MINNEAPOLIS, MN – Oct. 27, 2005 – Donaldson Company, Inc. (NYSE:DCI) announced today that Bill Cook, Chairman, President and Chief Executive Officer will present at the Gabelli & Company 29th Annual Automotive Aftermarket Symposium and the Robert W. Baird 35th Annual Industrial Technology Conference, both in November.

The Gabelli & Company conference will take place in Las Vegas, NV, from October 31 through November 2. Cook will present at 1:00 p.m. ET, Tuesday, November 1.

The Robert W. Baird conference is scheduled to take place November 8-9 in Chicago, IL. Cook will present at 4:05 p.m. ET, Tuesday, November 8.

Both of these presentations can be accessed live via webcast in the investor's section of Donaldson's website, www.donaldson.com. Advance registration is required for each webcast. See the website for details.

About Donaldson Company

Donaldson is a leading worldwide provider of filtration systems and replacement parts. Donaldson is a technology-driven company committed to satisfying customer needs for filtration solutions through innovative research and development. Donaldson serves customers in the diesel engine and industrial markets including in-plant air cleaning, compressed air and gas purification, power generation, disk drive filtration, off-road equipment and trucks. Our 11,000 employees contribute to the company's success at over 30 manufacturing locations around the world. Donaldson is a member of the S&P MidCap 400 Index and Donaldson shares are traded on the NYSE under the symbol DCI. Additional company information is available at www.donaldson.com.
