

## **EASTERLY GOVERNMENT PROPERTIES ACQUIRES 161,730 SF NATIONAL ARCHIVES AND RECORD ADMINISTRATION FEDERAL RECORDS CENTER IN BROOMFIELD, COLORADO**

WASHINGTON, D.C. – May 11, 2022 – Easterly Government Properties, Inc. (NYSE: DEA) (the “Company” or “Easterly”), a fully integrated real estate investment trust focused primarily on the acquisition, development and management of Class A commercial properties leased to the U.S. Government, announced today that it has acquired a 161,730 leased square foot National Archives and Record Administration (NARA) Federal Records Center (FRC) in the Denver metropolitan region (“NARA - Broomfield”). In connection with the acquisition, the Company issued to the seller 827,791 common units in its operating partnership (“OP Units”).

NARA - Broomfield, a build-to-suit warehouse constructed in 2012, is 100% leased to the General Services Administration (GSA) on behalf of NARA pursuant to a 20-year lease, which does not expire until May 2032. NARA - Broomfield is one of 18 facilities strategically located throughout the country, and holds permanent and temporary records created by Federal agencies and courts across seven states. To ensure the preservation of these important documents, the facility was specifically constructed to the exact needs of the National Archives, providing for optimal environmental controls and to maintain certain set points for both temperature and humidity.

“Easterly is pleased to welcome another tenant into our growing portfolio of bullseye assets,” said William C. Trimble, III, Easterly’s Chief Executive Officer. “This acquisition was the perfect opportunity for us to issue OP Units, at a price of \$20.98 per unit, allowing the seller to enjoy the benefit of our attractive dividend yield, backed by the full faith and credit of the U.S. Government.”

With a professional staff of approximately 1,110 Federal employees, the FRC services approximately 13 million reference requests annually across all locations for nearly 400 Federal agency customers. The enduring nature of this mission necessitates physical storage and maintenance of highly important documents in optimal storage conditions throughout the United States.

Year to date, Easterly has acquired, either directly or through the previously announced joint venture (JV), two properties for an aggregate pro rata contractual purchase price of approximately \$44.3 million, comprised of (i) \$22.3 million of the wholly owned acquisition target of \$200.0 – \$250.0 million; and (ii) \$22.0 million of the pro rata joint venture acquisition target of \$145.0 million. Easterly owns, directly or through the JV, 91 properties totaling 8.8 million square feet.
