent thereof within reasonable time after becoming a Secured Party and, upon request of the Administrative Agent, promptly enter such documents and make such declarations as may be required to effect any amendment or waiver permitted by this Section 9.14 or any other provision of this Agreement or any other Loan Document.

9.15 Acknowledgements of Lenders.

(a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 9.15 shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such erroneous Payment is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds of the Borrower or any other Loan Party.

(d) Each party's obligations under this Section 9.15 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 10. MISCELLANEOUS

10.1 Amendments and Waivers. Subject to Section 2.16(b), (c) and (d), neither this Agreement, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each Loan Party party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (i) forgive the principal amount or extend the final scheduled date of maturity of any Loan, extend the scheduled date of any amortization payment in respect of any Term Loan, reduce the stated rate of any interest or fee payable hereunder (except (x) in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Majority Facility Lenders of each adversely affected Facility) and (y) that any amendment or modification of defined terms used in the financial covenants in this Agreement shall not constitute a reduction in the rate of interest or fees for purposes of this clause (i)) or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Lender's Commitment, in each case without the written consent of each Lender directly affected thereby; (ii) eliminate or reduce the voting rights of any Lender under this Section 10.1 without the written consent of such Lender; (iii) reduce any percentage specified in the definition of "Required Lenders" without the written consent of each Lender, reduce any percentage specified in the definition of "Majority Facility Lenders" without the written consent of each Lender of the applicable Facility or change any other provision of this Agreement or any other Loan Document specifying the number or percentage of Lenders (or Lenders of any Facility) required to waive, amend or otherwise modify any rights thereunder or make any determination or grant any consent thereunder without the written consent of each Lender (or each Lender of the applicable Facility, as applicable), (iv) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents, release all or substantially all of the Collateral or release all or substantially all of the Subsidiary Guarantors from their guarantee of the Obligations, in each case without the written consent of all Lenders; (v) amend, modify or waive any provision of Section 2.17(a) or (b) without the written consent of each Lender in respect of each Facility adversely affected thereby; (vi) reduce the amount of Net Cash Proceeds or Excess Cash Flow required to be applied to prepay Loans under this Agreement without the written consent of the Majority Facility Lenders with respect to each Facility adversely affected thereby; ~~or~~ (vii) amend, modify or waive any provision of Section 9 or any other provision of any Loan Document that affects the Administrative Agent without the written consent of the Administrative Agent; or (viii) subordinate (or have the effect of subordinating) the Obligations under the Loan Documents in lien priority or with respect to contractual right of payment without the

written consent of each Lender directly adversely affected thereby, in each case, unless each directly adversely affected Lender has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the amount of Obligations that are directly adversely affected thereby held by each Lender) of such Indebtedness on the same terms as offered to all other providers (or their Affiliates) of such Indebtedness. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

Notwithstanding the foregoing, (i) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and Majority Facility Lenders, (ii) no Lender consent is required to effect any amendment or supplement to any intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness as expressly contemplated by the terms of such intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders); provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent and (iii) guarantees, collateral documents and related documents executed by Loan Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with any other Loan Document, entered into, amended, supplemented or waived, without the consent of any other person, by the applicable Loan Party or Loan Parties and the Administrative Agent in its sole discretion, to (A) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, (B) as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law, or (C) to cure ambiguities, omissions, mistakes or defects or to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

Furthermore, notwithstanding the foregoing, (i) the Administrative Agent, with the consent of the Borrower, may amend, modify or supplement any Loan Document without the consent of any Lender or the Required Lenders in order to correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest error in any Loan Document and (ii) the Loan Documents may be amended in accordance with Sections 2.24, 2.25, 2.26 and 2.27.

Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries to waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee. No Indemnitee shall be liable for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent any such damages are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee (or any of its Affiliates, officers, directors, employees, agents, advisors or controlling persons). No Indemnitee shall be liable for any indirect, special, exemplary, punitive or consequential damages in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby. All amounts due under this Section 10.5 shall be payable not later than 10 days after written demand therefor. The agreements in this Section 10.5 shall survive the termination of this Agreement and the repayment of the Loans and all other amounts payable hereunder.

10.6 Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees (each, an "Assignee"), all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld), provided that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default has occurred and is continuing, any other Person; and provided, further, that the Borrower shall be deemed to have consented to any such assignment unless the Borrower shall object thereto by written notice to the Administrative Agent within 5 Business Days after having received notice thereof; and

(B) the Administrative Agent (such consent not to be unreasonably withheld), provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000) unless each of the Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its affiliates or Approved Funds, if any;

(B) (1) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 and (2) the assigning Lender shall have paid in full any amounts owing by it to the Administrative Agent; and

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in which the Assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their related parties or their respective securities) will be made available and who may receive such information in accordance with the Assignee's compliance procedures and applicable laws, including Federal and state securities laws.

For the purposes of this Section 10.6, "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an affiliate of a Lender or (c) an entity or an affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) below, from and after the effective date specified in each Assignment and Assumption the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.18, 2.19, 2.20 and 10.5). Any assignment or transfer by

a Lender of rights or obligations under this Agreement that does not comply with this Section 10.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders and the principal amount (and stated interest) of the Loans owing to each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Assignee, the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) Each assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the assigning Lender and the Administrative Agent that such assignee is an Eligible Assignee. In no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any prospective assignee is an Eligible Assignee or have any liability with respect to any assignment made to a Disqualified Lender or any other Person that is not an Eligible Assignee.

(vii) Any assignment to a Disqualified Lender in violation of this Section 10.6 shall not be void, but the provisions of Section 10.6(g) shall apply.

(c) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more Eligible Assignees (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (i) requires the consent of each Lender directly affected thereby pursuant to the proviso to the second sentence of Section 10.1 and (ii) directly affects such Participant. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.22 with respect to any Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.18, 2.19 and 2.20 (subject to the requirements and limitations therein, including the requirements under Section 2.19(f) (it being understood that the documentation required under Section 2.19(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (i) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (ii) shall not be entitled to receive any greater payment under Sections 2.18 or 2.19, with

respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from an adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the Closing Date that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.7(b) as though it were a Lender, provided such Participant shall be subject to Section 10.7(a) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central banking authority, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto. The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in this paragraph (d).

(e) Any Lender may, so long as no Default or Event of Default has occurred and is continuing and no proceeds of ABL Loans are used, directly or indirectly, to fund the consideration for any such assignment, at any time assign all or a portion of its rights and obligations with respect to Term Loans under a Facility under this Agreement to the Borrower through (x) Dutch auctions open to all Lenders under such Facility on a pro rata basis in accordance with Section 2.25 or (y) notwithstanding any other provision in this Agreement, open market purchases on a non pro rata basis; provided that, in connection with assignments pursuant to clause (y) above, (A) at the time of any such assignment, the Borrower shall make a No Undisclosed Information Representation, (B) any Term Loans assigned to the Borrower shall be automatically and permanently cancelled upon the effectiveness of such assignment and will thereafter no longer be outstanding for any purpose hereunder, and such Term Loans may not be resold (it being understood and agreed that any gains or losses by the Borrower upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Excess Cash Flow, Consolidated Net Income or Consolidated EBITDA) and (C) the Borrower shall promptly provide notice to the Administrative Agent of such assignment of such Term Loans and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

(f) The Disqualified Lenders List (i) shall be made available to the Lenders by posting on IntraLinks/IntraAgency or another relevant Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent) and (ii) shall be provided to any Lender upon request by such Lender to the Administrative Agent. A Lender may provide the Disqualified Lenders List to any potential assignee or participant on a confidential basis in accordance with Section 10.15 hereof for the purpose of verifying whether such Person is a Disqualified Lender.

(g) (i) If any assignment or participation is made to any Disqualified Lender in violation of this Section 10.6, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, (A) purchase or prepay such Term Loan by paying the lowest of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Lender to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 10.6), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lowest of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(ii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any Bankruptcy Plan, each Disqualified Lender party hereto hereby agrees (1) not to vote on such Bankruptcy Plan, (2) if such Disqualified Lender does vote on such Bankruptcy Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Bankruptcy Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

10.7 Adjustments; Set-off. (a) Except to the extent that this Agreement or a court order expressly provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility, if any Lender (a "Benefitted Lender") shall receive any payment of all or part of the Obligations owing to it (other than in connection with an assignment made pursuant to Section 10.6), or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of the Obligations owing to such other Lender, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of the Obligations owing to each such other Lender, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered

from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon any Obligations becoming due and payable by the Borrower (whether at the stated maturity, by acceleration or otherwise), to apply to the payment of such Obligations, by setoff or otherwise, any and all deposits (general or special, time or demand, provisional or final, other than Excluded Accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender, any affiliate thereof or any of their respective branches or agencies to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such application made by such Lender, provided that the failure to give such notice shall not affect the validity of such application.

Section 1. Definitions. Unless otherwise defined herein, terms defined in the Amended Credit Agreement and used herein shall have the meanings given to them in the Amended Credit Agreement.

Section 2. Amendments.

(a) Effective as of the Amendment No. 3 Effective Date, the Existing Credit Agreement is hereby amended in accordance with Exhibit A hereto by deleting the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and inserting the double-underlined text (indicated textually in the same manner as the following example: **double-underlined text**), in each case in place where such text appears therein.

(b) Effective as of the Amendment No. 3 Effective Date (i) Schedule 7.2(e) (Existing Indebtedness) to the Existing Credit Agreement shall be replaced with Schedule 7.2(e) (Existing Indebtedness) as set forth on Annex II hereto, (ii) Schedule 7.3(f) (Existing Liens) to the Existing Credit Agreement shall be replaced with Schedule 7.3(f) (Existing Liens) as set forth on Annex III hereto and (iii) Schedule 7.7(k) (Existing Investments) to the Existing Credit Agreement shall be replaced with Schedule 7.7(k) (Existing Investments) as set forth on Annex IV hereto.

(c) Each Amendment No. 3 Lender agrees, effective as of the Amendment No. 3 Effective Date, to extend the Revolving Facility Commitment set forth opposite such Amendment No. 3 Lender's name in Annex I attached hereto. On the Amendment No. 3 Effective Date, the Revolving Facility Commitment of each Lender in effect immediately prior to the Amendment No. 3 Effective Date shall be deemed terminated in full (for the avoidance of doubt, without the requirement of any other notice being given, pursuant to Section 2.9 of the Existing Credit Agreement or otherwise, all such requirements being hereby waived), the Revolving Facility Commitment of each Lender (including the Amendment No. 3 Lenders) and Schedule 1.1A to the Existing Credit Agreement shall be replaced with Annex I hereto.

(d) From and after the Amendment No. 3 Effective Date, each Amendment No. 3 Lender shall be a "Lender" for all purposes under the Amended Credit Agreement and the other

Loan Documents and perform all the obligations of, and have all the rights of, a "Lender" and "Revolving Lender" thereunder.

(e) On the Amendment No. 3 Effective Date, (i) all Revolving Loans (as defined in the Existing Credit Agreement) outstanding immediately prior to the effectiveness of this Amendment (if any) shall be reallocated on a pro rata basis among the Lenders (which shall include the Amendment No. 3 Lenders), (ii) each Amendment No. 3 Lender will automatically and without further act be deemed to have assumed its ratable share of the participations under the Amended Credit Agreement in outstanding Letters of Credit (if any) such that, giving effect to this Amendment, all of the Amendment No. 3 Lenders' participations under the Amended Credit Agreement in Letters of Credit shall be held on a pro rata basis on the basis of their respective Revolving Facility Commitment (after giving effect to this Amendment), and (iii) if any Revolving Loans are borrowed on such date, each Amendment No. 3 Lender will automatically and without further act be deemed to participate in each outstanding Borrowing of Revolving Loans pro rata on the basis of their respective Revolving Facility Commitment (giving effect to this Amendment); provided that it is understood and agreed that the notice, minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in the Existing Credit Agreement or the Amended Credit Agreement shall not apply to the transactions effected pursuant to this clause (e).

Section 3. **Representations and Warranties**. Each Loan Party represents and warrants to the Amendment No. 3 Lenders as of the Amendment No. 3 Effective Date that:

(a) Each Loan Party has the corporate or similar organizational power and authority, and the legal right, to make, deliver and perform the Amendment and, in the case of the Borrowers, to obtain extensions of credit hereunder. Each Loan Party has taken all necessary corporate or similar organizational action to authorize the execution, delivery and performance of this Amendment and, in the case of the Borrowers, to authorize the extensions of credit on the terms and conditions of the Amendment. This Amendment has been duly executed and delivered on behalf of each Loan Party party thereto. This Amendment constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(b) The execution, delivery and performance of this Amendment, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any Contractual Obligation of any Group Member, except for violations that could not reasonably be expected to have a Material Adverse Effect, and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation.

(c) Each of the representations and warranties made by any Loan Party in or pursuant to this Amendment and the other Loan Documents shall be true and correct in all material respects (or in all respects if qualified by materiality) on and as of such date as if made on and as of such date, except to the extent expressly made as of an earlier date, in which case such representations and warranties shall have been so true and correct as of such earlier date.

(d) At the time and immediately after giving effect to the incurrence of the borrowings hereunder on the Amendment No. 3 Effective Date, no Default or Event of Default shall have occurred and be continuing.

Section 4. Conditions to Effectiveness. This Amendment shall become effective on the date (the "Amendment No. 3 Effective Date") on which each of the following conditions is satisfied:

(a) The Administrative Agent's receipt of counterparts of this Amendment duly executed by the Administrative Agent, each Amendment No. 3 Lender (including each Issuing Lender) and each of the Loan Parties.

(b) The Administrative Agent's receipt of the following:

(3) (i) a certificate of each Loan Party, dated the Amendment No. 3 Effective Date, substantially in the form of Exhibits F-1 to F-3 (as applicable) to the Existing Credit Agreement, with appropriate insertions and attachments, including the certificate of incorporation of each Loan Party that is a corporation certified by the relevant authority of the jurisdiction of organization of such Loan Party, and (ii) a long form good standing certificate for each Loan Party organized in the United States from its jurisdiction of organization;

(4) a certificate signed by a Responsible Officer of the Parent Borrower certifying as to the satisfaction of the conditions set forth in paragraphs (e) and (f) of this Section 4 as of the Amendment No. 3 Effective Date; and

(5) a solvency certificate from a Responsible Officer of the Parent Borrower in the form of Exhibit L to the Amended Credit Agreement.

(c) The applicable Borrowers shall have paid (i) to the Administrative Agent, for the ratable account of the Lenders immediately prior to the Amendment No. 3 Effective Date, all accrued and unpaid principal (subject to the reallocation set forth in Section 2(e) above), fees and interest with respect to the Commitments and Revolving Loans outstanding immediately prior to the Amendment No. 3 Effective Date (subject, in the case of fees and interest (other than accrued and unpaid commitment fees under Section 2.8 of the Existing Credit Agreement outstanding immediately prior to the Amendment No. 3 Effective Date) for existing Lenders continuing as Lenders after the Amendment No. 3 Effective Date, to the payment of such amounts after the Amendment No. 3 Effective Date at the times required pursuant to the terms of the Amended Credit Agreement) and (ii) to the Administrative Agent for the account of the arrangers of the Amendment and the Amendment No. 3 Lenders, such fees in connection with the Amendment as the Parent Borrower shall have separately agreed to pay in writing.

(d) All reasonable and documented out-of-pocket fees and expenses due to the Administrative Agent (including pursuant to Section 9 hereof) shall have been paid (or the Borrowers shall have made arrangements reasonably satisfactory to the Administrative Agent for such payments).

(e) No Default or Event of Default shall have occurred and be continuing on such date or after giving effect to the extensions of credit requested to be made on such date.

(f) Each of the representations and warranties made by any Loan Party in or pursuant to this Amendment and the other Loan Documents shall be true and correct in all material respects (or in all respects if qualified by materiality) on and as of such date as if made on and as of such date, except to the extent expressly made as of an earlier date, in which case such representations and warranties shall have been so true and correct as of such earlier date.

(g) (i) The Administrative Agent shall have received, at least three Business Days prior to the Amendment No. 3 Effective Date, all documentation and other information about any Loan Party reasonably requested by the Administrative Agent in writing at least 10 Business Days prior to the Amendment No. 3 Effective Date and that the Administrative Agent reasonably determines is required by United States bank regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act and (ii) to the extent any Borrower qualifies as a "legal entity customer" under the Beneficial Ownership Regulation, at least five days prior to the Amendment No. 3 Effective Date, any Lender that has requested, in a written notice to the Parent Borrower at least 10 days prior to the Amendment No. 3 Effective Date, a Beneficial Ownership Certification in relation to each Borrower shall have received such Beneficial Ownership Certification (provided that, upon the execution and delivery by such Lender of its signature page to this Agreement, the condition set forth in this clause (ii) shall be deemed to be satisfied).

(h) The Administrative Agent's receipt of, solely with respect to the Foreign Loan Parties, all documentation and instruments the Administrative Agent deems necessary or reasonably advisable to confirm the grant to the Administrative Agent, for the benefit of the Secured Parties, of a perfected security interest in such Collateral under the relevant local law that is prior and superior in right to the Lien of any other Person including, without limitation, an English law supplemental security agreement, a German supplemental account pledge agreement, a German security confirmation agreement related to non-accessory security rights, a solvency certificate with respect to the relevant Loan Parties to the extent requested by the Administrative Agent and corporate authorities.

(i) The Administrative Agent shall have received (a) "Life-of-Loan" Federal Emergency Management Agency Standard Flood Hazard Determination with respect to each Mortgaged Property; and (b) in the event any such Mortgaged Property is located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a special flood hazard area, (x) a notice about special flood hazard area status and flood disaster assistance, duly executed by the Parent Borrower and the applicable Loan Party and (y) evidence of flood insurance as required by the Amended Credit Agreement.

Section 5. **Acknowledgments**. Each Loan Party hereby expressly acknowledges and agrees to the terms of this Amendment and reaffirms and confirms, as of the date hereof, (i) the covenants and agreements contained in each Loan Document to which it is a party, including, in each case, such covenants and agreements as in effect immediately after giving effect to this Amendment and the transactions contemplated hereby and that on and after the Amendment No. 3 Effective Date each Loan Document remains in full force and effect, (ii) its guarantee of the Obligations (including, without limitation, the Revolving Loans) pursuant to the Guarantee Agreement and that that on and after the Amendment No. 3 Effective Date its guarantee will extend to the Obligations as amended by this Amendment, and (iii) its grant of Liens on the Collateral to secure the Obligations (including, without limitation, the Obligations with respect to the Revolving Loans) pursuant to the Security Documents and that on and after the Amendment No. 3 Effective Date the Liens will continue to secure the Obligations as amended by this Agreement. This Amendment shall not constitute a novation of any Obligations.

Section 6. **Liens Unimpaired.** After giving effect to this Amendment, neither the modification of the Existing Credit Agreement or any other Loan Document effected pursuant to this Amendment nor the execution, delivery, performance or effectiveness of this Amendment:

(a) impairs the validity, effectiveness or priority of the Liens granted pursuant to any Loan Document, and such Liens continue unimpaired with the same priority to secure repayment of all Obligations, whether heretofore or hereafter incurred; or

(b) requires that any new filings be made or other action taken to perfect or to maintain the perfection of such Liens.

Section 7. **Entire Agreement.** This Amendment, the Amended Credit Agreement and the other Loan Documents constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties hereto with respect to the subject matter hereof. Except as expressly set forth herein, this Amendment and the Amended Credit Agreement shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of any party under, the Amended Credit Agreement, nor alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement, all of which are ratified and affirmed in all respects and shall continue in full force and effect. It is understood and agreed that on and after the Amendment No. 3 Effective Date, each reference in each Loan Document to the "Credit Agreement," whether direct or indirect, shall hereafter be deemed to be a reference to the Existing Credit Agreement, as amended by this Amendment and that this Amendment is a "Loan Document" for all purposes of the Amended Credit Agreement and the other Loan Documents.

Section 8. **Amendment, Modification and Waiver**. This Amendment may not be amended, modified or waived except pursuant to Section 10.1 of the Amended Credit Agreement.

Section 9. **Expenses**. The Borrowers agree to reimburse the Administrative Agent for its reasonable and documented out-of-pocket expenses incurred by them in connection with this Amendment, including the reasonable and documented fees, charges and disbursements of counsel for the Administrative Agent, pursuant to the terms of Section 10.5 of the Amended Credit Agreement.

Section 10. **Counterparts**. This Amendment may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which when taken together shall constitute a single instrument. Section 10.8(b) of the Amended Credit Agreement is hereby incorporated by reference into this Amendment and shall apply hereto.

Section 11. **Governing Law and Waiver of Right to Trial by Jury**. **THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK. SECTIONS 10.12 AND 10.16 OF THE AMENDED CREDIT AGREEMENT ARE HEREBY INCORPORATED BY REFERENCE INTO THIS AMENDMENT AND SHALL APPLY HERETO.**

Section 12. **Headings**. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

Section 13. **Effect of Amendment**. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Administrative Agent under the Amended Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other provision of the Amended Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect.

Section 14. **Post-Closing Requirements.**

(a) Notwithstanding anything in the Loan Documents to the contrary, within the time period after the Amendment No. 3 Effective Date set forth on Annex V hereto (or such longer period as may be consented to by the Administrative Agent), the Borrower shall cause the items set forth on Annex V hereto to be completed.

(b) Within 90 days after the Amendment No. 3 Effective Date (or such later date as may be agreed by the Administrative Agent in its sole discretion) the Administrative Agent shall have received with respect to each Mortgaged Property, in each case in form and substance reasonably acceptable to the Administrative Agent, either:

(1) written or e-mail confirmation from local counsel in the jurisdiction in which the Mortgaged Property is located substantially to the effect that: (x) the recording of the existing Mortgage is the only filing or recording necessary to give constructive notice

to third parties of the Lien created by such mortgage as security for the Obligations (as defined in the Mortgage), including the obligations evidenced by this Amendment and the other documents executed in connection herewith, for the benefit of the Secured Parties, and (y) no other documents, instruments, filings, recordings, re-recordings, re-filings or other actions, including, without limitation, the payment of any mortgage recording taxes or similar taxes are necessary or appropriate under applicable law in order to maintain the continued enforceability, validity or priority of the Lien created by such Mortgage as security for the Obligations, including the obligations evidenced by this Amendment and the other documents executed in connection herewith, for the benefit of the Secured Parties; or

(2) (i) an amendment to the existing Mortgage (the "Mortgage Amendment") to reflect the matters set forth in this Amendment, duly executed and acknowledged by the applicable Loan Party, and in form for recording in the recording office where such Mortgage was recorded, together with such certifications, affidavits, questionnaires or returns as shall be required in connection with the recording or filing thereof under applicable law;

(ii) a favorable opinion, addressed to the Administrative Agent and the Secured Parties covering, the enforceability of the applicable Mortgage as amended by the Mortgage Amendment;

(iii) a date down endorsement (or other title product where a date down endorsement is not available in the applicable jurisdiction) to the existing Mortgage Policy, which shall reasonably assure the Administrative Agent as of the date of such endorsement (or other title product) that the real property subject to the lien of such Mortgage is free and clear of all defects and encumbrances except for Permitted Liens; and Specified Permitted Liens;

(iv) evidence of payment by the Parent Borrower of all escrow charges and related charges, mortgage recording taxes, fees, charges and costs and expenses required for the recording of the Mortgage Amendment referred to above; and

(v) such affidavits, certificates, information and instruments of indemnification as shall be required to induce the title company to issue the endorsement (or other title product) contemplated above and evidence of payment of all applicable title insurance premiums, search and examination charges, and related charges required for the issuance of the endorsement.

(b) Dollar Equivalents. Without limiting the other terms of this Agreement, the calculations and determinations under this Agreement of any amount in any currency other than Dollars shall be deemed to refer to the Dollar Equivalent thereof, as the case may be. The Administrative Agent shall determine the Dollar Equivalent of any amount in respect of extensions of credit hereunder in accordance with the terms of the definition of Revaluation Date, and a determination thereof by the Administrative Agent shall be presumptively correct absent manifest error. The Administrative Agent may, but shall not be obligated to, rely on any determination made by any Credit Party in any document delivered to the Administrative Agent. Notwithstanding the foregoing, (i) for purposes of Section 7 and the calculation of compliance with any financial ratio or financial test for purposes of taking any action hereunder, on any relevant date of determination, amounts denominated in currencies other than Dollars shall be translated into Dollars at the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Sections 6.1(a) or (b), as applicable, for the relevant fiscal period and (ii) all Borrowing Base Certificates and related calculations delivered under this Agreement shall express such calculations or determinations in Dollars, as applicable based on a currency exchange rate used in preparing the applicable financial statements or financial reporting for the period applicable to such Borrowing Base Certificates.

(d) Available Currency Letters of Credit. With respect to each Letter of Credit denominated in an Available Currency:

(i) the Administrative Agent shall determine the Dollar Equivalent of the L/C Obligations with respect to such Letter of Credit denominated in an Available Currency. Such Dollar Equivalent amounts shall become effective as of such Revaluation Date and shall be the Dollar Equivalent amounts employed in converting any amounts between the applicable currencies until the next Revaluation Date to occur. For purposes of the Loan Documents, the amount of each Letter of Credit issued in an Available Currency shall be such Dollar Equivalent amount as reasonably determined by the Administrative Agent.

(ii) wherever in this Agreement in connection with the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Letter of Credit is denominated in an Available Currency, such amount shall be the relevant Dollar Equivalent of such Dollar amount (rounded to the nearest unit of such Available Currency, with 0.5 of a unit being rounded upward), as reasonably determined by the Administrative Agent.

(e) Indebtedness. For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar Equivalent), in the case of revolving credit debt; provided that if such Indebtedness is incurred to refinance, replace, renew or refund other Indebtedness denominated in a foreign currency, and such refinancing, replacement, renewal or refunding

would cause the applicable Dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, replacement, renewal or refunding, such Dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing, replacement, renewal or refunding Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, replaced, renewed or refunded (plus unpaid accrued interest and premium (including tender premiums) thereon and underwriting discounts, original issue discount, defeasance costs, fees, commissions and expenses in connection therewith).

(ii) determining compliance with representations, warranties, Defaults or Events of Default; and

(iii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated Total Assets);

the date of determination of whether any such action is permitted hereunder shall, at the option of Parent Borrower (Parent Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "LCA Election"), be deemed to be the date the binding documentation for such Limited Condition Acquisition are entered into (the "LCA Test Date") and if, after such ratios and other provisions are measured on a Pro Forma Basis after giving effect to such Limited Condition Acquisition and the other Specified Transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they occurred at the beginning of the four consecutive fiscal quarter period being used to calculate such financial ratio ending prior to the LCA Test Date, Parent Borrower could have taken such action on the relevant LCA Test Date in compliance with such ratios and provisions, such provisions shall be deemed to have been complied with. For the avoidance of doubt, (A) if any of such ratios are exceeded as a result of fluctuations in such ratio (including due to fluctuations in Consolidated EBITDA of Parent Borrower) at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (B) such ratios and other provisions shall not be tested at the time of consummation of such Limited Condition Acquisition or related Specified Transactions. If Parent Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or basket availability with respect to any other Specified Transaction on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated. For the avoidance of doubt, this Section 1.4 shall not apply to the making of Loans or issuance of Letters of Credit under this Agreement, which will be governed by the conditions otherwise set forth herein applicable thereto.

1.5 Interest Rates. The interest rate on a Loan denominated in dollars or an Available Currency may be derived from an interest rate benchmark that is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Sections 2.16(b) provide a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to the Daily Simple RFR, Term SOFR, Daily Simple SOFR or other rates in the definition of any interest rate used in this Agreement, with respect to any alternative or successor rate thereto, or replacement rate thereof including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the Daily Simple RFR, the Overnight Rate, the Term SOFR Rate (or the EURIBOR Rate or the Overnight Rate) or have the same volume or liquidity as did the then-current Benchmark prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in ths Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion (in consultation with the Parent Borrower) to ascertain any RFR, Daily Simple RFR, Overnight Rate or Term Benchmark Rate, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

1.6 Compliance with Anti-Boycott Laws. Each Lender may choose that any provision in this Agreement relating to the terms Sanctioned Country, Sanctioned Person, or Sanctions including Sections 3.1, 4.25, 6.4, 7.17 and 7.20 (each hereinafter "Sanctions Provision") shall not be applicable to its benefit as far as the application of any Sanctions Provision would result in such Lender or any of its directors or employees being in violation of, conflict with, or having liability under Section 7 German Foreign Trade Ordinance (*Außenwirtschaftsverordnung*), Council Regulation (EC) No. 2271/96 or any other similar applicable anti-boycott laws (hereinafter "Anti-Boycott-Laws"). Each Lender which chooses such compliance with Anti-Boycott-Laws (each hereinafter "Restricted Lender") has to notify the Administrative Agent to this effect (who in turn shall inform the Parent Borrower).

Not later than 3:00 P.M., Local Time, on the Borrowing Date specified in the Borrowing Request in respect of Swingline Loans, the Swingline Lender shall, if it has agreed in its discretion to make such Swingline Loan, make available to the Administrative Agent at the relevant Funding Office an amount in immediately available funds equal to the amount of the Swingline Loan to be made by the Swingline Lender. The Administrative Agent shall make the proceeds of such Swingline Loan available to the applicable Borrower on such Borrowing Date by depositing such proceeds in the account designated by such Borrower on such Borrowing Date in immediately available funds.

(b) The Swingline Lender, at any time and from time to time in its sole and absolute discretion may, on behalf of each Borrower (each of which hereby irrevocably direct the Swingline Lender to act on its behalf), on one Business Day's notice given by the Swingline Lender no later than, 12:00 Noon, Local Time, request each Revolving Lender to make, and each Revolving Lender hereby agrees to make, a Revolving Loan, in an amount equal to such Revolving Lender's Revolving Percentage of the aggregate amount of the Swingline Loans (the "Refunded Swingline Loans") outstanding on the date of such notice, to repay the Swingline Lender. Each Revolving Lender shall make the amount of such Revolving Loan available to the Administrative Agent at the relevant Funding Office in immediately available funds, not later than 10:00 A.M., Local Time, one Business Day after the date of such notice. The proceeds of such Revolving Loans shall be immediately made available by the Administrative Agent to the Swingline Lender for application by the Swingline Lender to the repayment of the Refunded Swingline Loans. Each Borrower irrevocably authorizes the Swingline Lender to charge such Borrower's accounts with the Administrative Agent (up to the amount available in each such account) in order to immediately pay the amount of such Refunded Swingline Loans made to such Borrower to the extent amounts received from the Revolving Lenders are not sufficient to repay in full such Refunded Swingline Loans. Each Refunded Swingline Loan shall be an ABR Loan, provided that in the case of the European Co-Borrowers, such Refunded Swingline Loan shall instead be a Term Benchmark Loan with an Interest Period of 1 month or a RFR Loan, as applicable.

(c) If prior to the time a Revolving Loan would have otherwise been made pursuant to Section 2.7(b), one of the events described in Section 8(f) or (g) shall have occurred and be continuing with respect to any Borrower or if for any other reason, as determined by the Swingline Lender in its sole discretion, Revolving Loans may not be made as contemplated by Section 2.7(b), each Revolving Lender shall, on the date such Revolving Loan was to have been made pursuant to the notice referred to in Section 2.7(b), purchase for cash an undivided participating interest in the then outstanding Swingline Loans by paying to the Swingline Lender an amount (the "Swingline Participation Amount") equal to (i) such Revolving Lender's Revolving Percentage times (ii) the sum of the aggregate principal amount of Swingline Loans then outstanding that were to have been repaid with such Revolving Loans.

(d) Whenever, at any time after the Swingline Lender has received from any Revolving Lender such Lender's Swingline Participation Amount, the Swingline Lender receives any payment on account of the Swingline Loans, the Swingline Lender will distribute to such Lender its ratable portion of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Lender's pro rata portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swingline Loans then due); provided, however, that in the event that such payment received by the Swingline Lender is required to be returned, such Revolving Lender will return to the Swingline Lender any portion thereof previously distributed to it by the Swingline Lender.

(e) Each Revolving Lender's obligation to make the Loans referred to in Section 2.7(b) and to purchase participating interests pursuant to Section 2.7(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such Revolving Lender or any Borrower may have against the Swingline Lender, any Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5, (iii) any adverse change in the condition (financial or otherwise) of the applicable Borrower, (iv) any breach of this Agreement or any other Loan Document by the applicable Borrower, any other Loan Party or any other Revolving Lender or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

2.8 Fees, etc. (a) The Borrowers agree to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee for the period from and including the ~~Closing~~Amendment No. 3 Effective Date to the last day of the Revolving Commitment Period, computed at the Commitment Fee Rate on the average daily amount of the Available Commitment of such Lender during the period for which payment is made, payable quarterly in arrears on each Fee Payment Date, commencing on the first such date to occur after the ~~Closing~~Amendment No. 3 Effective Date.

(b) The Borrowers agree to pay to the Administrative Agent the fees in the amounts and on the dates as set forth in any fee agreements with the Administrative Agent and to perform any other obligations contained therein.

2.9 Termination or Reduction of Commitments. Each Borrower shall have the right, upon not less than three Business Days' notice to the Administrative Agent, to terminate the Commitments or, from time to time, to reduce the amount of the Commitments; provided that no such termination or reduction of Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans and Swingline Loans made on the effective date thereof, the Total Revolving Extensions of Credit would exceed the Line Cap, the Total Revolving Extensions of Credit to the US Borrowers would exceed the US Borrowing Base (after deducting Revolving Extensions of Credit made to or for the account of any other Borrowers which have been attributed to the US Borrowing Base) or the Foreign Borrowing Limits would be exceeded. Any such reduction shall be in an amount not less than $2,500,000, or a whole multiple thereof, and shall reduce permanently the Commitments then in effect.

2.10 Optional Prepayments. Each Borrower may at any time and from time to time prepay the Loans, in whole or in part, without premium or penalty, upon irrevocable notice delivered to the Administrative Agent no later than 12:00 Noon, Local Time three Business Days prior thereto, in the case of Term Benchmark Loans, no later than 12:00 Noon, Local Time, in the case of RFR Loans, no later than 11:00 a.m., Local Time, five Business Day prior thereto, and one Business Day prior thereto, only to the extent set forth in Section 2.16, in the case of a prepayment of a Daily Simple SOFR Borrowing, no later than 12:00 noon, Local Time, five U.S. Government Securities Business Days before the date of prepayment or in the case of ABR Loans, which notice shall specify the date and amount of prepayment and whether the prepayment is of Term Benchmark Loans, RFR Loans or ABR Loans; provided, that if a Term Benchmark Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, such Borrower shall also pay any amounts owing pursuant to Section 2.20. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Loans that are ABR Loans and Swingline Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Revolving Loans shall be in an aggregate principal amount equal to $1,000,000, €500,000, £500,000 (or in the case of other Available Currencies, such amount as agreed by the Administrative Agent), as applicable, or a whole multiple thereof. Partial prepayments of Swingline Loans shall be in an aggregate principal amount of not less than $100,000 or a whole multiple thereof. The application of any prepayment in relation to Loans of any US Borrower denominated in Dollars pursuant to this Section 2.10 shall be made first, to ABR Loans and second, to Term Benchmark Loans.

2.11 Prepayment of Loans. (a) In the event and on such occasion that (i) the Total Revolving Extensions of Credit exceed the Total Commitments, (ii) the Total Revolving Extensions of Credit (excluding for such purposes Protective Advances) exceed the Line Cap, (iii) the Total Revolving Extensions of Credit to the US Borrowers exceed the US Borrowing Base or (iv) any of the Foreign Borrowing Limits are exceeded, the applicable Borrowers shall promptly (and in any event within the notice period specified under Section 2.11(b) or in the event that such excess arises from the Administrative Agent exercising Permitted Discretion, then within five Business Days) prepay (or in the case of L/C Exposure, cash collateralize) the Revolving Loans, L/C Exposure, Swingline Loans and/or (in the case of clause (i) above) the Protective Advances in an aggregate amount equal to such excess (it being understood that the Borrowers shall prepay Revolving Loans, Swingline Loans and/or Protective Advances prior to cash collateralization of L/C Exposure).

(b) Any prepayment of Loans pursuant to Section 2.11(a) shall be made upon notice (which shall be irrevocable unless otherwise agreed by the Administrative Agent) delivered to the Administrative Agent no later than 11:00 A.M., Local Time, three Business Days prior thereto, in the case of Term Benchmark Loans, no later than 11:00 a.m., Local Time, five Business Day prior thereto, in the case of RFR Loans and no later than 11:00 A.M., New York City time, one Business Day prior thereto, in the case of ABR Loans, which notice shall specify the date and amount of prepayment and whether the prepayment is of Term Benchmark Loans, RFR Loans or ABR Loans; provided that if a Term Benchmark Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the applicable Borrower shall also pay any amounts owing pursuant to Section 2.20. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Loans that are ABR Loans and Swingline Loans) accrued interest to such date on the amount prepaid. The application of any prepayment pursuant to this Section 2.11 in relation to Loans of any US Borrower denominated in Dollars shall be made first, to ABR Loans and second, to Term Benchmark Loans.

(c) On each Business Day during any Full Cash Dominion Period, the Administrative Agent shall apply, subject to Section 2.17(b), all funds credited to any applicable Collection Account as of 10:00 A.M., Local Time, on such Business Day (whether or not immediately available) first to prepay any Protective Advances that may be outstanding, second to prepay the Swingline Loans and third to prepay other Revolving Loans (without a corresponding reduction in Commitments). In the event and to the extent that any Obligations, Protective Advances or Revolving Loans (including Swingline Loans) remain unpaid (the "Payment Requirements") following such application as a result of a mismatch between the currencies of the amounts in the Collection Accounts and the currencies in which the outstanding Payment Requirements are denominated, the Borrowers shall be deemed to have requested the Administrative Agent to convert any excess funds remaining in the Collection Accounts to the currency or currencies of the outstanding Payment Requirements and apply such converted amounts to such outstanding Payment Requirements.

2.12 Conversion and Continuation Options. (a) Each Borrower may elect from time to time to convert Term Benchmark Loans advanced to any US Borrower denominated in Dollars to ABR Loans by giving the Administrative Agent prior irrevocable notice of such election by submitting an Interest Election Request no later than 12:00 Noon, New York City time, on the Business Day preceding the proposed conversion date, provided that any such conversion of Term Benchmark Loans may only be made on the last day of an Interest Period with respect thereto. Each US Borrower may elect from time to time to convert ABR Loans to Term Benchmark Loans by giving the Administrative Agent prior irrevocable notice of such election by submitting an Interest Election Request no later than 12:00 Noon, New York City time, on the third Business Day preceding the proposed conversion date (which Interest Election Request shall specify the length of the initial Interest Period therefor), provided that no ABR Loan may be converted into a Term Benchmark Loan when any Event of Default has occurred and is continuing and the Administrative Agent or the Required Lenders have determined in its or their sole discretion not to permit such conversions. Upon receipt of any such Interest Election Request the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any Term Benchmark Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the applicable Borrower giving irrevocable notice by submitting an Interest Election Request to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, provided that no Term Benchmark Loan may be continued as such (i) when any Event of Default has occurred and is continuing and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuations or (ii) if a Specified Event of Default with respect to any Borrower is in existence, and unless repaid, (y) each Term Benchmark Borrowing denominated in Dollars shall be converted to an ABR Borrowing (or in the case of the European Co-Borrowers a Loan bearing interest at the Alternate Rate) at the end of the Interest Period

applicable thereto and (z) each Term Benchmark Borrowing denominated in an Available Currency (other than Dollars) shall bear interest at the Central Bank Rate for the applicable Available Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Available Currency (other than Dollars) cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Available Currency (other than Dollars) shall be converted to an ABR Borrowing (or in the case of the European Co-Borrowers a Loan bearing interest at the Alternate Rate) denominated in Dollars (in an amount equal to the Dollar Equivalent of such Available Currency) at the end of the Interest Period therefor or (B) prepaid at the end of the applicable Interest Period, as applicable, in full; provided that if no election is made by the Borrower by the earlier of (x) the date that is three Business Days after receipt by the Borrower of such notice and (y) the last day of the current Interest Period for the applicable Term Benchmark Loan, the Borrower shall be deemed to have elected clause (A) above. If the applicable Borrower shall fail to give any required Interest Election Request as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso such Loans, (x) if advanced to the US Borrowers and denominated in Dollars, shall be automatically converted to ABR Loans on the last day of such then expiring Interest Period and (y) if advanced to the European Co-Borrowers and denominated in Dollars, or, if not denominated in Dollars and advanced to any other Borrower, shall be automatically continued as Term Benchmark Loans with an Interest Period of one month. Upon receipt of any such Interest Election Request the Administrative Agent shall promptly notify each relevant Lender thereof.

(c) If an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Revolving Borrowing may be converted to or continued as a RFR Borrowing and (ii) unless repaid, each RFR Borrowing shall bear interest at the Central Bank Rate for Pounds Sterling plus the Applicable Margin for RFR Loans; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for Pounds Sterling cannot be determined, any outstanding RFR Loans shall either be (A) if borrowed by (I) a US Borrower, converted to an ABR Borrowing denominated in US Dollars (in an amount equal to the Dollar Equivalent of such Available Currency) at the end of the Interest Period or on the Interest Payment Date, as applicable, therefor or (II) a European Co-Borrower, converted to a Loan denominated in Dollars bearing interest at the Alternate Rate (in an amount equal to the Dollar Equivalent of such Available Currency) at the end of the Interest Period or on the Interest Payment Date, as applicable, therefor or (B) if prepaid at the end of the applicable Interest Period or on the Interest Payment Date, as applicable, in full; provided that if no election is made by the Borrower by the earlier of (x) the date that is five Business Days after receipt by the Borrower of such notice and (y) the last day of the current Interest Period, the Borrower shall be deemed to have elected clause (A) above.

2.13 Limitations on Term Benchmark Loans. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Term Benchmark Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Term Benchmark Loans comprising each Interest Period shall be equal to $5,000,000, €2,500,000, £2,500,000 (or in the case of other Available Currencies, such amount as agreed by the Administrative Agent) or a whole multiple of $1,000,000, €500,000, £500,000 (or in the case of other Available Currencies, such amount as agreed by the Administrative Agent), as applicable, in excess thereof and (b) no more than (i) 5 Interest Periods (in the aggregate), in the case of the US Borrowers and (ii) 35 Interest Periods (in the aggregate), in the case of Borrowers other than the US Borrowers, in each case shall be outstanding at any one time.

2.14 Interest Rates and Payment Dates. (a) Each Term Benchmark Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted SOFR Rate or the Adjusted EURIBOR Rate, as applicable, determined for such day plus the Applicable Margin.

(b) Only to the extent set forth in Section 2.16, each Daily Simple SOFR Loan shall bear interest at a rate per annum equal to the Adjusted Daily SOFR plus the Applicable Rate.

(c) Each ABR Loan shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

(d) Each RFR Loan shall bear interest at a rate per annum equal to the applicable Daily Simple RFR plus the Applicable Margin.

(e) Each Swingline Loan or Protective Advance made to any European Co-Borrower shall bear interest at a rate per annum equal to the Overnight Rate plus the Applicable Margin.

(f) (i) If all or a portion of the principal amount of any Loan or Reimbursement Obligation shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to (x) in the case of the Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2% or (y) in the case of Reimbursement Obligations in relation to Letters of Credit issued for the benefit of a US Borrower and denominated in Dollars, the rate applicable to Revolving Loans that are ABR Loans plus 2%, or to the extent in relation to Letter of Credit Issued for the benefit of the European Co-Borrowers, or issued for the benefit of any other Borrower and not denominated in Dollars, such rate as would be then applicable to Revolving Loans that are Term Benchmark Loans or RFR Loans, as applicable, denominated in the applicable currency, in the case of Term Benchmark Loans with an Interest Period of one month (~~assuming, solely, for this purpose~~or in the case of Canadian Dollar denominated Reimbursement Obligations, ~~that Term Benchmark Loans include "CDOR-rate"~~the rate for Canadian Dollar~~loans that are treated as Revolving Loans~~denominated Reimbursement Obligations described in the last sentence of Section 3.5), plus 2%, and (ii) if all or a portion of any interest payable on any Loan or Reimbursement Obligation or any commitment fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to Revolving Loans that are ABR Loans plus 2% (provided that for amounts denominated in another Available Currency (other than Dollars) such rate would be the rate then applicable to Revolving Loans that are Term Benchmark Loans or RFR Loans, as applicable, denominated in such currency with, in the case of Term Benchmark Loans an Interest Period of one month, plus 2% (~~assuming, solely, for this purpose in the case of~~the rate for Canadian Dollar denominated ~~amounts, that Term Benchmark Loans include "CDOR-rate" Canadian Dollar loans that are treated as Revolving Loans~~Reimbursement Obligations described in the last sentence of Section 3.5)), in each case, with respect to clauses (i) and (ii) above, from the date of such non-payment until such amount is paid in full (as well after as before judgment).

(g) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to paragraph (c) of this Section shall be payable from time to time on demand.

2.15 Computation of Interest and Fees. Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to ABR Loans, the rate of interest on which is calculated on the basis of the Prime Rate, and Loans denominated in Pounds Sterling, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed (including the first day, but excluding the last day; provided that if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on such Loan). The Administrative Agent shall as soon as practicable notify the applicable Borrower and the relevant Lenders of each determination of an Adjusted Term SOFR Rate, Daily Simple RFR, Overnight Rate or an

Adjusted EURIBOR Rate. Any change in the interest rate on a Loan resulting from a change in the ABR or reserve requirements shall become effective as of the opening of business on the day on which such change becomes effective. The applicable ABR, Adjusted Term SOFR Rate, Term SOFR Rate, Daily Simple RFR, Overnight Rate, Adjusted EURIBOR Rate or EURIBOR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the applicable Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the applicable Borrower, deliver to such Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.14(a).

2.16 Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 2.16:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate, the Term SOFR Rate, the Overnight Rate, the Adjusted EURIBOR Rate, Daily Simple SOFR (solely to the extent Daily Simple SOFR is the relevant Benchmark with respect to Dollars) or the EURIBOR Rate (including because the Relevant Screen Rate is not available or published on a current basis), for the applicable Available Currency and such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Daily Simple RFR or RFR for the applicable Available Currency, or

(ii) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate, the Term SOFR Rate, the Overnight Rate, the Adjusted EURIBOR Rate, Daily Simple SOFR (to the extent relevant with respect to Dollars) or the EURIBOR Rate for the applicable Available Currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Available Currency and such Interest Period or (B) at any time, the applicable Daily Simple RFR or RFR for the applicable Available Currency will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Available Currency,

then the Administrative Agent shall give facsimile or e-mail notice thereof to the applicable Borrower and the relevant Lenders as soon as practicable thereafter and, until the Administrative Agent notifies the applicable Borrower and the relevant Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Term Benchmark Borrowing shall be ineffective, (B) if any Borrowing Request by a US Borrower requests a Term Benchmark Borrowing in Dollars, such Borrowing shall be made as an (x) ABR Borrowing if the Adjusted Daily Simple SOFR also is the subject of 2.16 (i) or (ii) or (y) a Daily Simple SOFR Borrowing so long as the Adjusted Daily Simple SOFR is not also the subject of Section 2.16(a)(i) or (i) above and if any Borrowing Request by a European Co-Borrower requests a Term Benchmark Borrowing in Dollars, such Borrowing shall be made as a Loan bearing interest at the Alternate Rate and (C) if any Borrowing Request requests a Term Benchmark Borrowing or an RFR Borrowing for the relevant rate above in an Available Currency (other than Dollars), then such request shall be ineffective; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan in any Available Currency is outstanding on the date of the applicable Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.16(a) with respect to a Term Benchmark Loan or RFR Loan, then until the Administrative

Agent notifies the applicable Borrower and the relevant Lenders that the circumstances giving rise to such notice no longer exist, (i) if such Term Benchmark Loan is denominated in Dollars, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, (x) ABR Loan if the Adjusted Daily Simple SOFR also is the subject of 2.16 (i) or (ii) or (y) a Daily Simple SOFR Borrowing so long as the Adjusted Daily Simple SOFR is not also the subject of Section 2.16(a)(i) or (i) above (or in the case of the European Co-Borrowers a Loan bearing interest at the Alternate Rate) denominated in Dollars on such day, (ii) if such Term Benchmark Loan is denominated in any Available Currency other than Dollars, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Central Bank Rate for the applicable Available Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Available Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Available Currency other than Dollars shall, at the applicable Borrower's election prior to such day: (A) be prepaid by such Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Available Currency other than Dollars shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time or (iii) if such RFR Loan is denominated in any Available Currency other than Dollars, then such Loan shall bear interest at the Central Bank Rate for the applicable Available Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Available Currency cannot be determined, any outstanding affected RFR Loans denominated in any Available Currency other than Dollars, at the applicable Borrower's election, shall either (A) be converted into ABR Loans (or in the case of the European Co-Borrowers a Loan bearing interest at the Alternate Rate) denominated in Dollars (in an amount equal to the Dollar Equivalent of such Available Currency) immediately or (B) be prepaid in full immediately.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" with respect to Dollars for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" with respect to any Available Currency for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from the Required Lenders.

(c) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Parent Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.16, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.16.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR, Term SOFR Rate or EURIBOR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion in consultation with the Parent Borrower or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the applicable Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, any Borrower may revoke any request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) such Borrower will be deemed to have converted any request for a Term Benchmark Borrowing denominated in Dollars into a request for a Borrowing of or conversion to ABR Loans (or in the case of the European Co-Borrowers a Loan bearing interest at the Alternate Rate) or (y) any Term Benchmark Borrowing or RFR Borrowing denominated in an Available Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term Benchmark Loan or RFR Loan in any Available Currency is outstanding on the date of the applicable Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Available Currency is implemented pursuant to this Section 2.16, (i) if such Term Benchmark Loan is denominated in Dollars, then on the last day of the Interest Period

applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, (x) an ABR Loan if the Adjusted Daily Simple SOFR also is the subject of a Benchmark Transition Event or (ii) or (y) a Daily Simple SOFR Borrowing so long as the Adjusted Daily Simple SOFR is not the subject of Benchmark Transition Event an ABR Loan (or in the case of the European Co-Borrowers a Loan bearing interest at the Alternate Rate) denominated in Dollars on such day, (ii) if such Term Benchmark Loan is denominated in any Available Currency other than Dollars, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Central Bank Rate for the applicable Available Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Available Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Available Currency other than Dollars shall, at the Parent Borrower's election prior to such day: (A) be prepaid by such Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Available Currency other than Dollars shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time or (iii) if such RFR Loan is denominated in any Available Currency other than Dollars, then such Loan shall bear interest at the Central Bank Rate for the applicable Available Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Available Currency cannot be determined, any outstanding affected RFR Loans denominated in any Available Currency, at the applicable Borrower's election, shall either (A) be converted into ABR Loans denominated in Dollars (or in the case of the European Co-Borrowers a Loan bearing interest at the Alternate Rate) (in an amount equal to the Dollar Equivalent of such Available Currency) immediately or (B) be prepaid in full immediately.

2.17 Pro Rata Treatment and Payments. (a) Each borrowing by each Borrower from the Revolving Lenders hereunder, each payment by each Borrower on account of any commitment fee and any reduction of the Commitments of the Lenders shall be made pro rata according to the Revolving Percentages of the Lenders, in each case unless otherwise provided in this Agreement.

(b) Any proceeds of Collateral of any Loan Party received by the Administrative Agent (i) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct or (ii) at any other time, not constituting (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the applicable Borrower), (B) a mandatory prepayment (which shall be applied in accordance with Section 2.11(a)) or (C) amounts to be applied from any Collection Account (which shall be applied in accordance with Section 2.11(c)), shall be applied, subject to the Intercreditor Agreement, ratably first, to pay any fees, indemnities, or expense reimbursements then owing to the Administrative Agent and any Issuing Lender from, or guaranteed by, such Loan Party under the Loan Documents (other than in connection with Banking Services Obligations or Swap Obligations), second, to pay any fees or expense reimbursements then owing to the Lenders from, or guaranteed by, such Loan Party under the Loan Documents (other than in connection with Banking Services or Swap Obligations), third, to pay interest due in respect of the Protective Advances owing by or guaranteed by such Loan Party, fourth, to pay the principal of the Protective Advances owing by or guaranteed by such Loan Party, fifth, to pay interest then due and payable on the Loans (other than the Protective Advances) and unreimbursed L/C Disbursements, in each case owing or guaranteed by such Loan Party, ratably, sixth, to prepay principal on the Loans (other than the Protective Advances) and unreimbursed L/C Disbursements owing or guaranteed by such Loan Party, to the payment of any amounts owing with respect to Reported Banking Services Obligations and Reported Secured Swap Obligations owing or guaranteed by such Loan Party, ratably, and to pay an amount to the Administrative Agent equal to 103% of the aggregate undrawn face

amount of all outstanding Letters of Credit issued on behalf of, or guaranteed by, such Loan Party, to be held as cash collateral for such Obligations, seventh, to the payment of any amounts owing with respect to Banking Services Obligations (other than Reported Banking Services Obligations) and Secured Swap Obligations (other than Reported Secured Swap Obligations) owing or guaranteed by such Loan Party, ratably, eighth, to the payment of any other Obligations owing to the Administrative Agent or any Lender by, or guaranteed by, such Loan Party, ratably, and ninth, any balance remaining after the Obligations shall have been paid in full and no Letters of Credit shall be outstanding (other than Letters of Credit which have been cash collateralized in accordance with the foregoing) shall be paid over to the applicable Loan Party at its account designated for such purpose by written notice by such Loan Party to the Administrative Agent or to whomsoever else may be lawfully entitled to receive the same. The application of any payment pursuant to this Section 2.17(b) shall be made first, to ABR Loans and second, to Term Benchmark Loans and RFR Loans. Each of the Administrative Agent and the Lenders shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Obligations to maximize realization of the Collateral (it being understood that, notwithstanding the foregoing, in no event shall be payments be made pursuant to levels "seventh" or "eighth" above prior to the payment in full of all obligations described in levels "first" through "seventh" above). Notwithstanding the foregoing, (x) no amount received from any Loan Party shall be applied to any Excluded Swap Obligation of such Loan Party and (y) application of amounts from non-Domestic Loan Parties shall be subject to Section 10.21.

(c) Each payment (including each prepayment) by the Borrowers on account of principal of and interest on the Revolving Loans shall be made pro rata according to the respective outstanding principal amounts of the Revolving Loans then held by the Revolving Lenders, unless otherwise provided by this Agreement.

(d) All payments (including prepayments) to be made by the Borrowers hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 2:00 P.M., Local Time, on the due date thereof to the Administrative Agent, for the account of the Lenders, at the Funding Office, in Dollars (or in the case of principal and interest in respect of Loans denominated in another Available Currency, such Available Currency, and subject to any payments required to be made in an Available Currency with respect to Letters of Credit denominated in an Available Currency as set forth in Section 3) and in immediately available funds. The Administrative Agent shall distribute such payments to each relevant Lender promptly upon receipt in like funds as received, net of any amounts owing by such Lender pursuant to Section 9.7. If any payment hereunder (other than payments on the Term Benchmark Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Term Benchmark Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension. During any Full Cash Dominion Period, solely for purposes of determining the amount of Loans available for borrowing purposes, checks (in addition to immediately available funds applied pursuant to Section 2.11(c)) from collections of items of payment and proceeds of any Collateral shall be applied in whole or in part against the applicable Obligations as of 10:00 A.M., Local Time, on the Business Day of receipt, subject to actual collection.

(e) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon, at a rate equal to in the greater of (i) in the case of Dollar borrowings, the NYFRB Rate and in the case of non-Dollar borrowing a customary rate determined by the Administrative Agent and (ii) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable at the time to the Loans comprising such Borrowing.

(f) Unless the Administrative Agent shall have been notified in writing by the applicable Borrower prior to the date of any payment due to be made by such Borrower hereunder that such Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that such Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by such Borrower within three Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to, in the case of Borrowings in Dollars, the daily average NYFRB Rate and in the case of Borrowings not in Dollars, a customary rate determined by the Administrative Agent. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against any Borrower.

(g) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.7(c), 2.7(d), 2.17(e), 2.17(f), 2.19(e), 3.4(a) or 9.7, then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent, the Swingline Lender or the Issuing Lender to satisfy such Lender's obligations to it under such Sections until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

2.18 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation, administration, implementation or application thereof or compliance by any Lender or other Credit Party with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made or occurring subsequent to the Closing Date:

(i) shall subject any Lender or other Credit Party to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (g) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit (or participations therein) by, or any other acquisition of funds by, any office of such Lender or other Credit Party that is not otherwise included in the determination of the Adjusted Term SOFR Rate, Daily Simple RFR, EURIBOR Screen Rate or Adjusted EURIBOR Rate (or, only to the extent set forth in Section 2.16, Daily Simple SOFR); or

(iii) shall impose on such Lender or other Credit Party any other condition (other than Taxes);

and the result of any of the foregoing is to increase the cost to such Lender or such other Credit Party, by an amount that such Lender or other Credit Party deems to be material, of making, converting into, continuing or maintaining Loans or issuing or participating in Letters of Credit, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the applicable Borrower shall, subject to clauses (d) and (e) below, promptly pay such Lender or such other Credit Party, upon its demand, any additional amounts necessary to compensate such Lender or such other Credit Party for such increased cost or reduced amount receivable. If any Lender or such other Credit Party becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify the applicable Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled and provide reasonable supporting detail.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital or liquidity requirements or in the interpretation, administration, implementation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital or liquidity requirements (whether or not having the force of law) from any Governmental Authority made subsequent to the Closing Date shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the applicable Borrower (with a copy to the Administrative Agent) of a written request therefor with reasonable supporting detail, the applicable Borrower shall, subject to clauses (d) and (e) below, pay to such Lender such additional amount or amounts as will compensate such Lender or such corporation for such reduction.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act, any European equivalent regulations (such as the European Market and Infrastructure Regulation and other regulations related thereto) and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted, issued or implemented.

(d) A certificate as to any additional amounts payable pursuant to this Section submitted by any Lender to the applicable Borrower (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section, the applicable Borrower shall not be required to compensate a Lender pursuant to this Section for any amounts incurred more than nine months prior to the date that such Lender notifies the applicable Borrower of such Lender's intention to claim compensation therefor; provided that, if the circumstances giving rise to such claim have a retroactive effect, then such period shall be extended to include the period of such retroactive effect. The obligations of the Borrowers pursuant to this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(e) Notwithstanding any other provision of this Section 2.18 to the contrary, no Lender shall be entitled to receive any compensation pursuant to this Section 2.18 unless it shall be the general policy or practice of such Lender to seek compensation from other similarly situated borrowers in the U.S. syndicated loan market with respect to its similarly affected loans under agreements with such borrowers having provisions similar to this Section 2.18.

2.19 Taxes. (a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document and Letter of Credit shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that, after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.19), the amounts received with respect to this agreement equal the sum which would have been received had no such deduction or withholding been made.

(b) The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it (for its own account and on behalf of any other Credit Party, as applicable) for, Other Taxes.

(c) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.19, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Without duplication of payments made pursuant to Section 2.19(a) above, the Loan Parties shall jointly and severally indemnify each Credit Party, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted or attributable to amounts payable under this Section 2.19) payable or paid by such Credit Party or required to be withheld or deducted from a payment to such Credit Party) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the applicable Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the applicable Borrower and the Administrative Agent, at the time or times reasonably requested by the applicable Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the applicable Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the applicable Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the applicable Borrower or the Administrative Agent as will enable the applicable Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.19(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the applicable Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to such Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the applicable Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to such Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Non-U.S. Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of such Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Non-U.S. Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to such Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit such Borrower or

the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to such Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by such Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by such Borrower or the Administrative Agent as may be necessary for such Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Parent Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) On the date of this Agreement, the Administrative Agent shall (and any successor or replacement Administrative Agent) shall on or before the date on which it becomes the Administrative Agent hereunder) deliver to the Parent Borrower two duly executed originals of either (i) IRS Form W-9 or (ii) IRS Form W-8ECI (with respect to any payments to be received on its own behalf) and IRS Form W-8IMY (for all other payments), establishing that it is a U.S. branch that has agreed to be treated as a U.S. Person for United States federal withholding Tax purposes with respect to payments received by it from the Borrowers for the account of others under the Loan Documents.

(h) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.19 (including by the payment of additional amounts pursuant to this Section 2.19), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.19 shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i)

(i) All amounts expressed to be payable under this Agreement or any other Loan Document or any Letter of Credit by any Loan Party to any Credit Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply and, accordingly, subject to paragraph (ii) below, if VAT is or becomes chargeable on any supply made by any Credit Party to any Loan Party under this Agreement or any other Loan Document or any Letter of Credit and such Credit Party is required to account to the relevant tax authority for the VAT, that Loan Party must pay to such Credit Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Credit Party must promptly provide an appropriate VAT invoice to that Loan Party). If any VAT was paid by any Loan Party to any Credit Party for any supply under this Agreement or any other Loan Document or any Letter of Credit and it transpires that such supply was out of scope of VAT or subject to a VAT exemption or subject to a reverse charge mechanism, the respective Loan Party and Credit Party shall fully cooperate in order to correct the situation.

(ii) If VAT is or becomes chargeable on any supply made by any Credit Party (the "VAT Supplier") to any other Credit Party (the "VAT Recipient") under this Agreement or any other Loan Document or any Letter of Credit, and any Loan Party (the "Relevant Party") is required by the terms of this Agreement or any other Loan Document or any Letter of Credit to pay an amount equal to the consideration for that supply to the VAT Supplier (rather than being required to reimburse or indemnify the VAT Recipient in respect of that consideration): (x) (where the VAT Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the VAT Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The VAT Recipient must (where this paragraph (x) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the VAT Recipient receives from the relevant tax authority which the VAT Recipient reasonably determines relates to the VAT chargeable on that supply; and (y) (where the VAT Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the VAT Recipient, pay to the VAT Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the VAT Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iii) Where this Agreement or any other Loan Document or any Letter of Credit requires any Loan Party to reimburse or indemnify a Credit Party for any cost or expense, that Loan Party shall reimburse or indemnify (as the case may be) such Credit Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Credit Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iv) Any reference in this Section 2.19(i) to any Loan Party or Credit Party shall, at any time when such party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person deemed for VAT purposes to make or receive supplies on behalf of such VAT group.

(v) In relation to any supply made by a Credit Party to any Loan Party under this Agreement or any other Loan Document or any Letter of Credit, if reasonably requested by such Credit Party, that Loan Party must promptly provide such Credit Party with details of that Loan Party's VAT registration and such other information as is reasonably requested in connection with such Credit Party's VAT reporting requirements in relation to such supply.

(j) Each party's obligations under this Section 2.19 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents and Letters of Credit.

(k) For purposes of this Section 2.19, the term "Lender" includes the Issuing Lender and the Swingline Lender.

(l) Additional United Kingdom Tax Matters:

(i) Subject to (ii) below, each Lender and the UK Borrower shall cooperate in completing any procedural formalities necessary for such UK Borrower to obtain authorization to make payments under any Loan Document or Letter of Credit without withholding or deduction for Taxes imposed under the laws of the United Kingdom.

(A) A Lender on the date of this Agreement that (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to the UK Borrower and the Administrative Agent on the date of this Agreement;; and

(B) a Lender which becomes a Lender hereunder after the date of this Agreement that (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to the UK Borrower and the Administrative Agent, and

(C) upon satisfying either clause (A) or (B) above, such Lender shall have satisfied its obligation under paragraph (l)(i) above.

(ii) If a Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with paragraph (l)(i) above, the UK Borrower(s) shall make a Borrower DTTP filing with respect to such Lender, and shall promptly provide such Lender with a copy of such filing, provided that, if:

(A) the UK Borrower making a payment to such Lender has not made a Borrower DTTP Filing in respect of such Lender; or

(B) the UK Borrower making a payment to such Lender has made a Borrower DTTP Filing in respect of such Lender but:

(1) such Borrower DTTP Filing has been rejected by HM Revenue & Customs; or

(2) HM Revenue & Customs has not given the UK Borrower authority to make payments to such Lender without a deduction for tax within 60 days of the date of such Borrower DTTP Filing;

and in each case, the UK Borrower has notified that Lender in writing of either (1) or (2) above, then such Lender and the UK Borrower shall co-operate in completing any additional procedural formalities necessary for the UK Borrower to obtain authorization to make that payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom.

(iii) If a Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (l)(i) above, the UK Borrower shall not make a Borrower DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment(s) or its participation in any Loan unless the Lender otherwise agrees.

(iv) The UK Borrower shall, promptly on making a Borrower DTTP Filing, deliver a copy of such Borrower DTTP Filing to the Administrative Agent for delivery to the relevant Lender.

(v) Each Lender shall notify the Administrative Agent if it determines in its sole discretion that it is ceases to be a UK Qualifying Lender with respect to payments made by the UK Borrower hereunder.

(vi) A payment from the UK Borrower shall not be increased under Section 2.19(a) and there shall be no indemnification under Section 2.19(d) in respect of any withholding or deduction for Taxes imposed under the laws of the United Kingdom if on the date on which the payment falls due: (A) the payment could have been made to the relevant Lender without such withholding or deduction if the Lender had been a UK Qualifying Lender, but on that date that Lender is not or has ceased to be a UK Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration, or application of) any law or income tax treaty or any published practice or published concession of any relevant taxing authority; or (B) the relevant Lender is a UK Treaty Lender and the UK Borrower is able to demonstrate that the payment could have been made to the Lender without the withholding or deduction for Taxes imposed under the laws of the United Kingdom had that Lender complied with its obligations under Section 2.19(l)(i) or 2.19(l)(iii) (as applicable) above ("UK Excluded Withholding Taxes").

(vii) Each Lender which becomes a Lender hereunder after the date of this Agreement shall indicate in writing on the date it becomes a Lender, for the benefit of the Administrative Agent and without liability to any Borrower, which of the following categories it falls in: (A) not a UK Qualifying Lender; (B) a UK Qualifying Lender (other than a UK Treaty Lender); or (C) a UK Treaty Lender. If such Lender fails to indicate its status in accordance with this Section 2.19(l)(vii) then such Lender shall be treated by the UK Borrower as if it is not a UK

Qualifying Lender until such time as it notifies the Administrative Agent which category applies (and the Administrative Agent, upon receipt of such notification, shall inform the UK Borrower).

(m) Additional German Tax Matters:

(i) A payment from a German Borrower shall not be increased under Section 2.19(a) and there shall be no indemnification under Section 2.19(d) in respect of any Indemnified Taxes imposed under the laws of Germany, if on the date on which the payment falls due:

(A) the payment could have been made to the relevant Lender without a Tax deduction if the Lender had been a German Qualifying Lender, but on that date that Lender is not or has ceased to be a German Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration, or application of) any law or German Treaty, or any published practice or published concession of any relevant taxing authority; or

(B) the relevant Lender is a German Treaty Lender and the obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax deduction had that Lender co-operated in completing any procedural formalities necessary for that obligor to obtain authorization to make that payment without a Tax deduction; or

(C) the relevant obligor is required by the relevant tax office to make a Tax deduction on account of German Tax pursuant to section 50a paragraph 7 of the German Income Tax Act (*Einkommensteuergesetz*), unless the payment could have been made to the relevant Lender without such Tax deduction if the Lender had been a German Treaty Lender, but on that date that Lender is not or has ceased to be a German Treaty Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration, or application of) any law or German Treaty, or any published practice or published concession of any relevant taxing authority; it being further agreed that a Lender shall not be entitled to an increased payment under Section 2.19(a) but only to an indemnification under and in accordance with Sections 2.19(d) and 2.19(m)(ii) if it causes a Tax deduction under section 50a paragraph 7 of the German Income Tax Act by a failure to comply with its German tax filing or tax paying obligations.

(ii) Any Taxes assessed on a Lender under the laws of Germany solely due to the fact that the Loans are secured (directly or indirectly) by real estate located in Germany (*inländischer Grundbesitz*) or by German rights subject to the civil code provisions relating to real estate (*inländische Rechte, die den Vorschriften des bürgerlichen Rechts über Grundstücke unterliegen*), shall not be subject to indemnification under Section 2.19(d), unless the relevant Lender was a German Treaty Lender when it became a Party and the reason it has ceased to be a German Treaty Lender is the introduction of, or a change in, any law or regulation, or a change in the interpretation or application of any law, treaty or regulation or in any practice or concession of any tax authority, in each case occurring after the date of this Agreement.

2.20 Indemnity. (a) Each Borrower agrees to indemnify each Lender for, and to hold each Lender harmless from, any loss or expense that such Lender sustains or incurs as a consequence of (i) default by any Borrower in making a borrowing of, conversion into or continuation of Term Benchmark Loans after any Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (ii) default by any Borrower in making any prepayment of or conversion from Term Benchmark Loans after any Borrower has given a notice thereof in accordance with the provisions of this Agreement or (iii) the making of a prepayment of Term Benchmark Loans on a day that is not the last day of the Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (A) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (B) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the applicable funding market. A certificate as to any amounts payable pursuant to this Section submitted to any Borrower by any Lender shall be conclusive in the absence of manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder for nine months.

(b) with respect to Daily Simple SOFR Loans (only to the extent set forth in Section 2.16), in the event of (i) the payment of any principal of such Daily Simple SOFR Loans other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default or an optional mandatory prepayment of Loans), (ii) the failure to borrow or prepay such Daily Simple SOFR Loans on the date specified in any notice delivered pursuant hereto, (iii) the assignment of any Daily Simple SOFR Loans other than on the Interest Payment Date applicable thereto as a result of a request by the Borrower pursuant to Section 2.22, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

2.21 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.18 or 2.19(a) with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates with the object of avoiding the consequences of such event; provided, that such designation or assignment is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending offices to suffer no material economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of any Borrower or the rights of any Lender pursuant to Section 2.18 or 2.19(a).

2.22 Replacement of Lenders. Each Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.18 or 2.19(a), (b) becomes a Defaulting Lender or (c) does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of each of the Lenders or each of the Lenders affected thereby (so long as the consent of the Required Lenders has been obtained), with a replacement financial institution; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) prior to any such replacement, such Lender shall have taken no action under Section 2.21 so as to eliminate the continued need for payment of amounts owing pursuant to Section 2.18 or 2.19(a), (iv) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement, (v) the Borrowers shall be liable to such replaced Lender under Section 2.20 if any Term Benchmark Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto or with respect to an RFR Loan, if any RFR Loan owing to such replaced Lender shall be purchased other than on the scheduled due date, (vi) the replacement financial institution shall be reasonably satisfactory to the Administrative Agent, (vii) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided that the Borrowers shall be obligated to pay the registration and processing fee referred to therein), (viii) until such time as such replacement shall be consummated, the Borrowers shall pay all additional amounts (if any) required pursuant to Section 2.18 or 2.19(a), as the case may be, and (ix) any such replacement shall not be deemed to be a waiver of any rights that any Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Parent Borrower, the Administrative Agent and the assignee, and that the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective.

2.23 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.8(a);

(b) the Commitment and Revolving Extensions of Credit of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.1); provided, that this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender affected thereby;

(c) if any Swingline Exposure, L/C Exposure or Protective Advance Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the Swingline Exposure, L/C Exposure and Protective Advance Exposure of such Defaulting Lender (other than the portion of such Swingline Exposure referred to in clause (b) of the definition of such term) shall be reallocated among the non-Defaulting Lenders in accordance with their respective Revolving Percentages but only to the extent the sum of all non-Defaulting Lenders' Revolving Extensions of Credit plus such Defaulting Lender's Swingline Exposure, L/C Exposure and Protective Advance Exposure does not exceed the total of all non-Defaulting Lenders' Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall within one Business Day following notice by the Administrative Agent (x) first, prepay such Protective Advance Exposure, (y) second, prepay such Swingline Exposure and (z) third, cash collateralize for the benefit of the Issuing Lender only the Borrowers' obligations corresponding to such Defaulting Lender's L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 8 for so long as such L/C Exposure is outstanding;

(iii) if the Borrowers cash collateralize any portion of such Defaulting Lender's L/C Exposure pursuant to clause (ii) above, the Borrowers shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.3(a) with respect to such Defaulting Lender's L/C Exposure during the period such Defaulting Lender's L/C Exposure is cash collateralized;

(iv) if the L/C Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.8(a) and Section 3.3(a) shall be adjusted in accordance with such non-Defaulting Lenders' Revolving Percentages; and

(v) if all or any portion of such Defaulting Lender's L/C Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Lender or any other Lender hereunder, all fees payable under Section 3.3(a) with respect to such Defaulting Lender's L/C Exposure shall be payable to the Issuing Lender until and to the extent that such L/C Exposure is reallocated and/or cash collateralized; and

(d) so long as such Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan and the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding L/C Exposure will be 100% covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrowers in accordance with Section 2.23(c), and participating interests in any newly made Swingline Loan or any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.23(c)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or Bail-In Action with respect to a Lender Parent of any Lender shall occur following the Closing Date and for so long as such event shall continue or (ii) the Swingline Lender or the Issuing Lender has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Swingline Lender shall not be required to fund any Swingline Loan and the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless the Swingline Lender or the Issuing Lender, as the case may be, shall have entered into arrangements with the applicable Borrower or such Lender, satisfactory to the Swingline Lender or the Issuing Lender, as the case may be, to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the applicable Borrower, the Swingline Lender and the Issuing Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure, L/C Exposure and Protective Advance Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Revolving Percentage.

2.24 Incremental Facilities. (a) The Parent Borrower and any one or more Lenders (including New Lenders) may from time to time agree that such Lenders shall make, obtain or increase the amount of their Commitments (any such new or increased Commitments, "Incremental Commitments") by executing and delivering to the Administrative Agent an Increased Facility Activation Notice specifying (x) the amount of such Incremental Commitments and (y) the applicable Increased Facility Closing Date (which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent (or such earlier date as shall be agreed by the Administrative Agent)); provided that (i) with respect to any Increased Facility Closing Date, the Incremental Commitments shall be in a minimum amount of the Dollar Equivalent of $25,000,000 and $1,000,000 multiples thereafter, (ii) the aggregate amount of Incremental Commitments obtained after the ~~Closing~~Amendment No. 3 Effective Date pursuant to this Section 2.24 shall not exceed the greater of (a) $200,000,000 and (b) the amount (if any) by which the Borrowing Base exceeds the Commitments and (iii) Incremental Commitments may be made no more than four times during the term of this Agreement (or such greater number as may be agreed by the Administrative Agent in its sole discretion). No Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion.

(b) Any additional bank, financial institution or other entity which, with the consent of the Parent Borrower and the Administrative Agent (which consent shall not be unreasonably withheld), elects to become a "Lender" under this Agreement in connection with any transaction described in Section 2.24(a) shall execute a New Lender Supplement (each, a "New Lender Supplement"), substantially in the form of Exhibit I-2, whereupon such bank, financial institution or other entity (a "New Lender") shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement.

(c) Unless otherwise agreed or otherwise directed by the Administrative Agent, on each Increased Facility Closing Date, the applicable Borrower shall borrow Revolving Loans under the relevant Incremental Commitments from each Lender participating in the relevant increase in an amount determined by reference to the amount of each Type of Loan which would then have been outstanding from such Lender if (i) each such Type had been borrowed or effected on such Increased Facility Closing Date and (ii) the aggregate amount of each such Type requested to be so borrowed or effected had been proportionately increased.

(d) The availability of the Incremental Commitments will be subject to the following conditions:

(i) no Default or Event of Default shall have occurred and be continuing immediately prior to and immediately after giving effect to the making of such Incremental Commitments;

(ii) the representations and warranties set forth in each Loan Document shall be true and correct in all material respects (or, if qualified by materiality, in all respects) on and as of the Increased Facility Closing Date immediately prior to and immediately after giving effect to the making of such Incremental Commitments, except to the extent expressly made as of an earlier date, in which case they shall be so true and correct as of such earlier date;

(iii) the Borrowers shall have delivered such legal opinions, board resolutions, secretary's certificate, officer's certificate and other documents as shall be reasonably requested by the Administrative Agent in connection with any Incremental Commitments; and

(iv) the documentation and terms of any Incremental Commitment shall be documented solely as an increase to the existing Commitments without any change in terms other than those necessary to effect such Incremental Commitment (it being agreed the Administrative Agent and the Borrowers shall be permitted to make such amendments to the Loan Documents to effectuate the provisions of this Section 2.24 without the consent of any other Person).

SECTION 3. LETTERS OF CREDIT

3.1 L/C Commitment. (a) Subject to the terms and conditions hereof, the Issuing Lender, in reliance on the agreements of the other Revolving Lenders set forth in Section 3.4(a), agrees to issue letters of credit ("Letters of Credit") for the account of the applicable Borrower on any Business Day during the Revolving Commitment Period in such form as may be approved from time to time by the Issuing Lender; provided that the Issuing Lender shall not issue any Letter of Credit if, after giving effect to such issuance, (i) the Dollar Equivalent of the L/C Obligations would exceed the L/C Commitment or, unless otherwise agreed by the Administrative Agent and the applicable Issuing Lender in their sole discretion, the Dollar Equivalent of the L/C Obligations of an Issuing Lender would exceed the Issuer Individual Commitment of such Issuing Lender, (ii) the Dollar Equivalent of the Total Revolving Extensions of Credit would exceed the Line Cap, (iii) the Total Revolving Extensions of Credit to the US Borrowers would exceed the US Borrowing Base (after deducting Revolving Extensions of Credit made to or for the account of any other Borrowers), (iv) the Foreign Borrowing Limits would be exceeded or (v) the Dollar Equivalent of the L/C Obligations for the account of the European Co-Borrowers would exceed the European LC Sub-Limit, subject, in each case, to the authority of the Administrative Agent, in its sole discretion, to make Protective Advances pursuant to the terms of Section 2.3. Each Letter of Credit shall (i) be denominated in an Available Currency (except that Letters of Credit denominated in Canadian Dollars shall only be issued for the account of the US Borrowers) and (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is five Business Days prior to the Revolving Termination Date, provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (y) above). Notwithstanding anything herein to the contrary, the Issuing Lender shall have no obligation hereunder to issue, and shall not issue, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions, (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement or (iii) in any manner that would result in a violation of one or more policies of such Issuing Lender applicable to letters of credit generally.

(b) The Issuing Lender shall not at any time be obligated to issue any Letter of Credit if such issuance would conflict with, or cause the Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law.

(c) The parties hereto agree that the Existing Letters of Credit shall be deemed to be Letters of Credit for all purposes under this Agreement, without any further action by the Borrowers, any Issuing Lender or any other Person.

3.2 Procedure for Issuance of Letter of Credit. Each Borrower may from time to time request that the Issuing Lender issue a Letter of Credit by delivering to the Issuing Lender at its address for notices specified herein, with a copy to the Administrative Agent, an Application therefor, completed to the reasonable satisfaction of the Issuing Lender, and such other certificates, documents and other papers and information as the Issuing Lender may request. Upon receipt of any Application, the Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby in a form satisfactory to it and the Administrative Agent (but in no event shall the Issuing Lender be required to issue any Letter of Credit earlier than three Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto and its and the Administrative Agent's approval of the form of the Letter of Credit) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by the Issuing Lender and the applicable Borrower. The Issuing Lender shall furnish a copy of such Letter of Credit to the applicable Borrower promptly following the issuance thereof. The Issuing Lender shall promptly furnish to the Administrative Agent, which shall in turn promptly furnish to the Lenders, notice of the issuance of each Letter of Credit (including the amount thereof).

3.3 Fees and Other Charges. (a) The Borrowers will pay a fee denominated in Dollars on all outstanding Letters of Credit at a per annum rate equal to the Applicable Margin then in effect with respect to Revolving Loans that are Term Benchmark Loans denominated in Dollars, shared ratably among the Revolving Lenders and payable quarterly in arrears on each Fee Payment Date after the issuance date. In addition, the Borrowers shall pay to the Issuing Lender for its own account a fronting fee on the undrawn and unexpired amount of each Letter of Credit, payable quarterly in arrears on each Fee Payment Date after the issuance date, in an amount separately agreed with the Issuing Lender.

(b) In addition to the foregoing fees, the Borrowers shall pay or reimburse the Issuing Lender for such normal and customary costs and expenses as are incurred or charged by the Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit.

3.4 L/C Participations. (a) The Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Lender to issue Letters of Credit, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from the Issuing Lender, on the terms and conditions set forth below, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Revolving Percentage in the Issuing Lender's obligations and rights under and in respect of each Letter of Credit and the amount of each draft paid by the Issuing Lender thereunder. Each L/C Participant agrees with the Issuing Lender that, if a draft is paid under any Letter of Credit for which the Issuing Lender is not reimbursed in full by the Borrowers in accordance with the terms of this Agreement (or in the event that any reimbursement received by the Issuing Lender shall be required to be returned by it at any time), such L/C Participant shall pay to the Issuing Lender upon demand at the Issuing Lender's address for notices specified herein an amount equal to such L/C Participant's Revolving Percentage of the amount that is not so reimbursed (or is so returned) in the currency of such outstanding amount. Each L/C Participant's obligation to pay such amount shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such L/C Participant may have against the Issuing Lender, the Borrowers or any other Person for any reason whatsoever, (ii) the occurrence or continuance

of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5, (iii) any adverse change in the condition (financial or otherwise) of the Borrowers, (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other L/C Participant or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(b) If any amount required to be paid by any L/C Participant to the Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by the Issuing Lender under any Letter of Credit is not paid to the Issuing Lender within three Business Days after the date such payment is due, such L/C Participant shall pay to the Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) the greater of (x) the daily average NYFRB Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to the Issuing Lender and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to the Issuing Lender by such L/C Participant within three Business Days after the date such payment is due, the Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable at the time to the Letter of Credits comprising such issuance. A certificate of the Issuing Lender submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after the Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), the Issuing Lender receives any payment related to such Letter of Credit (whether directly from the Borrowers or otherwise, including proceeds of collateral applied thereto by the Issuing Lender), or any payment of interest on account thereof, the Issuing Lender will distribute to such L/C Participant its pro rata share thereof; provided, however, that in the event that any such payment received by the Issuing Lender shall be required to be returned by the Issuing Lender, such L/C Participant shall return to the Issuing Lender the portion thereof previously distributed by the Issuing Lender to it.

3.5 Reimbursement Obligation of the Borrowers. If any draft is paid under any Letter of Credit, the Borrowers shall reimburse the Issuing Lender for the amount of (a) the draft so paid and (b) any taxes, fees, charges or other costs or expenses incurred by the Issuing Lender in connection with such payment, not later than 12:00 Noon, Local Time, on (i) the Business Day that the applicable Borrower receives notice of such draft, if such notice is received on such day prior to 10:00 A.M., Local Time, or (ii) if clause (i) above does not apply, the Business Day immediately following the day that the applicable Borrower receives such notice. Each such payment shall be made to the Issuing Lender at its address for notices referred to herein in the currency of such draft and in immediately available funds. Interest shall be payable on any such amounts from the date on which the relevant draft is paid until payment in full at the rate set forth in (x) until the Business Day next succeeding the date of the relevant notice, Section 2.14(b) (or in the case of non-Dollar draws, (d), or in the case of Canadian Dollar draws, a customary rate determined by the Administrative Agent, as applicable) and (y) thereafter, Section 2.14(f).

3.6 Obligations Absolute. Each Borrower's obligations under this Section 3 shall be absolute, unconditional and irrevocable under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that any Borrower may have or have had against the Issuing Lender, any beneficiary of a Letter of Credit or any other Person. Each Borrower also agrees with the Issuing Lender that the Issuing Lender shall not be responsible for, and such Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, (a) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (b) any draft or other document presented under a Letter of Credit proving to be invalid, fraudulent or forged in any respect or any statement therein being untrue or inaccurate in any respect, (c) any dispute between or among any Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of such Borrower against any beneficiary of such Letter of Credit or any such transferee, (d) payment by the Issuing Lender under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (e) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder. The Issuing Lender shall not have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or message or advice, however transmitted, in connection with any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Lender; provided that the foregoing shall not be construed to excuse the Issuing Lender from liability to any Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by each Borrower to the extent permitted by applicable law) suffered by the Borrowers that are caused by the Issuing Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuing Lender (as finally determined by a court of competent jurisdiction), the Issuing Lender shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

3.7 Letter of Credit Payments. If any draft shall be presented for payment under any Letter of Credit, the Issuing Lender shall promptly notify the applicable Borrower of the date and amount thereof. The responsibility of the Issuing Lender to the applicable Borrower in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

3.8 Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Section 3, the provisions of this Section 3 shall apply.

SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Administrative Agent and the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit, each Borrower hereby represents and warrants to the Administrative Agent and each Lender that:

4.1 Financial Condition. 9.1 Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. The Administrative Agent shall: (a) have the sole and exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Administrative Agent pursuant to any such deed of hypothec and applicable law, and (b) benefit from and be subject to all provisions hereof with respect to the Administrative Agent mutatis mutandis, including, without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Secured Parties and Loan Parties. Any person who becomes a Secured Party shall, by its execution of an Assignment and Assumption, be deemed to have consented to and confirmed the Administrative Agent as the person acting as hypothecary representative holding the aforesaid hypothecs as aforesaid and to have ratified, as of the date it becomes a Secured Party, all actions taken by the Administrative Agent in such capacity. The substitution of the Administrative Agent pursuant to the provisions of this Article IX shall also constitute the substitution of the Administrative Agent as hypothecary representative as aforesaid.

9.2 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

9.3 Exculpatory Provisions. No Agent nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's (respectively) own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

9.4 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, facsimile or e-mail message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Obligations.

9.5 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received notice from a Lender or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6 Non-Reliance on Agents and Other Lenders. (a) Each Lender expressly acknowledges that none of the Agents nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

(b) Each Lender hereby agrees that (a) it has requested a copy of each Report prepared by or on behalf of the Administrative Agent; (b) the Administrative Agent (i) makes no representation or warranty, express or implied, as to the completeness or accuracy of any Report or any of the information contained therein or any inaccuracy or omission contained in or relating to a Report and (ii) shall not be liable for any information contained in any Report; (c) the Reports are not comprehensive audits or examinations, and that any Person performing any field examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel and that the Administrative Agent undertakes no obligation to update, correct or supplement the Reports; (d) it will keep all Reports confidential and strictly for its internal use and not share the Report with any Loan Party or any other Person except as otherwise permitted pursuant to this Agreement; and (e) without limiting the generality of any other indemnification provision contained in this Agreement, it will pay and protect, and severally indemnify, defend, and hold the Administrative Agent and any such other Person preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorney fees) incurred by the Administrative Agent or such other Person as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

9.7 Indemnification. The Lenders agree to severally indemnify each Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities,

obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

9.8 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9 Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 30 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless a Specified Event of Default with respect to any Borrower shall have occurred and be continuing) be subject to approval by the Parent Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 30 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 9 and of Section 10.5 shall continue to inure to its benefit.

9.10 Arranger, Syndication Agent and Documentation Agents. None of the Arrangers, the Syndication Agent or the Documentation Agents shall have any duties or responsibilities hereunder in their respective capacities as such.

9.11 Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each

of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.1), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

However, JPMCB reminds each Lender and Participant in the facility that, pursuant to the Flood Laws, each federally regulated Lender (whether acting as a Lender or Participant in the facility) is responsible for assuring its own compliance with the flood insurance requirements.

Each of the Secured Parties authorizes the Administrative Agent to exercise the rights, remedies, power and discretions, specifically given to the Administrative Agent under or in respect of the UK Security Documents, together with any rights, remedies, power and discretions, incidental thereto. In addition, when acting in the capacity of trustee for the Secured Parties, the Administrative Agent shall have all the rights, remedies and benefits of and in favor of the Administrative Agent contained in this Section 9.

9.17 Acknowledgements of Lenders.

(a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or

A notice of the Administrative Agent to any Lender under this Section 9.17 shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(d) Each party's obligations under this Section 9.17 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

Subject to Section 2.16(b) and (d), neither this Agreement, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each Loan Party party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (i) forgive the principal amount or extend the final scheduled date of maturity of any Loan, reduce the stated rate of any interest or fee payable hereunder (except (x) in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Required Lenders) and (y) that any amendment or modification of defined terms used in the financial covenants in this Agreement shall not constitute a reduction in the rate of interest or fees for purposes of this clause (i)) or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Lender's Commitment, in each case without the written consent of each Lender directly affected

thereby; (ii) eliminate or reduce the voting rights of any Lender under this Section 10.1 without the written consent of such Lender; (iii) reduce or increase any percentage specified in the definition of "Required Lenders" or "Supermajority Lenders" without the written consent of each Lender or change any other provision of this Agreement or any other Loan Document specifying the number or percentage of Lenders required to waive, amend or otherwise modify any rights thereunder or make any determination or grant any consent thereunder without the written consent of each Lender, (iv) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement and the other Loan Documents, release all or substantially all of the Collateral or release all or substantially all of the Subsidiary Guarantors from their guarantee of the Obligations, in each case without the written consent of all Lenders; (v) amend, modify or waive any provision relating to Section 1.6 without the written consent of each Restricted Lender; (vi) amend, modify or waive any provision of Sections 2.17(a) ~~or~~, (b) or (c) or Section 10.7(a) (or any other similar "waterfall" or ratable sharing provisions in the Loan Documents) without the written consent of each Lender adversely affected thereby; (vii) modify the definition of "Line Cap" or increase the expressly stated advance rates set forth in the definition of "US Borrowing Base", "German Borrowing Base" or "UK Borrowing Base", or add new categories of eligible assets, without the written consent of all Lenders; (viii) modify eligibility criteria, as such eligibility criteria are in effect on the Closing Date (including adding new categories of eligible assets or eliminating any category of the Reserves in effect on the Closing Date; provided, however, that, for the avoidance of doubt, notwithstanding anything in this Section 10.1 to the contrary, the Administrative Agent may, in its Permitted Discretion and without the consent of any other Lenders, eliminate any category of Reserve that was added by the Administrative Agent) in any manner that has the effect of increasing the amounts available to be borrowed hereunder without the written consent of the Supermajority Lenders; (ix) amend, modify or waive any provision of Section 9 or any other provision of any Loan Document that affects the Administrative Agent without the written consent of the Administrative Agent; (x) amend, modify or waive any provision of Section 2.6 or 2.7 without the written consent of the Swingline Lender; (xi) amend, modify or waive any provision of Section 3 without the written consent of the Issuing Lender or (xii) subordinate (or have the effect of subordinating) the Obligations under the Loan Documents in lien priority or with respect to contractual right of payment without the written consent of each Lender directly adversely affected thereby. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

Notwithstanding the foregoing, (i) [reserved], (ii) no Lender consent is required to effect any amendment or supplement to any intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness as expressly contemplated by the terms of such intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders); provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent and (iii) guarantees, collateral documents and related documents executed by Loan Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with any other Loan Document, entered into, amended, supplemented or waived, without the consent of any other person, by the applicable Loan Party or Loan Parties and the Administrative Agent in its sole discretion, to (A) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, (B) as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law, or (C) to cure

ambiguities, omissions, mistakes or defects or to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

Furthermore, notwithstanding the foregoing, (i) the Administrative Agent, with the consent of the Borrowers, may amend, modify or supplement any Loan Document without the consent of any Lender or the Required Lenders in order to correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest error in any Loan Document and (ii) the Loan Documents may be amended in accordance with Section 2.24.

provided that any notice, request or demand to or upon the Administrative Agent or the Lenders shall not be effective until received.

Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrowers may, each in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

10.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

10.5 Payment of Expenses and Taxes. The Parent Borrower agrees (a) to pay or reimburse the Administrative Agent and the Arrangers for all of their respective reasonable and documented out-of-pocket costs and expenses incurred in connection with the syndication of the Commitments and the preparation, execution and delivery of this Agreement and the other Loan Documents, and any amendment, supplement, modification or waiver with respect thereto, and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable and documented fees, disbursements and other charges of one primary counsel to the Administrative Agent and the Arrangers and, if necessary, one local counsel in each applicable jurisdiction and filing and recording fees and expenses, with statements with respect to the foregoing to be submitted to the Parent Borrower at least

two Business Days prior to the Closing Date (in the case of amounts to be paid on the Closing Date) and from time to time thereafter on a quarterly basis or such other periodic basis as the Administrative Agent shall deem appropriate, (b) to pay or reimburse each Lender, the Issuing Lender, the Swingline Lender and the Administrative Agent for all of their reasonable and documented costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any such other documents, including the fees, disbursements and other charges of counsel to the Administrative Agent and the Lenders and including all costs and expenses incurred during any workout, restructuring or negotiations (it being understood that expenses reimbursed by the Parent Borrower under this Section 10.5 shall include costs and expenses incurred in connection with (i) collateral monitoring, collateral reviews, appraisals (including field examinations (including reasonable and documented out-of-pocket expenses), environmental reviews and insurance reviews and fees and expenses of advisors and professionals engaged by the Administrative Agent or its Affiliates in connection therewith and (ii) forwarding loan proceeds, collecting checks and other items of payment and establishing and maintaining the accounts and lock boxes, and costs and expenses of preserving and protecting the Collateral); provided that fees, disbursements and other charges of counsel set forth in this clause (b) shall be limited to fees, disbursements and other charges of (i) one counsel to the Administrative Agent and for the Lenders (taken together as a single group or client), (ii) if necessary, one local counsel required in any relevant local jurisdiction (which may include a single counsel acting in multiple jurisdictions) and applicable special regulatory counsel and (iii) if representation of the Administrative Agent and/or all Lenders in such matter by a single counsel would be inappropriate based on the advice of legal counsel due to the existence of an actual or potential conflict of interest or the availability of different claims or defenses (as reasonably determined by the affected party), of another firm of counsel for similarly affected parties and, if necessary, one firm of local counsel in any relevant local jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for such affected parties and one firm of special regulatory counsel for such affected Lender, (c) to pay, indemnify, and hold each Lender, the Issuing Lender, the Swingline Lender and the Administrative Agent harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other Taxes, if any, that may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, indemnify, and hold each Lender, the Issuing Lender, the Swingline Lender, the Arrangers and each Agent, their respective affiliates, and their respective officers, directors, employees, agents, advisors and controlling persons (each, an "Indemnitee") harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any claim, litigation, investigation or proceeding regardless of whether any Indemnitee is a party thereto and whether or not the same are brought by any Borrower, its equity holders, affiliates or creditors or any other Person, including any of the foregoing relating to any action taken in connection with this Agreement, including, but not limited to, the payment of principal, interest and fees, the use of proceeds of the Loans or Letters of Credit (including any refusal by the Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of any Group Member or any of the Properties and the reasonable fees, disbursements and other charges of legal counsel (limited to reasonable fees, disbursements and other charges of one primary counsel for all Indemnitees, taken as a whole, and, if necessary, one firm of local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all Indemnitees, taken as a whole, and one firm of special regulatory counsel for all Indemnitees, taken as a whole (and, in the case of an actual or potential conflict of interest, where an Indemnitee affected by such conflict informs the Parent Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee and, if necessary, one firm of local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for such affected Indemnitee and one firm

of special regulatory counsel for such affected Indemnitee)) in connection with claims, actions or proceedings by any Indemnitee against any Loan Party under any Loan Document (all the foregoing in this clause (d), collectively, the "Indemnified Liabilities"), provided, that the Borrowers shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee (or any of its Affiliates, officers, directors, employees, agents, advisors or controlling persons); provided, further, that this Section 10.5(d) shall not apply with respect to Taxes other than Taxes that represent losses or damages arising from any non-Tax claim. Without limiting the foregoing, and to the extent permitted by applicable law, each Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries to waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee. No Indemnitee shall be liable for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent any such damages are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of, such Indemnitee (or any of its Affiliates, officers, directors, employees, agents, advisors or controlling persons). No Indemnitee shall be liable for any indirect, special, exemplary, punitive or consequential damages in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby. All amounts due under this Section 10.5 shall be payable not later than 10 days after written demand therefor. The agreements in this Section 10.5 shall survive the termination of this Agreement and the repayment of the Loans and all other amounts payable hereunder.

10.6 Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any affiliate of the Issuing Lender that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees (each, an "Assignee"), all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Parent Borrower (such consent not to be unreasonably withheld), provided that no consent of the Parent Borrower shall be required for an assignment to a Lender, an affiliate or branch of a Lender, an Approved Fund (as defined below) or, if an Event of Default has occurred and is continuing, any other Person; and provided, further, that the Parent Borrower shall be deemed to have consented to any such assignment unless the Parent Borrower shall object thereto by written notice to the Administrative Agent within 5 Business Days after having received notice thereof;

(B) the Administrative Agent (such consent not to be unreasonably withheld);

(C) the Swingline Lender; and

(D) the Issuing Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate or branch of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Parent Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Parent Borrower shall be required if an Event of Default has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its affiliates or branches or Approved Funds, if any;

(B) (1) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 and (2) the assigning Lender shall have paid in full any amounts owing by it to the Administrative Agent; and

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in which the Assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Parent Borrower and its Affiliates and their related parties or their respective securities) will be made available and who may receive such information in accordance with the Assignee's compliance procedures and applicable laws, including federal, provincial and foreign securities laws.

For the purposes of this Section 10.6, "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an affiliate of a Lender or (c) an entity or an affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) below, from and after the effective date specified in each Assignment and Assumption the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.18, 2.19, 2.20 and 10.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Parent Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and L/C Obligations owing, to each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Parent Borrower, the Administrative Agent, the Issuing Lender and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Assignee, the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) Each assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the assigning Lender and the Administrative Agent that such assignee is an Eligible Assignee. In no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any prospective assignee is an Eligible Assignee or have any liability with respect to any assignment made to a Disqualified Lender or any other Person that is not an Eligible Assignee.

(vii) Any assignment to a Disqualified Lender in violation of this Section 10.6 shall not be void, but the provisions of Section 10.6(g) shall apply.

(c) Any Lender may, without the consent of the Parent Borrower or the Administrative Agent, sell participations to one or more Eligible Assignees (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrowers, the Administrative Agent, the

Issuing Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (i) requires the consent of each Lender directly affected thereby pursuant to the proviso to the second sentence of Section 10.1 and (ii) directly affects such Participant. Each Lender that sells a participation agrees, at the Parent Borrower's request and expense, to use reasonable efforts to cooperate with the Parent Borrower to effectuate the provisions of Section 2.22 with respect to any Participant. The Parent Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.18, 2.19 and 2.20 (subject to the requirements and limitations therein, including the requirements under Section 2.19(f) (it being understood that the documentation required under Section 2.19(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (i) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (ii) shall not be entitled to receive any greater payment under Sections 2.18 or 2.19, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from an adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the Closing Date that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.7(b) as though it were a Lender, provided such Participant shall be subject to Section 10.7(a) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central banking authority, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto. The Borrowers, upon receipt of written notice from the relevant Lender, agree to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in this paragraph (d).

(e) [Reserved].

(f) The Disqualified Lenders List (i) shall be made available to the Lenders by posting on IntraLinks/IntraAgency or another relevant Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent) and (ii) shall be provided to any Lender upon request by such Lender to the Administrative Agent. A Lender may provide the Disqualified Lenders List to any potential

assignee or participant on a confidential basis in accordance with Section 10.15 hereof for the purpose of verifying whether such Person is a Disqualified Lender.

(g) (i) If any assignment or participation is made to any Disqualified Lender in violation of this Section 10.6, the Parent Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, require such Disqualified Lender to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 10.6), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees pursuant to an assignment and acceptance otherwise compliant with this Section 10.6.

(h) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any Bankruptcy Plan, each Disqualified Lender party hereto hereby agrees (1) not to vote on such Bankruptcy Plan, (2) if such Disqualified Lender does vote on such Bankruptcy Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Bankruptcy Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

10.7 Adjustments; Set-off. (a) Except to the extent that this Agreement or a court order expressly provides for payments to be allocated to a particular Lender, if any Lender (a "Benefitted Lender") shall receive any payment of all or part of the Obligations owing to it (other than in connection with an assignment made pursuant to Section 10.6), or receive any Collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8(f) or (g), or otherwise), in a greater proportion than any such payment to or Collateral received by any other Lender, if any, in respect of the Obligations owing to such other Lender, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of the Obligations owing to each such other Lender, or shall provide such other Lenders with the benefits of any such Collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such Collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest; provided further, that to the extent prohibited by applicable law as described in the definition of "Excluded Swap Obligation," no amounts received from, or set off with respect to, any Subsidiary Guarantor shall be applied to any Excluded Swap Obligations of such Subsidiary Guarantor.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without notice to any Borrower, any such notice being expressly waived by each Borrower to the extent permitted by applicable law, upon any Obligations becoming due and payable by the Borrowers (whether at the stated maturity, by acceleration or otherwise), to apply to the payment of such Obligations, by setoff or otherwise, any and all deposits (general or special, time or demand, provisional or final, other than Excluded Accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or

unmatured, at any time held or owing by such Lender, any affiliate thereof or any of their respective branches or agencies to or for the credit or the account of the Borrowers; provided that if any Defaulting Lender shall exercise any such right of setoff (i) all amounts so set-off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of this Agreement and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Lender, the Swingline Lender and the Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of set-off. Each Lender agrees promptly to notify the Parent Borrower and the Administrative Agent after any such application made by such Lender, provided that the failure to give such notice shall not affect the validity of such application.

10.8 Counterparts.

(a) This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by e-mail or facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States.

Executive shall receive no other compensation or benefits under this Agreement.

2.2 Termination by the Executive without Good Reason. As partial consideration for the covenants granted by Executive to the Company in Article 3 hereof, if the Executive's employment is terminated by the Executive without Good Reason, then the Executive shall be entitled to Executive's Accrued Benefits and vesting of Executive's incentive awards as follows: (i) all unvested restricted stock unit awards shall vest in accordance with the Company's established vesting schedule, and (ii) all unvested Performance share awards shall vest at target in accordance with the Company's established vesting schedule, provided that such vesting shall apply only if Executive complies with the covenants set forth in Article 3.

2.3 Termination by the Executive due to Death or Disability. If the Executive's employment is terminated by the Executive's death or "permanent and total disability" (within the meaning of Section 22(e)(3) of the Internal Revenue Code of 1986, as amended (the "Code")), then the Executive shall be entitled to Executive's Accrued Benefits and pro rata shares of any incentive awards related to the year of termination and vesting of incentive awards as follows: (i) all unvested restricted stock unit awards shall vest in accordance with the Company's established vesting schedule, and (ii) all unvested Performance share awards shall vest at target in accordance with the Company's established vesting schedule.

2.4 Non-Renewal or Termination by the Company without Cause or by the Executive for Good Reason. If the Executive's employment with the Company is terminated by the Company in connection with a non-renewal or termination of this Agreement without Cause or for a reason other than Cause, death, "permanent and total disability" (within the meaning of Code Section 22(e)(3)), or termination by the Executive for Good Reason, then the Executive shall be entitled to the Severance Benefits as described in Section 2.5 herein as well as Executive's Accrued Benefits.

2.5 Severance Benefits. In the event that the Executive becomes entitled to receive severance benefits, as provided in Section 2.4 or Section 2.6 herein, the Company shall pay and provide the Executive with the following "Severance Benefits":

(1) A series of twenty-four (24) substantially equal monthly payments made in accordance with the Company's regular monthly schedule of payments for salary, of a sum equal to two times (2x) Executive's base salary and target cash incentive compensation, less any taxes and withholding as may be necessary pursuant to law; provided that, if Executive has not been employed by Company for at least 24 months at the time Executive became entitled to Severance Benefits, the sum payable under this paragraph will be equal to one times (1x) Executive's base salary and target cash incentive compensation, less any taxes and withholding as may be necessary provided by law; and provided further that, if Executive is retained by the Company as a consultant under Section 3.1, a portion of the Severance Benefits representing one times (1x) Executive's base salary that otherwise would be payable under this Section 2.5(1) shall instead be paid as provided in Section 3.1.

(2) Vesting of outstanding incentive awards as follows: (i) all unvested restricted stock unit awards shall vest in full, and (ii) all unvested Performance share awards shall vest based on performance to date and pro rata estimation.

(3) To the extent the Executive and Executive's dependents elect and maintain coverage under the Company's health insurance plan pursuant to the Consolidated Omnibus Budget Reconciliation Act ("COBRA"), the Company shall pay the COBRA premium payments of the Executive and Executive's dependents for a period of up to twenty-four (24) months after the date of Executive's termination of employment with the Company.

(4) Outplacement services for a period of up to twelve (12) months designed to place the Executive in a position similar to that which the Executive held with the Company.

2.6 Change in Control. In the event of a Termination without Cause by the Company or for Good Reason by the Executive within twenty-four (24) months of, and in relation to, a Change in Control as defined in **Exhibit A** hereto, Executive shall be entitled to (i) Executive's Accrued Benefits, and (ii) each of the benefits described in Section 2.5 for a period of two (2) years or twenty-four (24) months, as applicable, instead of any shorter period stated in Section 2.5.

2.7 Condition Precedent. As a condition to receiving Severance Benefits provided herein, within 30 days after the effective date of Termination, Executive shall execute and deliver, and not have revoked, a separation agreement and general release in the form attached hereto as **Exhibit B** (including, but not limited to, all matters relating to Executive's employment with the Company) in favor of the Company and its affiliates. The Severance Benefits shall terminate immediately upon the Executive violating any of the provisions of Article 3 of this Agreement.

2.8 Accrued Benefits. For purposes of this Agreement, "Accrued Benefits" shall mean any earned but unpaid compensation as well as any other amounts or benefits owing to Executive under the terms of any employee benefit plan of the Company.

2.9 Cause. For purposes of this Agreement, "Cause" shall be deemed to exist upon any of the following events: (i) the Executive's conviction of, or plea of nolo contendere to, a felony; (ii) the Executive's continued substance abuse or insobriety (even after application of reasonable accommodation to the extent required by the Americans With Disabilities Act or its state or local law equivalent); (iii) failure to substantially perform Executive's essential job functions (even after application of reasonable accommodation to the extent required by the Americans With Disabilities Act or its state or local law equivalent); (iv) failure of Executive to adhere to reasonable directives of the Board; (v) Executive's material and willful misconduct; (vi) Executive's material and willful violation of any Company policy; or (v) any material breach of this Agreement by the Executive. The Board must provide 30 days written notice of its intent to terminate the Executive's employment for Cause. Prior to being terminated for Cause, the Executive shall have 30 days following the receipt of such written notice to cure any curable event that would otherwise constitute Cause.

2.10 Good Reason. For purposes of this Agreement, "Good Reason" shall mean the occurrence of any of the following, without the Executive's prior written consent: (i) a material diminution of Executive's duties or responsibilities; (ii) a material reduction in Executive's Compensation or Benefits; (iii) a relocation of the Executive's primary place of employment to a location more than sixty (60) miles from the location at which the Executive was performing the Executive's duties immediately prior to such relocation; (iv) any requirement that the Executive report to anyone other than the Chief Executive Officer; or (v) any material breach by the Company of this Agreement. However, none of the foregoing events or conditions will constitute Good Reason unless: (x) the Executive informs the Company that Good Reason exists by delivery of written objection to the event or condition within 90 days following the occurrence thereof, (y) the Company does not reverse or cure the event or condition within 30 days of receiving that written objection, and (z) the Executive resigns Executive's employment due to such Good Reason within 30 days following the expiration of that cure period.

ARTICLE 3
COVENANTS

3.1 Covenant not to Compete. Executive agrees that, during Executive's employment with the Company and for a period of two (2) years following Executive's termination of employment with the Company, Executive shall not become employed by or associated with, as employee, consultant, director, owner, or in any other equivalent capacity, any company operating as a recreational vehicle (RV) manufacturer or assembler or as a producer or distributor of RV-related parts or services. Said obligation shall apply only under the following conditions: Company shall pay Executive 50% of Executive's base compensation per year (less taxes and withholding and payable in substantially equal monthly payments made in accordance with the Company's regular monthly schedule of payments for salary) for two (2) years after the termination of employment in return for retaining Executive as a consultant on an as-needed basis. Executive will be paid $200 per hour additionally, for each hour Executive actually works on any requested project. In the event Company chooses to exercise this provision, Executive agrees to refrain from any competition with Company for the entire two (2) year non-competition period.

3.2 Covenant not to Solicit.

(1) To the fullest extent permitted by applicable law, for a period of one (1) year after the termination of employment with Company (for any reason, including resignation), Executive will not, in any capacity, attempt to hire, engage or employ, or solicit, contact or communicate with, for the purpose of hiring, employing or engaging any person who is then an employee or commissioned agent or independent contractor of Company or who was an employee or independent contractor of Company at any time within the one (1) year period immediately prior thereto. This hiring limitation applies only to: (i) employees or independent contractors who had access to, or possess knowledge of, Company operations that would give a competitor an unfair advantage; or (ii) employees or independent contractors whom Executive learned of solely through employment with Company; or (iii) situations where Executive participates in a raiding of multiple employees from Company causing harm to Company's normal operations.

(2) To the fullest extent permitted by applicable law, for a period of one (1) year after the termination of employment with Company (for any reason, including resignation), Executive, on behalf of any entity in competition with Company, in any capacity, may not, directly or indirectly, in a competing capacity, solicit or obtain any business from any present customer of Company with whom Executive had contact or received information from Company. It is understood and agreed that "present customer" is defined to mean any entity with whom Company had an "ongoing business relationship" at the time of the termination of Executive's employment with Company. An "ongoing business relationship" (specifically excluding non-competing vendor relationships) is generally understood and agreed to mean: (i) services or goods were provided by Company to the entity during the employment of Executive by Company; (ii) services or goods had been contracted for or ordered by the entity during the employment of Executive by Company; or (iii) negotiations were in progress between the entity and Company for the providing of goods or services by Company to the entity at the time of the termination of the employment of Executive. It is understood and agreed that past customers and prospective customers are not "present customers" protected under the terms of this provision.

3.3 Confidentiality and Nondisclosure.

(1) Company Trade Secret Information. Executive hereby understands and agrees that Executive will, at all times, conform Executive's conduct to the requirements of the Indiana Trade Secrets Act, I.C. 24-2-3-1, et seq. Executive will not misappropriate (e.g., use or disclose to any third party) any trade secret of Company. Executive recognizes that the penalties for a trade secret violation include disgorgement of profits, payment of royalties, compensatory damages, punitive damages, and attorneys' fees. Executive understands that Executive may ask Company to render an opinion as to whether Company considers certain knowledge to be a trade secret, if such a question should arise. Executive understands that upon termination of employment with Company for any reason, Executive will continue to be prohibited at any time thereafter from misappropriating any trade secret of Company.

(2) Confidential/Proprietary Information of Company. Executive agrees that during the period of employment by Company, and for a period of two (2) years following termination of employment, for any reason, Executive will not disclose, cause to be disclosed, or otherwise allow to be disclosed, any confidential/proprietary information of Company that, while not a "trade secret" under the Indiana Trade Secrets Act, possesses independent economic value to Company from not being generally known by other persons who can obtain economic value from its disclosure or use. Executive understands that Executive can ask Company to render an opinion as to whether Company considers certain knowledge or information to be confidential/proprietary information, if such a question should arise. Company may, formally or informally, establish, adopt, implement or utilize procedures or actions that are designed to monitor or protect Company's confidential information, including but not limited to (i) the search of personal belongings; (ii) monitoring and restricting email and internet usage, including but not limited to personal opinions in any matter affecting Company in blogs or other public or potentially public media; (iii) review, scanning and inspection of any record, program or file contained in any mobile, electronic or computer device or equipment (whether owned by Company or Executive) which was used or could have been used by Executive at any time during Executive's employment with Company, including but not limited to home computers, laptops and any portable device capable of storing any information; (iv) monitoring telephone conversations and instant messaging on any telephone owned or utilized by Executive for Company's business; (v) review of telephone records for any telephone that was or could have been used by the Executive at any time during Executive's employment with Company; or (vi) requiring Executive to divulge the true and complete intentions and/or plans of the Executive after leaving the employment of Company, including but not limited to divulging the name and address of any future employer and the position and/or responsibilities that Executive will have at the new employer. Executive hereby acknowledges that Executive has no expectation of privacy or other rights in any such items or communications and hereby irrevocably consents, without the right to receive further notice, to any or all of these procedures or actions that may be established, adopted, implemented, utilized or enforced by Company. Company shall have the right to establish, adopt, implement, utilize or enforce these procedures at any time during Executive's employment with Company and during any period in which any restrictive covenants contained in this Agreement are facially or legally applicable. Executive expressly WAIVES the right to challenge the enforceability of any of these procedures in any legal action seeking to enforce this Agreement or to recover for Executive's breach or alleged breach of this Agreement.

Note: Nothing in this confidentiality provision prohibits Executive from reporting possible violations of federal, state, or local law or regulation to any governmental agency or entity, including but not limited to the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal or state law or regulation. Executive does not need the prior authorization of the Company to make any such reports or disclosures, and Executive is not required to notify the Company that Executive has made such reports or disclosures.

As provided by federal law (18 U.S.C. §1833), Executive shall not be held criminally or civilly liable under any federal or state trade secret law for his/her disclosure of a trade secret that is made by Executive: (a) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (b) in a complaint or other document filed by Executive in a lawsuit or other proceeding, on the condition that such filing is made under seal.

3.4 Non-Disparagement. Except as required by law or lawful authority, Executive will not at any time during Executive's employment with the Company, or after the termination of Executive's employment with the Company, directly or indirectly (i) disparage, libel, defame, or ridicule, or encourage or induce others to disparage, libel, defame, or ridicule, the Company, or any of the Company's officers, directors, employees or agents, or the Company's products, services, business plans or methods; or (ii) engage in any conduct or encourage or induce any other person to engage in any conduct that is in any way injurious or potentially injurious to the reputation or interests of the Company or any of the Company's, officers, directors, employees or agents.

3.5 Restrictions Reasonable. Executive acknowledges that the restrictions under this Article 3 are substantial and may effectively prohibit Executive from working for a period of two (2) years in the field of Executive's experience and expertise. Executive further acknowledges that Executive has been given access and shall continue to be given access to all of the confidential information and trade secrets described above during the course of Executive's employment, and therefore, the restrictions are reasonable and necessary to protect the competitive business interests and goodwill of the Company and do not cause Executive undue hardship.

3.6 Survival of Restrictive Covenants. Executive's obligations under this Agreement shall survive Executive's termination of employment with the Company and the termination of this Agreement.

3.7 Equitable Relief. Executive hereby acknowledges and agrees that the Company and its goodwill would be irreparably injured by, and that damages at law are an insufficient remedy for, a breach or violation of the provisions of this Agreement, and agrees that the Company, in addition to other remedies available to it for such breach, shall be entitled to a court-ordered preliminary injunction, temporary restraining order, or other equivalent relief, restraining Executive from any actual breach of the provisions hereof, and that the Company's rights to such equitable relief shall be cumulative and in addition to any other rights or remedies to which the Company may be entitled.

3.8 Indemnification. To the extent permitted by law, applicable statutes and the Articles of Incorporation, Bylaws, or resolutions of the Company in effect from time to time, the Company shall indemnify Executive against liability or loss arising out of Executive's actual or asserted misfeasance or nonfeasance in the performance of Executive's duties or out of any actual or asserted wrongful act against, or by, the Company including but not limited to judgments, fines, settlements and expenses incurred in the defense of actions, proceedings and appeals therefrom. The Company shall endeavor to obtain Directors and Officers Liability Insurance to indemnify and insure the Company and Executive from and against the aforesaid liabilities.

3.9 Limitation to Business Activities That Do Not Involve the Practice of Law. This paragraph only applies to an Executive who is also an attorney licensed to practice law. For such Executives, it is understood that nothing in this Agreement shall be construed to limit Executive's right to practice law after the termination of Executive's employment with the Company. This Agreement is to be read in a manner consistent with Rule 5.6(a) of the Rules of Professional Conduct, and Executive shall be limited only as to those future activities that do not constitute the practice of law.

ARTICLE 4
MISCELLANEOUS

4.1 Entire Agreement. This Agreement contains the entire understanding of the Company and the Executive with respect to the subject matter hereof.

4.2 Prior Agreement. This Agreement supersedes and replaces any prior oral or written employment or severance agreement between the Executive and the Company.

4.3 Subsidiaries. Where appropriate in this Agreement, including all of Article 2, the term "Company" shall also include any direct or indirect subsidiaries of the Company.

4.4 Compliance with Code Section 409A; Code Section 280G Limit.

(1) General. It is the intention of both the Company and Executive that the benefits and rights to which Executive could be entitled pursuant to this Agreement comply with Code Section 409A and its implementing regulations and guidance ("Section 409A"), to the extent that the requirements of Section 409A are applicable thereto, and the provisions of this Agreement shall be construed in a manner consistent with that intention.

(2) Distributions on Account of Separation from Service. If and to the extent required to comply with Section 409A, any payment or benefit required to be paid under this Agreement on account of termination of Executive's employment, service (or any other similar term) shall be made only in connection with a "separation from service" with respect to Executive within the meaning of Section 409A.

(3) Six Month Delay for Specified Employees. In the event that the Executive is a "specified employee" (as described in Section 409A and determined in accordance with the Company's policies and procedures), and any payment or benefit payable pursuant to this Agreement constitutes deferred compensation subject to the six-month delay requirement described in Section 409A(2)(b), then no such payment or benefit shall be made before six months after the Executive's "separation from service" (as described in Section 409A) (or, if earlier, the date of the Executive's death). Any payment or benefit delayed by reason of the prior sentence shall be paid or provided in a single lump sum at the end of such required delay period in order to catch up to the original payment schedule.

(4) Treatment of Each Installment as a Separate Payment. For purposes of applying the provisions of Section 409A to this Agreement, each separately identified amount to which the Executive is entitled under this Agreement shall be treated as a separate payment. In addition, to the extent permissible under Section 409A, any series of installment payments under this Agreement shall be treated as a right to a series of separate payments.

(5) Code Section 280G Limit. Notwithstanding any other provision of this Agreement, if any payment or benefit Executive would receive pursuant to this Agreement or otherwise ("Payment") would (i) constitute a "parachute payment" within the meaning of Code Section 280G, and (ii) but for this sentence, be subject to the excise tax imposed by Code Section 4999, then such Payment shall be either (A) provided to Executive in full, or (B) reduced (starting with the cash portion(s) of the Payment) to the greatest amount which would result in no portion of such Payment being subject to the Code Section 4999 excise tax ("Excise Tax"), then further reduced by $5,000, whichever of the foregoing amounts determined under (A) and (B), when taking into account applicable federal, state, local and foreign income and employment taxes, the Excise Tax, and any other applicable taxes, results in the receipt by Executive, on an after-tax basis, of the greater amount of benefits, notwithstanding that all or some portion of such benefits may be subject to the Excise Tax. All determinations required to be made under this Section 4.4(5) shall be made by a public accounting firm selected by the Company. In the event that the Payment is to be reduced pursuant to this Section 4.4(5), the Payment shall be reduced in a manner that minimizes the compensation reduction. In applying this principle, the reduction shall be made in a manner consistent with the requirements of Section 409A and, where two economically equivalent amounts are subject to reduction but payable at different times, such amounts shall be reduced on a pro rata basis but not below zero.

4.5 Severability. It is mutually agreed and understood by the parties that should any of the restrictions and covenants contained in Article 3 be determined by any court of competent jurisdiction to be invalid by virtue of being vague, overly broad, unreasonable as to time, territory or otherwise, then the Agreement shall be amended retroactive to the date of its execution to include the terms and conditions which such court deems to be reasonable and in conformity with the original intent of the parties and the parties hereto consent that under such circumstances, such court shall have the power and authority to determine what is reasonable and in conformity with the original intent of the parties to the extent that such restrictions and covenants are enforceable. In the event any other provision of this Agreement shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Agreement, and the Agreement shall be construed and enforced as if the illegal or invalid provision had not been included.

4.6 Modification. No provision of this Agreement may be modified, waived, or discharged unless such modification, waiver, or discharge is agreed to in writing and signed by the Executive and by an authorized officer of the Company on the Company's behalf, or by the respective parties' legal representatives and successors.

4.7 Dispute Resolution & Applicable Law. All disputes regarding this Agreement shall be resolved by binding arbitration to be administered by the American Arbitration Association and conducted in Elkhart County, Indiana. To the extent not preempted by the laws of the United States, the terms and provisions of this Agreement are governed by and shall be interpreted in accordance with, the laws of Indiana, without giving effect to any choice of law principles.

4.8 Legal Fees and Expenses. The non-breaching party in any arbitration or litigation to enforce the terms of this Agreement shall be entitled to recover reasonable costs and expenses, including attorneys' fees, from the breaching party.

4.9 Successors and Assigns. This Agreement shall inure to the benefit of and be enforceable by the Company's successors and/or assigns. The Company will require any successor or assign (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession or assignment had taken place. Any failure of the Company to obtain such agreement prior to the effectiveness of any such succession or assignment shall be a material breach of this Agreement. This Agreement shall inure to the benefit of and be enforceable by the Executive's personal and legal representatives, executors, administrators, successors, heirs, distributees, devisees and legatees. If the Executive should die while any amounts are still payable to Executive hereunder, all such amounts, unless otherwise provided herein, shall be paid in accordance with the terms of this Agreement to the Executive's devisee, legatee, or other designee or, if there be no such designee, to the Executive's estate.

4.10 Headings/References. The headings in this Agreement are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

4.11 Notices. Any notice, request, instruction, or other document to be given hereunder shall be in writing and shall be deemed to have been given: (i) on the day of receipt, if sent by overnight courier; (ii) upon receipt, if given in person or by electronic means; or (iii) five days after being deposited in the mail, certified or registered mail, postage prepaid, and in any case addressed as follows:

EXHIBIT A
CHANGE IN CONTROL

"CHANGE IN CONTROL" shall mean:

(a) The direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its subsidiaries, taken as a whole, to any "person" (as that term is used in Section 13(d)(3) of the Exchange Act (a "Person")) that is not a subsidiary of the Company; or

(b) The Incumbent Directors (defined below) cease for any reason to constitute at least a majority of the Board; or

(c) The date which is 10 business days prior to the consummation of a complete liquidation or dissolution of the Company; or

(d) The acquisition by any Person of Beneficial Ownership (defined below) of 50% or more (on a fully diluted basis) of either (A) the then outstanding shares of Common Stock of the Company, taking into account as outstanding for this purpose such Common Stock issuable upon the exercise of options or warrants, the conversion of convertible stock or debt, and the exercise of any similar right to acquire such Common Stock (the "Outstanding Company Common Stock") or (B) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the "Outstanding Company Voting Securities"); provided, however, that for purposes of this Agreement, the following acquisitions shall not constitute a Change in Control: (i) any acquisition by the Company or any subsidiary, (ii) any acquisition by any employee benefit plan sponsored or maintained by the Company or any subsidiary, (iii) any acquisition which complies with clauses (i), (ii) and (iii) of subsection (e) of this definition, or (iv) in respect of an equity award held by a particular participant, any acquisition by the participant or any group of persons including the participant (or any entity controlled by the participant or any group of persons including the participant); or

(e) The consummation of a reorganization, merger, consolidation, statutory share exchange or similar form of corporate transaction involving the Company that requires the approval of the Company's stockholders, whether for such transaction or the issuance of securities in the transaction (a "Business Combination"), unless immediately following such Business Combination: (i) more than 50% of the total voting power of (x) the entity resulting from such Business Combination (the "Surviving Company"), or (y) if applicable, the ultimate parent entity that directly or indirectly has beneficial ownership of sufficient voting securities eligible to elect a majority of the members of the board of directors (or the analogous governing body) of the Surviving Company (the "Parent Company"), is represented by the Outstanding Company Voting Securities that were outstanding immediately prior to such Business Combination (or, if applicable, is represented by shares into which the Outstanding Company Voting Securities were converted pursuant to such Business Combination), and such voting power among the holders thereof is in substantially the same proportion as the voting power of the Outstanding Company Voting Securities among the holders thereof immediately prior to the Business Combination, (ii) no Person (other than any employee benefit plan sponsored or maintained by the Surviving Company or the Parent Company) is or becomes the beneficial owner, directly or indirectly, of 50% or more of the total voting power of the outstanding voting securities eligible to elect members of the board of directors of the Parent Company (or the analogous governing body) (or, if there is no Parent

Company, the Surviving Company) and (iii) at least a majority of the members of the board of directors (or the analogous governing body) of the Parent Company (or, if there is no Parent Company, the Surviving Company) following the consummation of the Business Combination were Board members at the time of the Board's approval of the execution of the initial agreement providing for such Business Combination.

The foregoing definition of Change of Control shall be interpreted, administered and construed in a manner necessary to ensure that the occurrence of any such event shall result in a Change in Control only if the event qualifies as a change in ownership or effective control of a corporation, or a change in ownership of a substantial portion of the assets of a corporation, as applicable within the meaning of Treas. Reg. § 1.409A- 3(i)(5).

For purposes of this Exhibit A, the following definitions shall apply:

"BENEFICIAL OWNER" has the meaning assigned to such term in Rule 13d-3 and Rule 13d-5 under the Exchange Act, except that in calculating the beneficial ownership of any particular "person" (as that term is used in Section 13(d)(3) of the Exchange Act), such "person" shall be deemed to have beneficial ownership of all securities that such "person" has the right to acquire by conversion or exercise of other securities, whether such right is currently exercisable or is exercisable only after the passage of time. The terms "Beneficially Owns" and "Beneficially Owned" have a corresponding meaning.

"EXCHANGE ACT" means the Securities Exchange Act of 1934, as amended.

"INCUMBENT DIRECTORS" means individuals who, on the date of this Agreement, constitute the Board, provided that any individual becoming a member of the Board (a "Director") subsequent to the date of this Agreement whose election or nomination for election to the Board was approved by a vote of at least two-thirds of the Incumbent Directors then on the Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for Director without objection to such nomination) shall be an Incumbent Director. No individual initially elected or nominated as a director of the Company as a result of an actual or threatened election contest with respect to Directors or as a result of any other actual or threatened solicitation of proxies by or on behalf of any person other than the Board shall be an Incumbent Director.

EXHIBIT B
FORM OF RELEASE

GENERAL RELEASE OF CLAIMS

1. _____("Executive"), for Executive and Executive's family, heirs, executors, administrators, legal representatives and their respective successors and assigns, in exchange for the Severance Benefits, as defined under the Executive Employment Agreement made and entered effective as of the ___ day of _____, 202__, by and between Thor Industries, Inc., a Delaware corporation (the "Company"), and _____ (the "Executive"), to which this release is attached as Exhibit B (the "Employment Agreement"), does hereby release and forever discharge the Company, its subsidiaries, affiliated companies, successors and assigns, and its current or former directors, officers and shareholders in such capacities (collectively with the Company, the "Released Parties") from any and all actions, causes of action, suits, controversies, claims and demands whatsoever, for or by reason of any matter, cause or thing whatsoever, whether known or unknown including, but not limited to, all claims under any applicable laws arising under or in connection with Executive's employment or termination thereof, whether for tort, breach of express or implied employment contract, wrongful discharge, intentional infliction of emotional distress, or defamation or injuries incurred on the job or incurred as a result of loss of employment. Executive acknowledges that the Company encouraged Executive to consult with an attorney of Executive's choosing, and through this General Release of Claims encourages Executive to consult with Executive's attorney with respect to possible claims under the Age Discrimination in Employment Act ("ADEA") and that Executive understands that the ADEA is a Federal statute that, among other things, prohibits discrimination on the basis of age in employment and employee benefits and benefit plans. Without limiting the generality of the release provided above, Executive expressly waives any and all claims under ADEA that Executive may have as of the date hereof. Executive further understands that, by signing and not revoking this General Release of Claims, Executive is in fact waiving, releasing and forever giving up any claim under the ADEA as well as all other laws within the scope of this paragraph 1 that may have existed on or prior to the date hereof. Notwithstanding anything in this paragraph 1 to the contrary, this General Release of Claims shall not apply to (i) any rights to receive any payments or benefits to which Executive is entitled under COBRA, the Employment Agreement or any other compensation or employee benefit plans in which Executive is eligible to participate at the time of execution of this General Release of Claims, (ii) any rights or claims that may arise as a result of events occurring after the date this General Release of Claims is executed, any indemnification and advancement rights Executive may have as a former employee, officer or director of the Company or its subsidiaries or affiliated companies including, without limitation, any rights arising pursuant to the articles of incorporation, bylaws and any other organizational documents of the Company or any of its subsidiaries, (iii) any claims for benefits under any directors' and officers' liability policy maintained by the Company or its subsidiaries or affiliated companies in accordance with the terms of such policy, and (iv) any rights as a holder of equity securities of the Company (clauses (i) through (iv), the "Reserved Claims").

2. Executive represents that Executive has not filed against any of the Released Parties any complaints, charges, or lawsuits arising out of Executive's employment, or any other matter arising on or prior to the date of this General Release of Claims other than Reserved Claims, and covenants and agrees that Executive will never individually or with any person file, or commence the filing of, any lawsuits, complaints or proceedings with any governmental agency, or against the Released Parties with respect to any of the matters released by Executive pursuant to paragraph 1 hereof (a "Proceeding"); provided, however, Executive shall not have relinquished Executive's right to (i) commence a Proceeding to

challenge whether Executive knowingly and voluntarily waived Executive's rights under the ADEA; (ii) file a charge with an administrative agency or take part in any agency investigation; or (iii) commence a Proceeding pursuant to the Reserved Claims.
