

DONALDSON SUBSIDIARY ACQUIRES RAWSEN EQUIPMENT (PTY) LTD.

MINNEAPOLIS, MN (Sept. 21, 2007) — Donaldson Company, Inc. (NYSE:DCI) announced today that its South African subsidiary acquired the assets of Rawsen Equipment (Proprietary) Limited, a privately held company headquartered in Cape Town, South Africa, effective June 1, 2007. Terms of the acquisition were not disclosed.

Rawsen manufactures and distributes a wide range of filtration products for compressed air and gas applications.

"The acquisition of Rawsen creates a complete product line offering to the compressed air and gas industry in South Africa," said Mike Parfitt, Managing Director for Sub-Saharan Africa. "We will integrate our existing Donaldson Ultrafilter product line into that of Rawsen's to provide a strong range of compressed air and gas purification products for our South African customers."

About Donaldson Company, Inc.

Donaldson is a leading worldwide provider of air and liquid filtration systems and replacement parts that improve people's lives, enhance our Customers' equipment performance and protect our environment. We are a technology-driven company committed to satisfying our Customers' needs for diesel engine equipment and industrial filtration solutions through innovative research and development, superior technology, and global presence. Our 12,000 employees contribute to the company's success by supporting our Customers at more than 100 sales, manufacturing, and distribution locations around the world.
