Re: Thor Industries, Inc. Proxy Statement for the Annual Meeting of Shareholders to be held December 9, 2016

To the Shareholders of Thor Industries, Inc.:

On October 27, 2016, we filed our definitive proxy statement for our upcoming Annual Meeting of Shareholders, which we refer to as our Annual Meeting, with the Securities and Exchange Commission, which we refer to as the SEC, and provided access to our proxy materials, including our definitive proxy statement, the proxy card and our 2016 Annual Report to Shareholders, over the Internet.

Item 4 on the proxy card for the Annual Meeting relates to our Item 4 to adopt our 2016 Equity and Incentive Plan, which we refer to as the New Equity Incentive Plan. On November 22, 2016, we received a copy of the Proxy Analysis & Benchmark Policy Voting Recommendations issued by the Institutional Shareholder Services, or ISS, which we refer to as the Recommendations, relating to our Annual Meeting.

In the Recommendations, ISS recommended that the shareholders vote in favor of all of the Items included in the proxy card for the Annual Meeting, except for Item 4 relating to the New Equity Incentive Plan. ISS stated that its analysis of Item 4 considered multiple positive and negative factors within the three pillars of estimated cost, plan features and equity grant practices. ISS further stated that the pillars and factors were weighed according to their relative importance, with a maximum of 100 potential points, and that a score of 53 points generally results in a favorable recommendation. Applying its analysis, ISS gave us a score of 58.9 points out of 100 and concluded that based on its equity plan scorecard evaluation, the estimated cost, plan features and our grant practices are reasonable. Nevertheless, ISS recommended a vote against Item 4 because ISS construed the definition of a "permitted transferee" with respect to a Nonstatutory Stock Option to permit the transfer of Nonstatutory Stock Options to third party financial institutions by the plan administrator without prior stockholder approval. ISS deemed this provision to be detrimental to the interests of our shareholders and, as such, believed a vote against Item 4 was warranted.

These additional proxy materials are filed with the SEC and made available to our shareholders solely for the purpose of addressing the ISS concern with respect to Item 4. In addressing such concern, we first note that no holders of our Nonstatutory Stock Options, as such term is defined in the New Equity Incentive Plan, have ever transferred any of their options to a financial institution or requested the plan administrator to approve any such transfer. Further, as of October 31, 2016, no Nonstatutory Stock Options were outstanding, and we have no plans to grant additional options.

Notwithstanding the foregoing facts, we are now proposing to further amend the New Equity Incentive Plan, which is the subject of Item 4, to delete former clauses (b) and (c) of the definition of permitted transferee in Section 6.6 of the New Equity Incentive Plan, which was identified as problematic by ISS in the Recommendations. This amendments to the New Equity Incentive Plan were made solely to address the ISS concern and are not viewed to be material changes to the New Equity Incentive Plan by us. A copy of the New Equity Incentive Plan, as so further amended, is attached to these additional proxy materials as Appendix A.

No changes were otherwise made to Item 4 or any other Items contemplated by our definitive proxy statement and the proxy card for the Annual Meeting as filed with the SEC and previously delivered or otherwise made available to our shareholders of record as of October 14, 2016.

Your vote is important. Please carefully consider the Items included in our definitive proxy statement, as well as matters discussed in these additional proxy materials, and vote in favor of such Items, including in favor of Item 4 relating to the New Equity Incentive Plan (reflecting the amendments discussed in these additional proxy materials and attached hereto as Appendix A) in one of these ways:

- Follow the instructions on the Notice of Internet Availability of Proxy Materials or the proxy card, in each case previously filed with the SEC and delivered or otherwise made available to you, to vote through the Internet;
- Follow the instructions on the proxy card delivered or otherwise made available to you to vote by phone;
- If you requested to receive a paper copy of our proxy materials, mark, sign, date and promptly return the proxy card in the postage-paid envelope; or
- Submit a ballot at our Annual Meeting.

If you have voted against Item 4 and would like to revoke your prior vote and vote in favor of Item 4, you can do so at any time before the polls close at the Annual Meeting by:

- Voting again via telephone or Internet in favor of Item 4 by following the instructions on the Notice of Internet Availability of Proxy Materials or the proxy card, in each case previously filed with the SEC and delivered or otherwise made available to you, *provided, however*, that such vote must be so submitted prior to the deadline for telephonic and Internet voting specified in the proxy card;
- Signing another proxy card with a later date indicating your vote in favor of Item 4 and returning it to us prior to the Annual Meeting;
- Sending our Corporate Secretary a written document revoking your earlier proxy and indicating your vote in favor of Item 4; or
- Voting again at the Annual Meeting in favor of Item 4;

provided, however, that if your shares are held in street name by a broker or other nominee, you must contact your broker or such other nominee to revoke your prior proxy and change your vote in favor of Item 4.

Only shareholders of record at the close of business on October 14, 2016 or their proxy holders may vote at our Annual Meeting.

Our definitive proxy statement, including these additional proxy materials and the Company's 2016 Annual Report to Shareholders, are available at www.proxyvote.com or www.thorindustries.com.

By Order of the Board of Directors,

**Todd Woelfer
Senior Vice President, General Counsel and Corporate Secretary

The Board may abolish the Committee at any time and revert in the Board the administration of the Plan. The members of the Committee shall be appointed by and serve at the pleasure of the Board. From time to time, the Board may increase or decrease the size of the Committee, add additional members to, remove members (with or without cause) from, appoint new members in substitution therefor, and fill vacancies, however caused, in the Committee. The Committee shall act pursuant to a vote of the majority of its members or, in the case of a committee comprised of only two members, the unanimous consent of its members, whether present or not, or by the written consent of the majority of its members and minutes shall be kept of all of its meetings and copies thereof shall be provided to the Board. Subject to the limitations prescribed by the Plan and the Board, the Committee may establish and follow such rules and regulations for the conduct of its business as it may determine to be advisable.

(b) Committee Composition when Common Stock is Registered. At such time as the Common Stock is required to be registered under Section 12 of the Exchange Act, in the discretion of the Board, a Committee may consist solely of two or more Non-Employee Directors who are also Outside Directors. The Board shall have discretion to determine whether or not it intends to comply with the exemption requirements of Rule 16b-3 and/or Section 162(m) of the Code. However, if the Board intends to satisfy such exemption requirements,

with respect to Awards to any Covered Employee and with respect to any insider subject to Section 16 of the Exchange Act, the Committee shall be a compensation committee of the Board that at all times consists solely of two or more Non-Employee Directors who are also Outside Directors. Within the scope of such authority, the Board or the Committee may (i) delegate to a committee of one or more members of the Board who are not Outside Directors the authority to grant Awards to eligible persons who are either (A) not then Covered Employees and are not expected to be Covered Employees at the time of recognition of income resulting from such Award or (B) not persons with respect to whom the Company wishes to comply with Section 162(m) of the Code or (ii) delegate to a committee of one or more members of the Board who are not Non-Employee Directors the authority to grant Awards to eligible persons who are not then subject to Section 16 of the Exchange Act. Nothing herein shall create an inference that an Award is not validly granted under the Plan in the event Awards are granted under the Plan by a compensation committee of the Board that does not at all times consist solely of two or more Non-Employee Directors who are also Outside Directors.

3.6 INDEMNIFICATION. In addition to such other rights of indemnification as they may have as Directors or members of the Committee, and to the extent allowed by applicable law, the Administrator shall be indemnified by the Company against the reasonable expenses, including attorney's fees, actually incurred in connection with any action, suit or proceeding or in connection with any appeal therein, to which the Administrator may be party by reason of any action taken or failure to act under or in connection with the Plan or any Award granted under the Plan, and against all amounts paid by the Administrator in settlement thereof (*provided, however,*

Appendix A

Thor Industries, Inc. 2016 Equity and Incentive Plan

that the settlement has been approved by the Company, which approval shall not be unreasonably withheld) or paid by the Administrator in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Administrator did not act in good faith and in a manner which such person reasonably believed to be in the best interests of the Company, and in the case of a criminal proceeding, had no reason to believe that the conduct complained of was unlawful; *provided, however,* that within 60 days after institution of any such action, suit or proceeding, such Administrator shall, in writing, offer the Company the opportunity at its own expense to handle and defend such action, suit or proceeding.

4. Shares Subject to the Plan.

Subject to adjustment in accordance with Section 12, the total number of shares of Common Stock that shall be available for the grant of Awards under the Plan shall not exceed 2,000,000 of which a maximum of 2,000,000 shares can be awarded as Restricted Awards; *provided, that,* for purposes of this limitation, any Common Stock subject to an Option or Award that is canceled, forfeited or expires prior to exercise or realization, shall again become available for issuance under the Plan. Subject to adjustment in accordance with Section 12, no Participant shall be granted, during any one (1) year period, Options to purchase Common Stock or Stock Appreciation Rights with respect to more than 1,000,000 shares of Common Stock or any other Awards with respect to more than 2,000,000 shares of

Common Stock. The aggregate grant date fair value of Awards that may be granted during any fiscal year to any non-employee director shall not exceed \$500,000. Stock available for distribution under the Plan shall be authorized and unissued shares, treasury shares or shares reacquired by the Company in any manner. Notwithstanding anything to the contrary contained herein: (i) shares tendered in payment of an Option shall not be added to the aggregate plan limit described above; (ii) shares withheld by the Company to satisfy any tax withholding obligation shall not be added to the aggregate plan limit described above; and (iii) all shares covered by a Stock Appreciation Right or other Awards, whether or not shares of Common Stock are actually issued to the Participant upon exercise or settlement of the Award, shall be considered issued or transferred pursuant to the Plan. All shares reserved for issuance under the Plan may be used for Incentive Stock Options. No fractional shares of Common Stock may be issued.

5. Eligibility.

5.1 ELIGIBILITY FOR SPECIFIC AWARDS. Incentive Stock Options may be granted only to Employees. Awards other than Incentive Stock Options may be granted to Employees and Directors and those individuals whom the Administrator determines are reasonably expected to become Employees and Directors following the Date of Grant.

5.2 TEN PERCENT STOCKHOLDERS. A Ten Percent Stockholder shall not be granted an Incentive Stock Option unless the Option Exercise Price is at least 110% of the Fair Market Value of the Common Stock at the Date of Grant and the Option is not exercisable after the expiration of five years from the Date of Grant.

5.3 DIRECTORS. Each Director of the Company shall be eligible to receive discretionary grants of Awards under the Plan.

6. Option Provisions.

Each Option shall be in such form and shall contain such terms and conditions as the Administrator shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates will be issued for shares of Common Stock purchased on exercise of each type of Option. Notwithstanding the foregoing, the Company shall have no liability to any Participant or any other person if an Option designated as an Incentive Stock Option fails to qualify as such at any time or if an Option is determined to constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Code and the terms of such Option do not satisfy the requirements of Section 409A of the Code. The provisions of separate Options need not be identical, but each Option shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

6.1 TERM. Subject to the provisions of Section 5.2 regarding Ten Percent Stockholders, no Incentive Stock Option shall be exercisable after the expiration of 10 years from the date it was granted.

6.2 EXERCISE PRICE OF AN INCENTIVE STOCK OPTION. Subject to the provisions of Section 5.2 regarding Ten Percent Stockholders, the Option Exercise Price of each Incentive Stock Option shall be not less than 100% of the Fair Market Value

Appendix A

Thor Industries, Inc. 2016 Equity and Incentive Plan

of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an Option Exercise Price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.

6.3 EXERCISE PRICE OF A NONSTATUTORY STOCK OPTION.

The Option Exercise Price of each Nonstatutory Stock Option shall be not less than 100% of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, a Nonstatutory Stock Option may be granted with an Option Exercise Price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.

6.4 CONSIDERATION. The Option Exercise Price of Common Stock acquired pursuant to an Option shall be paid, to the extent permitted by applicable statutes and regulations, either (a) in cash or by certified or bank check at the time the Option is exercised or (b) in the discretion of the Administrator, upon such terms as the Administrator shall approve, the Option Exercise Price may be paid: (i) by delivery to the Company of other Common Stock, duly endorsed for transfer to the Company, with a Fair Market Value on the date of delivery equal to the Option Exercise Price (or portion thereof) due for the number of shares being acquired, or by means of attestation whereby the

Participant identifies for delivery specific shares of Common Stock that have a Fair Market Value on the date of attestation equal to the Option Exercise Price (or portion thereof) and receives a number of shares of Common Stock equal to the difference between the number of shares thereby purchased and the number of identified attestation shares of Common Stock (a "Stock for Stock Exchange"); (ii) a "cashless" exercise program established with a broker; (iii) by reduction in the number of shares of Common Stock otherwise deliverable upon exercise of such Option with a Fair Market Value equal to the aggregate Option Exercise Price at the time of exercise, or (iv) in any other form of legal consideration that may be acceptable to the Administrator. Unless otherwise specifically provided in the Option, the purchase price of Common Stock acquired pursuant to an Option that is paid by delivery (or attestation) to the Company of other Common Stock acquired, directly or indirectly from the Company, shall be paid only by shares of the Common Stock of the Company that have been held for more than six months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes). Notwithstanding the foregoing, during any period for which the Common Stock is publicly traded (i.e., the Common Stock is listed on any established stock exchange or a national market system) an exercise by a Director or executive officer that involves or may involve a direct or indirect extension of credit or arrangement of an extension of credit by the Company, directly or indirectly, in violation of Section 402(a) of the Sarbanes-Oxley Act (codified as Section 13(k) of the Exchange Act) shall be prohibited with respect to any Award under this Plan.

6.5 TRANSFERABILITY OF AN INCENTIVE STOCK OPTION.

An Incentive Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

6.6 TRANSFERABILITY OF A NONSTATUTORY STOCK OPTION.

A Nonstatutory Stock Option may, in the sole discretion of the Administrator, be transferable to a permitted transferee, as hereinafter defined, upon written approval by the Administrator to the extent provided in the Option Agreement. A permitted transferee means a transfer by gift or domestic relations order to a member of the Optionholder's immediate family (child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships), any person sharing the Optionholder's household (other than a tenant or employee), a trust in which these persons have more than 50% of the beneficial interest, a foundation in which these persons (or the Optionholder) control the management of assets, and any other entity in which these persons (or the Optionholder) own more than 50% of the voting interests.

Appendix A

Thor Industries, Inc. 2016 Equity and Incentive Plan

If the Nonstatutory Stock Option does not provide for transferability, then the Nonstatutory Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

6.7 VESTING GENERALLY. The Option may vest only after the expiration of a minimum one-year period from the date of award. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Administrator may deem appropriate. The vesting provisions of individual Options may vary. No Option may be exercised for a fraction of a share of Common Stock. The Administrator may, but shall not be required to, provide for an acceleration of vesting and exercisability in the terms of any Option Agreement upon the occurrence of a specified event.

6.8 TERMINATION OF CONTINUOUS SERVICE. Unless otherwise provided in an Option Agreement or in an employment agreement the terms of which have been approved by the Administrator, in the event an Optionholder's Continuous Service terminates (other than upon the Optionholder's death or Disability), the Optionholder may exercise his or her

Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination) but only within such period of time ending on the earlier of (a) the date three months following the termination of the Optionholder's Continuous Service, or (b) the expiration of the term of the Option as set forth in the Option Agreement; provided, that, if the termination of Continuous Service is by the Company for Cause, all outstanding Options (whether or not vested) shall immediately terminate and cease to be exercisable. If, after termination, the Optionholder does not exercise his or her Option within the time specified in the Option Agreement, the Option shall terminate.

6.9 EXTENSION OF TERMINATION DATE. An Optionholder's Option Agreement may also provide that if the exercise of the Option following the termination of the Optionholder's Continuous Service for any reason would be prohibited at any time because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act or any other state or federal securities law or the rules of any securities exchange or interdealer quotation system, then the Option shall terminate on the earlier of (a) the expiration of the term of the Option in accordance with Section 6.1 or (b) the expiration of a period after termination of the Participant's Continuous Service that is three months after the end of the period during which the exercise of the Option would be in violation of such registration or other securities law requirements.

6.10 DISABILITY OF OPTIONHOLDER. Unless otherwise provided in an Option Agreement, in the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise

his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination), but only within such period of time ending on the earlier of (a) the date 12 months following such termination or (b) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified herein, the Option shall terminate.

6.11 DEATH OF OPTIONHOLDER.

Unless otherwise provided in an Option Agreement, in the event an Optionholder's Continuous Service terminates as a result of the Optionholder's death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the Option upon the Optionholder's death, but only within the period ending on the earlier of (a) the date 12 months following the date of death or (b) the expiration of the term of such Option as set forth in the Option Agreement. If, after death, the Option is not exercised within the time specified herein, the Option shall terminate.

6.12 INCENTIVE STOCK OPTION

\$100,000 LIMITATION. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and its Affiliates) exceeds \$100,000, the Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options.

Appendix A

Thor Industries, Inc. 2016 Equity and Incentive Plan

6.13 NO RIGHTS AS A

STOCKHOLDER. An Optionholder has no rights as a stockholder with respect to the shares of Common Stock subject to an Option (including the rights to receive dividends) unless and until the Option is exercised.

7. Provisions of Awards Other Than Options.

7.1 RESTRICTED AWARDS

(a) General.

A Restricted Award is an Award of actual shares of Common Stock ("Restricted Stock") or hypothetical Common Stock units ("Restricted Stock Units") having a value equal to the Fair Market Value of an identical number of shares of Common Stock, which may, but need not, provide that such Restricted Award may not be sold, assigned, transferred or otherwise disposed of, pledged or hypothecated as collateral for a loan or as security for the performance of any obligation or for any other purpose for such period (the "Restricted Period") as the Administrator shall determine.

(b) Restricted Stock and Restricted Stock Units.

(i) Each Participant granted Restricted Stock shall execute and deliver to the Company an Award Agreement with respect to the Restricted Stock setting forth the restrictions and other terms and conditions applicable to such Restricted Stock. If the Administrator determines that the Restricted Stock shall be held by the Company or in escrow rather than delivered to the Participant pending the release of the applicable

restrictions, the Administrator may require the Participant to additionally execute and deliver to the Company (a) an escrow agreement satisfactory to the Administrator, if applicable and (b) the appropriate blank stock power with respect to the Restricted Stock covered by such agreement. If a Participant shall fail to execute an agreement evidencing an Award of Restricted Stock and, if applicable, an escrow agreement and stock power, the Award shall be null and void. Subject to the restrictions set forth in the Award, the Participant generally shall have the rights and privileges of a stockholder as to such Restricted Stock, including the right to vote such Restricted Stock and the right to receive dividends; *provided, that*, any cash dividends and stock dividends with respect to the Restricted Stock shall be withheld by the Company for the Participant's account, and not paid by the Company unless and until the restrictions on the Restricted Stock have lapsed. Interest may be credited on the amount of the cash dividends withheld at a rate and subject to such terms as determined by the Administrator. The cash dividends or stock dividends so withheld by the Administrator and attributable to any particular share of Restricted Stock (and earnings thereon, if applicable) shall be distributed to the Participant in cash or, at the discretion of the Administrator, in shares of Common Stock having a Fair Market Value equal to the amount of such dividends, if applicable, upon the release of restrictions on such share and, if such share is forfeited, the Participant shall have no right to such dividends or interest (if any).

(ii) The terms and conditions of a grant of Restricted Stock Units shall be reflected in a written Award Agreement. No shares of Common Stock shall be issued at the time a Restricted Stock Unit is granted, and the Company will not be required to set aside a fund for the payment of any such Award. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder. At the discretion of the Administrator, each Restricted Stock Unit (representing one share of Common Stock) may be credited with cash and stock dividends paid by the Company in respect of one share of Common Stock ("Dividend Equivalents"). Dividend Equivalents shall be withheld by the Company for the Participant's account, and not paid by the Company unless and until the restrictions on the Restricted Stock Units have lapsed. Interest may be credited on the amount of cash Dividend Equivalents withheld at a rate and subject to such terms as determined by the Administrator. Dividend Equivalents credited to a Participant's account and attributable to any particular Restricted Stock Unit (and earnings thereon, if applicable) shall be distributed in cash or, at the discretion of the Administrator, in shares of Common Stock having a Fair Market Value equal to the amount of such Dividend Equivalents and earnings, if applicable, to the Participant upon settlement of such Restricted Stock Unit and, if such Restricted Stock Unit is forfeited, the Participant shall have no right to such Dividends Equivalents or interest (if any).

(c) Restrictions.

(i) Restricted Stock awarded to a Participant shall be subject to the following restrictions until the expiration

Appendix A

Thor Industries, Inc. 2016 Equity and Incentive Plan

of the Restricted Period, and to such other terms and conditions as may be set forth in the applicable Award

Agreement: (A) if an escrow arrangement is used, the Participant shall not be entitled to delivery of the stock certificate; (B) the shares shall be subject to the restrictions on transferability set forth in the Award Agreement; (C) the shares shall be subject to forfeiture to the extent provided in the applicable Award Agreement; and (D) to the extent such shares are forfeited, the stock certificates shall be returned to the Company, and all rights of the Participant to such shares and as a shareholder with respect to such shares shall terminate without further obligation on the part of the Company.

(ii) Restricted Stock Units awarded to any Participant shall be subject to (A) forfeiture until the expiration of the Restricted Period, and satisfaction of any applicable Performance Goals during such period, to the extent provided in the applicable Award Agreement, and to the extent such Restricted Stock Units are forfeited, all rights of the Participant to such Restricted Stock Units shall terminate without further obligation on the part of the Company and (B) such other terms and conditions as may be set forth in the applicable Award Agreement.

(iii) The Administrator shall have the authority to remove any or all of the restrictions on the Restricted Stock and Restricted Stock Units whenever it may determine that, by reason of changes in applicable laws or other changes in circumstances arising after the date the Restricted Stock or

Restricted Stock Units are granted, such action is appropriate.

(d) Restricted Period. With respect to Restricted Stock and Restricted Stock Units, the Restricted Period shall commence on the Date of Grant and end at the time or times set forth on a schedule established by the Administrator in the applicable Award Agreement.

(e) Delivery of Restricted Stock and Settlement of Restricted Stock Units. Upon the expiration of the Restricted Period with respect to any shares of Restricted Stock, the restrictions set forth in Section 7.1(c) and the applicable Award Agreement shall be of no further force or effect with respect to such shares, except as set forth in the applicable Award Agreement. If an escrow arrangement is used, upon such expiration, the Company shall deliver to the Participant, or his beneficiary, without charge, the stock certificate evidencing the shares of Restricted Stock which have not then been forfeited and with respect to which the Restricted Period has expired (to the nearest full share) and any cash dividends or stock dividends credited to the Participant's account with respect to such Restricted Stock and the interest thereon, if any. Upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or his beneficiary, without charge, one share of Common Stock for each such outstanding Restricted Stock Unit ("Vested Unit") and cash equal to any Dividend Equivalents credited with respect to each such Vested Unit in accordance with Section 7.1(b)(ii) hereof and the interest thereon or, at the discretion of the Administrator, in shares of Common Stock having a Fair Market Value equal to such Dividend Equivalents and the interest thereon, if any; *provided, however,*

that, if explicitly provided in the applicable Award Agreement, the Administrator may, in its sole discretion, elect to pay cash or part cash and part Common Stock in lieu of delivering only shares of Common Stock for Vested Units. If a cash payment is made in lieu of delivering shares of Common Stock, the amount of such payment shall be equal to the Fair Market Value of the Common Stock as of the date on which the Restricted Period lapsed with respect to such Vested Unit.

(f) Stock Restrictions. Each certificate representing Restricted Stock awarded under the Plan shall bear a legend in such form as the Company deems appropriate.

7.2 PERFORMANCE COMPENSATION AWARDS.

(a) General. The Administrator shall have the authority, at the time of grant of any Award described in this Plan (other than Options and Stock Appreciation Rights granted with an exercise price or grant price, as the case may be, equal to or greater than the Fair Market Value per share of Stock on the date of grant), to designate such Award as a Performance Compensation Award in order to qualify such Award as "performance-based compensation" under Section 162(m) of the Code. In addition, the Administrator shall have the authority to make an award of a cash bonus to any Participant and designate such Award as a Performance Compensation Award in order to qualify such Award as "performance-based compensation" under Section 162(m).

(b) Eligibility. The Administrator will, in its sole discretion, designate within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code) which Participants will be eligible to receive

Appendix A

Thor Industries, Inc. 2016 Equity and Incentive Plan

Performance Compensation Awards in respect of such Performance Period. However, designation of a Participant eligible to receive an Award hereunder for a Performance Period shall not in any manner entitle the Participant to receive payment in respect of any Performance Compensation Award for such Performance Period. The determination as to whether or not such Participant becomes entitled to payment in respect of any Performance Compensation Award shall be decided solely in accordance with the provisions of this Section 7.2. Moreover, designation of a Participant eligible to receive an Award hereunder for a particular Performance Period shall not require designation of such Participant eligible to receive an Award hereunder in any subsequent Performance Period and designation to one person as a Participant eligible to receive an Award hereunder shall not require designation of any other person as a Participant eligible to receive an Award hereunder in such period or in any other period.

(c) Discretion of Administrator with Respect to Performance Compensation Awards. With regard to a particular Performance Period, the Administrator shall have full discretion to select the length of such Performance Period (provided any such Performance Period shall be not less than one fiscal quarter in duration), the type(s) of Performance Compensation Awards to be issued, the Performance Criteria that will be used to establish the Performance Goal(s), the kind(s) and/or level(s) of the Performance Goals(s) that is (are) to apply to the Company and the Performance Formula. Within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum

period allowed under Section 162(m) of the Code), the Administrator shall, with regard to the Performance Compensation Awards to be issued for such Performance Period, exercise its discretion with respect to each of the matters enumerated in the immediately preceding sentence of this Section 7.2(c) and record the same in writing.

(d) Payment of Performance Compensation Awards.

(i) Condition to Receipt of Payment. Unless otherwise provided in the applicable Award Agreement, or as otherwise provided in Section 12, a Participant must be employed by the Company on the last day of a Performance Period to be eligible for payment in respect of a Performance Compensation Award for such Performance Period.

(ii) Limitation. Except as provided in Section 12, a Participant shall be eligible to receive payment in respect of a Performance Compensation Award only to the extent that: (A) the Performance Goals for such period are achieved; and (B) the Performance Formula as applied against such Performance Goals determines that all or some portion of such Participant's Performance Compensation Award has been earned for the Performance Period. Except as provided in Section 7.1(b), a Performance Compensation Award shall not entitle the Participant to receive any dividends paid during the Performance Period on shares of Common Stock that may be issued in settlement of a Performance Compensation Award.

(iii) Certification. Following the completion of a Performance Period, the Administrator shall review and

certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been achieved and, if so, calculate and certify in writing that amount of the Performance Compensation Awards earned for the period based upon the Performance Formula. The Administrator shall then determine the actual size of each Participant's Performance Compensation Award for the Performance Period and, in so doing, may apply Negative Discretion in accordance with Section 7.2(d)(iv) hereof, if and when it deems appropriate.

(iv) Use of Discretion. In determining the actual size of an individual Performance Compensation Award for a Performance Period, the Administrator may reduce or eliminate the amount of the Performance Compensation Award earned under the Performance Formula in the Performance Period through the use of Negative Discretion if, in its sole judgment, such reduction or elimination is appropriate. The Administrator shall not have the discretion to (a) grant or provide payment in respect of Performance Compensation Awards for a Performance Period if the Performance Goals for such Performance Period have not been attained; or (b) increase a Performance Compensation Award above the maximum amount payable under Section 7.2(d)(vi) of the Plan.

(v) Timing of Award Payments. Performance Compensation Awards granted for a Performance Period shall be paid to Participants as soon as administratively practicable following completion of the certifications required by this Section 7.2.

(vi) Maximum Award Payable. Notwithstanding any provision contained in this Plan to the contrary, the maximum

Appendix A

Thor Industries, Inc. 2016 Equity and Incentive Plan

Performance Compensation Award payable to any one Participant under the Plan for a Performance Period is 2,000,000 shares of Common Stock or, in the event such Performance Compensation Award is paid in cash, the equivalent cash value thereof on the first or last day of the Performance Period to which such Award relates, as determined by the Administrator. The maximum amount that can be paid in any calendar year to any Participant pursuant to a cash bonus Award described in the last sentence of Section 7.2(a) shall be \$20,000,000. Furthermore, any Performance Compensation Award that has been deferred shall not (between the date as of which the Award is deferred and the payment date) increase (A) with respect to a Performance Compensation Award that is payable in cash, by a measuring factor for each fiscal year greater than a reasonable rate of interest set by the Administrator or (B) with respect to a Performance Compensation Award that is payable in shares of Common Stock, by an amount greater than the appreciation of a share of Common Stock from the date such Award is deferred to the payment date.

7.3 STOCK APPRECIATION RIGHTS.

(a) General. Stock Appreciation Rights may be granted either alone ("Free Standing Rights") or, provided the requirements of Section 7.3 (b) are satisfied, in tandem with all or part of any Option granted under the Plan ("Related Rights"). In the case of a Nonstatutory Stock Option, Related Rights may be granted either at or after the time of the grant of such Option. In the case of an Incentive Stock Option, Related Rights

may be granted only at the time of the grant of the Incentive Stock Option.

(b) Grant Requirements. A Stock Appreciation Right may only be granted if the Stock Appreciation Right does not provide for the deferral of compensation within the meaning of Section 409A of the Code. A Stock Appreciation Right does not provide for a deferral of compensation if: (A) the value of the Common Stock the excess over which the right provides for payment upon exercise (the "SAR exercise price") may never be less than the Fair Market Value of the underlying Common Stock on the date the right is granted, (B) the compensation payable under the Stock Appreciation Right can never be greater than the difference between the SAR exercise price and the Fair Market Value of the Common Stock on the date the Stock Appreciation Right is exercised, (C) the number of shares of Common Stock subject to the Stock Appreciation Right must be fixed on the date of grant of the Stock Appreciation Right, and (D) the right does not include any feature for the deferral of compensation other than the deferral of recognition of income until the exercise of the right.

(c) Exercise and Payment. Upon exercise thereof, the holder of a Stock Appreciation Right shall be entitled to receive from the Company, an amount equal to the product of (i) the excess of the Fair Market Value, on the date of such written request, of one share of Common Stock over the SAR exercise price per share specified in such Stock Appreciation Right or its related Option, multiplied by (ii) the number of shares for which such Stock Appreciation Right shall be exercised. Payment with respect to the exercise of a Stock Appreciation Right that satisfies the requirements of Section 7.3 (b) shall be

paid on the date of exercise and made in shares of Common Stock (with or without restrictions as to substantial risk of forfeiture and transferability, as determined by the Administrator in its sole discretion), valued at Fair Market Value on the date of exercise. Payment may be made in the form of shares of Common Stock (with or without restrictions as to substantial risk of forfeiture and transferability, as determined by the Administrator in its sole discretion), cash or a combination thereof, as determined by the Administrator.

(d) Exercise Price. The exercise price of a Free Standing Stock Appreciation Right shall be determined by the Administrator, but shall not be less than 100% of the Fair Market Value of one share of Common Stock on the Date of Grant of such Stock Appreciation Right. A Related Right granted simultaneously with or subsequent to the grant of an Option and in conjunction therewith or in the alternative thereto shall have the same exercise price as the related Option, shall be transferable only upon the same terms and conditions as the related Option, and shall be exercisable only to the same extent as the related Option; *provided, however*, that a Stock Appreciation Right, by its terms, shall be exercisable only when the Fair Market Value per share of Common Stock subject to the Stock Appreciation Right and related Option exceeds the exercise price per share thereof and no Stock Appreciation Rights may be granted in tandem with an Option unless the Administrator determines that the requirements of Section 7.3 (b) are satisfied.

(e) Reduction in the Underlying Option Shares. Upon any exercise of a Stock Appreciation Right, the number of shares of Common Stock for which any related Option shall be exercisable shall be reduced by

Appendix A

Thor Industries, Inc. 2016 Equity and Incentive Plan

the number of shares for which the Stock Appreciation Right shall have been exercised. The number of shares of Common Stock for which a Stock Appreciation Right shall be exercisable shall be reduced upon any exercise of any related Option by the number of shares of Common Stock for which such Option shall have been exercised.

(f) **Written Request.** Unless otherwise determined by the Administrator in its sole discretion and only if permitted in the Stock Appreciation Right's Award Agreement, any exercise of a Stock Appreciation Right for cash, may be made only by a written request filed with the Corporate Secretary of the Company. Within 30 days of the receipt by the Company of a written request to receive cash in full or partial settlement of a Stock Appreciation Right or to exercise such Stock Appreciation Right for cash, the Administrator shall, in its sole discretion, either consent to or disapprove, in whole or in part, such written request. A written request to receive cash in full or partial settlement of a Stock Appreciation Right or to exercise a Stock Appreciation Right for cash may provide that, in the event the Administrator shall disapprove such written request, such written request shall be deemed to be an exercise of such Stock Appreciation Right for shares of Common Stock.

(g) **Disapproval by Administrator.** If the Administrator disapproves in whole or in part any election by a Participant to receive cash in full or partial settlement of a Stock Appreciation Right or to exercise such Stock Appreciation Right for cash, such disapproval shall not affect such Participant's right to exercise such Stock Appreciation Right at a later date,

to the extent that such Stock Appreciation Right shall be otherwise exercisable, or to elect the form of payment at a later date, provided that an election to receive cash upon such later exercise shall be subject to the approval of the Administrator. Additionally, such disapproval shall not affect such Participant's right to exercise any related Option.

(h) A Stock Appreciation Right shall not entitle the Participant to receive any dividends declared on the Common Stock prior to the exercise of a Stock Appreciation Right for shares of Common Stock.

8. Covenants of the Company.

8.1 AVAILABILITY OF SHARES. During the terms of the Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Awards.

8.2 SECURITIES LAW COMPLIANCE. Each Option Agreement and Award Agreement shall provide that no shares of Common Stock shall be purchased or sold thereunder unless and until (a) any then applicable requirements of state or federal laws and regulatory agencies shall have been fully complied with to the satisfaction of the Company and its counsel and (b) if required to do so by the Company, the Participant shall have executed and delivered to the Company a letter of investment intent in such form and containing such provisions as the Administrator may require. The Company shall use reasonable efforts to seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Awards and to issue and sell shares of Common Stock upon exercise of the Awards; *provided, however,* that this

undertaking shall not require the Company to register under the Securities Act the Plan, any Award or any Common Stock issued or issuable pursuant to any such Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Awards unless and until such authority is obtained.

9. Use of Proceeds from Stock.

Proceeds from the sale of Common Stock pursuant to Awards, or upon exercise thereof, shall constitute general funds of the Company.

10. Miscellaneous.

10.1 ACCELERATION OF EXERCISABILITY AND VESTING. The Administrator shall have the power to accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest.

10.2 STOCKHOLDER RIGHTS. Except as provided in the Plan or an Award Agreement, no Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Award unless and until such Participant has satisfied all requirements for exercise of the Award pursuant to its terms and no

adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions of other rights for which the record date is prior to the date such Common Stock certificate is issued, except as provided in Section 11 hereof.

10.3 NO EMPLOYMENT OR OTHER SERVICE RIGHTS. Nothing in the Plan or any instrument executed or Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or shall affect the right of the Company or an Affiliate to terminate (a) the employment of an Employee with or without notice and with or without Cause or (b) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

10.4 TRANSFER, APPROVED LEAVE OF ABSENCE. For purposes of the Plan, no termination of employment by an Employee shall be deemed to result from either (a) a transfer to the employment of the Company from an Affiliate or from the Company to an Affiliate, or from one Affiliate to another; or (b) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the Employee's right to re-employment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Administrator otherwise so provides in writing.

10.5 INVESTMENT ASSURANCES. The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Award (a) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Award; and (b) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (i) the issuance of the shares of Common Stock upon the exercise or acquisition of Common Stock under the Award has been registered under a then currently effective registration statement under the Securities Act or (ii) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

10.6 WITHHOLDING OBLIGATIONS. To the extent provided by the terms of an Award Agreement and subject to the discretion of the Administrator, the Participant may satisfy any federal, state or local tax withholding obligation relating to the exercise or acquisition of Common Stock under an Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (a) tendering a cash payment; (b) authorizing the Company to withhold shares of Common Stock from the shares of Common Stock otherwise issuable to the Participant as a result of the exercise or acquisition of Common Stock under the Award, *provided, however,* that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law; or (c) delivering to the Company previously owned and unencumbered shares of Common Stock of the Company.

11. Adjustments Upon Changes in Stock.

Awards granted under the Plan and any agreements evidencing such Awards, the maximum number of shares of Common Stock subject to all Awards stated in Section 4 and the maximum number of shares of Common Stock with respect to which any one person may be granted Awards during any period stated in Section 4 and Section 7.2(d)(vi) will be equitably adjusted or substituted, as to the number, price or kind of a share of Common Stock or other consideration subject to such Awards to the extent necessary to preserve the economic intent of such Award in the event of changes in the outstanding Common Stock

or in the capital structure of the Company by reason of stock or extraordinary cash dividends, stock splits, reverse stock splits, recapitalization, reorganizations, mergers, consolidations, combinations, exchanges, or other relevant changes in capitalization occurring after the Date of Grant of any such Award. Any adjustment in Incentive Stock Options under this Section 11 shall be made only to the extent not constituting a "modification" within the meaning of Section 424(h) (3) of the Code, and any adjustments under this Section 11 shall be made in a manner which does not adversely affect the exemption provided pursuant to Rule 16b-3 under the Exchange Act or otherwise result in a violation of Section 409A of the Code. Further, with respect to Awards intended to qualify as "performance-based compensation" under Section 162(m) of the Code, such adjustments or substitutions shall be made only to the extent that the Administrator determines that such adjustments or substitutions may be made without causing the Company to be denied a tax deduction on account of Section 162(m) of the Code. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes. Notwithstanding the above, in the event of any of the following: (i) the Company is merged or consolidated with another corporation or entity and, in connection therewith, consideration is received by shareholders of the Company in a form other than stock or other equity interests of the surviving entity or outstanding Awards are not to be assumed upon consummation of the proposed transaction; (ii) all or substantially all of the assets of the Company are acquired by another person; (iii) the

reorganization or liquidation of the Company; or (iv) the Company shall enter into a written agreement to undergo an event described in clause (i), (ii) or (iii) above, then the Administrator may, in its discretion and upon at least 10 days' advance notice to the affected persons, cancel any outstanding Awards and cause the holders thereof to be paid, in cash or stock, or any combination thereof, the value of such Awards based upon the price per share of Common Stock received or to be received by other shareholders of the Company in the event. The terms of this Section 11 may be varied by the Administrator in any particular Award Agreement.

12. Change in Control, Cash-Out and Termination of Underwater Options and Stock Appreciation Rights.

12.1 CHANGE IN CONTROL. Except as otherwise provided in a Participant's Award Agreement or pursuant to Section 12.2 hereof, upon the occurrence of a Change in Control, unless otherwise specifically prohibited under applicable laws, or by the rules and regulations of any governing governmental agencies or national securities exchanges:

(a) any and all outstanding Options and Stock Appreciation Rights granted hereunder shall become immediately exercisable unless such Awards are assumed, converted, replaced or continued by the continuing entity; provided, however, that in the event of a Participant's termination of employment without Cause or resignation for Good Reason within twenty-four (24) months following consummation of a Change in Control, any Awards so assumed, converted, replaced or continued will become immediately exercisable;

(b) any restriction imposed on a Restricted Award or Performance Compensation Award shall lapse unless such Awards are assumed, converted, replaced or continued by the continuing entity; provided, however, that in the event of a Participant's termination of employment without Cause or resignation for Good Reason within twenty-four (24) months following consummation of a Change in Control, the restrictions on any Awards so assumed, converted, replaced or continued shall lapse; and

(c) the portion of any and all Performance Compensation Awards that remain outstanding following the occurrence of a Change in Control shall be determined by applying actual performance from the beginning of the Performance Period through the date of the Change in Control using the Performance Formula to determine the amount of the payout or distribution rounded to the nearest whole share of Common Stock. Notwithstanding the foregoing, if the Change in Control occurs prior to the end of a Performance Period for an Award, the Performance Formula shall generally be adjusted to take into account the shorter period of time available to achieve the Performance Goals. If a quantitative Performance Formula for the entire Performance Period has been determined by the Company by adding together one or more Performance Goals for multiple time periods within the Performance Period (each a "subperiod"), then the adjusted Performance Formula for a given level of performance shall be equal to the sum of (1) the Performance Goals for each completed subperiod for such level of performance and (2) a prorated Performance Goal (determined by the number of days in such subperiod falling on or before the occurrence of the Change in Control divided by the total number of

Appendix A

Thor Industries, Inc. 2016 Equity and Incentive Plan

days in such subperiod) for such level of performance for each subperiod not completed on or before the occurrence of the Change in Control. If there are no subperiods, then the quantitative Performance Formula shall be prorated by taking the Performance Goal for each specified level of performance for the entire Performance Period and multiplying it by a fraction, the numerator of which is the number of days in the Performance Period falling on or before the occurrence of the Change in Control and the denominator of which is the total number of days in the Performance Period. Qualitative Performance Goals shall not be adjusted. In the unlikely event that the Company is unable to substantially adjust the target Performance Goal(s) for an Award as set forth above, then the portion of such Award that shall remain outstanding shall be based on the assumption that the target level of performance for each Performance Goal for the entire Performance Period has been achieved.

The portion of the Award that remains outstanding following the occurrence of a Change in Control as determined in the preceding paragraph shall vest in full at the end of the Performance Period set forth in such Award so long as the Participant's employment (or if the Participant is a Director, service) with the Company or one of its subsidiaries does not terminate until the end of the Performance Period. Notwithstanding the foregoing, such portion shall vest in full upon the earliest to occur of the following events: (1) the termination of the Participant by the Company without Cause, (2) the refusal of the continuing entity to assume, convert, replace or continue the Award, or (3) the resignation of the Participant for Good Reason.

12.2 CASH-OUT AND TERMINATION OF UNDERWATER OPTIONS/SARS.

The Committee may, in its sole discretion, provide that (a) all outstanding Options and Stock Appreciation Rights shall be terminated upon the occurrence of a Change in Control and that each Participant shall receive, with respect to each share of Common Stock subject to such Options or Stock Appreciation Rights, an amount in cash and/or shares of Common Stock equal to the excess of the Fair Market Value of a share of Common Stock immediately prior to the occurrence of the Change in Control over the exercise price of the Option or Stock Appreciation Right; and (b) Options and Stock Appreciation Rights outstanding as of the date of the Change in Control may be cancelled and terminated without payment therefore if the Fair Market Value of a share of Common Stock as of the date of the Change in Control is less than the exercise price of the Option or Stock Appreciation Right.

13. Amendment of the Plan and Awards.

13.1 AMENDMENT OF PLAN. The Board at any time, and from time to time, may amend or terminate the Plan. However, except as provided in Section 11 relating to adjustments upon changes in Common Stock and Section 13.3, no amendment shall be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary to satisfy any applicable law or securities exchange listing requirements. At the time of such amendment, the Board shall determine, upon advice from counsel, whether such amendment will be contingent on stockholder approval.

13.2 STOCKHOLDER APPROVAL. The Board may, in its sole discretion, submit any other amendment to the Plan for stockholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 162(m) of the Code and the regulations thereunder regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to certain executive officers.

13.3 CONTEMPLATED AMENDMENTS. It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Incentive Stock Options or to the nonqualified deferred compensation provisions of Section 409A of the Code and/or to bring the Plan and/ or Awards granted under it into compliance therewith.

13.4 NO IMPAIRMENT OF RIGHTS. Rights under any Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (a) the Company requests the consent of the Participant and (b) the Participant consents in writing.

13.5 AMENDMENT OF AWARDS. The Administrator at any time, and from time to time, may amend the terms of any one or more Awards; *provided, however*, that the Administrator may not affect any amendment which would otherwise constitute an impairment of the rights under any Award unless (a) the Company requests the consent of the Participant and (b) the Participant consents in writing.

Thor Industries, Inc. 2016 Equity and Incentive Plan

Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding awards may not be amended to reduce the exercise price of outstanding Options or Stock Appreciation Rights or cancel outstanding Options or Stock Appreciation Rights in exchange for cash, other awards, or Options or Stock Appreciation Rights with an exercise price that is less than the exercise price of the original Options or Stock Appreciation Rights without stockholder approval.

14. General Provisions.

14.1 OTHER COMPENSATION ARRANGEMENTS. Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases. The Plan is intended to constitute an “unfunded” plan for incentive compensation and nothing contained in the Plan shall give any Participant any rights that are greater than those of a general unsecured creditor of the Company.

14.2 RECAPITALIZATIONS. Each Option Agreement and Award Agreement shall contain provisions required to reflect the provisions of Section 11.

14.3 DELIVERY. Upon exercise of a right granted under this Plan, the Company shall issue Common Stock or pay any amounts due within a reasonable period of time thereafter. Subject to any statutory or regulatory obligations the Company may otherwise have, for purposes of this Plan, 30 days shall be considered a reasonable period of time.

14.4 OTHER PROVISIONS. The Option Agreements and Award Agreements authorized under the Plan may contain such other provisions not inconsistent with this Plan, including, without limitation, restrictions upon the exercise of the Awards, as the Administrator may deem advisable.

14.5 CANCELLATION AND RESCISSION OF AWARDS FOR DETRIMENTAL ACTIVITY.

(a) Upon exercise, payment or delivery pursuant to an Award, the Participant shall certify in a manner acceptable to the Company that the Participant has not engaged in any Detrimental Activity described in Section 2.16.

(b) Unless the Award Agreement specifies otherwise, the Administrator may cancel, rescind, suspend, withhold or otherwise limit or restrict any unexpired, unpaid or deferred Awards at any time if the Participant engages in any Detrimental Activity described in Section 2.16.

(c) In the event a Participant engages in Detrimental Activity described in Section 2.16 after any exercise, payment or delivery pursuant to an Award, during any period for which any restrictive covenant prohibiting such activity is applicable to the Participant, such exercise, payment or delivery may

be rescinded within one year after such exercise, payment or delivery. In the event of any such rescission, the Participant shall pay to the Company the amount of any gain realized or payment received as a result of the exercise, payment or delivery, in such manner and on such terms and conditions as may be required by the Company. The Company shall be entitled to set-off against the amount of any such gain any amount owed to the Participant by the Company.

14.6 DISQUALIFYING DISPOSITIONS.

Any Participant who shall make a “disposition” (as defined in Section 424 of the Code) of all or any portion of shares of Common Stock acquired upon exercise of an Incentive Stock Option within two years from the Date of Grant of such Incentive Stock Option or within one year after the issuance of the shares of Common Stock acquired upon exercise of such Incentive Stock Option shall be required to immediately advise the Company in writing as to the occurrence of the sale and the price realized upon the sale of such shares of Common Stock.

14.7 SECTION 16. It is the intent of the Company that the Plan satisfy, and be interpreted in a manner that satisfies, the applicable requirements of Rule 16b-3 as promulgated under Section 16 of the Exchange Act so that Participants will be entitled to the benefit of Rule 16b-3, or any other rule promulgated under Section 16 of the Exchange Act, and will not be subject to short-swing liability under Section 16 of the Exchange Act. Accordingly, if the operation of any provision of the Plan would conflict with the intent expressed in this Section 14.7, such provision to the extent possible shall be interpreted and/or deemed amended so as to avoid such conflict.

14.8 SECTION 162(M). To the extent the Administrator issues any Award that is intended to be exempt from the application of Section 162(m) of the Code, the Administrator may, without shareholder or grantee approval, amend the Plan or the relevant Award Agreement retroactively or prospectively to the extent it determines necessary in order to comply with any subsequent clarification of Section 162(m) of the Code required to preserve the Company's Federal income tax deduction for compensation paid pursuant to any such Award.

15. Effective Date of Plan.

The Plan shall become effective as of the Effective Date, but each Award granted shall be conditioned upon approval of the Plan by the stockholders of the Company, and if such approval has not been given within twelve (12) months after the date the Plan is adopted by the Board, each Award granted prior to such approval shall be canceled and of no further effect.

16. Termination or Suspension of the Plan.

The Plan shall terminate automatically on October 10, 2026. No Award shall be granted pursuant to the Plan after such date, but Awards theretofore granted may extend beyond that date. The Board may suspend or terminate the Plan at any earlier date pursuant to Section 13.1 hereof. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

Unless the Company determines to submit Section 7.2 of the Plan and the definition of "Performance Goal" and "Performance Criteria" to the Company's stockholders at the first stockholder meeting that occurs in the fifth year following the year in which the Plan was last approved by stockholders (or any earlier meeting designated by the Board), in accordance with the requirements of Section 162(m) of the Code, and such stockholder approval is obtained, then no further Performance Compensation Awards shall be made to Covered Employees under Section 7.2 after the date of such annual meeting, but the Plan may continue in effect for Awards to Participants not in accordance with Section 162(m) of the Code.

17. Choice of Law.

The law of the State of Delaware shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of law rules.
