FORWARD-LOOKING STATEMENTS & DEFINITIONS

Forward-Looking Statements

This presentation contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. STAG Industrial, Inc. (“STAG” or the “Company”) intends such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 and includes this statement for purposes of complying with these safe harbor provisions. Forward-looking statements, which are based on certain assumptions and describe STAG’s future plans, strategies and expectations, are generally identifiable by use of the words “believe,” “will,” “expect,” “intend,” “anticipate,” “estimate,” “should”, “project” or similar expressions. You should not rely on forward-looking statements since they involve known and unknown risks, uncertainties and other factors that are, in some cases, beyond STAG’s control and which could materially affect actual results, performances or achievements. Factors that may cause actual results to differ materially from current expectations include, but are not limited to, the risk factors discussed in STAG’s most recent Annual Report on Form 10-K for the year ended December 31, 2023, as updated by the Company’s subsequent reports filed with the Securities and Exchange Commission. Accordingly, there is no assurance that STAG’s expectations will be realized. Except as otherwise required by the federal securities laws, STAG disclaims any obligation or undertaking to publicly release any updates or revisions to any forward-looking statement contained herein (or elsewhere) to reflect any change in STAG’s expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.

Defined Terms, Including Non-GAAP Measurements

Please refer to the Company’s supplemental information package for definitions of capitalized terms used herein, such as Cash Rent Change and Retention, as well as “non-GAAP” financial measures, such as Adjusted EBITDAre, Cash Available for Distribution, Cash NOI and Core FFO. The Company’s supplemental information package provides reconciliations of non-GAAP financial measures to net income (loss) in accordance with generally accepted accounting principles in the U.S. (“GAAP”). None of the non-GAAP financial measures is intended as an alternative to net income (loss) in accordance with GAAP as a measure of the Company’s financial performance.

The supplemental information package, which contains additional disclosures and financial information, is available on the Company’s website at www.stagindustrial.com.

Accelerating re-shoring and near-shoring trends continue to drive domestic warehouse space demand

Approximately one-third of STAG’s portfolio is located within 60-mile radius of Megasite Projects

Megasite Projects are defined as sites listed on the White House “Investing in America” initiative that documents areas where public policy and private investment have combined to inject more than $464 billion in private investment across Electric Vehicles, Batteries, Semiconductors, and Electronics since 2021. A 60-mile radius is approximately a one-hour drive.
1. CBRE-EA Tier 1 industrial markets are those markets with a sufficient sample of building-by-building rent observations at the market and submarket level over the trailing 10 years. The Tier 1 list includes 75 of the 131 markets covered by CBRE-EA and is highly correlated with larger populations and/or more established industrial markets.

2. CBRE-EA Tier 1 industrial markets only. Excludes buildings purchased after 12/31/2020.

STAG has completed more Value-Add projects since 2020 than IPO to 2019

20+ value-add leasing projects identified and executed through STAG’s leasing & operating platform

~ 20 building expansion projects identified & completed by STAG’s Asset Management & Capital Projects teams

Leveraging local market expertise and relationships to take advantage of opportunities

**VACANT ACQUISITION**
**JEFFERSONVILLE, IN**

Acquired a newly constructed 563K SF Class A warehouse in September 2022.

- Executed a new lease for ½ of the building within 4 months of the acquisition. Soon after that, the tenant expanded into the remaining space in the building. Five-year lease to a large investment grade tenant.
- Located in a primary submarket of Louisville, KY, the building is Class A with 36’ clear height, ESFR, ample car and trailer parking.
- Exceeded underwritten rent by 27%.

**KNOWN VACATE ACQUISITION**
**HAZLETON, PA**

Acquired 590K SF warehouse in December 2021. At acquisition, tenant occupying a 160K SF suite was projected as a known vacate.

- We were able to renew the tenant for 12 months upon expiration of the original lease. During the renewal period we negotiated an extension and expansion of the adjacent tenant into the 160K SF suite.
- The extension represented a 22% Cash Rent Change with 4% annual escalators.
- Expansion converted the asset back to a two-tenant building, resulting in a better fit for the market.

**BUILDING EXPANSION**
**WESTAMPTON, NJ**

Acquired 129K SF Class A warehouse in November 2021. At acquisition, a potential 60K SF building expansion was identified.

- Expansion of the Class A suite was completed in January 2023. Executed a new lease with an investment grade tenant starting in June 2023.
- Exceeded underwritten rent by 42%.

1. Acquisition cap rate compared to third party real estate brokerage estimate of current exit cap rate.

© 2024 STAG Industrial, Inc.
Four development projects completed and in-process to date

**BURLINGTON, NJ**
Acquired 500K SF building with 25 acres of excess land in 2015, which was subdivided for development.

Full Class A building specifications with an independent access drive to enhance ingress/egress.

Construction began in April 2019 and the building was completed on May 11, 2020.

Signed a long-term lease with a large investment grade rated e-commerce tenant in July 2020.

Achieved an estimated 9.2% stabilized yield on the project.

Tenant renewed in February 2023 at a Cash Rent Change of 61.5%.

**WEST SACRAMENTO, CA**
Acquired in December 2021 while project was under construction.

Located in primary submarket of Sacramento near two major interstates, the Port of Sacramento, and downtown.

Substantial building shell completion was achieved on May 23, 2022.

Best-in-class specifications including 40’ clear height, ESFR, LED, and trailer storage.

Signed a long-term lease in October 2022 at an above market rent.

**GREER, SC (PORT 290)**
Acquired 76 acres of land in April 2022 with the intent to develop two class A warehouses totaling approximately 720K SF.

Located in a primary submarket of the Greenville-Spartanburg market with close proximity to the GSP airport, Inland Port at Greer, BMW plant, and two interstates.

Construction began in April 2022 and substantial shell completion was achieved in Q3 2023. The remaining construction, including four offices for multi-tenant use, was completed in February 2024.

**TAMPA, FL**
Acquired 31 acres of entitled land in August 2023 with the intent to develop two class A warehouses totaling approximately 300K SF.

Located in the East submarket, a supply constrained submarket with a shallow pipeline of competitive new product being delivered, and with close proximity to a major interstate/downtown Tampa.

Construction began in September 2023 with an estimated substantial shell completion date in the second half of 2024.

Average projected suite size of approximately 50K SF to meet increased tenant demand in this size range.

ACQUISITIONS PLATFORM

PROCESS DRIVEN APPROACH TO ADDRESS ATTRACTIVE OPPORTUNITY

MICHAEL C. CHASE
Executive Vice President and Chief Investment Officer

- Value created via granular approach to acquisitions across a broad opportunity set
- Benefit from relationships with real estate brokers developed over time who value STAG’s institutional transactional certainty
- Difficult-to-replicate platform constructed to rationally evaluate thousands of opportunities – quantitative approach allows for wide opportunity set
- Leverage data analytics to identify markets and potential acquisition opportunities
- Average annual acquisition volume of ~$800 million over the last six years

SACRAMENTO, CA
In August 2023, STAG acquired this building located in Sacramento and 100% leased to HD Supply with an initial remaining lease term of 15 months.

HD Supply was renewed for 36 months with 4% annual escalators and a Cash Rent Change of 44%.

Located in Power Inn, Sacramento’s most established and largest submarket, the building was a rare stand-alone 100K SF cross-dock facility that was also easily divisible down to 50K SF which offered flexibility in a re-leasing scenario.

SPARTANBURG, SC
In an off-market deal, acquired two 233K SF recently delivered vacant spec buildings in Spartanburg, SC in October 2023.

The Class A buildings are well-located in the Greenville/Spartanburg market with direct frontage on I-85.

At closing, STAG signed a full building lease on one of the buildings above pro-forma. This initial lease-up was well ahead of initial underwriting.

EL PASO, TX
Acquired a four-building 326K SF portfolio in greater El Paso, TX in July 2022.

The portfolio consisted of well-located infill assets in close proximity to local / regional infrastructure providing the existing tenant base with cross border and regional distribution capabilities.

As of closing, the portfolio had a WALT of 3.5 years with in-place rents approximately 20% below market.

Since closing on the portfolio, STAG executed on one renewal in a 20k SF suite at a Cash Rent Change of 84%.
CONSERVATIVE BALANCE SHEET POSITIONED TO SUPPORT GROWTH

# HISTORICAL TREND

**Internal Growth**
- Average Same Store Cash NOI growth of ~2.5% over past nine years

**2024 GUIDANCE**
- Same Store Cash NOI growth of 4.75% - 5.25%
  - Retention range of 70% – 75%
  - Cash Rent Change of 25% to 30%
  - WA rental escalators above 2.7% across portfolio

**NOTES**
- Expect recent Same Store Cash NOI growth to be sustainable, driven by increase in rental escalators, higher cash releasing spreads, and shorter downtimes as compared to historical trend
- 90.8% of expected 2024 new and renewal leasing has been addressed, consisting of 11.9 million square feet, achieving Cash Rent Change of 28.4% \(^1\)

**External Growth**
- Average acquisition volume of ~$800 million over past six years

**2024 GUIDANCE**
- Acquisition volume range of $350 million to $650 million
  - Stabilized Cash Capitalization Rate of 6.00% - 6.50%
  - Disposition range of $75 to $125 million

**NOTES**
- Pipeline equal to $3.5 billion \(^2\)

**G&A**
- G&A as a % of NOI has averaged ~12% over past nine years

**2024 GUIDANCE**
- G&A range of $49 to $51 million

**NOTES**
- G&A as a % of NOI below 9% as of Q1 2024; Additional scalability in platform will maintain downward pressure

**Capital Expenditures**
- Average capital expenditure as a percentage of Cash NOI of 7% over past five years

**2024 GUIDANCE**
- Capital expenditure as a percentage of Cash NOI of ~7%

**Capitalization**
- Reduction in leverage since 2015 with Net Debt plus preferred to Annualized Run Rate Adjusted EBITDA reduced from 6.4x in 2015 to 4.9x as of Q1 2024
- Cash Available for Distribution payout ratio equal to 69.9% as of Q1 2024

**ESG - ENVIRONMENTAL**

**GREEN LEASE LEADERS AWARD RECIPIENT**
Recognizes forward-thinking companies that utilize energy efficient and sustainable leases

- Gold level since 2020
- STAG form lease includes environmentally friendly provisions focused on utility transparency to promote sustainability

**REFLECTIVE ROOFING**
Reflect sunlight to reduce warehouse temperature and decrease energy usage

- 48% of the portfolio has reflective roofing
- Actively pursuing opportunities nationwide

**SOLAR PANEL INSTALLATION**
Leverage rooftop square footage to create clean energy

- 30.4 MW completed by the end of 2023
- Currently evaluating 40 solar projects over the next several years with the potential to double the current capacity

**LED LIGHTING CONVERSION**
More efficient lighting system reduces energy usage

- Fluorescent or LED lighting systems in 90%+ of portfolio
- Converted 27.3 million SF of less efficient lighting systems with LED since 2016
- Actively pursuing additional opportunities for upgrade across portfolio
