PITTSBURGH

PITTSBURGH--(BUSINESS WIRE [7])--EQM Midstream Partners (NYSE:EQM) today announced information regarding availability of the 2018 unitholder tax packages for current and previous investors in EQM, RMP, and EQGP.

EQM and RMP 2018 unitholder tax packages will be available online today, March 12, 2019. Mailing of the EQM and RMP tax packages is expected to begin on March 15, 2019. Online availability details are as follows:

- EQM investors can access their tax package and Schedule K-1 at www.taxpackagesupport.com/eqm [8] or by visiting the EQM Midstream Partners website at www.eqm-midstreampartners.com [9]. For additional information, unit holders may call Tax Package Support toll free at 1-855-886-9763 (8am – 5pm CT; Monday – Friday).
- RMP investors can access their tax package and Schedule K-1 at <https://www.taxpackagesupport.com/rice> [10] or by visiting the EQM Midstream Partners website at www.eqm-midstreampartners.com [9]. For additional information, unit holders may call Tax Package Support toll free at 1-844-289-8135 (8am – 5pm CT; Monday – Friday).

EQGP 2018 unitholder tax packages are expected to be available online beginning March 18, 2019. Mailing of the 2018 EQGP tax packages is expected to begin on March 22, 2019. Online availability details are as follows:

- EQGP investors can access their tax package and Schedule K-1 at www.taxpackagesupport.com/eqgp [11] or by visiting the EQM Midstream Partners website at www.eqm-midstreampartners.com [9]. For additional information, unit holders may call Tax Package Support toll free at 1-855-839-3956 (8am – 5pm CT; Monday – Friday).

About EQM Midstream Partners

EQM Midstream Partners, LP (EQM) is a growth-oriented limited partnership formed to own, operate, acquire, and develop midstream assets in the Appalachian Basin. As one of the largest gatherers of natural gas in the United States, EQM provides midstream services to producers, utilities, and other customers through its strategically located natural gas transmission, storage, and gathering systems, and water services to support energy development and production in the Marcellus and Utica regions. EQM owns approximately 950 miles of FERC-regulated interstate pipelines and approximately 2,200 miles of high- and low-pressure gathering lines.
