

Donaldson Receives Notice from NYSE Regarding Late Form 10-K Filing

Donaldson Company, Inc. (NYSE: DCI) today announced that as a result of its inability to timely file its Annual Report on Form 10-K for the fiscal year ended July 31, 2015, it has received a notice from the New York Stock Exchange (the "NYSE") that the Company is not in compliance with the NYSE's continued listing requirements under the timely filing criteria outlined in Section 802.01E of the NYSE Listed Company Manual.

As previously disclosed, Donaldson was unable to timely file its 2015 Form 10-K with the U.S. Securities and Exchange Commission (the "SEC") because of an ongoing investigation related to the recognition of revenue for certain projects in its European Gas Turbine Products business. As a result of this ongoing investigation, the Company was unable to file the 2015 Form 10-K by the extended due date of Oct. 14, 2015.

The NYSE informed Donaldson that under the NYSE's rules, the Company will have six months from Oct. 14, 2015, to file the Form 10-K with the SEC. The Company can, and intends to, regain compliance with the NYSE listing standards by filing the Form 10-K with the SEC prior to the expiration of the six-month extension.
