News Release 14-05

## **Pretivm Adopts Advance Notice Policy**

Vancouver, British Columbia March 5, 2014; Pretium Resources Inc. (TSX/NYSE:PVG) ("Pretivm" or "the Company") announces that its Board of Directors has adopted an Advance Notice Policy ("the Policy"). The purpose of the Policy is to provide Pretivm's shareholders, directors and management with a clear framework for nominating persons for election as directors of the Company.

The Policy has been adopted in order to facilitate an orderly and efficient annual general or, where the need arises, special meeting, to provide all shareholders with adequate notice of director nominations and sufficient information with respect to all nominees, and allow shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation.

Among other things, the Policy fixes a deadline by which holders of record of common shares of Pretivm must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the specific information that a shareholder must include in the written notice for an effective nomination to occur. No person will be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Policy.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 and not more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders (which is not also an annual meeting), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The Policy is effective and in full force and effect as of March 4, 2014. In accordance with the terms of the Policy, the Policy will be put to shareholders of the Company for approval at the next annual meeting which is currently scheduled for May 14, 2014. If the policy is not confirmed at the annual meeting by ordinary resolution of shareholders, the Policy will terminate and be of no further force and effect following the termination of the annual meeting. A copy of the Policy will be available on SEDAR at [www.sedar.com](http://www.sedar.com).

### **About Pretivm**

Pretivm is creating value through gold at its high-grade gold Brucejack Project, located in northern British Columbia. Permitting of a high-grade underground gold mine at Brucejack is underway, with commercial production targeted to commence in 2016.

## **Forward Looking Statements**

This News Release contains "forward-looking information" and "forward looking statements" within the meaning of applicable Canadian and United States securities legislation. Forward-looking information may include, but is not limited to, risks related to satisfying conditions of the Offering, information with respect to our planned exploration and development activities, the adequacy of Pretivm's financial resources, the estimation of mineral reserves and resources including the 2013 Valley of the Kings Mineral Resource estimate, realization of mineral reserve and resource estimates and timing of development of Pretivm's Brucejack Project, costs and timing of future exploration, results of future exploration and drilling, production and processing estimates, capital and operating cost estimates, timelines and similar statements relating to the economic viability of the Brucejack Project, timing and receipt of approvals, consents and permits under applicable legislation, Pretivm's executive compensation approach and practice, and adequacy of financial resources. Wherever possible, words such as "plans", "expects", "projects", "assumes", "budget", "strategy", "scheduled", "estimates", "forecasts", "anticipates", "believes", "intends", "targets" and similar expressions or statements that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved, or the negative forms of any of these terms and similar expressions, have been used to identify forward-looking statements and information. Statements concerning mineral reserve and resource estimates may also be deemed to constitute forward-looking information to the extent that they involve estimates of the mineralization that will be encountered if the property is developed. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance are not statements of historical fact and may be forward-looking information. Forward-looking information is subject to a variety of known and unknown risks, uncertainties and other factors that could cause actual events or results to differ from those expressed or implied by the forward-looking information, including, without limitation, those risks identified in Pretivm's Annual Information Form dated March 18, 2013 filed on SEDAR at [www.sedar.com](http://www.sedar.com) and in the United States on Form 40-F through EDGAR at the SEC's website at [www.sec.gov](http://www.sec.gov). Forward-looking information is based on the expectations and opinions of Pretivm's management on the date the statements are made. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise. We do not assume any obligation to update forward-looking information, whether as a result of new information, future events or otherwise, other than as required by applicable law. For the reasons set forth above, prospective investors should not place undue reliance on forward-looking information. Neither the TSX nor the NYSE has approved or disapproved of the information contained herein.
