

NIRI-New York Chapter Seeks Corporate Partners for NIRI-NY 9/11 Logler Internship Program

NEW YORK--([BUSINESS WIRE](#))-- The New York Chapter of the National Investor Relations Institute (NIRI-NY) announced today that it is seeking partners in the investor relations, public relations and corporate communications communities who can offer paid internships for the chapter's Logler 9/11 Internship Program in summer 2012.

The 9/11 Logler Internship Program is sponsored on a volunteer basis by NIRI-NY to provide meaningful summer internship opportunities to relatives of victims of the 9/11 attacks. The program was founded in 2001 by NIRI-NY in memory of chapter member Elizabeth (Beth) Logler, Vice President-Investor Relations of eSpeed, who lost her life in the attacks on the World Trade Center. "In this, the 10th anniversary year of the 9/11 attacks, NIRI-NY remains committed to supporting those students who are just now embarking on their professional paths," said Bernard Kilkelly, President of NIRI-NY.

In past years, NIRI-NY has partnered with 9/11 charities including Tuesday's Children and Silver Shield Foundation to successfully place interns with BGC Partners, Lane PR, Capital Bridge, PepsiCo, Veeco Instruments, EDGAR Online, Burson-Marsteller, Delphi Financial Group, Altria and Hain Celestial.

If you or your firm has the ability to offer a paid summer internship in investor or public relations or corporate communications, please email Patrick Tracey, NIRI-NY's Vice President of Professional Development, at patrick.tracey@computershare.com. For those companies that can only offer an unpaid internship, NIRI NY can arrange for a stipend for the student to cover transportation and other expenses.
