(2) During the three months ended 3/31/2020, our performance temporarily fell below the total return hurdle and therefore no incentive fees were earned for the period as of 3/31/2020. As of 6/30/2020, our cumulative total return again exceeded the hurdle and the Advisor was entitled to amounts earned but not previously paid with respect to net investment income for the three months ended 3/31/2020 (the "First Quarter 2020 Catchup Amount"). However, rather than receiving all incentive compensation earned as of 6/30/2020, the Advisor voluntarily deferred 5/6 of the First Quarter 2020 Catchup Amount to subsequent quarters such that 1/6 of the First Quarter 2020 Catchup Amount will be paid in any subsequent quarter to the extent that our cumulative performance exceeds the total return hurdle in such quarter.
