PROSIGHT GLOBAL, INC.

NOMINATING AND GOVERNANCE COMMITTEE CHARTER

Committee Membership:

The Nominating and Governance Committee (the “Committee”) of the Board of Directors (the “Board”) of ProSight Global, Inc. (the “Company”) shall, subject to an election by the Company to rely on the exemption available to controlled companies, consist solely of three or more members of the Board, each of whom the Board has determined has no material relationship with the Company and each of whom is otherwise “independent” under the rules of the New York Stock Exchange, Inc.

The members of the Committee shall be appointed by the Board. Members shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

Committee Purpose and Responsibilities:

The Committee shall have the purpose and responsibilities to:

1. Make recommendations to the Board from time to time as to changes that the Committee believes to be desirable to the size of the Board or any committee thereof.
2. Identify individuals believed to be qualified to become Board members, consistent with criteria approved by the Board, and select, or recommend to the Board, the nominees to stand for election as directors at the annual meeting of stockholders or, if applicable, at a special meeting of stockholders. In the case of a vacancy in the office of a director (including a vacancy created by an increase in the size of the Board), the Committee shall recommend to the Board an individual to fill such vacancy either through appointment by the Board or through election by stockholders. In selecting or recommending candidates, the Committee shall take into consideration the criteria approved by the Board, which are set forth in the Company’s Corporate Governance Guidelines and such other factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate’s experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. The Committee may consider candidates proposed by management, but is not required to do so.

3. Develop and recommend to the Board standards to be applied in making determinations as to the absence of material relationships between the Company and a director.
4. Identify Board members qualified to fill vacancies on any committee of the Board (including the Committee) and to recommend that the Board appoint the identified member or members to the respective committee. In nominating a candidate for committee membership, the Committee shall take into consideration the criteria approved by the Board, which are set forth in the Company's Corporate Governance Guidelines, and the factors set forth in the charter of that committee, if any, as well as any other factors it deems appropriate, including without limitation the consistency of the candidate's experience with the goals of the committee and the interplay of the candidate's experience with the experience of other committee members.
5. Recommend to the Board the establishment of any new committees of the Board that the Committee believes to be necessary or desirable.
6. Establish procedures for the Committee to exercise oversight of the evaluation of the Board.
7. Develop and recommend to the Board a set of corporate governance guidelines applicable to the Company, and to review those guidelines from time to time as the Committee deems appropriate.
8. Review and evaluate ESG (Environmental, Social, & Governance) practices of the Company, and ensure annual report to the Board.
9. Prepare and issue the evaluation required under "Performance Evaluation" below.
10. Assist management in the preparation of the disclosure in the Company's annual proxy statement regarding director independence and the operations of the Committee.
11. Report to the Board on a regular basis, and not less than once per year.
12. Perform any other duties or responsibilities expressly delegated to the Committee by the Board from time to time relating to the nomination of Board and committee members.

Committee Structure and Operations:

The Board shall designate one member of the Committee as its chairperson. In the event of a tie vote on any issue, the chairperson's vote shall decide the issue. The Committee

shall meet at least twice a year at a time and place determined by the Committee chairperson, with further meetings to occur, or actions to be taken by unanimous written consent, when deemed necessary or desirable by the Committee or its chairperson. Members of the Committee may participate in a meeting of the Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

Delegation to Subcommittee:

The Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the Committee.

Performance Evaluation:

The Committee shall prepare and review with the Board an annual performance evaluation of the Committee, which evaluation shall compare the performance of the Committee with the requirements of this charter. The performance evaluation shall also recommend to the Board any improvements to the Committee's charter deemed necessary or desirable by the Committee. The performance evaluation by the Committee shall be conducted in such manner as the Committee deems appropriate. The report to the Board may take the form of an oral report by the Secretary of the Company, the chairperson of the Committee or any other member of the Committee designated by the Committee to make this report.

Resources and Authority of the Committee:

The Committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to select, retain, terminate, and approve the fees and other retention terms of special counsel or other experts or consultants, as it deems appropriate, without seeking approval of the Board or management. With respect to consultants or search firms used to identify director candidates, this authority shall be vested solely in the Committee.
