

Varex Imaging To Participate In Several Upcoming Investor Events

November 8, 2017

SALT LAKE CITY, Nov. 8, 2017 /PRNewswire/ -- Varex Imaging Corporation (Nasdaq: VREX) today announced that it will be participating in several upcoming investor events during the month of November 2017.

- Varex will be participating in non-deal roadshow investor meetings in London on Monday, November 13 and Tuesday, November 14 hosted by JP Morgan.
- Varex will be participating in the Jefferies London Healthcare Conference on Wednesday, November 15. The company will only be holding one-on-one meetings with investors.
- Varex will be conducting an investor presentation on Tuesday, November 28 in its exhibit booth at the RSNA (Radiological Society of North America) Conference being held at McCormick Place in Chicago. Due to limitations by the conference and space considerations, this investor event is invitation only.

About Varex Imaging

Varex Imaging Corporation is a leading innovator, designer and manufacturer of X-ray imaging components, which include tubes, digital flat panel detectors and other image processing solutions, which are key components of X-ray imaging systems. With a 65+ year history of successful innovation, Varex's components are used in medical imaging as well as in industrial and security imaging applications. Global OEM manufacturers of X-ray imaging systems use the company's X-ray sources, digital detectors, connecting devices and imaging software as components in their systems to detect, diagnose and protect. Varex employs approximately 1,900 people located at manufacturing and service center sites in North America, Europe, and Asia. For more information about Varex, visit vareximaging.com.
