

Fastenal Company to Host Investor Presentation

WINONA, Minn., March 6, 2025 (BUSINESS WIRE) -- Fastenal Company (Nasdaq:FAST) (collectively referred to as 'Fastenal' or by terms such as 'we', 'our', or 'us') announced its intention to host an investor presentation on March 13, 2025 located in St. Paul, Minnesota, which will be available to access via webcast. The hosts of this event will be Dan Florness, our Chief Executive Officer, Jeff Watts, our President and Chief Sales Officer, and Holden Lewis, our Senior Executive Vice President and Chief Financial Officer. Additionally, other Fastenal leaders will present on current operations and growth initiatives, including Focus 40 and our key account sales strategy, continued development of tools to reduce supply chain cost and risk, and harnessing of data to further strengthen our market position and expand our addressable market. This presentation will be broadcast live over the Internet on Thursday, March 13, 2025 from 8:30 a.m. to 3:00 p.m. Central Time.

To access the webcast, please visit the following Web address:

<https://investor.fastenal.com/events.cfm>

An online archive of the webcast will be available within one hour of the conclusion of the webcast and will remain available until April 12, 2025 on our investor relations website provided above. Participants must have a compatible device with speakers to listen to the online webcast.

About Fastenal

With more than 3,600 in-market locations spanning 25 countries, Fastenal supplies a broad offering of fasteners, safety products, metal cutting products, and other industrial supplies to customers engaged in manufacturing, construction, warehousing, wholesale, and state and local government. By investing in local experts and inventory, customer-facing technology, wide-ranging services, and best-in-class sourcing and logistics, we offer a unique combination of capabilities to help our customers reduce cost, risk, and scalability constraints in their global supply chains. This "high-touch, high-tech" approach is reflected in our tagline, *Where Industry Meets Innovation™*.
