Supplemental Financial Schedules Available

In advance of Donaldson’s upcoming third quarter earnings release, the Company posted supplemental financial schedules to the Events & Presentations section of its Investor Relations website at IR.Donaldson.com, including:

- The effect of the revision to previously issued fiscal 2015 interim financial results noted in the Company’s Annual Report on Form 10-K for the period ended July 31, 2015, and
- The impact of certain non-recurring items, including restructuring charges, on gross profit, operating expense and operating income in fiscal years 2015 and 2016.

Although the information included within these schedules has either been explicitly provided or is calculable from previously issued annual and interim financial statements, the Company is providing these schedules to aid in the analysis of its operational performance.
