**VOLVO GROUP PURCHASING RECOGNIZES DONALDSON COMPANY
WITH AFTERMARKET EXCELLENCE AWARD**

Award Confirms Donaldson's Global Leadership Position in Engine Filtration Solutions

MINNEAPOLIS, Minn. (Feb. 24, 2016) – For the second consecutive year, Donaldson Company Inc. (NYSE:DCI), a leading worldwide manufacturer of filtration systems and parts, has been awarded a Supplier Award for Aftermarket Excellence by Volvo Group Purchasing.

The Volvo Group Purchasing Supplier Awards recognize high performing suppliers for their contribution within six key categories that support the Volvo Group Business Excellence. Donaldson was recognized with the Aftermarket Excellence Award due to the Company's development and technical capabilities, high delivery standards and global coordination. By this award confirms Donaldson's strong commitment towards its customers and leadership position in leading the world in Filtration Solutions.

Accepting the award on behalf of Donaldson, Wim Vermeersch, Donaldson Company Vice President, Europe, Middle East and Africa Region, addressed the audience at the awards presentation: "For Donaldson to receive this award – for the second consecutive year – from a valued strategic partner like the Volvo Group is an incredible honor. I thank the many Donaldson employees who contributed to this achievement. As a team, we are committed to your success and will go the extra mile to ensure we are creating a cleaner world for industry."
