# Hudbay Recognized as a Top Performer by the Toronto Stock Exchange with Inclusion in the TSX30

2026-09-09

TORONTO, Sept. 09, 2026 (GLOBE NEWSWIRE) -- Hudbay Minerals Inc. ("Hudbay" or the "Company") (TSX, NYSE: HBM) is proud to be recognized as a 2026 TSX30™ winner by the Toronto Stock Exchange (TSX). The annual ranking recognizes the top 30 performing stocks over a three-year period. Hudbay's share price increased 427% over this period.

"We are honoured to be named to this notable list of top performing companies on the TSX, which reflects our operating consistency, strong financial performance and the industry-leading total shareholder returns that Hudbay has delivered over the past three years," said Peter Kukielski, Chief Executive Officer. "This is especially meaningful on the eve of our centennial as we celebrate 100 years of successful operations. We are well-positioned to continue to deliver meaningful value creation and sustainable total shareholder returns as we execute our strategy as a premier Americas-focused copper producer with an attractive pipeline of long-life, low-cost assets in tier-one jurisdictions."

The TSX30™ is an annual ranking of the 30 top-performing companies on the Toronto Stock Exchange based on dividend-adjusted share price performance over a three-year period ending on June 30, 2026. The TSX30™ ranking system, which was established in 2019, demonstrates how Canada's diverse capital markets enable high-growth companies across key sectors to scale globally and deliver exceptional investor value.

## About Hudbay

Hudbay (TSX, NYSE: HBM) is a copper-focused critical minerals mining company with three long-life operations and a world-class pipeline of copper growth projects in tier-one mining jurisdictions of Canada, Peru and the United States.

Hudbay's operating portfolio includes the Constancia mine in Cusco (Peru), the Snow Lake operations in Manitoba (Canada) and the Copper Mountain mine in British Columbia (Canada). Copper is the primary metal produced by the Company, which is complemented by meaningful gold production and by-product zinc, silver and molybdenum. Hudbay's growth pipeline includes the Copper World project in Arizona (United States), the Cactus project in Arizona (United States), the Mason project in Nevada (United States), the Llaguen project in La Libertad (Peru) and several expansion and exploration opportunities near its existing operations.

The value Hudbay creates and the impact it has is embodied in its purpose statement: "We care about our people, our communities and our planet. Hudbay provides the metals the world needs. We work sustainably, transform lives and create better futures for communities." Hudbay's mission is to create sustainable value and strong returns by leveraging its core strengths in community relations, focused exploration, mine development and efficient operations.
