Farnell element14's Halloween contest challenges engineers to "scare the 64-bit out of them"

There are just four more days for engineers and makers to enter the element14 #ShareTheScare contest for a chance to win one of two refurbished [Cel Robox 3D Printer](#) [1]. Engineers can participate by [building and document](#) [2]ing a Halloween-inspired project or by sharing their best engineering spook via Twitter, using the hashtag #ShareTheScare.

Participants have until Nov. 3 to submit their creepiest creations or most terrifying tweets. For more information, visit [element14.com](http://element14.com) [3]'s [Halloweens space](#) [4].
