HudBay Completes Private Placement of Flow-Through Shares

WINNIPEG, MANITOBA--(CCNMatthews - April 25, 2006) -

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR DISSEMINATION IN THE UNITED STATES.

HudBay Minerals Inc. (TSX:HBM) today announced it has completed its previously announced private placement of flow-through common shares for aggregate gross proceeds to HudBay of approximately \$20 million.

HudBay issued 1.46 million flow-through common shares at a price of \$13.75 per share pursuant to an underwritten private placement through a syndicate of investment dealers led by GMP Securities L.P. and comprised of Desjardins Securities Inc., Dundee Securities Corporation, TD Securities Inc., Wellington West Capital Markets Inc., Canaccord Capital Corporation, Orion Securities Inc. and Paradigm Capital Inc.

Proceeds from the private placement will be used for exploration and development on HudBay's Canadian properties. The financing continues and expands HudBay's ongoing exploration program in the Flin Flon greenstone belt as well as at its other Canadian exploration property holdings.

About HudBay Minerals Inc.

HudBay Minerals Inc. is an integrated mining and metal producing company that operates mines and concentrators in northern Manitoba and a metal production complex in Flin Flon, Manitoba. The company also owns a zinc oxide production facility in Brampton, Ontario, a copper refinery in Michigan and the Balmat zinc mine in New York state, which is being re-opened.

Cautionary Note Regarding Forward-Looking Statements

This press release contains "forward-looking statements", within the meaning of applicable Canadian securities legislation, concerning the business, operations and financial performance and condition of HudBay. Forward-looking statements include, but are not limited to, statements with respect to the future price of gold, silver and copper, the estimation of mineral reserves and resources, the realization of mineral reserve estimates, the timing and amount of estimated future production, costs of production, capital expenditures, costs and timing of the development of new deposits, success of exploration activities, permitting time lines, currency exchange rate fluctuations, requirements for additional capital, government regulation of mining operations, environmental risks, unanticipated reclamation expenses, title disputes or claims and limitations on insurance coverage. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of HudBay, to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: risks related to the integration of acquisitions; risks related to international operations; risks related to joint venture operations; actual results of current exploration activities; actual results of current reclamation activities; conclusions of economic evaluations; changes in project parameters as plans continue to be refined; future commodity prices; possible variations in ore reserves, grade or recovery rates; failure of plant, equipment or processes to operate as anticipated; accidents, labour disputes and other risks of the mining industry; delays in obtaining governmental approvals or financing or in the completion of development or construction activities, as well as those factors discussed in the section entitled "Risk Factors" in HudBay's Annual Information Form for the year ended December 31, 2005, available on www.sedar.com. Although HudBay has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. HudBay does not undertake to update any forward-looking statements that are incorporated by reference herein, except in accordance with applicable securities laws.

This press release is not an offer of securities for sale in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended. Securities may not be offered or sold in the United States absent registration or an exemption from registration. Any public offering of securities that may be made in the United States will be made by means of a prospectus that may be obtained from the issuer and that will contain detailed information about the company and management, as well as financial statements.
