

Avnet Supply Chain Journal Recognized for Editorial Excellence

Terms:

Supply Chain Navigator, Avnet's digital journal dedicated to sharing best practices and thought leadership in the management of global value networks, was recently named a 2017 winner of the [APEX awards](#) ⁽¹⁾ for Business Publication Excellence.

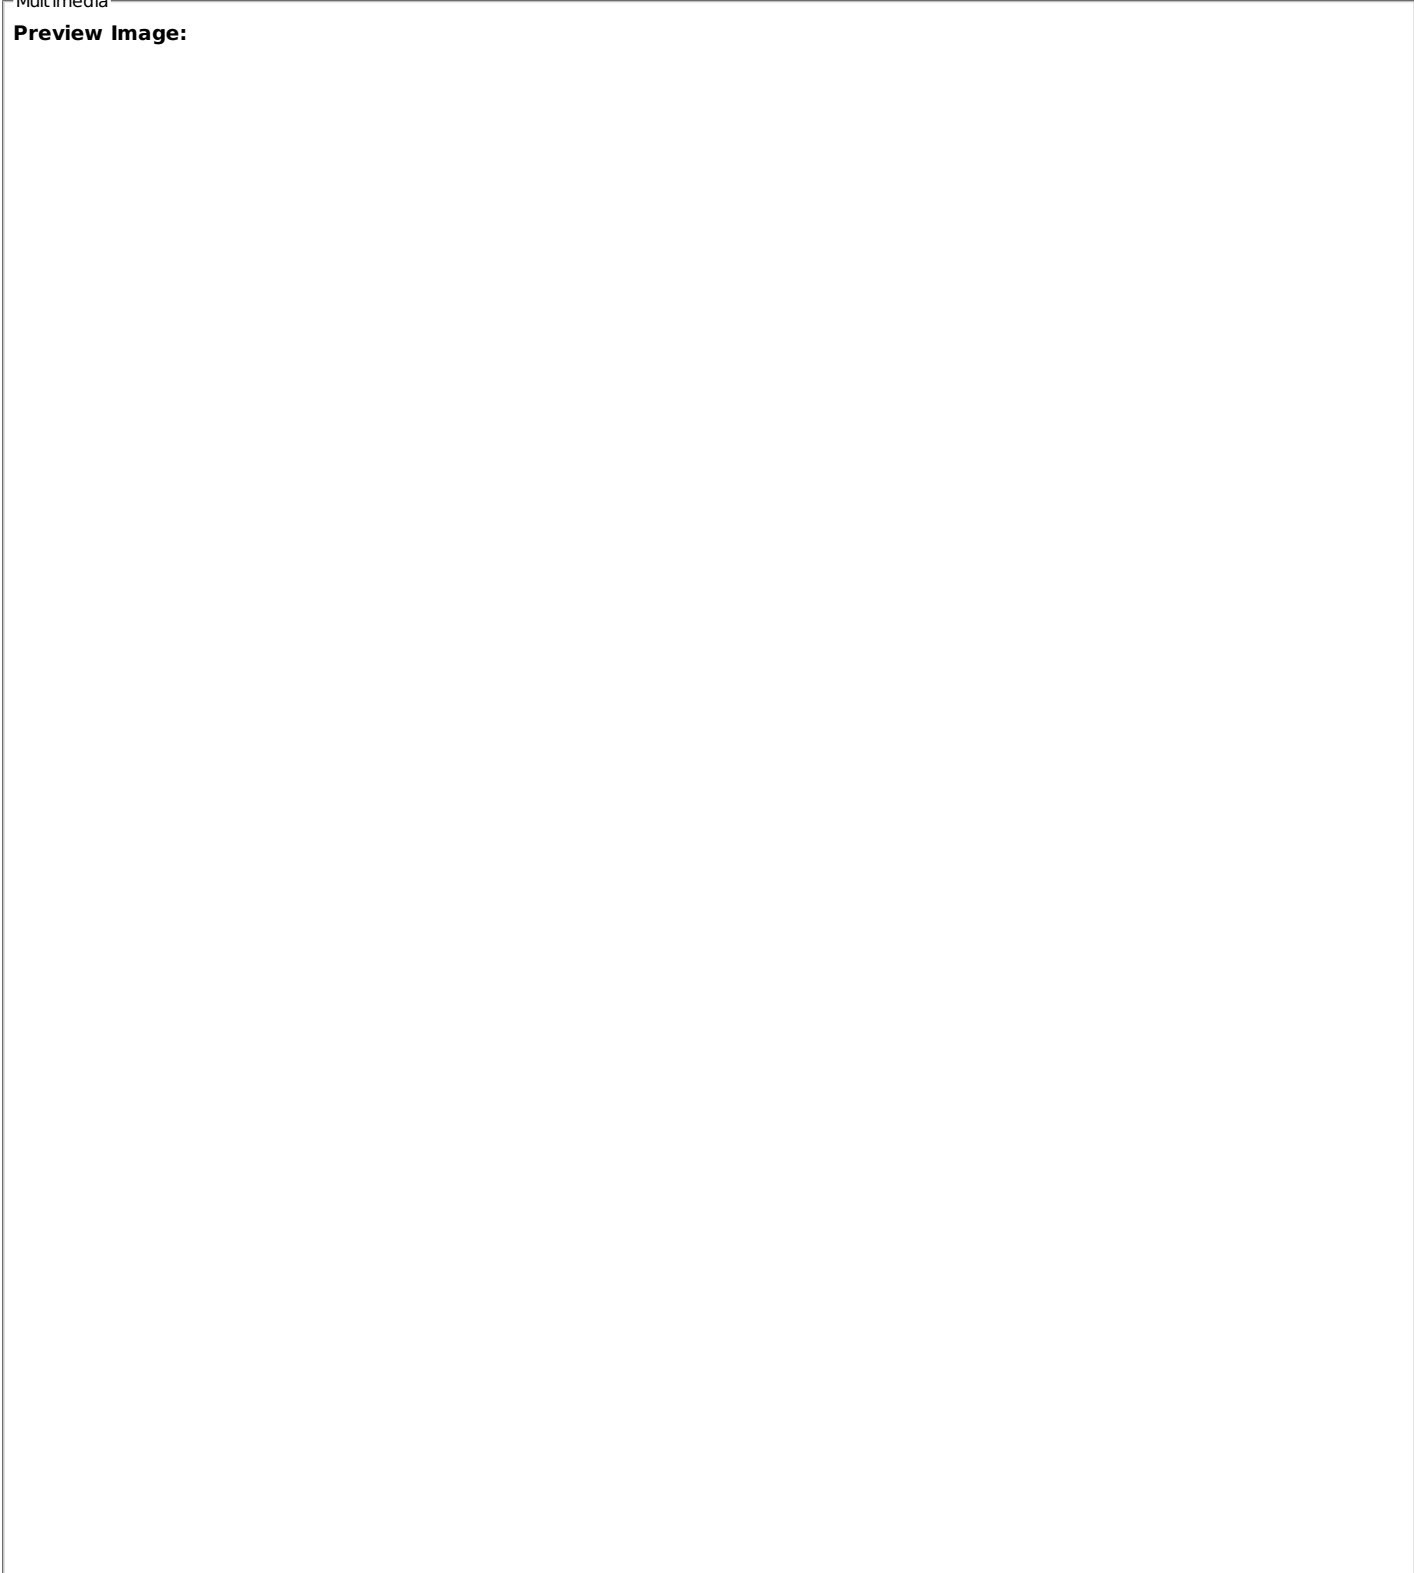

Supply Chain Navigator provides the global community of supply chain, manufacturing and operations professionals with an insider's look into a diverse array of creative strategies industry leaders like Cisco, Intel, Schneider Electric, 3M and IBM are deploying to accelerate their organization's drive to success. Each issue is produced in collaboration with supply chain professionals experienced in managing complex global supply chains both upstream and downstream, as well as distinguished academics and prominent market analysts.

Since its launch in 2015, Supply Chain Navigator has given readers access to the insights of respected supply chain executives including: [Johannes Giloth, Nokia](#) ⁽²⁾; [Paul Keel, 3M](#) ⁽³⁾; [Annette Clayton, Schneider Electric](#) ⁽⁴⁾; [Mike Cacheiro, Lockheed Martin Space Systems](#) ⁽⁵⁾; [Paul Blom, Celestica](#) ⁽⁶⁾; [Mick Jones, Lenovo](#) ⁽⁷⁾; and [Hans Ehm, Infineon](#) ⁽⁸⁾.
