

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF THOR INDUSTRIES, INC. --- CHARTER

As reviewed and approved by the Board of Directors, October 7, 2025

I. PURPOSE

The Audit Committee (the “Audit Committee” or the “Committee”) of the Board of Directors (the “Board of Directors” or the “Board”) of THOR Industries, Inc. (the “Company”) is established by and among the Board of Directors for the primary purpose of assisting the Board in:

- Overseeing the integrity of the Company's financial statements.
- Overseeing the Company's compliance with legal and regulatory requirements.
- Overseeing the independent auditor's qualifications, independence and performance.
- Overseeing the qualifications, independence and performance of the Company's internal audit function.
- Overseeing the Company's system of disclosure controls and procedures, internal controls over financial reporting, risk management and enterprise risk management process, and compliance with ethical standards adopted by the Company.

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures, and practices at all levels. The Audit Committee should seek to maintain open communication among the independent auditor, financial and senior management, the internal audit function, and the Board of Directors. The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as deemed appropriate to perform its duties and responsibilities.

The Company will provide appropriate funding, as determined by the Audit Committee, for compensation to the independent auditor, to any advisors that the Audit Committee chooses to engage, and for payment of ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The independent auditor is ultimately accountable to the Committee, which has the sole authority to appoint, oversee and, where appropriate, replace the independent auditor. The Committee has direct responsibility for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) in connection with preparing or issuing an audit report or performing other audit, review or attest services for the Company. The independent auditor shall report directly to the Committee.

The Audit Committee will primarily fulfill its responsibilities by carrying out the activities

enumerated in Section III of this Charter. The Audit Committee will report regularly to the Board of Directors regarding the execution of its duties and responsibilities.

While the Committee has the responsibilities and authority set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. It is the responsibility of management and the responsibility of the independent auditor to audit management's conclusions. Nothing contained in this Charter is intended to expand applicable standards of liability under statutory or regulatory requirements for the directors of the Company or members of the Committee.

II. COMPOSITION AND MEETINGS

The Audit Committee will comprise three or more directors as determined by the Board of Directors. Each Audit Committee member will have no material relationship with the Company (either directly or as a partner, shareholder, or officer of an organization that has a relationship with the Company other than as a Board member), as affirmatively determined by the Board of Directors. All committee members must meet the independence requirements of the New York Stock Exchange and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

All members of the Committee must comply with all financial literacy requirements of the New York Stock Exchange as determined by the Board. At least one member of the Committee shall be an "audit committee financial expert" in compliance with the criteria established by the Securities and Exchange Commission ("SEC"). The existence of such a member, including his or her name and whether or not he or she is independent, will be disclosed in periodic filings as required by the SEC. Committee members are encouraged to enhance their familiarity with finance and accounting by participating in educational programs, including those conducted by the Company or outside consultants.

The members of the Committee will be appointed by the Board, upon the recommendation of the Nominating and Corporate Governance Committee to serve until their successors are elected. Unless a Chairperson is elected by the full Board, the members of the Committee may designate a Chairperson by majority vote. A Committee member may be removed at any time (with or without cause) by the Board.

If any director serving on the Committee is also serving on the audit committee of three or more other public companies, the Board of Directors must make a determination, as promptly as practicable following the time when the Company first becomes aware of such circumstances and thereafter on a periodic basis but no less frequently than annually, that such simultaneous service does not impair the ability of such director to effectively serve on the Committee, and such determination must be disclosed in the Company's proxy statement issued in connection with the Company's annual meeting of stockholders.

If a member of the Committee ceases to be independent for reasons outside the member's reasonable control, his or her membership on the Committee may, if so permitted under then applicable NYSE rules, continue until the earlier of the Company's next annual meeting of

shareholders or one year from the occurrence of the event that caused the failure to qualify as independent.

The Committee shall meet as often as it determines necessary, but not less frequently than on a quarterly basis. The Committee shall meet at the call of its Chairperson. Each regularly scheduled quarterly meeting will include an executive session of the Committee absent members of management. As part of its responsibility to foster open communication, the Committee will meet periodically with management, the Vice President of Financial Controls and Risk function, and the independent auditor in separate executive sessions. In addition, the Committee will meet with the independent auditor and management to discuss the annual audited financial statements and quarterly financial statements, including the Company's disclosure under "Management's Discussion and Analysis of Financial Condition and Results of Operations."

The Committee may meet by telephone conference call or by any other means permitted by law or the Company's Bylaws. A majority of the members of the Committee shall constitute a quorum. The Committee shall act on the affirmative vote of a majority of members present at a meeting at which a quorum is present. Subject to the Company's Bylaws, the Committee may act by unanimous written consent of all members in lieu of a meeting. The Committee shall determine its own rules and procedures, including designation of a chairperson pro tempore in the absence of the Chairperson, and designation of a secretary. The secretary need not be a member of the Committee and shall attend Committee meetings and prepare minutes. The Committee shall keep written minutes of its meetings, which shall be recorded or filed with the books and records of the Company. Any member of the Board of Directors shall be provided with copies of such Committee minutes if requested.

The Committee may ask members of management, employees, outside counsel, the independent auditors, internal auditors or others whose advice and counsel are relevant to the issues then being considered by the Committee, to attend any meetings and to provide such pertinent information as the Committee may request.

The Chairperson of the Committee shall be responsible for leadership of the Committee, including preparing the agenda, presiding over Committee meetings, making Committee assignments and regularly reporting the Committee's actions to the Board of Directors.

III. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Audit Committee's policies and procedures should remain flexible to enable the Committee to react to changes in circumstances and conditions so that it can fulfill its oversight responsibilities. In addition to such other duties as the Board of Directors may assign from time to time, the Committee will:
