BAE Systems Awards Donaldson Supplier of The Year at Its Third Annual Partner2Win Symposium

Donaldson Among More Than 20 Award Recipients Recognized

MINNEAPOLIS (January 10, 2022) – Donaldson Company, Inc. (NYSE:DCI), a leading worldwide manufacturer of innovative filtration products and solutions, announced it received a BAE Systems Partner2Win Bronze Supplier of the Year Award based on exceptional performance and contributions to supply chain success in 2021 for BAE Systems’ Combat Mission Systems business.

BAE Systems’ Partner2Win is a global program designed to achieve operational excellence and eliminate defects in its supply chain by raising the bar of performance expectations to meet the demand of current and future customers. As part of the program, BAE Systems meets regularly with its suppliers to transfer best practices to ensure that the components and materials that compose BAE Systems products meet the highest quality standards.

“Our suppliers have overcome many challenges posed by the COVID pandemic to sustain deliveries of our products to Army, Marines, and Navy customers,” said Andy Corea, vice president and general manager of BAE Systems’ Combat Mission Systems business. “By partnering with the highest performing suppliers – including Donaldson in the industry, we have and will continue to exceed our customers’ expectations.”
