

## Varex To Present At The Jefferies 2019 Healthcare Conference

May 21, 2019

SALT LAKE CITY, May 21, 2019 /PRNewswire/ -- Varex Imaging Corporation (Nasdaq: VREX) announced today that it is scheduled to make a presentation at the Jefferies 2019 Healthcare Conference on Thursday, June 6, 2019 at 3:30 pm Eastern Time. This event is being held at the Grand Hyatt New York in New York City.

The company's Chief Financial Officer, Clarence Verhoef, will provide an overview of Varex's business and prospects. Varex's presentation will be webcast and accessible to the public via the company's website at [vareximaging.com](http://vareximaging.com). Replays will be available for 90 days after the presentation at the same website.

### About Varex Imaging

Varex Imaging Corporation is a leading innovator, designer and manufacturer of X-ray imaging components, which include X-ray tubes, digital detectors and other image processing solutions that are key components of X-ray imaging systems. With a 65+ year history of successful innovation, Varex's products are used in medical imaging as well as in industrial and security imaging applications. Global OEM manufacturers incorporate the company's X-ray sources, digital detectors, connecting devices and imaging software in their systems to detect, diagnose and protect. Headquartered in Salt Lake City, Utah, Varex employs approximately 2,000 people located at manufacturing and service center sites in North America, Europe, and Asia. For more information, visit [vareximaging.com](http://vareximaging.com).
