

## TCP PROFILE

BlackRock TCP Capital Corp. (NASDAQ: TCPC) is a specialty finance company focused on senior secured lending primarily to established middle-market companies as well as small businesses. TCPC's portfolio is diversified across a wide range of industries with a focus on those where the investment team has deep knowledge and expertise. TCPC's investment objective is to achieve high total returns through current income and capital appreciation, with an emphasis on principal protection. TCPC is a business development company, or BDC, regulated under the Investment Company Act of 1940. TCPC is externally managed by its advisor, Tennenbaum Capital Partners, LLC ("TCP" or the "Advisor"), a wholly-owned, indirect subsidiary of BlackRock, Inc. The Advisor has 20 years of experience investing in middle-market companies and small businesses. TCPC completed its IPO in April 2012.

### Footnotes:

- 1) Net of cash. Excludes SBIC debt, which is exempt from regulatory asset coverage requirements.
- 2) Compared with average management fee rate, incentive hurdle and incentive fee rate for publicly traded, externally managed BDCs with market capitalization of more than \$200 million. Based on SEC filings.
- 3) Weighted average annual effective yield includes amortization of deferred debt origination and end-of-term fees and accretion of original issue discount, but excludes market discount, any prepayment and make-whole fee income, and any debt investments that are distressed or on non-accrual status. Weighted average effective yield on the total portfolio (including debt investments that are distressed or on non-accrual status and equity investments) was 11.0% as of 3/31/2019.

### Forward-Looking Statements

Prospective investors considering an investment in BlackRock TCP Capital Corp. should consider the investment objectives, risks and expenses of the Company carefully before investing. This information and other information about the Company are available in the Company's filings with the Securities and Exchange Commission ("SEC"). Copies are available on the SEC's website at [www.sec.gov](http://www.sec.gov) and the Company's website at [www.tcpcapital.com](http://www.tcpcapital.com). Prospective investors should read these materials carefully before investing.

This presentation may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are based on estimates, projections, beliefs and assumptions of management of the Company at the time of such statements and are not guarantees of future performance. Forward-looking statements involve risks and uncertainties in predicting future results and conditions. These forward-looking statements do not meet the safe harbor for forward-looking statements pursuant to Section 27A of the Securities Act or Section 21E of the Securities Exchange Act. Actual results could differ materially from those projected in these forward-looking statements due to a variety of factors, including, without limitation, changes in general economic conditions or changes in the conditions of the industries in which the Company makes investments, risks associated with the availability and terms of financing, changes in interest rates, availability of transactions, and regulatory changes. Certain factors that could cause actual results to differ materially from those contained in the forward-looking statements are included in the "Risk Factors" section of the Company's Form 10-K for the year ended December 31, 2018, and the Company's subsequent periodic filings with the SEC. Copies are available on the SEC's website at [www.sec.gov](http://www.sec.gov) and the Company's website at [www.tcpcapital.com](http://www.tcpcapital.com). Forward-looking statements are made as of the date of this presentation, or as of the prior date referenced in this presentation, and are subject to change without notice. The Company has no duty and does not undertake any obligation to update or revise any forward-looking statements based on the occurrence of future events, the receipt of new information, or otherwise.
