

## Varex Imaging To Present At JP Morgan Healthcare Conference

December 21, 2018

SALT LAKE CITY, Dec. 21, 2018 /PRNewswire/ -- Varex Imaging Corporation (Nasdaq: VREX) today announced that it is scheduled to make a presentation at the JP Morgan Healthcare Conference on Wednesday, January 9, 2019 at 5:00 pm Pacific Time. This event is being held at the Westin St. Francis Hotel in San Francisco, California.

The company's Chief Executive Officer, Sunny Sanyal, and Chief Financial Officer, Clarence Verhoef, will provide an overview of Varex's business and prospects. Varex's presentation will be webcast and accessible to the public online via the company's investor section of its website at [vareximaging.com](http://vareximaging.com). Replays will be available for 90 days after the presentation at the same website.

### About Varex

Varex Imaging Corporation is a leading innovator, designer and manufacturer of X-ray imaging components, which include X-ray tubes, digital detectors and other image processing solutions that are key components of X-ray imaging systems. With a 65+ year history of successful innovation, Varex's products are used in medical imaging as well as in industrial and security imaging applications. Global OEM manufacturers incorporate the company's X-ray sources, digital detectors, connecting devices and imaging software in their systems to detect, diagnose and protect. Headquartered in Salt Lake City, Utah, Varex employs approximately 2,000 people located at manufacturing and service center sites in North America, Europe, and Asia. For more information about Varex, visit [vareximaging.com](http://vareximaging.com).
