## HudBay Launches New Enhanced Website

Winnipeg, Manitoba – February 7, 2007 – HudBay Minerals Inc. (TSX: HBM) today announced the launch of its new web site [www.hudsonbayminerals.com](http://www.hudsonbayminerals.com).

"The new HudBay web site offers timely and transparent information covering the aspects of our business that are important to our investors and other stakeholders," said Peter Jones, President & CEO.

The web site incorporates:

- Information on HudBay's operations.
- Investor presentations and webcasts.
- Exploration reports.
- Access to share price, regulatory filings, and metals prices.
- A photo gallery of the company.
- Customized reports.
- Email alerts.

Brad Woods, Director Investor Relations said, "I'm very pleased with our new state-of-the-art web site and its content – and especially the quick loading features it incorporates. This web site is an important communication tool to our investors and is one of the ways we can reflect the growing profile of our business."

### **About HudBay Minerals Inc.**

HudBay Minerals Inc. is an integrated mining company that operates mines, concentrators and a metal production facility in northern Manitoba and Saskatchewan. The company also owns a zinc oxide production facility in Ontario, the White Pine copper refinery in Michigan and the Balmat zinc mine operations in New York state. HudBay is a member of the S&P/TSX Composite Index.
