The Issuer has prepared a preliminary offering circular dated September 9, 2019 (the "Preliminary Offering Circular") to which this communication relates. Before you invest, you should read the Preliminary Offering Circular and the Final Offering Circular (when available), including the documents incorporated by reference therein, for more information concerning the Issuer and the Notes. The Issuer or the Representatives will arrange to send you a copy of the Preliminary Offering Circular and the Final Offering Circular (when available) if you request it by calling (i) Citigroup Global Markets Inc. toll-free at 1-800-831-9146, (ii) Deutsche Bank Securities Inc. toll-free at 1-800-503-4611, (iii) MUFG Securities Americas Inc. toll-free at 1-877-649-6848 or (iv) RBC Capital Markets, LLC toll-free at 1-866-375-6829.

The Notes have not been, and are not required to be, registered with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Securities Act"), in reliance upon an exemption provided by Section 3(a)(2) of the Securities Act. The Notes are being offered and sold only to institutional investors that are "accredited investors" as defined in Rule 501 under the Securities Act.

The Notes are not deposits of the Issuer and are not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency and are subject to investment risk, including possible loss of principal. The Notes are issued by the Issuer and are not obligations of, or guaranteed by, the Issuer's parent company, Discover Financial Services, or any other affiliate of the Issuer.

We expect that delivery of the Notes will be made to investors on or about September 12, 2019, which will be the third business day following the date of pricing of the Notes (such settlement being referred to as "T+3"). Under Rule 15c6-1 of the U.S. Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade Notes on any date prior to two business days before delivery will be required, by virtue of the fact that the Notes initially will settle in T+3, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade Notes on any date prior to two business days before delivery should consult their own advisor.
