

Investment Considerations

Niche Leading Subsidiaries

Opportunity to own highly defensible middle market businesses with strong cash flows and a 'reason to exist.' These businesses are typically owned by founding families or private equity firms; CODI provides liquid ownership platform with high levels of transparency and governance.

Considerable Financial Strength

\$600M available under revolving line of credit, \$205M in cash and net working capital of \$517M.

Strong Growth Prospects

Opportunities for organic growth at each of our niche market leading subsidiaries are enhanced by the operating flexibility created by our financial strength. In addition, our financial capacity enables us to aggressively pursue attractive opportunities to grow our company through add-on or new platform subsidiary acquisitions.

Attractive Distribution

\$0.36 per common share quarterly distribution declared on 07/02/20.

Cumulative distributions of \$19.6752 paid since CODI's May 2006 IPO CODI has never reduced the quarterly payout in its history as a public company.

\$0.453125 per preferred share A quarterly distribution declared on 07/02/20.

\$0.4921875 per preferred share B, distribution declared 07/02/20. This distribution covers the period from and including April 30, 2020, up to, but excluding, July 30, 2020.

\$0.4921875 per preferred share C, distribution declared 07/02/20. This distribution covers the period from and including April 30, 2020, up to, but excluding, July 30, 2020.

Proven Management

Highly successful management team with a proven track record over the past twelve years of acquiring, managing and growing middle market businesses through various economic conditions.

COMPASS DIVERSIFIED

Compass Diversified (NYSE: CODI) offers shareholders a unique opportunity to own a diverse group of leading middle-market businesses. We own controlling interests in our subsidiary businesses, which maximizes our operating flexibility and drives long-term value creation.

Our differentiated permanent capital structure provides us with unmatched financial flexibility to be opportunistic and disciplined about our investments. The potential for extended ownership enables our collaborative, low leverage approach, which is attractive to management teams and allows subsidiaries to better manage for growth.

We maintain a strong internal culture of accountability and governance and deliver the highest level of transparency through quarterly financial reporting across our portfolio.

CODI owns and manages nine diverse subsidiaries. We believe these market leaders will continue producing stable cash flows over the long-term, enabling us to invest in their growth and make cash distributions to our shareholders.

Long-Term Growth Strategy

Acquisition Targets

We acquire niche-leading middle market businesses in various industries. These businesses are frequently ones that have 'outgrown' their entrepreneurial founder or are non-core subsidiaries of a larger parent corporation. Other qualities we look for include:

- Significant market share in a defensible industry niche
- Proven management team
- Low technological and/or product obsolescence risk
- Diverse customer and Supplier base

Operating Improvements

We work with our subsidiary management teams to expand cash flows by:

- Pursuing organic and/or external growth opportunities
- Considering alternate product applications or sourcing
- Improving management information systems
- Enhancing financial reporting and monitoring
- Implementing appropriate incentive compensation program

Key Factors for Success

- Disciplined approach to valuation and due diligence
- Proactive monitoring and management
