MSG Knickerbockers Corp. to Release Fiscal 2027 First Quarter Results

2026-10-30

NEW YORK--(BUSINESS WIRE)-- MSG Knickerbockers Corp. (NYSE: **MSGK**) will issue a press release on Friday, November 6, 2026 before the market opens reporting results for its fiscal first quarter ended September 30, 2026.

On October 26, 2026, the Company completed the spin-off of its New York Rangers ("Rangers") business. As a result of the timing of the spin-off, the Company's fiscal 2027 first quarter consolidated results will include the financial results of the Rangers business.

The Company generally hosts two earnings conference calls per year – one for its fiscal second quarter and one for its fiscal fourth quarter – which allows for a mid-season update, followed by a full-season review. Accordingly, there will be no earnings conference call this quarter.
