* Our eBusiness includes eProcurement activities, which are integrated transactions, including electronic data interchange (EDI), and eCommerce (transactional website sales). Growth of our eBusiness reflects both new sales that enhance our growth rate and a shift in existing sales from non-digital to digital processes that improves efficiency.

** In the fourth quarter of 2024, we realigned certain employees as a result of a routine review of our organizational structure. While there was no change to total absolute or FTE headcount, it produced minor shifting between headcount categories. Historical numbers have been adjusted to reflect this realignment.

*** Of our Selling Personnel, 80%-85% are attached to a specific in-market location. Organizational support personnel consists of: (1) Sales Support personnel (37%-42% of category), which includes sourcing, purchasing, supply chain, product development, etc.; (2) Information Technology personnel (35%-40% of category); and (3) Administrative Support personnel (22%-27% of category), which includes human resources, Fastenal School of Business, accounting and finance, senior management, etc.
