

Trade and Industry Associations

Tractor Supply Company like many businesses, belongs to industry or trade associations that may engage in lobbying activities to support initiatives relevant to our business and the retail industry. The aggregate amount of membership dues paid to industry or trade associations in 2020 was approximately \$275,000, of which approximately 42 percent was used for non-deductible lobbying and political expenditures based on information obtained from these organizations. The total payments to these organizations represented approximately 0.003 percent of the Company's fiscal 2020 annual sales.

Listed below are trade and industry associations to which Tractor Supply paid \$1,000 or more in membership dues or other payments in 2020:
