

Fastenal Company Announces Conference Call to Review 2026 First Quarter Earnings

WINONA, Minn., March 27, 2026 (BUSINESS WIRE) -- Fastenal Company (Nasdaq:FAST) ('Fastenal,' 'we,' 'our,' or 'us') announced the date and time for its conference call to review 2026 first quarter results, as well as current operations. The conference call will be broadcast live over the Internet on Monday, April 13, 2026, at 9:00 a.m. central time.

To access the call, please visit the following Web address:

<https://investor.fastenal.com/events.cfm>

Our conference call presentation (which includes information, supplemental to that contained in our earnings announcement, regarding results for the quarter) will be available at 6:00 a.m., central time, on the day of the conference call. To access the presentation, please visit the following Web address: <https://investor.fastenal.com/releases.cfm>

An online archive of the webcast will be available within one hour of the conclusion of the call and will remain available until June 1, 2026. Participants must have a compatible device with speakers to listen to the online webcast.

About Fastenal

Organizations around the world rely on Fastenal to help them reduce cost, risk, and constraints in the supply chain for a broad range of industrial products. To understand our customers' challenges and provide services and solutions that fit their unique needs, we've built out the most extensive presence in our industry with a vast network of teams and embedded technology. At the heart of it all is a simple commitment: great people, close to your business, backed by world-class logistics, technology, and resources.

Additional information regarding Fastenal is available on our website at www.fastenal.com.
