## Fastenal Company Announces Cash Dividend

WINONA, Minn., Oct. 8, 2013 (GLOBE NEWSWIRE) -- The Fastenal Company of Winona, MN (Nasdaq:FAST) reported its Board of Directors declared a dividend of \$0.25 per share to be paid in cash on November 22, 2013 to shareholders of record at the close of business on October 25, 2013.

Fastenal began paying an annual dividend in 1991, expanded to a semi-annual dividend in 2003, and then switched to a quarterly dividend in 2011. In 2012, we paid four quarterly dividends of \$0.17 in February, \$0.17 in May, \$0.19 in August, \$0.21 in November, and then paid a special supplemental dividend of \$0.50 in December. Including this declaration, we will have four quarterly dividend payments in 2013. They include dividends of \$0.10 in February, \$0.20 in May, \$0.25 in August, and \$0.25 in November. As previously disclosed, we lowered our February dividend payment to partially replenish our cash reserves (after the large supplemental dividend payment late in 2012) and to also prepare for the significant capital expenditures we expected in 2013 related to our expanded vending rollout and distribution automation.

Our Board of Directors intends to continue paying quarterly dividends, provided that any future determination as to payment of dividends will depend upon the financial condition and results of operations of the Company and such other factors as are deemed relevant by the Board of Directors, such as dividend tax rates.
