About Equitrans Midstream Corporation

Equitrans Midstream Corporation (ETRN) has a premier asset footprint in the Appalachian Basin and is one of the largest natural gas gatherers in the United States. With a rich 135-year history in the energy industry, ETRN was launched as a standalone company in 2018 and, through its subsidiaries, has an operational focus on gas gathering systems, transmission and storage systems, and water services assets that support natural gas producers across the Basin. ETRN is helping to meet America's growing need for clean-burning energy and strives to provide a rewarding workplace and enrich the communities where its employees live and work. ETRN owns the general partner interest, the incentive distribution rights, and a 30.6% limited partner interest in EQM.
