

Dear Stockholder

April 5, 2018

Please join us for the Zebra Technologies Corporation 2018 Annual Meeting of Stockholders. We will hold the meeting at 10:30 a.m., Central Time, on Thursday, May 17, 2018, at our headquarters at 3 Overlook Point, Lincolnshire, Illinois 60069.

At the annual meeting, stockholders will be asked to vote on each of the four proposals set forth in the Notice of Annual Meeting of Stockholders and the Proxy Statement, which describe the formal business to be conducted at the annual meeting and follow this letter.

Beginning with this proxy statement, we are pleased to take advantage of rules and regulations adopted by the Securities and Exchange Commission allowing companies to furnish proxy materials to their stockholders over the Internet. We believe that the e-proxy process will expedite stockholders' receipt of proxy materials and reduce the costs and environmental impact of our Annual Meeting of Stockholders. On April 5, 2018, we began mailing a Notice of Internet

Availability of Proxy Materials to our stockholders containing instructions on how to access our Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2017, as well as instructions regarding how to receive paper copies of these documents if you prefer.

Your vote on the matters to be considered at the annual meeting is important, regardless of the size of your holdings. Whether or not you plan to attend the meeting, we urge you to vote your shares as soon as possible via the Internet or by telephone. If you received a paper copy of the proxy card by mail, you may sign and return the proxy card in the envelope provided, or may request a proxy card to complete, sign, and date and return by mail. By voting in advance of the meeting, you can ensure your shares will be represented and voted at the meeting, and you will spare Zebra the expense of a follow-up mailing. Even if you vote before the meeting you may still attend the meeting and vote in person.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael A. Smith".

Proxy Statement

We are providing you with these proxy materials in connection with the solicitation by Zebra's Board of Directors of proxies for our 2018 Annual Meeting of Stockholders. We will hold the annual meeting at 10:30 a.m., Central Time, on Thursday, May 17, 2018, at our headquarters at 3 Overlook Point, Lincolnshire, Illinois 60069.

In accordance with rules and regulations of the SEC, instead of mailing a printed copy of our proxy materials to each stockholder of record or beneficial owner, we are furnishing the proxy materials, which include this proxy statement and the accompanying proxy card, notice of meeting, and annual report to stockholders, to our stockholders over the Internet unless otherwise instructed by the stockholder. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet

Availability of Proxy Materials. The Notice of Internet Availability of Proxy Materials was first mailed on or before April 5, 2018 to all stockholders of record as of March 23, 2018, the record date.

This proxy statement contains important information regarding our annual meeting, the proposals on which you are being asked to vote, information you may find useful in determining how to vote, and information about voting procedures. As used herein, "we," "us," "our," "Zebra" or the "Company" refers to Zebra Technologies Corporation.

Questions and Answers About the Annual Meeting and These Proxy Materials

WHAT MATTERS WILL BE VOTED ON AT THE ANNUAL MEETING?

The following matters will be voted on at the meeting:

- Proposal 1: To elect the three Class I directors named in this proxy statement with terms to expire in 2021;
- Proposal 2: To hold an advisory vote to approve the compensation of our named executive officers;
- Proposal 3: To approve our 2018 Long-Term Incentive Plan;
- Proposal 4: To ratify the appointment by our Audit Committee of Ernst & Young LLP as our independent auditors for 2018; and
- Such other business if properly presented or any adjournment or postponement of the annual meeting.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND THAT I VOTE?

Zebra's Board recommends that you vote:

- FOR the election of the three directors nominated by our Board and named in this proxy statement, consisting of three Class I Directors with terms expiring in 2021;
- FOR the approval, on an advisory basis, of the compensation of our named executive officers;
- FOR the approval of the 2018 Long-Term Incentive Plan; and
- FOR ratification of the appointment by our Audit Committee of Ernst & Young LLP as our independent auditors for 2018.

WILL THERE BE ANY OTHER ITEMS OF BUSINESS ON THE AGENDA?

If any other items of business or other matters are properly brought before the annual meeting, your proxy gives discretionary authority to the persons named on the proxy card with respect to those items of business or other matters. The persons named on the proxy card intend to vote the proxy in accordance with their judgment. Because the deadlines for stockholder proposals and nominations have passed, we do not expect any items of business to be brought before the annual meeting other than the items described in this proxy statement.

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

Holders of our Class A common stock at the close of business on March 23, 2018, the record date, may vote at the meeting. We refer to the holders of our Class A common stock as "stockholders" throughout this proxy statement. Each stockholder is entitled to one vote for each share of Class A common stock held as of the record date.

WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A STOCKHOLDER OF RECORD AND AS A BENEFICIAL OWNER?

You may own shares directly in your name as a stockholder of record, which includes shares for which you have certificates. If your shares are registered directly in your name, you are the **holder of record** of those shares and you have the right to give your voting proxy directly to us or to vote in person at the meeting.

You may also own shares indirectly through a broker, bank or other holder of record. If you hold your shares indirectly, you hold the shares in “street name” and are a **beneficial holder**. As a beneficial holder, you have the right to direct your broker, bank or other holder of record how to vote by completing a voting instruction form.

DO I HAVE TO DO ANYTHING IN ADVANCE IF I PLAN TO ATTEND THE ANNUAL MEETING IN PERSON?

An individual who is a beneficial owner of Class A common stock must bring to the meeting a legal proxy from the organization that holds the shares or a brokerage statement showing ownership of shares as of the close of business on the record date. Representatives of institutional stockholders must bring a legal proxy or other proof that they are representatives of a firm that held shares as of the close of business on the record date and are authorized to vote on behalf of the institution.

DO I HAVE ELECTRONIC ACCESS TO THE PROXY MATERIALS AND ANNUAL REPORT?

For **holders of record**, we are pleased to offer the opportunity to receive stockholder communications electronically. By signing up for electronic delivery of documents such as our annual report and the proxy statement, you can access stockholder communications as soon as they are available without waiting for them to arrive in the mail. Holders of record can also reduce the number of documents in their personal files, eliminate duplicate mailings, conserve natural resources, and help reduce our printing and mailing costs. If you are a holder of record and would like to receive stockholder communications electronically in the future, please contact Computershare at 800-522-6645 or 201-680-6578. Enrollment is effective until cancelled.

Beneficial holders should refer to the information provided by the broker, bank or other institution that is the holder of record for instructions on how to elect to receive proxy statements and annual reports via the Internet. Most stockholders who hold their stock through a broker, bank or other holder of record and who have electronic access will receive an e-mail message containing the Internet address to use to access our proxy statement and annual report.

WHY DID I RECEIVE A ONE-PAGE NOTICE OF INTERNET AVAILABILITY OF PROXY MATERIALS IN THE MAIL REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS INSTEAD OF A FULL SET OF PRINTED MATERIALS?

Pursuant to rules adopted by the SEC, we have made these proxy materials available via the Internet and have elected to use the SEC’s notice and access rules for soliciting proxies. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to all stockholders as of the record date. All stockholders may access these proxy materials on the website referred to in the

Notice of Internet Availability of Proxy Materials. Stockholders may also request to receive a printed set of these proxy materials. Instructions on how to access these proxy materials via the Internet and how to request a printed copy can be found in the Notice of Internet Availability of Proxy Materials. Additionally, by following the instructions in the Notice of Internet Availability of Proxy Materials, stockholders may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. As noted above, choosing to receive your future proxy materials by e-mail will save Zebra the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment.

WHY DID MY HOUSEHOLD RECEIVE ONLY ONE COPY OF THE NOTICE OF INTERNET AVAILABILITY OF PROXY MATERIALS OR PROXY MATERIALS?

In addition to furnishing proxy materials electronically, we take advantage of the SEC’s “householding” rules to reduce the delivery cost of materials. Under such rules, only one Notice of Internet Availability of Proxy Materials or, if you have requested paper copies, only one set of proxy materials is delivered to multiple stockholders sharing an address unless we have received contrary instructions from one or more of the stockholders. If you are a stockholder sharing an address and wish to receive a separate Notice of Internet Availability of Proxy Materials or copy of the proxy materials, you may so request by contacting Computershare by phone at 1-800-522-6645 or 201-680-6578 or by mail to P.O. Box 30170, College Station, Texas 77845. A separate copy will be promptly provided following receipt of your request, and you will receive separate materials in the future. If you currently share an address with another stockholder but are nonetheless receiving separate copies of the materials, you may request delivery of a single copy in the future by contacting Computershare at the number or address shown above.

HOW DO I VOTE MY SHARES?

Your vote is important. We encourage you to vote promptly, which may save us the expense of a second mailing.

If you are a **holder of record**, you may vote your shares in any of the following ways:

- by telephone – You may vote your shares by calling the toll-free telephone number on the Notice of Internet Availability of Proxy Materials or your proxy card. You may vote by telephone 24 hours a day through 11:59 p.m., Eastern Time, on May 16, 2018. The telephone voting system has easy-to-follow instructions and allows you to confirm that the system has properly recorded your vote. If you vote by telephone, you do not need mail a proxy card.
- via the Internet – You may vote your shares via the website <http://www.proxyvote.com>. You may vote via the Internet 24 hours a day through 11:59 p.m., Eastern Time, May 16, 2018. As with telephone voting, you may confirm that the system has properly recorded your vote. If you vote via the Internet, you do not need to mail a proxy card. You may incur costs such as telephone and Internet access charges if you vote via the Internet.

- by mail – If you received your proxy materials by mail, you may vote your shares by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope.
- in person at the annual meeting – If you choose not to vote by telephone, via the Internet or by mail, you may still attend the meeting and vote in person. If you vote prior to the meeting, you may still attend the meeting and vote in person.

If you are a **beneficial holder**, the instructions that accompany your proxy materials will indicate whether you may vote by telephone, via the Internet or by mail. If you wish to attend the meeting and vote in person, you must bring a legal proxy from the organization that holds the shares or a brokerage statement showing ownership of shares as of the close of business on the record date.

CAN I REVOKE OR CHANGE MY VOTE AFTER I SUBMIT MY PROXY?

If you are the **holder of record**, you may revoke your proxy at any time before your shares are voted if you (1) submit a written revocation to our Corporate Secretary, (2) submit a later-dated proxy to our Corporate Secretary, (3) provide subsequent telephone or Internet voting instructions, or (4) vote in person at the meeting. If you are a **beneficial owner** of shares, you must contact the broker or other nominee holding your shares and follow their instructions for changing your vote.

WHAT IF I DO NOT SPECIFY HOW MY SHARES ARE TO BE VOTED?

Our Board has appointed Michael A. Steele and Jim L. Kaput to serve as the proxies for the meeting. Mr. Steele is Vice President, Investor Relations, of Zebra. Mr. Kaput is Senior Vice President, General Counsel and Corporate Secretary, of Zebra. By giving us your proxy, you are authorizing the proxies to vote, jointly or individually, your shares in the manner you indicate.

If you are a **holder of record** and you submit a proxy, but you do not provide voting instructions, your shares will be voted:

- FOR the election of three directors nominated by our Board and named in this proxy statement as Class I directors with terms to expire in 2021 (Proposal 1);
- FOR the approval, on an advisory basis, of the compensation of our named executive officers (Proposal 2);
- FOR the approval of the 2018 Long-Term Incentive Plan (Proposal 3);
- FOR ratification of the appointment by our Audit Committee of Ernst & Young LLP as our independent auditors for 2018 (Proposal 4); and
- In the discretion of the named proxies regarding any other matters properly presented for a vote at the annual meeting.

If you are a **beneficial owner** and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if he or she has the discretionary authority to vote on the particular matter. Under the

NYSE's rules, brokers and other nominees have the discretion to vote on routine matters such as Proposal 4, but do not have discretion to vote on non-routine matters such as Proposals 1, 2 and 3. If you do not provide voting instructions to your broker or other nominee, your broker or other nominee may only vote your shares on Proposal 4 and any other routine matters properly presented for a vote at the meeting.

WHAT CONSTITUTES A QUORUM, AND WHY IS A QUORUM REQUIRED?

A quorum is necessary to hold a valid meeting of stockholders. If stockholders holding a majority of the voting power of the stock issued and outstanding and entitled to vote at the meeting are present in person or by proxy, a quorum will exist. Shares owned by Zebra are not voted and do not count for quorum purposes. On March 23, 2018, we had 53,360,729 shares of Class A common stock outstanding, meaning that 26,680,365 shares of Class A common stock must be represented in person or by proxy to have a quorum. Your shares will be counted towards the quorum if you submit a proxy or vote at the meeting. Abstentions and broker non-votes will also count towards the quorum requirement. If there is not a quorum, a majority of the shares present at the meeting may adjourn the meeting to a later date.

To assure the presence of a quorum at the meeting, and even if you plan to attend the meeting, please vote your shares by toll-free telephone or via the Internet or, if you received your proxy materials by mail, complete, sign and date your proxy card and return it promptly in the enclosed postage-paid envelope.

WHAT IS THE EFFECT OF A BROKER NON-VOTE?

Brokers or other nominees who hold shares of our Class A common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the meeting. A broker non-vote occurs when a broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the meeting. Thus, a broker non-vote will not affect our ability to obtain a quorum. Broker non-votes will not have any effect on the outcome of any proposal to be voted on at the meeting.

WHAT IS THE VOTE REQUIRED FOR EACH PROPOSAL?

Nominees for director are elected by a plurality of the votes cast; however, each nominee who is elected by a plurality vote who does not receive a majority vote will have his or her resignation from the Board considered in accordance with Zebra's Corporate Governance Guidelines. A "majority vote" means that the number of votes cast in favor of a nominee must exceed the number of votes withheld with respect to that nominee. Zebra has a

resignation process with respect to uncontested elections of directors if a nominee does not receive a majority vote for election to the Board. Prior to making these proxy materials available, each nominee for director submits a binding but contingent letter of resignation. If a nominee is then elected by a plurality vote but does not receive a majority vote, the nominee will have his or her resignation considered by the Nominating and Governance Committee in light of the best interests of Zebra and its stockholders. The Nominating and Governance Committee will make a recommendation to the Board concerning the acceptance or rejection of the resignation(s).

In any contested election, nominees for director will continue to be elected by a plurality of the votes cast without a contingent resignation to be considered by the Board conditioned on receipt of a majority vote. A “contested election” means an election of directors (i) for which the Corporate Secretary of Zebra has received a notice that a stockholder has nominated a person for election to the Board in compliance with Zebra’s Amended and Restated By-Laws and (ii) such nomination has not been withdrawn at least five days prior to the date Zebra first makes these proxy materials available to stockholders. Neither abstentions nor broker non-votes count as votes cast.

Proposal	Vote Required	Broker Discretionary Voting Allowed
Proposal 1 – Election of three Class I directors with terms expiring in 2021	Plurality of votes cast with resignation process if majority vote not achieved	No
Proposal 2 – Advisory vote to approve named executive officer compensation	Majority of the votes cast for or against	No
Proposal 3 – Approve our 2018 Long-Term Incentive Plan	Majority of the votes cast for or against	No
Proposal 4 – Ratify the appointment of Ernst & Young LLP as our independent auditors for 2017	Majority of the votes cast for or against	Yes

With respect to Proposal 1, you may vote FOR all nominees, WITHHOLD your vote as to all nominees, or vote FOR all nominees except those specific nominees from whom you WITHHOLD your vote. The three nominees receiving the most FOR votes will be elected. A properly executed proxy that is marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Proxies may not be voted for more than three nominees for director and stockholders may not cumulate votes in the election of directors.

With respect to Proposals 2, 3 and 4, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on any of these proposals, your abstention will not affect the vote on the proposal since the proposal requires approval of a majority of the votes cast for or against.

WHAT HAPPENS IF THE ANNUAL MEETING IS ADJOURNED OR POSTPONED?

Your proxy will still be effective and will be voted at the rescheduled annual meeting. You will still be able to change or revoke your proxy until it is voted.

WHO IS PAYING FOR THE COSTS OF THIS PROXY SOLICITATION?

We will bear the expense of soliciting proxies. We have retained Alliance Advisors LLC to solicit proxies for a fee of \$16,500 plus a reasonable amount to cover expenses. Proxies may also be solicited in person, by telephone or electronically by Zebra personnel who will not receive additional compensation for such solicitation. Copies of proxy materials and the Annual Report will be supplied to brokers and other nominees for the purpose of soliciting proxies from beneficial owners, and we will reimburse such brokers or other nominees for their reasonable expenses.

HOW CAN I FIND THE RESULTS OF THE ANNUAL MEETING?

Preliminary results will be announced at the meeting. Results also will be published in a current report on Form 8-K to be filed with the SEC within four business days after the meeting. If the official results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.

Corporate Governance

Corporate Governance Policies

Zebra believes that strong corporate governance practices help create long-term value for our stockholders. Our key governance policies, listed below, provide the framework for our corporate governance and assist the Board in fulfilling its duty to stockholders. Our commitment to these policies is vital to ensuring Zebra is managed and monitored in a responsible and value-driven manner.

- The **Corporate Governance Guidelines** address matters relating to the composition and operations of the Board of Directors
- The **Code of Business Conduct** applies to directors, officers, and employees, and addresses matters such as conflicts of interest, confidentiality, and fair dealing

- The **Code of Ethics for Senior Financial Officers** applies to our CEO, Chief Financial Officer, and Chief Accounting Officer, and addresses matters such as compliance with laws and regulations

The Board reviews (and if necessary, modifies) these policies periodically to ensure they reflect sound corporate governance policies and practices. The Corporate Governance Guidelines were amended in November 2017.

All of these documents are available on Zebra's website at <http://www.zebra.com> under "About Zebra-Investor Relations-Governance-Governance Documents."

Selecting Nominees for the Board

HOW WE FIND POTENTIAL DIRECTORS

The Nominating and Governance Committee of our Board of Directors is responsible for identifying individuals who are qualified to serve as directors and for recommending candidates. The Nominating and Governance Committee relies on several sources to identify potential directors, including referrals from current Board members and management, suggestions from stockholders, and individual self-nominations. From time to time, the Nominating and Governance Committee engages a search firm to identify prospective candidates for director.

Consideration of potential Board members typically involves a series of internal discussions, review of the candidates' qualifications, and interviews with promising candidates. Candidates from all sources are evaluated in the same way and are subject to the same standards.

WHAT WE LOOK FOR IN POTENTIAL DIRECTORS

We believe that Board candidates must exhibit certain minimum characteristics: sound judgment and an even temperament, high ethical standards, and a healthy view of the relative responsibilities of board members and management. In addition, our Board members should be independent thinkers, articulate and intelligent, and be able to commit time and attention to Zebra's business. The Nominating and Governance Committee's charter sets forth other important criteria, including experience as a board member of another publicly-traded company; experience in industries, global businesses or with technologies relevant to Zebra; accounting

or financial reporting experience; independence; and diversity of race, gender, nationality and ethnicity.

Each year the Nominating and Governance Committee reviews the performance of current directors whose terms will expire at the upcoming annual meeting of stockholders. When deciding whether to nominate an existing director for re-election, the Nominating and Governance Committee will confirm that the director still meets the criteria described above, but also will consider matters such as whether the director:

- represents stockholder interests in Board deliberations,
- demonstrates loyalty to Zebra,
- attends meetings regularly,
- keeps abreast of corporate and industry changes,
- prepares effectively for meetings with Board members and senior management,
- communicates effectively at Board and committee meetings and with senior management,
- supports the deliberative process as a team member (e.g., is courteous, respectful, and constructive),
- challenges the Board and management to set and achieve goals, and
- possesses special characteristics that contribute to effectiveness as a Board member.

Although the Board does not have a specific diversity policy, it considers diversity of race, ethnicity, gender, age, cultural background and professional experience in evaluating Board candidates and in nominating existing directors for re-election. The Board views diversity as an important factor because the

Board believes that a variety of points of view contributes to a more effective decision-making process. When recommending Board candidates for election or re-election by stockholders, the Board and Nominating and Governance Committee focus on how the experience and skillset of each Board candidate complements those of fellow candidates and members of the Board to create a balanced Board with diverse viewpoints and deep expertise.

The Board does not endorse a mandatory retirement age, term limits, or automatic re-nomination to serve as a director. The Board believes that Board and committee self-evaluation processes are the most effective means of assisting it in determining whether a director should continue to serve in that capacity. The Board assesses its contribution as a whole and identifies areas in which improvements may be made.

Director Independence

Under our Corporate Governance Guidelines and NASDAQ listing rules, a majority of our directors must be independent. Under NASDAQ listing rules, a director does not qualify as independent unless the Board affirmatively determines that the director has no relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In February 2018, the Nominating and

Governance Committee reviewed the independence of all Zebra directors and determined, and the Board formally approved, that each director, except Anders Gustafsson, our Chief Executive Officer, is independent under NASDAQ listing rules, and that no director other than Mr. Gustafsson has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Board Leadership Structure

Under our Corporate Governance Guidelines, the Board may be led by an independent Chairman or the roles of Chairman and Chief Executive Officer may be combined. When the CEO also serves as Chairman, the Corporate Governance Guidelines provide that the independent directors must appoint an independent lead director.

Michael Smith has served as an independent director since 1991, and as our independent Chairman since 2007. In that capacity, Mr. Smith presides at all meetings of stockholders and of the

Board, including executive sessions of the whole Board and of the independent directors. Mr. Smith's other duties include advising the CEO of matters discussed in executive sessions when appropriate, and approving Board agenda items. We believe that separating the positions of Chairman and CEO allows our CEO to focus on the strategic, operational, and financial matters necessary to operate Zebra's business. Mr. Smith provides independent leadership that reflects his experience with Zebra and the operation and history of the Board.

Executive Sessions

The Board and its committees regularly meet in executive session with and without the CEO.

Limitation on Service on Other Boards

The Corporate Governance Guidelines limit to four the number of other publicly traded for-profit boards on which a non-employee director may serve. Employee directors and executive officers are limited to service on the board of one for-profit entity other than Zebra, as approved by the Chairman.

Director Development

Directors are provided with continuing education, including business-specific learning opportunities through site visits and briefing sessions on topics that are relevant to Zebra. Directors are also encouraged to attend additional continuing education programs designed to enhance the performance of individual directors and the Board as a whole. Zebra reimburses the costs of

continuing director education programs. For new directors, Zebra provides an orientation and on-boarding to familiarize them with the company, Zebra's corporate governance practices, and the role and responsibility of a director and of the board of directors generally.

Stock Ownership Guidelines

Zebra's Stock Ownership Guidelines for executive officers and non-employee directors impose the following "multiple of pay" stock ownership requirements:

Covered Participant	Must hold the lesser of:		
	Multiple of Pay		Number of Shares
Chief Executive Officer	5x annual base salary	or	100,000
Executive Vice President	4x annual base salary	or	30,000
Senior Vice President	3x annual base salary	or	20,000
Vice President	1x annual base salary	or	10,000
Non-Employee Directors	5x annual board cash retainer	or	10,000

Directors and covered executives have five years after becoming subject to the Stock Ownership Guidelines to satisfy the applicable threshold ownership level. Until that ownership requirement is attained, directors and covered executives must retain 50% of their after-tax shares acquired upon exercise or vesting of an equity award. The Stock Ownership Guidelines are available on our website at <http://www.zebra.com> under "About Zebra-Investor Relations-Governance-Governance Documents."

In February 2018, the Compensation Committee reviewed compliance with the Stock Ownership Guidelines as of December 31, 2017, for all incumbent directors and executive officers. Except for Mr. Desai, who joined the Board in December 2015, all of our non-employee directors satisfied the applicable stock ownership level. Except for Mr. Schmitz, who joined Zebra as our Chief Marketing Officer in February 2016, each of Zebra's executive officers satisfied the applicable stock ownership level.

Oversight of Risk Management

The goal of our risk-management program is to provide reasonable assurance that a controllable risk will not have a material or significant adverse effect on Zebra. As set forth in our Corporate Governance Guidelines, the Board is responsible for the oversight of risk management. This responsibility is discharged primarily through the Audit Committee.

The Audit Committee receives regular reports from internal audit and from a risk committee made up of management employees regarding the identification and management of risk in our businesses. Until it was dissolved in August 2017, the Information Technology Committee was responsible for the oversight of risk specifically related to information technology. That responsibility has now been assumed by the Audit Committee. The Compensation Committee is responsible for the oversight of risk related to our compensation policies and practices.

The Audit Committee and the Compensation Committee report regularly to the Board regarding their oversight roles, and the Board regularly discusses significant risks facing Zebra. Management categorizes identified risks for more efficient analysis as follows:

- *market risks* include economic environment, competitive landscape, and currency/foreign exchange rates;
- *strategic risks* include succession planning, corporate governance, and strategic vision;
- *operational risks* include distribution, logistics, sales, and information technology (e.g., cybersecurity and business continuity);
- *financial risks* include tax, accounting, information technology, and liquidity; and

- *legal and compliance risks* include international trade, anti-bribery, product compliance, international laws and regulations, and litigation.

Management assesses identified risks that may be controlled by looking at the potential impact on Zebra, the likelihood of occurrence, and Zebra's level of risk exposure. Management cannot control market risks like general economic conditions, but these risks are evaluated against Zebra's activities to manage our exposure.

Risks arising out of Zebra's compensation policies and practices may, depending on the actions or behavior encouraged, be categorized as strategic, operational, financial, or legal and compliance risks. Management conducts an annual assessment of the risks arising out of Zebra's compensation policies and practices. Management reviewed each significant element of compensation for the purpose of determining whether that element—including any related performance goals and targets—encourages identifiable risk-taking behavior and whether any identified risks could have a material adverse effect on Zebra. As part of this review, management considers whether our compensation plan is designed to mitigate or cap risk, including features such as compensation caps under the Zebra Incentive Plan. In February and March 2017, management reviewed base salaries, the 2017 Zebra Incentive Plan, and equity awards granted under the 2015 Long-Term Incentive Plan. Based on this review, management prepared a report and discussed with the Compensation Committee its determination that our policies and practices are not reasonably likely to have a material adverse effect on Zebra.

Related-Party Transactions

Zebra's Related Party Transactions Policy applies to any transaction, arrangement or relationship in which Zebra and any related person are parties. For this purpose, a "related person" is a director or executive officer, their immediate family members, entities in which a director, executive officer or immediate family member is a partner or has a 10% or greater beneficial interest, and beneficial owners of more than 5% of our common stock and their immediate family members.

Our General Counsel and Audit Committee administer the Related Party Transactions Policy. If the General Counsel determines that a proposed transaction is a related-party transaction and thus is subject to the policy, then the Chairman of the Audit Committee or the full Audit Committee will review the proposed transaction to determine if it should be approved. The Related Party Transactions Policy provides that all relevant available facts and circumstances

should be considered, including: (i) the benefits to Zebra; (ii) the impact on a director's independence in cases where the related person is a director, an immediate family member of a director, or an entity in which a director is a partner, stockholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the related person's interest in the transaction; (v) the terms of the transaction; and (vi) the terms available to unrelated third parties or to employees generally.

At the end of each fiscal quarter, we conduct a related party survey that requires each director and executive officer to identify (a) all related parties, which includes family members and entities in which such director, executive officer or any family member has an ownership interest or for which such director, executive officer, or any family member serves as a director or officer, and (b) any transactions between Zebra and such related parties.

Compliance Reporting

Zebra maintains a compliance hotline and website to provide a confidential means for employees or other interested individuals to communicate concerns to management or the Board, including concerns regarding accounting, internal controls or audit matters, and compliance with laws, regulations, policies or the Code of Business Conduct. Our Chief Compliance Officer reports regularly to the Audit Committee on our Compliance and Ethics Program, including information about the communications received via the compliance hotline and website.

Communications with the Board

Any stockholder who would like to contact our Board may do so by writing to our Corporate Secretary at Three Overlook Point, Lincolnshire, Illinois 60069. Communications received in writing will be distributed to the appropriate members of the Board, depending on the content of the communication received.

Proposal 1 Election of Directors

The Board of Directors currently consists of eight directors. Seven of our directors are independent under NASDAQ listing requirements; the eighth director is Zebra's CEO. Each of the nominees currently serves as a director of Zebra.

Our Board of Directors is divided into three classes with staggered three-year terms. Every year we elect one class. We are asking stockholders to re-elect our three Class I directors, whose terms expire this year. If elected, Chirantan Desai, Richard L. Keyser, and Ross W. Manire will serve for a three-year term expiring at the 2021 annual meeting and until their successors are elected and qualified.

All three nominees have consented to stand for election and to serve if elected. However, if at the time of the annual meeting any nominee is unable or declines to serve, the individuals named in

the proxy will, at the direction of the Board of Directors, either vote for the substitute nominee or nominees recommended by the Board or vote to allow the vacancy to remain open until filled by the Board.

Committees of the Board

Our business is managed under the direction of our Board, which is kept advised of Zebra's business through regular and special meetings of the Board and its committees, written reports and analyses, and discussions with the CEO and other officers.

During 2017, our Board met seven times. All directors attended 75 percent or more of the meetings of our Board and the standing committees on which they served in 2017. Barring unforeseen circumstances, Zebra expects all directors to attend the annual meeting of our stockholders. The full Board attended the 2017 Annual Meeting.

Our Board has three standing committees—the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee—each of which is composed entirely of independent directors. The Board dissolved the Information Technology Committee in August 2017. Each of the standing committees operates pursuant to a written charter, which sets forth the committee's authority, duties, and responsibilities. The committees periodically review the adequacy of their respective charters, all of which are available on Zebra's website at <http://www.zebra.com> under "About Zebra-Investor Relations-Governance-Governance Documents."

The Audit Committee has the authority to engage and determine funding for outside legal, accounting or other advisors.

Our Board has determined that each member of the Audit Committee meets the independence requirements under NASDAQ listing rules and rules of the Securities and Exchange Commission, and that Mr. Manire is an "audit committee financial expert" as defined under SEC regulations. In addition, as required by NASDAQ listing rules, no member of the Audit Committee has participated in the preparation of financial statements of Zebra or any current subsidiary of Zebra within the past three years, and Mr. Manire has attained "financial sophistication" due to his current role as a CEO and his background as a CFO.

Director Compensation

Market Comparison

In November 2016, the Compensation Committee reviewed market data on both non-employee director compensation and the financial performance of the peer group, as well as general industry data for companies similar to Zebra. (For more information on the peer group, see “Compensation Discussion and Analysis—Overview of Our Executive Compensation Program.”) Using this data, the Compensation Committee confirmed that the 2017 total mix of compensation for the non-employee directors are at an appropriate level compared to the market, as shown below.

The Compensation Committee also reviewed the data on the cash compensation awarded to the chairs and members of the Board's standing committees. Based on this data, shown below, the Board decided not to adjust our non-employee director compensation for 2017.

Compensation Governance Practices

On an on-going basis, our Compensation Committee reviews whether the Company's compensation governance practices support the Company's executive compensation philosophies and objectives, as shown in the table below, and are aligned with stockholder interests. As part of this review, the Compensation Committee considers the results of our annual say-on-pay vote. Based on the approval by 96.6% of the votes cast for Zebra's

say-on-pay vote at our 2017 annual meeting, the Compensation Committee determined that the Company's executive compensation philosophies, objectives and elements continued to be appropriate. As a result, the Compensation Committee did not make any changes in the Company's executive compensation program.

Overview of Our Executive Compensation Program

Compensation Components

Our executive compensation program includes four components: base salary, annual incentive, long-term equity incentive, and employee benefits. Each component serves a particular purpose, so each is considered independently, but the four components combined provide a holistic total executive compensation approach. The Compensation Committee does not follow a pre-established formula to allocate total compensation among the various pay components.

For 2017, the Compensation Committee determined each Named Executive Officer's compensation levels by reviewing market data for each individual compensation component. Base salary, annual incentive and long-term equity incentive compensation for our

Named Executive Officers are targeted at market median when target performance goals are achieved. (For more information on market comparisons, see “Our Compensation Approach” below.) Actual compensation awarded varies based upon the attainment of financial and individual performance goals, as well as each executive's position, responsibilities and overall experience. (For more information on individual performance goals, see “Performance Management Process and Individual Adjustments” below.) We award superior pay when Zebra surpasses target performance goals or an executive's individual performance exceeds expectations.

The following table describes the purpose of each compensation component and how that component is related to our pay-for-performance approach and budget.

Compensation Component	Purpose of Compensation Component	Compensation Component in Relation to Performance
Base salary	To attract and retain executives by compensating them for the primary functions and responsibilities of the position.	Aligned to peer group benchmarking; any base salary increase an executive receives depends upon the individual performance, and the executive's displayed skills and competencies.
Annual cash incentive awards	To attract, retain, motivate and reward executives for achieving or surpassing key target performance goals at the company, business unit and individual level.	Financial and individual performance determines the actual amount of the executive's annual cash incentive award.
Long-term equity awards	To attract, retain, motivate and reward top talent to increase stockholder value.	Aligned to peer group benchmarking; an executive's past performance and future potential determine the amount of equity granted.
Employee benefits	To attract and retain executives by providing competitive health, welfare and retirement benefits packages in order to maintain their overall health.	Established within the overall employee benefit budget.

The objectives of Zebra's executive compensation approach include:

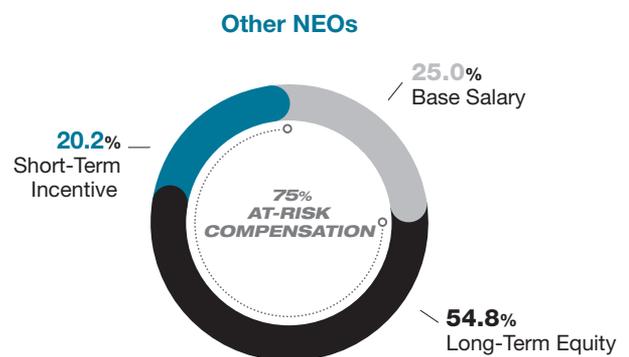

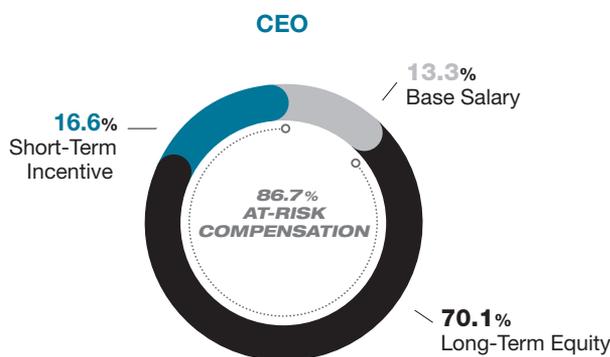

- Increasing stockholder value through long-term stock price growth;
- Maximizing Zebra's financial performance;
- Facilitating the delivery of the highest quality goods and services to our customers;
- Encouraging our employees to take actions that balance short-term achievements with long-term success without excessive risk;
- Motivating behavior to attain Zebra's objectives; and
- Attracting, retaining and rewarding the highest performing employees who contribute to our success.

Pay-for-Performance and At-Risk Compensation

Our executive officers are responsible for achieving long-term strategic goals, and their compensation is weighted toward rewarding long-term value creation for stockholders.

Our emphasis on creating long-term stockholder value is best illustrated in the following charts, which show that long-term

incentive compensation accounts for the largest percentage of the Named Executive Officers' overall compensation for 2017. In addition, a majority of the Named Executive Officers' compensation—consisting of long-term and short-term incentive compensation combined—is performance-based or "at risk."

Role of Our Compensation Committee

The Compensation Committee consists entirely of independent directors, none of whom have ever been employed by Zebra. As further described above under “Committees of the Board,” the Compensation Committee assists the Board by overseeing Zebra’s compensation and benefit programs, particularly as those programs apply to our Named Executive Officers

and non-employee directors. With input from the CEO, the Compensation Committee makes final decisions regarding all aspects of compensation for our Named Executive Officers other than the CEO. The Compensation Committee recommends a compensation package and the related performance targets for the CEO for final approval by all of the independent directors.

Role of the Independent Compensation Consultant

The Compensation Committee engaged Willis Towers Watson (WTW) as its independent executive compensation consultant for 2017. In that capacity, WTW provided competitive peer group and executive compensation data, analysis and guidance to help the Compensation Committee:

- establish a peer group;
- use benchmark compensation surveys;
- develop the design of our executive compensation program;
- set executive officer and non-employee director compensation; and
- review performance and determine payouts with respect to performance-based awards.

The Compensation Committee annually assesses WTW’s independence pursuant to relevant SEC and NASDAQ rules. To that end, the Compensation Committee received a letter from WTW addressing the firm’s independence, and concluded that no conflict of interest exists that would prevent WTW from providing independent advice.

Our Compensation Approach

In designing and implementing our total compensation program for 2017, we were guided primarily by market compensation data of a peer group of comparable publicly-traded companies and from broad-based surveys.

How We Establish the Peer Group

In July 2016, the Compensation Committee asked WTW, the committee’s independent compensation consultant, to review Zebra’s peer group and to make recommendations regarding changes. In response, WTW compiled data on the financial performance of eighteen publicly-traded companies viewed as comparable to Zebra, including all of the companies in the peer group used for 2016 executive compensation. In compiling the recommended peer group, WTW used the following methodology:

- Zebra’s 2015 Peer Group – review of the 2015 Zebra peer group for overall reasonableness and relevance;
- Industry Classification Research – review of all U.S.-based publicly-listed companies within the Global Industry Classification Standards (GICS) for the Technology Hardware and Equipment, Software and Services and Healthcare Equipment and Services; and
- Peers-of-Peers Analysis – review of companies that are disclosed as peers to companies in Zebra’s peer group.

The Compensation Committee then reviewed the following company-specific information provided by WTW for the proposed peer group:

- complexity and business model, including industry, cost structure, and geographic reach;

- size, primarily in terms of revenue (all 18 companies had 2016 revenue of between 50% and 200% of Zebra’s 2015 revenue of \$3.65 billion);
- whether the proposed peer group member competes with Zebra for executive talent;
- investor profile (i.e., whether the proposed peer group member is considered a reasonable investment alternative and attracts investors with similar risk/return expectations);
- market capitalization; and
- whether the proposed peer group member creates products of a technical nature.

In addition to reviewing this data, the Compensation Committee also considered whether potential peer companies regard Zebra as a peer.

For 2017, WTW recommended adding three companies to the 2016 peer group. The Compensation Committee agreed to two of those additions (Agilent Technologies and Insight Enterprises), and approved the companies shown below as the peer group for purposes of evaluating and determining 2017 executive compensation.

Key Compensation Decisions in 2017

To establish the compensation of the Named Executive Officers for 2017, the Compensation Committee and Mr. Gustafsson (who made recommendations regarding Named Executive Officers other than himself) reviewed competitive compensation

data for the peer group, market compensation data from broad-based surveys, and each Named Executive Officer's historical compensation. The 2017 compensation packages for the Named Executive Officers are described below.

2017 Base Salaries

For 2017, Mr. Gustafsson recommended increases in the base salaries of three Named Executive Officers effective as of March 19, 2017. Mr. Gustafsson did not recommend a base salary increase for Mr. Leonetti, who joined Zebra in November 2016 at a salary prescribed by his employment agreement. The Compensation

Committee discussed Mr. Gustafsson's recommendations and approved the recommended base salary adjustments for 2017. The Compensation Committee also recommended to the Board, and the Board approved, an increase in Mr. Gustafsson's 2017 base salary.

Our Named Executive Officers' annual base salaries appear in the following table:

Named Executive Officer	2016 Salary	2017 Salary	Percentage Increase
Anders Gustafsson	\$ 900,000	\$ 950,000	5.5%
William Burns	\$ 450,000	\$ 463,500	3.0%
Hugh K. Gagnier	\$ 425,000	\$ 437,750	3.0%
Joachim Heel	\$ 450,000	\$ 463,500	3.0%
Olivier Leonetti	\$ 525,000	\$ 525,000	N/A

2017 Annual Cash Incentive Awards

Target Awards

The 2017 Zebra Incentive Plan ("ZIP") provided for an annual cash incentive award based on the achievement of pre-determined financial performance goals. All five Named Executive Officers participated in the ZIP.

For each Named Executive Officer, the Compensation Committee (or, in the case of Mr. Gustafsson, the Board) establishes a target annual cash incentive award, which is set as a percentage of base salary. The Compensation Committee discussed each executive's performance with Mr. Gustafsson, and compared

each executive's target annual incentive—both the percentage of base salary and the absolute dollar amount—to the market. Mr. Gustafsson recommended that the Compensation Committee approve annual increases in the target annual cash incentive awards of three of the other Named Executive Officers. After considering Mr. Gustafsson's recommendations, the Compensation Committee approved increases in the target annual cash incentive award for two Named Executive Officers.

The 2017 target annual and maximum incentive percentages for Named Executive Officers were established as follows:

Named Executive Officer	2016 Target Annual Cash Incentive*	2016 Maximum Annual Cash Incentive*	2017 Target Annual Cash Incentive*	2017 Maximum Annual Cash Incentive*
Anders Gustafsson	115%	230%	125%	250%
William Burns	75%	150%	80%	160%
Hugh K. Gagnier	75%	150%	80%	160%
Joachim Heel	75%	150%	75%	150%
Olivier Leonetti	90%	180%	90%	180%

* expressed as a percentage of the officer's base salary earned during the calendar year.

Annual Incentive Plan Performance Metrics

For the 2017 ZIP, the Compensation Committee selected three financial performance metrics:

- 2017 consolidated net sales
- 2017 "Adjusted EBITDA," defined as earnings before interest income and expense, taxes, depreciation, amortization and Other Income/Expense, adjusted to remove equity-based compensation expense, adjustments for purchase accounting, and certain non-recurring charges
- Total long-term debt reduction

We included a goal of reducing the long-term debt incurred to support Zebra's 2014 acquisition of the Enterprise business to reflect our strategy to reduce leverage and create financial flexibility for potential investment opportunities. The consolidated net sales and adjusted EBITDA metrics were selected to encourage executives to focus on profitable sales growth for Zebra's business.

The Compensation Committee fixed the following threshold, target, and maximum performance goals for each metric based on the 2017 business plan.

Performance Goal	Performance Threshold	Performance Target	Performance Maximum
Net Sales	92.5% of net sales target	100.0% of net sales target	105.0% or more of net sales target
Adjusted EBITDA	80.0% of Adjusted EBITDA target	100.0% of Adjusted EBITDA target	112.5% or more of Adjusted EBITDA target
Total Long-Term Debt Reduction Target	N/A	Reduction of at least \$300 million	N/A

The net sales and Adjusted EBITDA performance goals were measured in two six-month performance periods with separate targets for each performance goal in each performance period. The total long-term debt reduction performance goal was measured only as of December 31, 2017. These performance goals correspond to threshold, target, and maximum payouts, as shown below.

Performance Metric	Weighting	Threshold payout [#]	Target payout [#]	Maximum payout [#]
Net sales		50%	100%	225%
Adjusted EBITDA ¹		50%	100%	225%
Total long-term debt reduction		N/A	100%	100%

* Achievement below the threshold results in a 0% payout percentage.

The payout for performance between threshold and target and between target and maximum is interpolated on a straight-line basis.

2017 Financial Performance Results and Payout Percentage

The table below shows Zebra’s performance for the three ZIP metrics, and the corresponding funding.

Performance Goal		Performance Period		
		H1	H2	12/31/2017
Net Sales	Actual Performance Achievement	\$1,763.1 million, or 102.9% of net revenue H1 performance target	\$1,961.5 million, or 105.4% of net sales H2 performance target	N/A
	Payout Percentage	186.4% of target incentive	225.0% of target incentive	N/A
Adjusted EBITDA	Actual Performance Achievement	\$308.5 million, or 105.8% of Adjusted EBITDA H1 performance target	\$383.6 million, or 103.4% of Adjusted EBITDA H2 performance target	N/A
	Payout Percentage	158.5% of target incentive	134.3% of target incentive	N/A
Total Long-Term Debt Reduction Target	Actual Performance Achievement	N/A	N/A	\$454 million, or 100% of Reduction of Long-Term Debt Target
	Payout Percentage	N/A	N/A	100%

The payouts on these individual metrics are converted to a ZIP payout percentage as follows:

$$\begin{aligned}
 \text{ZIP payout percentage} = & \text{ [(Weighted Average of H1 Net Sales Performance \& H2 Net Sales Performance) x 30\%]} \\
 & + \\
 & \text{ [(Weighted Average of H1 Adjusted EBITDA Performance \& H2 Adjusted EBITDA Performance) x 50\%]} \\
 & + \\
 & \text{ (total long-term debt reduction x 20\%)}
 \end{aligned}$$

Applying this formula to Zebra’s actual performance results leads to a ZIP payout for 2017 of 154.9%, as shown below:

$$\begin{aligned}
 154.9\% = & \text{ [(Weighted Average of (186.4\% \& 225.0\%)) x 30\%]} \\
 & + \\
 & \text{ [(Weighted Average of (158.5\% \& 134.3\%)) x 50\%]} \\
 & + \\
 & \text{ (100\% x 20\%)}
 \end{aligned}$$

Performance Management Process and Individual Adjustments

The amounts the Named Executive Officers would earn based on payout percentage shown above can be modified by the Board (for Mr. Gustafsson) or the Compensation Committee (for the other Named Executive Officers) due to performance against individual goals. When establishing those goals and determining compensation levels for the Named Executive Officers, the Compensation Committee looks to our annual performance management process and the results of our annual talent management review.

Each year, Mr. Gustafsson presents an overall talent management review to the Board, discussing the past performance and future potential of each executive officer and certain of their direct reports. This review includes a discussion of key skills, competencies, developmental opportunities and succession plans.

In determining the 2017 individual performance goals, the Compensation Committee considered each Named Executive Officer’s prior performance and Zebra’s expectations for the business initiatives under each executive’s purview. Performance evaluations also may take into account factors such as satisfaction of daily responsibilities, particular or general contributions to Zebra’s overall management, and whether the executive exhibits Zebra’s corporate values.

A Named Executive Officer’s annual incentive payout will not be adjusted if the executive meets expectations for the individual goals. These payouts may be reduced if an executive fails to meet expectations, or increased—though not above a maximum 200% of target award payout—if the executive exceeds expectations. The Compensation Committee conducted final evaluations for 2017 in early 2018, and determined no adjustments were necessary.

2017 Annual Incentive Payouts

Based on the performance and payout calculations shown above, the Named Executive Officers received the following annual cash incentive payments for 2017:

2017 ANNUAL CASH INCENTIVE AWARDS FOR THE NAMED EXECUTIVE OFFICERS

Named Executive Officer	Actual Award As a Percent of Eligible Compensation	Actual Award
Anders Gustafsson	193.6%	\$ 1,819,014
William Burns	123.9%	570,840
Hugh K. Gagnier	123.9%	539,126
Joachim Heel	116.2%	535,162
Olivier Leonetti	139.4%	731,903

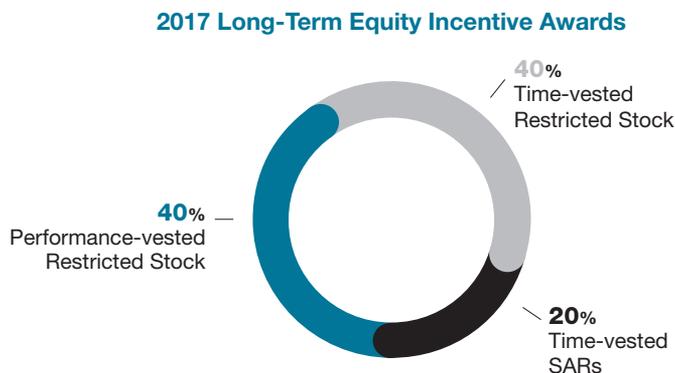

2017 Long-Term Equity Incentive Awards

Form of Awards

The Compensation Committee believes it is important that all of our executive officers are motivated to create stockholder value over a long-term investment horizon. To that end, Zebra granted three forms of long-term equity to the Named Executive Officers:

1. time-vested stock appreciation rights (“SARs”), which vest ratably over four years;
2. time-vested restricted stock, which cliff vests after three years; and
3. performance-vested restricted stock, which is earned (or not) based on Zebra’s results on two financial measures during and over a three-year performance period and cliff vests three years after grant.

These equity awards, which are described in more detail below, were divided as follows (based on the value of the equity award grant) for 2017:

Each year the Compensation Committee reviews the allocation of awards among the equity vehicles to ensure alignment with Zebra’s stockholders and to better reflect current compensation practices.

Target Awards

Each year the Compensation Committee sets long-term equity awards with a target value at the grant date for the Named Executive Officers other than the CEO. In March 2017, utilizing the market median data information for executive officers as a

guide, Mr. Gustafsson made recommendations for these awards, which the Compensation Committee considered.

The Board establishes Mr. Gustafsson’s target annual long-term equity award after hearing the recommendation of the Compensation Committee. To formulate that recommendation for 2017, the Compensation Committee consulted with WTW and considered factors similar to those considered when determining target equity awards for the other Named Executive Officers. The Compensation Committee recommended to the Board, and the Board approved, a 2017 equity award to Mr. Gustafsson having

a total value at grant date equal to \$5,000,000. This represented a grant date value equal to the consensus median target long-term incentive award for individuals in the CEO position, and was an increase from Mr. Gustafsson's 2016 grant date value of \$4,200,000, which was below the consensus median.

The 2017 long-term incentive awards to the Named Executive Officers were granted effective May 11, 2017. When calculating the number of shares of performance-vested restricted stock and time-vested restricted stock, the actual number of shares was

set by dividing the value of the equity award grant by \$98.87, the closing price of our common stock on the day prior to the grant date, without a reduction for the restricted nature of the shares. For time-vested SARs, the actual number of SARs is set by dividing the value of the equity award grant by the binomial value of a SAR.

The following table shows target grant date fair value of long-term equity awarded to each Named Executive Officer in 2017, and how that award was divided among the three types of equity.

Named Executive Officer	Total Value of the Equity Award Grant	Target Shares of Performance-Vested Restricted Stock	Shares of Time-Vested Restricted Stock	Time-Vested SARs
Anders Gustafsson	\$ 5,000,140	20,229	20,229	33,514
William Burns	\$ 1,150,121	4,653	4,653	7,709
Hugh K. Gagnier	\$ 885,118	3,581	3,581	5,932
Joachim Heel	\$ 900,194	3,642	3,642	6,033
Olivier Leonetti	\$ 1,250,198	5,058	5,058	8,379

Performance-Vested Restricted Stock

The performance-vested restricted stock awards granted in 2017 will vest on May 11, 2020. These equity awards have a three-year performance period ending on December 31, 2019, and a payout based on two performance metrics:

- compound average growth ("CAGR") in net sales (weighted 60%), and
- adjusted earnings before interest, taxes, depreciation and amortization ("EBITDA") margin (weighted 40%).

The adjusted EBITDA margin performance goal encourages executives to focus on long-term profitable sales growth for Zebra's business while meeting or exceeding a target adjusted EBITDA margin percentage that we believe will create value for our stockholders. The net sales CAGR metric was included to grow Zebra's revenue consistently over a three-year period.

For each of these metrics, the Compensation Committee set three annual goals (for 2017, 2018, and 2019) and a cumulative three-year goal. The Named Executive Officers may earn shares based on Zebra's results for each of the three years in the performance period, or based on Zebra's results as of the end of the performance period, whichever is greater.

The performance targets for 2017, 2018 and 2019 were set based upon management’s net sales CAGR and adjusted EBITDA margin forecasts when preparing the 2017 annual plan. The 2019 cumulative net sales CAGR performance threshold is 1.5% below the 2019 net sales CAGR performance target, and the 2019 cumulative net sales CAGR performance maximum is 1.5% above the performance target. The 2019 adjusted EBITDA margin

performance threshold is 1.0% below the 2019 adjusted EBITDA margin performance target, and the 2019 adjusted EBITDA margin performance maximum is 1.0% above the performance target.

The number of shares of performance-vested restricted stock that could vest for each of the Named Executive Officers is shown below.

RANGE OF POTENTIAL VESTING OF 2017 PERFORMANCE-VESTED RESTRICTED STOCK

Time-Vested Restricted Stock

To provide a significant long-term perspective and retention incentive, the Compensation Committee determined that the time-vested restricted stock awards granted in 2017 to all of the Named Executive Officers will vest 100% on May 11, 2020.

the first four anniversaries of the grant date. The base price of the 2017 SARs is \$98.87, the closing price of our common stock on the day prior to the grant date. Once SARs vest, the holder can choose when to exercise them by converting them to cash. Each vested SAR is worth the closing price of Zebra’s stock on the exercise date, minus the base price.

Time-Vested Stock Appreciation Rights

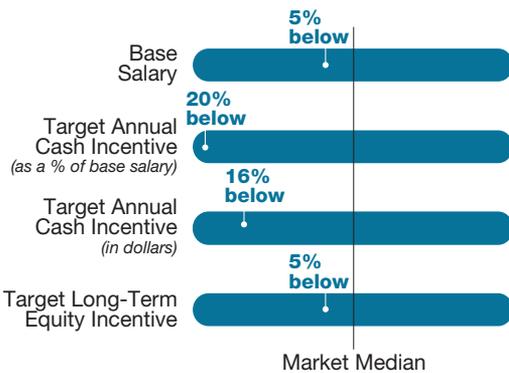

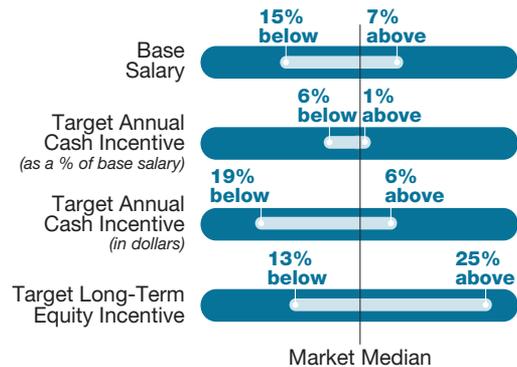

Consistent with recent annual equity grant award terms, the Compensation Committee determined that the 2017 SAR awards for all of the Named Executive Officers will vest 25% on each of

Until recently, the term of Zebra’s SAR awards was ten years. However, in 2017 the Board adopted a shorter term of seven years. When the SARs granted in 2017 vest, the Named Executive Officers may exercise them any time before they expire on May 11, 2024.

How 2017 Compensation for the Named Executive Officers Compares to the Peer Group

For 2017 compensation purposes, WTW presented the Compensation Committee with data regarding compensation for ten executive officer positions, including one position for which a search was in progress. WTW drew this information from 2016 compensation data from our peer group, a general industry survey (conducted by Radford for other purposes) of 365 companies, a high-technology industry survey (conducted by WTW for other purposes) of 74 companies, and the WTW Executive Survey (reflecting data from 132 high-technology companies with annual revenues between \$1.8 billion and \$7.3 billion).

WTW compiled compensation data at the 25th percentile, median and 75th percentile levels from each of these data sources, as well as consensus (i.e., average) compensation data, for base salaries, target annual cash incentive awards, target long-term equity awards, and total target direct compensation for individual executive officer positions. Using this data, the Compensation Committee confirmed that the 2017 compensation packages for the Named Executive Officers are at an appropriate level in comparison to the market, as shown below.

Restricted Stock that Vested in 2017

Performance-Vested Restricted Stock

On November 6, 2014, Zebra granted the then Named Executive Officers performance-vested restricted stock with a three-year performance period ending December 31, 2016. The 2014 performance-vested restricted stock awards did not meet threshold performance for either metric and were forfeited.

2016 net sales	\$ 3,727 million	\$ 3,590.4 million
2016 adjusted EBITDA margin	19.4%	17.6%

Time-Vested Restricted Stock

On May 8, 2014, Zebra granted the then Named Executive Officers time-vested restricted stock with three-year cliff vesting on May 8, 2017. During the three-year period from May 8, 2014, until May 8, 2017, Zebra's stock price rose from \$74.51 per share to \$96.69 per share.

Zebra granted Mr. Heel, who was hired in September 2014, time-vested restricted stock with three-year cliff vesting on

September 15, 2017. During the three-year period from the grant date for Mr. Heel's restricted stock until his vesting date, the stock price rose from \$73.50 per share to \$105.82 per share.

The table below shows the number of shares of time-vested restricted stock earned by each Named Executive Officer in 2017, and the value of those shares on the vesting date.

Stockholders Approve Compensation of Zebra's Named Executive Officers (Say on Pay)

Zebra holds an annual stockholder advisory vote on the compensation of our Named Executive Officers. At our 2017 Annual Meeting, the say-on-pay proposal regarding 2016 compensation was approved by 96.6% of the votes cast. The Compensation Committee discussed these favorable results and determined that no changes to compensation philosophy

or strategy were immediately required. Nevertheless, our Board, Compensation Committee, and executive officers regularly consider changes to our total rewards program to ensure it remains aligned with Zebra's business strategy and stockholder expectations.

Employee Benefits

Zebra's employee benefits are designed to align generally with the market median for such programs.

Our Named Executive Officers are eligible to participate in various benefit programs offered generally to Zebra's U.S. salaried employees, such as our health plans and group disability and life insurance plans. We provide a 401(k) plan to eligible employees with a company match, as well as a non-qualified deferred compensation plan for highly compensated employees with no company

contributions. We do not provide other long-term compensation plans, supplemental executive retirement plans, or a defined benefit pension plan. We have not historically provided any perquisites.

Zebra provides a supplemental executive disability policy to replace the difference between what the group disability policy provides and the 60% earnings replacement cap under the group policy. Zebra pays for this coverage, and reimburses covered executives to the extent they are taxed on this benefit.

Our Executive Officer Employment Agreements

Each executive officer has an employment agreement that addresses matters such as compensation and termination of employment and includes non-competition and non-solicitation provisions. These agreements are discussed in more detail under "Executive Compensation – Employment Agreements." We believe that having employment agreements helps us attract effective and high-potential executive officers by providing them a minimum level of total compensation.

The employment agreements provide appropriate assurance for executives concerned about a potential termination of employment in connection with a change in control. Specifically, we believe the severance amounts reflected under "Executive Compensation – Potential Payments upon Termination of Employment or Change in Control" are fair and reasonable in order to allow the Named Executive Officers to transition from Zebra with minimal disruption to our overall business. Moreover, we believe that, in the event of a

change in control, these severance payments will help secure the continued employment and dedication of our executive officers, notwithstanding any concern they may have regarding their own employment.

The components of total compensation reflected in the employment agreements are reviewed annually by the Compensation Committee as described in this Compensation Discussion and Analysis. All other provisions of the employment agreements are established when an employee is appointed as an executive officer, and are reviewed and updated on an as-needed basis.

We believe the non-compete or non-solicitation provisions, where applicable, align with our desire to protect Zebra and our stockholders from negative actions that could be caused by an executive officer who joins a competitor or otherwise engages in activities that could result in competitive harm to Zebra or our customers.

Tax Effects

Prior to the enactment of the Tax Cuts and Jobs Act (the "Tax Act") on December 22, 2017, Section 162(m) of the Internal Revenue Code provided that compensation paid to Named Executive Officers (other than our chief financial officer) in excess of \$1 million could not be deducted for federal income tax purposes unless such compensation is performance-based, is established by an independent committee of directors, is objective, and is awarded under a plan or agreement that has been approved in advance by our stockholders. When the Compensation Committee made compensation decisions for 2017, the compensation was structured to take advantage

of the performance-based compensation exemption under Section 162(m) to the extent practicable, while satisfying Zebra's compensation policies and objectives. However, it is now uncertain whether compensation that the Compensation Committee intended to structure as performance-based under Section 162(m) will be deductible. Zebra is currently working with its advisors to make such determination. With the repeal of certain sections of Section 162(m) pursuant to the Tax Act, the Compensation Committee should retain maximum flexibility in designing compensation programs that are in the best interests of Zebra and its stockholders.

Executive Compensation

The following table summarizes the compensation earned during 2017, 2016 and 2015 by our Chief Executive Officer, our Chief Financial Officer, and our three other most highly compensated executive officers as of December 31, 2017. We refer to these five executive officers as the named executive officers.

(1) The amounts reflect the aggregate grant date fair value, computed in accordance with Financial Accounting Standards Codification Topic 718, Compensation – Stock Compensation, of restricted stock and stock appreciation rights (“SAR”) granted in 2017, 2016 and 2015. The amounts included in this column include the grant date fair value of time-vested restricted stock and SARs, as well as performance-vested restricted stock, which is calculated based on the probable satisfaction of the performance conditions for such awards. If the highest level of performance is achieved for the performance-vested restricted stock granted in 2017, the grant date fair value of such stock awards would be as follows: Mr. Gustafsson – \$3,600,074; Mr. Burns – \$828,076; Mr. Gagnier – \$637,296; Mr. Heel – \$648,152; and Mr. Leonetti – \$900,152. Please see Note 11, “Share-Based Compensation,” of Zebra’s consolidated financial statements included in Zebra’s Annual Report on Form 10-K for the year ended December 31, 2017 for a discussion of assumptions made in calculating the aggregate grant date fair value of these awards.

(2) The amounts in this column reflect the annual incentive compensation earned under the 2017 Zebra Incentive Plan.

(3) All other compensation for 2017 consists of 401(k) matching contributions (Mr. Gustafsson – \$10,800; Mr. Burns – \$10,800; Mr. Gagnier – \$10,800; Mr. Heel – \$10,800; and Mr. Leonetti – \$10,800); life insurance premiums (Mr. Gustafsson – \$570; Mr. Burns – \$570; Mr. Gagnier – \$570; Mr. Heel – \$570; and Mr. Leonetti – \$570); a tax gross up in connection with income recognized for long-term disability premiums paid by Zebra (Mr. Gustafsson – \$10,596; Mr. Burns – \$1,939; Mr. Gagnier – \$6,456; Mr. Heel – \$1,648; and Mr. Leonetti – \$1,895); Zebra paid executive long-term disability insurance premiums (Mr. Gustafsson – \$11,997; Mr. Burns – \$3,306; Mr. Gagnier – \$5,916; Mr. Heel – \$3,453; and Mr. Leonetti – \$3,972); and relocation benefits (Mr. Leonetti – \$105,559).

Non-Qualified Deferred Compensation

Pursuant to Zebra’s non-qualified deferred compensation plan, a named executive officer may defer, on a pre-tax basis, up to 50% of his base salary and annual incentive award. Deferred compensation balances are credited with gains or losses which mirror the performance of benchmark investment funds selected by the participant under the plan. All credited amounts are unfunded general obligations of Zebra, and participants have no greater rights to payment than any unsecured general creditor of Zebra.

The value of a participant’s account changes based upon the performance of a participant’s selected benchmark investment funds. Account balances are paid either in a lump sum or in annual installments. The plan permits payment upon, among other things, a termination of employment or a change in control of Zebra. Zebra does not make contributions to the plan, but pays the costs of administration.

Employment Agreements

Zebra has employment agreements with each of the named executive officers. Mr. Gustafsson's employment agreement is substantially the same as the agreements of Messrs. Burns, Gagnier, Heel and Leonetti, except as described below.

Messrs. Burns, Gagnier, Heel, and Leonetti

Messrs. Burns, Gagnier, Heel, and Leonetti are entitled to annual base salaries and are eligible to earn targeted annual incentive awards under Zebra's annual incentive plan. Eligibility to receive equity-based compensation is determined in the sole discretion of the Compensation Committee.

If the officer terminates his employment for good reason or Zebra terminates his employment without cause and under circumstances other than death or disability, the officer will be entitled to (i) a severance payment equal to one-year continuation of base salary; (ii) a pro rata portion of his annual incentive for the year in which his employment terminates, if the incentive otherwise would have been earned; (iii) any unpaid previously earned annual incentive; (iv) a severance payment equal to 100% of the officer's target annual incentive for the year in which employment terminates; (v) outplacement services not to exceed \$32,000; and (vi) the continuation of coverage under Zebra's medical and dental insurance plans, with Zebra contributing to the cost of such coverage at the same rate Zebra pays for health insurance coverage for its active employees under its group health plan, until the earlier of (a) one year after the date of termination, or (b) the officer becoming eligible for coverage under another group health plan that does not impose preexisting condition limitations. "Cause" includes the commission, indictment or conviction of a felony or misdemeanor involving fraud or dishonesty; a material breach of the employment agreement; willful or intentional misconduct, gross negligence, or dishonest, fraudulent or unethical behavior; failure to materially comply with a direction of the Board; or breach of fiduciary duty to Zebra.

If the officer terminates employment for good reason or Zebra terminates the officer's employment without cause, and the termination occurs within 120 days immediately preceding or one year following a "change in control," then the officer will be entitled to all compensation and benefits set forth in the immediately preceding paragraph, except that the officer will receive a payment equal to two times base salary in lieu of one-year salary continuation, plus two times target annual incentive in lieu of one times, which payment would be payable within 60 days following the later of the change in control or termination of employment. A "change in control" includes (1) an acquisition by a person or group of 35% or more of Zebra's common stock; (2) a change in a majority of the Board within a 24-month period;

(3) the approval by our stockholders of a complete liquidation or dissolution of Zebra; or (4) the consummation of a reorganization, merger or consolidation of Zebra or sale or other disposition of all or substantially all of the assets of Zebra. "Good reason" includes a demotion to a lesser position or assignment of duties materially inconsistent with the officer's position, status or responsibilities; a material breach by Zebra of the employment agreement; or a decrease in base salary (unless applied proportionally).

If payments or benefits exceed the threshold under Section 4999 of the Internal Revenue Code and an excise tax becomes due, the officer would be entitled to a gross-up payment such that, after payment by him of all applicable taxes and excise taxes, he retains an amount equal to the amount he would have retained had no excise tax been imposed; provided, that if the threshold under Section 4999 is exceeded by 10% or less, the total payments he would be entitled to would be reduced so that no excise tax would be due. Messrs. Burns, Heel and Leonetti are not entitled to a gross-up payment if payments exceed the 3X parachute payment threshold under the Internal Revenue Code. If the parachute payments would exceed the 3X threshold, then the payments will be cut back to an amount that is one dollar less than the threshold. However, this cut back would not be made if Mr. Burns, Mr. Heel or Mr. Leonetti, as applicable, would have more "after excise tax" dollars if he paid the excise tax.

Each officer is bound by non-competition and non-solicitation provisions until two years following termination, except Mr. Gagnier is bound for one year following termination. Each officer has agreed to confidentiality covenants during and after employment.

Mr. Gustafsson

Mr. Gustafsson's employment agreement provides for a minimum base salary of \$700,000, a target annual incentive equal to 100% of salary and a maximum annual incentive equal to 200% of salary. Mr. Gustafsson's agreement also provides (i) that any decrease in Mr. Gustafsson's starting date salary permits him to terminate his employment for good reason and (ii) if Mr. Gustafsson terminates employment for good reason or Zebra terminates his employment without cause and under circumstances other than death or disability, he will not receive outplacement services, the unvested portion of non-performance-based equity awards will vest immediately (unless otherwise expressly set forth in an award agreement, such as Mr. Gustafsson's time-vested SAR and restricted stock award agreements granted in 2013, 2014, 2015 and 2016), the continuation of his salary will be for a period of two years, and, unless it is otherwise terminated, the continuation of healthcare coverage will be for a period of two years.

Potential Payments upon Termination of Employment or Change in Control

Described below are the potential payments and benefits to which the named executive officers would be entitled from Zebra under their employment agreements, their equity award agreements, and Zebra's compensation and benefit plans upon termination of employment, if such termination had occurred as of December 31, 2017. Amounts actually received would vary based on factors such as the date on which a named executive

officer's employment terminates and the price of our common stock on such date. The tables exclude payments and benefits that are provided on a non-discriminatory basis to full-time salaried employees, such as accrued salary and vacation pay.

The named executive officers are not entitled to any payments or benefits as a result of a termination of employment for cause.

RETIREMENT OR VOLUNTARY RESIGNATION

Name	Salary Severance (\$)	Incentive Severance (\$)	Earned Incentive (\$) ⁽¹⁾	Accelerated Options and SARs (\$)	Accelerated Restricted Stock (\$) ⁽²⁾	Total (\$) ⁽³⁾

(1) Under the 2017 Zebra Incentive Plan, a participant may be paid any earned incentive award amount in the event of termination by reason of retirement, but not voluntary resignation. None of the named executive officers was eligible for retirement under the 2017 Zebra Incentive Plan.

(2) Although none of the named executive officers was age 65 as of December 31, 2017, the time-vested restricted stock awards and performance-vested restricted stock awards granted in 2016 and 2017 provide for pro rata vesting for a termination of employment by reason of retirement on or after age 65 or prior to age 65 with the approval of the officer responsible for human resources. The performance-vested restricted stock awards would vest pro rata in accordance with the performance goals.

(3) Excludes the amount of previously earned and fully vested deferred compensation under Zebra's deferred compensation plans that would become immediately payable. See "Non-Qualified Deferred Compensation" above for additional information.

(1) Under the 2017 Zebra Incentive Plan, participants are entitled to any earned incentive award amount in the event of termination of employment by reason of death or disability. The amount assumes termination of employment at year end and is based on actual performance.

(2) Time-vested SARs accelerate vesting in full, except that Mr. Gustafsson's 2017, 2016, 2015, and 2014 time-vested SAR awards vest pro rata based on the number of days from the grant date through and including the date of termination of employment. The amounts reflect the difference between the exercise price of each SAR and the \$103.80 closing price of our common stock on The NASDAQ Stock Market on December 29, 2017 for the following number of in-the-money SARs: Mr. Gustafsson – 15,265; Mr. Burns – 16,010; Mr. Gagnier – 13,938; Mr. Heel – 14,817; and Mr. Leonetti – 13,698.

(3) Time-vested restricted stock awards accelerate vesting in full, except that Mr. Gustafsson's 2017, 2016, and 2015 time-vested restricted stock awards vest pro rata based on the number of days from the grant date through and including the date of termination of employment. For performance-vested restricted stock awards, the target number of shares accelerates, except that Mr. Gustafsson's performance-vested restricted stock awards vest at target in a pro rata amount based on the number of days from the grant date through and including the date of termination of employment. The amounts reflect the \$103.80 closing price of our common stock on The NASDAQ Stock Market on December 29, 2017, for the following number of shares of restricted stock: Mr. Gustafsson – 74,203; Mr. Burns – 35,504; Mr. Gagnier – 28,765; Mr. Heel – 28,756; and Mr. Leonetti – 22,181.

(4) Excludes the amount of previously earned and fully vested deferred compensation under Zebra's deferred compensation plans that would become immediately payable. See "Non-Qualified Deferred Compensation" above for additional information.

Olivier Leonetti	525,000	472,500	731,903	0	698,989	48,215	2,476,607

(1) The named executive officers are entitled to severance equal to salary for one year and one times target incentive, except Mr. Gustafsson, who is entitled to salary for two years and one times target incentive.

(2) Under the 2017 Zebra Incentive Plan, and in accordance with the named executive officers' employment agreements, the named executive officer may be paid an earned incentive award amount in the event of termination by Zebra without cause or termination by the named executive officer for good reason. The amount assumes termination of employment at year end and is based on actual performance.

(3) Mr. Gustafsson's 2017, 2016, 2015, and 2014 time-vested SAR awards vest pro rata based on the number of days from the grant date through and including the date of termination of employment. At December 31, 2017, 15,265 in-the-money SARs held by Mr. Gustafsson would have accelerated vesting. The amount reflects the difference between the \$103.80 closing price of our common stock on The NASDAQ Stock Market on December 29, 2017 and the base price of each SAR.

(4) Time-vested restricted stock awards granted in 2017, 2016 and 2015 to all executives vest pro rata based on the number of days from the grant date through and including the date of termination of employment. Performance-vested restricted stock awards granted in 2016 and 2015 to executives accelerate vesting in accordance with the performance-based vesting goals on a pro rata basis. Because no portion of the performance periods ending December 31, 2018 or December 31, 2019 has been completed as of December 31, 2017, the 2017 performance-vested restricted stock awards granted to executives are reflected in the table on a pro-rata basis at target performance. The performance-vested restricted stock awards vest pro rata based on the number of days from the grant date through and including the date of termination of employment. The amounts reflect the \$103.80 closing price of our common stock on The NASDAQ Stock Market on December 29, 2017 for the following number of shares of restricted stock: Mr. Gustafsson – 74,203; Mr. Burns – 18,569; Mr. Gagnier – 15,491; Mr. Heel – 15,403; and Mr. Leonetti – 6,734.

(5) The named executive officers are entitled to healthcare and dental coverage for up to one year and outplacement services with a value up to \$32,000, except Mr. Gustafsson, who is entitled to healthcare and dental coverage for up to two years, but no outplacement services.

(6) Excludes the amount of previously earned and fully vested deferred compensation under Zebra's deferred compensation plans that would become immediately payable. See "Non-Qualified Deferred Compensation" above for additional information.

(1) The named executive officers are entitled to the severance amounts and earned incentive award, if any, if Zebra terminates the named executive officer's employment without cause or the named executive officers terminate employment for good reason within 120 days before or one year after a change in control, commonly referred to as a "double trigger." The meanings of change in control, good reason and cause are set forth under "Employment Agreements" above.

(2) The named executive officers, including Mr. Gustafsson, are entitled to severance equal to two times salary and target incentive.

(3) Under the 2017 Zebra Incentive Plan, participants are entitled to any earned incentive award amount in the event of termination by Zebra without cause or, in accordance with the named executive officers' employment agreements, termination by the named executive officer for good reason in the event of a change in control. The amount assumes termination of employment at year end and is based on actual performance.

(4) Under the 2011 Long-Term Incentive Plan and the 2015 Long-Term Incentive Plan (collectively the "LTIPs"), if pursuant to a change in control of Zebra effective December 31, 2017 stockholders receive consideration consisting solely of publicly traded common stock and outstanding equity awards are assumed or provision is made for the continuation of these awards after the change in control, then such awards will continue in accordance with their terms. These awards, however, also provide that if the participant's employment is terminated by the participant for good reason or by Zebra without cause after the change in control, then vesting of the awards will accelerate. Because Securities and Exchange Commission rules require that we assume a termination of employment occurs concurrently with a change in control, the amounts set forth in the table includes equity awards that under the LTIPs contain "double trigger" acceleration provisions.

(5) The following number of unvested in-the-money SARs held by the named executive officers would be accelerated as a result of a change in control and concurrent termination of employment on December 31, 2017: Mr. Gustafsson – 70,080; Mr. Burns – 16,010; Mr. Gagnier – 13,938; Mr. Heel – 14,817; and Mr. Leonetti – 13,698. The amounts reflect the difference between the \$103.80 closing of our common stock on The NASDAQ Stock Market on December 29, 2017 and the base price of each SAR.

- (6) The following total number of unvested shares of restricted stock held by the named executive officers would be accelerated as a result of a change in control and concurrent termination of employment on December 31, 2017: Mr. Gustafsson – 134,640; Mr. Burns – 35,504; Mr. Gagnier – 28,765; Mr. Heel – 28,753; and Mr. Leonetti – 22,181. Performance-vested restricted stock awards granted in 2017, 2016, and 2015 vest at the target number of shares. The amounts reflect the \$103.80 closing price of our common stock on The NASDAQ Stock Market on December 29, 2017.
- (7) The named executive officers are entitled to healthcare and dental coverage for up to one year and outplacement services with a value up to \$32,000, except Mr. Gustafsson, who is entitled to healthcare and dental coverage for up to two years, but no outplacement services.
- (8) Represents estimated tax gross ups on severance, accelerated options, SARs and restricted stock, and healthcare and dental benefits.
- (9) Excludes the amount of previously earned and fully vested deferred compensation under Zebra's deferred compensation plans that would become immediately payable. See "Non-Qualified Deferred Compensation" above for additional information.

CEO Pay Ratio

Identification of Median Employee

To identify the median employee, we used a valid statistical sampling method. We selected a median pool of employees from the overall population, including the identified median employee.

We compiled a list of all full-time, part-time, temporary, and seasonal employees who were employed on November 1, 2017, including employees working inside and outside the United States, but excluding Mr. Gustafsson who served as CEO for all of 2017. As permitted according to SEC guidance, we determined the median

pool of employees based on a consistently applied compensation measure, which was target total cash compensation. We define target total cash compensation as base wages and annual incentives at target payable in cash during 2017.

On November 1, 2017 Zebra had 7,161 employees worldwide. Under the five percent de minimis exception established by the SEC, the countries and applicable number of employees that were excluded are as follows:

Country Name	Headcount	Country Name	Headcount
Argentina	14	Kazakhstan	2
Austria	12	Kenya	1
Belgium	10	Morocco	1
Denmark	8	New Zealand	3
Egypt	2	Norway	4
Finland	2	Portugal	4
France	86	Romania	4
Germany	74	Saudi Arabia	5
Greece	2	Serbia	4
Hong Kong	5	Spain	31
Hungary	4	Switzerland	3
Indonesia	4	Thailand	9
Israel	6	Ukraine	1
Italy	32	United Arab Emirates	14

From the remaining 6,813 employees, we determined the median individual based on estimated target total cash compensation, and selected a medianable pool of 451 employees (more than six percent (6%) of our total employee population). We reviewed the pool of medianable employees to determine if it over-represented or under-represented any countries and determined that the pool included a representative mix of employees.

We then obtained actual total cash compensation recorded during 2017 via payroll data for the pool of medianable employees. We identified the median employee by referencing the actual payroll data and calculated such employee's annual total compensation using the same methodology that we use to determine the annual total compensation, as reported above in the Summary Compensation Table.

CEO Pay Ratio Calculation

For 2017,

- the total annual compensation of the employee identified at the median of all of our employees, other than Mr. Gustafsson, our CEO, was \$71,079; and
- Mr. Gustafsson's annual total compensation, as reported in the Summary Compensation Table, was \$7,791,579.
- Based on this information, the ratio of the annual total compensation of Mr. Gustafsson to the median of the annual total compensation of all employees was estimated to be 110 to 1.

Our methodology may differ materially from the methodology used by other companies to prepare their CEO pay ratio, which may contribute to a lack of comparability between our pay ratio and the pay ratio reported by other companies, including those within our industry or peer group.

Equity Compensation Plan Information

The following table provides information related to Zebra's equity compensation plans as of December 31, 2017.

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights (a)	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights (b)	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (a)) (c)

Equity Compensation Plans Not Approved by Security Holders	0	\$0	0
TOTAL	1,918,016	\$ 65.9163	2,360,407

(1) Reflects shares of Zebra common stock issuable pursuant to outstanding options and stock appreciation rights under the 2006 Incentive Compensation Plan, 2011 Long-Term Incentive Plan and 2015 Long-Term Incentive Plan.

(2) Reflects the number of shares available under the 2015 Long-Term Incentive Plan ("2015 LTIP") (1,437,435 shares) and 2011 Employee Stock Purchase Plan (922,972 shares). All of the shares under the 2015 LTIP are available for any award made under the 2015 LTIP, including options, stock appreciation rights, restricted stock, restricted stock units, performance shares or performance units.

Compensation Committee Interlocks and Insider Participation

Only independent directors served on the Compensation Committee during 2017. None of the members of the Compensation Committee (i) has ever been an officer or other employee of Zebra or (ii) has any relationship requiring disclosure under Item 404 of the Security and Exchange Commission's Regulation S-K. No executive officer of Zebra served in 2017 on the compensation committee or similar body of any organization that determined compensation payable to any member of the Compensation Committee.

Proposal 2 Advisory Vote to Approve Compensation of Named Executive Officers

Zebra is seeking your advisory vote to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with Section 14A of the Securities Exchange Act of 1934 and the rules of the Securities and Exchange Commission. This is known as a “say-on-pay” proposal. At Zebra’s 2017 Annual Meeting of stockholders, the proposal was approved by 96.6% of the votes cast for or against the proposal. At the 2017 Annual Meeting, our stockholders indicated a preference of holding an annual say on pay vote.

We ask our stockholders to approve the following resolution:

“Resolved, that the compensation of the named executive officers of Zebra Technologies Corporation, as disclosed pursuant to Item 402 of Regulation S-K, as described in and including the Executive Summary-Compensation Discussion and Analysis, Compensation Discussion and Analysis, compensation tables and narrative discussion contained in this proxy statement, is approved by the stockholders of Zebra.”

As described in detail under “Executive Summary — Compensation Discussion and Analysis” and “Compensation Discussion and Analysis,” our total rewards and executive compensation programs are designed to attract, retain, motivate, develop and reward our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term and strategic goals, corporate and individual goals, and the realization of increased stockholder value.

Our Compensation Committee regularly reviews the compensation programs for our named executive officers to ensure they achieve the desired goals of aligning our executive compensation structure with our stockholders’ interests and current market practices. Our Compensation Committee also regularly reviews its own processes to ensure alignment with its charter and regulatory requirements. This review includes such topics as peer group and survey compensation review analysis, total rewards philosophy, Compensation Committee charter review and a compensation risk assessment.

We are asking our stockholders to approve our named executive officer compensation as described in this proxy statement. This proposal gives you the opportunity to express your view on the compensation of our named executive officers. This stockholder vote is not intended to address any specific element of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. We ask you to vote “FOR” the approval of the resolution included above.

This vote is advisory, and therefore not binding on Zebra, our Compensation Committee, or our Board of Directors. Our Board of Directors and Compensation Committee value the opinions of our stockholders and will consider the results of the vote, as appropriate, in making future decisions regarding the compensation of our named executive officers.

 THE BOARD OF DIRECTORS RECOMMENDS A VOTE “**FOR**” APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Proposal 3 Approval of 2018 Long-Term Incentive Plan

We believe that stock-based incentive compensation is integral to our compensation program. Stock-based compensation links employee interests with stockholder interests throughout our organization and motivates our employees to act as owners of the business and focus on its long-term success. Such compensation also advances the interests of Zebra and its stockholders by rewarding personnel for their long-term contributions to Zebra's financial success and motivating them to continue to make such contributions in the future. Annually, Zebra grants equity awards to employees at the director level and above, or approximately 7% of its employees. In addition, Zebra grants equity awards to employees up to senior managers on a discretionary basis.

The Board of Directors has approved and asks our stockholders to approve the 2018 Long-Term Incentive Plan (the "LTIP") at the annual meeting. If approved by stockholders, the LTIP will become effective on the date of stockholder approval. In the event that the Plan is not approved by the stockholders, the LTIP would be null and void. The Plan would supersede and replace the Zebra

Technologies Corporation 2015 Long-Term Compensation Plan (the "Prior Plan"), except that the Prior Plan would remain in effect with respect to outstanding awards under the Prior Plan until those awards have been exercised or otherwise terminated. As of March 1, 2018, 1,394,560 shares were available for new awards under the Prior Plan and awards with respect to 1,119,225 shares were outstanding.

If stockholders approve the LTIP, no additional grants will be made under the Prior Plan after the date of stockholder approval and any shares then available for new awards under the Prior Plan will no longer be available under the Prior Plan or the LTIP. The Board believes the LTIP is in the best interests of Zebra because it links long-term incentive compensation to Zebra's financial performance and will enable Zebra to attract, retain, motivate and reward key personnel. The Board approved the LTIP on March 7, 2018 after receiving the recommendation of our Compensation Committee to approve the LTIP. The LTIP would become effective upon obtaining stockholder approval.

Burn Rate and Dilution

Based on 3,800,000 shares available under the LTIP, we do not believe the LTIP will result in excessive burn rate or dilution to stockholders. We manage our burn rate and long-term stockholder dilution by limiting the number of equity incentive awards granted annually. Management and our Compensation Committee carefully monitor our share dilution and equity expense by granting only the appropriate fair value of equity incentive awards that it believes are necessary to attract, reward and retain employees.

Our historical burn rate has been below the Burn Rate Cap established by Institutional Shareholder Services for our General Industry Classification (Technology and Hardware). The following table sets forth information regarding historical awards granted and earned for the 2015 through 2017 period, and the corresponding burn rate, which is defined as the number of shares subject to equity-based awards granted in a year divided by the weighted-average common shares outstanding for that year, for each of the last three fiscal years.

	2017	2016	2015
Total SARs Granted	402,029	627,971	332,159
Total Time-Vested Restricted Stock, RSUs and Performance-Vested Restricted Stock Granted	201,658	500,518	305,782
Annual Adjusted Burn Rate	1.52%	3.16%	1.85%
Three-Year Average Burn Rate		2.18%	
ISS Burn Rate Cap for GICS Code 4520		6.16%	

We believe that our Three-Year Average Burn Rate is reasonable in light of the increase in the size of Zebra from \$1.038 billion in revenue in 2013 to over \$3.7 billion in 2017, the increase in our total employee population from approximately 2,500 in 2014 to approximately 7,000 today, and in turn the increase in the number of employees eligible for stock-based compensation, resulting from our acquisition of the Enterprise solutions business from Motorola Solutions, Inc. in October 2014.

Similarly, any dilution resulting from the LTIP is reasonable and not excessive. Zebra's dilution is 12.23% on basic dilution and

10.90% on full dilution. We define dilution as shares which are not subject to outstanding equity awards, plus issued and outstanding shares under the Prior Plan (i.e., performance and time vested restricted stock awards) and plus shares available under the LTIP, the Prior Plan and the 2011 Long-Term Incentive Plan. In addition to achieving the objectives stated above about our compensation program and philosophies, the LTIP would provide Zebra with the flexibility to continue making stock-based grants over at least the next three to four years in amounts determined appropriate by the Compensation Committee and aligned to peer group benchmarking.

Purpose

The purpose of the LTIP is to advance the interests of the Company and its stockholders by providing an incentive to attract and retain the best qualified personnel to perform services for the Company, by motivating such persons to contribute to the growth and profitability of the company, by aligning their interests with the interests of the Company’s stockholders, and by rewarding such persons for their services by tying a portion of their total compensation package to the success of the Company.

Under the LTIP, we may grant non-qualified options to purchase shares of Zebra’s common stock, “incentive stock options” (within

the meaning of Section 422 of the Internal Revenue Code of 1986 (the “Code”), stock appreciation rights (“SARs”), restricted stock, restricted stock units (“RSUs”), performance awards, performance shares, and performance units.

Approximately 471 officers, other employees, non-employee directors and consultants are eligible to participate in the LTIP. The closing price of Zebra’s common stock on March 23, 2018, was \$136.35.

Reference is made to Exhibit A to this Proxy Statement for the complete text of the LTIP, which is summarized below.

Summary of the LTIP

Administration	<p>The Compensation Committee, consisting of at least two members of the Board who are both non-employee directors of Zebra within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, will administer the LTIP. The Board will administer the LTIP for purposes of granting awards to non-employee directors and for approving, after receiving the recommendation of the Compensation Committee, awards to the CEO.</p> <p>The Compensation Committee will select eligible persons to receive awards and determine the form, amount and timing of each award and all other terms and conditions of each award, including the number of shares, SARs or units subject to an award and the vesting or performance for an award.</p> <p>The Compensation Committee may delegate the administration of the LTIP other than certain matters relating to awards to persons who are subject to Section 16 of the Securities Exchange Act of 1934 or who are non-employee directors.</p> <p>The Compensation Committee will, subject to the terms of the LTIP, interpret the LTIP and establish rules and regulations it deems necessary or desirable for the administration of the LTIP and may impose, incidental to the grant of an award, conditions with respect to the award, such as limiting competitive employment or other activities. All determinations and decisions made by the Compensation Committee and all related orders and resolutions of the Board will be final, conclusive and binding on all persons.</p>
Effective Date, Termination and Amendment	<p>The LTIP will become effective as of May 17, 2018, if approved by stockholders at the annual meeting and will terminate on the tenth anniversary of the effective date, unless terminated earlier by the Board. The Board may amend the LTIP, subject to any requirement of stockholder approval required by law, the rules of NASDAQ or as determined by the Board.</p>
Shares Available	<p>An aggregate of 3,800,000 shares of common stock will be available under the LTIP, subject to adjustment in the event of a stock split, stock dividend, merger, reorganization or similar event. The number of available shares will be reduced by the aggregate number of shares of common stock which become subject to outstanding awards. The LTIP does not provide for the “recycling” of shares that are not issued or delivered by reason of the termination of an award or by reason of the delivery or withholding of shares to pay all or a portion of the exercise price or tax withholding obligations relating to the award.</p> <p>The maximum annual grant date fair value of an award made to a non-employee director is limited to \$400,000, excluding any grants made to non-employee directors in connection with his or her initial appointment or election to the Board.</p>

<p>Stock Options</p>	<p>The Compensation Committee will determine:</p> <ul style="list-style-type: none"> (i) whether an option is an incentive stock option or non-qualified stock option, (ii) the number of shares subject to the option and the purchase price per share, which may not be less than 100% of the fair market value of a share on the date of grant, (iii) the period during which the option may be exercised, which may not be later than ten years after the date of grant in the case of an incentive stock option, (iv) whether such option is exercisable in whole or in part, (v) whether the option may be exercised by paying cash or delivering previously owned shares, and (vi) whether the option is subject to specified performance goals during an applicable performance period.
<p>Incentive Stock Options</p>	<p>Each incentive stock option will be exercisable for no more than ten years after its date of grant, unless the option holder owns greater than ten percent of the voting power of all shares of our capital stock (a “ten percent holder”), in which case the option will be exercisable for no more than five years after its date of grant. The exercise price of an incentive stock option will not be less than the fair market value of the common stock on its date of grant, unless the option holder is a ten percent holder, in which case the option exercise price will be the price required by the Code, currently 110% of fair market value. Subject to the requirements of the Code, all of the terms relating to the exercise or cancellation of an incentive stock option (and tandem SAR) upon a termination of employment, whether by reason of disability, retirement, death or any other reason, will be determined by the Compensation Committee.</p>
<p>Stock Appreciation Rights</p>	<p>A SAR entitles the holder to receive, upon exercise, shares (which may be restricted stock or RSUs), cash or a combination thereof with an aggregate value equal to the excess of the fair market value of one share on the date of exercise over the grant price of such SAR. The Compensation Committee will determine:</p> <ul style="list-style-type: none"> (i) the number of SARs subject to the award and the grant price of the SAR, which may not be less than 100% of the fair market value of a share on the date of grant, (ii) the period during which the SAR may be exercised, (iii) whether the SAR is exercisable in whole or in part, (iv) whether the SAR may be exercised for shares (including restricted stock or RSUs), cash or a combination thereof, and (v) whether the SAR is subject to specified performance goals during an applicable performance period.
<p>No Repricing of Options or Stock Appreciation Rights</p>	<p>Subject to adjustment in the event of a stock split, stock dividend, merger, reorganization or similar event, the terms of an outstanding option or SAR may not be amended to reduce the exercise price or grant price, and no option or SAR may be canceled in exchange for cash, other awards or options or SARs with an exercise price or grant price that is less than the exercise price or grant price of the original option or SAR without the approval of a majority of the votes cast affirmatively or negatively by stockholders at a meeting in which the reduction of such exercise price or grant price, or the cancellation and regranting of an award, is considered for approval.</p>
<p>Restricted Stock and Restricted Stock Unit Awards.</p>	<p>The LTIP provides for the grant of (1) stock awards which may be subject to a restriction period (“restricted stock”) and (2) RSU awards, which are rights to receive a share, or an equivalent cash value, that is subject to a restriction period. An award of restricted stock or RSUs may be subject to specified performance goals during an applicable performance period. The Compensation Committee will determine:</p> <ul style="list-style-type: none"> (i) whether an award will be in restricted stock or RSUs, (ii) the number of shares or RSUs subject to the award, (iii) the length of the restriction period, and (iv) the performance goals, if any (e.g., net sales and cash flows). <p>Unless otherwise set forth in the award agreement, the holder of a restricted stock award (but not an RSU award) will have voting rights and will have the right to receive dividends with respect to the shares of restricted stock.</p>

<p>Performance Awards, Performance Units and Performance Share Awards</p>	<p>The LTIP also provides for the grant of performance awards, performance unit awards and performance share awards. A performance award is a right, contingent upon the attainment of performance goals within a performance period, to receive an amount in cash that has an initial value specified in the award agreement. A performance unit award is a right, contingent upon the attainment of performance goals within a performance period, to receive an amount that has an initial value equal to the fair market value of a share on the grant date, which amount may be paid in a share (which may be restricted stock or an RSU), or in lieu of all or a portion thereof, the fair market value of a share in cash. A performance share award is a right, contingent upon the attainment of performance goals within a performance period, to receive one share (which may be restricted stock or an RSU), or in lieu of all or a portion thereof, the fair market value of a share in cash.</p> <p>Prior to the settlement of a performance unit award or performance share award in shares of common stock, the holder of the award will have no rights as a stockholder of Zebra with respect to the shares of common stock subject to the award. The Compensation Committee will determine:</p> <ul style="list-style-type: none"> (i) the initial cash value, or number of performance units or shares subject to the award, (ii) the performance goals, (iii) the length of the performance period, and (iv) whether the performance units or performance shares may be settled in shares, cash or a combination thereof.
<p>Performance Goals</p>	<p>Under the LTIP, the vesting or payment of performance awards, performance units, performance shares and certain awards of restricted stock or RSUs will be subject to the satisfaction of certain performance goals. The Compensation Committee will establish performance goals applicable to awards. Performance goals may include one or more of the following measurements: revenue; primary or fully-diluted earnings per share; EBITDA; pretax income; cash flows from operations; total cash flows; bookings; return on equity; return on invested capital; return on assets; net operating profits after taxes; economic value added; total stockholder return or return on sales; or any individual performance objective which is measured solely in terms of quantitative targets related to Zebra or Zebra’s business, or any combination thereof. Performance goals may be based on one or more business criteria, one or more business units or divisions of Zebra or the applicable sector, or Zebra as a whole, and comparison with a peer group of companies.</p>
<p>Non-Transferability of Awards</p>	<p>Unless otherwise specified in the agreement relating to an award, no award may be transferable other than by will, the laws of descent and distribution or pursuant to beneficiary designation procedures approved by Zebra.</p>

Termination of Employment

Each award agreement will set forth the extent to which a participant will have the right to exercise the option or SAR or to receive or settle unvested restricted stock, RSUs, performance awards, performance units or performance shares following termination of employment, service as a non-employee director, or consulting arrangement. If the award agreement does not include termination of employment or service provisions, then the vesting and exercisability of the awards are handled in the following manner based on the reason for termination:

- Death or disability:
 - Options and SARs – acceleration of exercisability of any unexercisable options or SARs, which may then be exercised until the earlier of the expiration date of the option or SAR and the date which is 12 months after such termination
 - Restricted stock and RSUs – full acceleration of vesting of any unvested shares or RSUs
 - Performance awards, performance units and performance shares – full acceleration of an the greater of a banked number of performance awards, performance units and performance shares and the number of performance awards, performance units and performance shares determined based on the vesting percentage determined under generally accepted accounting principles
- Retirement or by the Company other than for cause:
 - Options and SARs – acceleration of exercisability of a pro rata portion of any unvested options and SARs, minus any options or SARs that vested previously, that may then be exercised until the earlier of the expiration date of the option or SAR and, in the case of retirement, the date which is 12 months after such termination or, in the case of termination by the Company other than for cause, the date that is 90 days after such termination
 - Restricted stock and RSUs – acceleration of a pro rata portion of the restricted stock and RSUs minus any restricted stock or RSUs that previously vested
 - Performance awards, performance units and performance shares – acceleration of a pro rata portion of the greater of a banked number of performance awards, performance units and performance shares and the number of performance awards, performance units and performance shares determined based on the vesting percentage determined under generally accepted accounting principles
- By the Company for cause – immediate forfeiture of the award regardless of the type of award, including any previously vested but unexercised options and SARs
- For any reason other than death, disability, retirement, by the Company other than for cause or for cause (e.g., resignation):
 - Option or SAR being exercisable only to the extent exercisable on the date of termination until the earlier the expiration date of the option or SAR and the date which is 90 days after such termination
 - Restricted stock and RSUs – immediate forfeiture of any unvested shares
 - Performance awards, performance units and performance shares – immediate forfeiture of any unvested awards, units or shares

Change in Control-Definition

A change in control means:

- (i) an acquisition by a person or group of 35% or more of the shares of common stock of Zebra (other than an acquisition directly from or by Zebra, by a Zebra benefit plan or certain reorganizations, merger or consolidations),
- (ii) a change in a majority of the Board,
- (iii) the consummation of a reorganization, merger or consolidation or sale of all or substantially all of Zebra’s assets (unless the stockholders receive 50% or more of the stock of the company resulting from such transaction and no person or group owns 35% or more of the shares after the transaction), or
- (iv) a liquidation or dissolution of Zebra.

**Effect of Change in Control-
Double Trigger v. Cash-out**

If pursuant to a change in control stockholders receive consideration consisting solely of publicly traded common stock and outstanding options, SARs, restricted stock awards and RSU awards are assumed or provision is made for the continuation of outstanding options, SARs, restricted stock awards and RSU awards after the change in control, then all outstanding time-vested options, SARs, restricted stock awards and RSU awards will continue in accordance with their terms; provided, that if a holder's employment with Zebra and its subsidiaries is terminated by the holder for good reason or by Zebra or any subsidiary without cause on or after the change in control, then all outstanding options and SARs held by the holder will become exercisable in full and, along with any then unexercised portions of such options and SARs, will remain exercisable through the remaining term of such options and SARs, and all outstanding restricted stock and RSU awards held by the holder will become fully vested. In addition, all outstanding performance-based awards will become fully vested upon the occurrence of a change in control, the performance goals will be deemed to be satisfied at the higher of the banked amount of awards, shares or units or the target number of awards, shares or units multiplied by the vesting percentage used by the Company when determining compensation expense under generally accepted accounting principles, and any options and SARs as to which a performance period lapses will remain exercisable through the remaining terms of the options and SARs.

All other changes in control would result in a cash-out of awards where each outstanding award will be surrendered to Zebra by the holder, and such award will immediately be canceled, and the holder will receive, within ten days of the occurrence of the change in control, a cash payment from Zebra (or any successor) in an amount equal to:

- Option and Non-tandem SAR – the number of shares then subject to such option or SAR, multiplied by the excess, if any, of the greater of (A) the highest per share price offered to Zebra stockholders in any transaction whereby the change in control takes place or (B) the fair market value of a share on the date of occurrence of the change in control, over the exercise price of the option or grant price of the SAR
- Restricted stock award or RSU award – the number of shares or number of units, as the case may be, then subject to such award, multiplied by the greater of (A) the highest per share price offered to Zebra stockholders in any transaction whereby the change in control takes place or (B) the fair market value of a share on the date of occurrence of the change in control
- Performance awards, performance units, and performance shares – the higher of (A) the banked amount of awards, shares or units or (B) the target number of awards, shares or units multiplied by the vesting percentage used by the Company when determining compensation expense under generally accepted accounting principles multiplied by (2) the greater of (A) the highest per share price offered to Zebra stockholders in any transaction whereby the change in control takes place or (B) the fair market value of a share on the date of occurrence of the change in control

Federal Income Tax Consequences

The following is a brief summary of certain U.S. federal income tax consequences generally arising with respect to awards under the LTIP.

<p>Option</p>	<p>At the time of option grant, a participant will not recognize taxable income and Zebra will not be entitled to a tax deduction.</p> <p>Upon exercise of a non-qualified stock option, a participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) equal to the excess of the fair market value of the shares purchased over their exercise price, and Zebra will be entitled to a corresponding deduction, subject to any limitations on deductibility for “covered persons” under Section 162(m) of the Code.</p> <p>Upon exercise of an incentive stock option, a participant will not recognize income (except for purposes of the alternative minimum tax).</p> <p>If the shares acquired upon the exercise of an incentive stock option are held for the longer of two years from the date the option was granted and one year from the date it was exercised, any gain or loss arising from a subsequent disposition of such shares will be taxed as long-term capital gain or loss, and Zebra will not be entitled to any deduction. If, however, those shares are disposed of within such two-year period, then in the year of the disposition the participant will recognize compensation taxable as ordinary income equal to the excess of the lesser of (1) the amount realized upon the disposition and (2) the fair market value of those shares on the date of exercise over the exercise price, and Zebra will be entitled to a corresponding deduction, subject to any limitations on deductibility for “covered persons” under Section 162(m) of the Code.</p>
<p>SAR</p>	<p>At the time of SAR grant, a participant will not recognize taxable income and Zebra will not be entitled to a tax deduction.</p> <p>Upon exercise, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of cash paid by Zebra. This amount is deductible by Zebra as compensation expense, subject to any limitations on deductibility for “covered persons” under Section 162(m) of the Code.</p>
<p>Restricted Stock or RSU</p>	<p>At the time of award grant, a participant will not recognize taxable income and Zebra will not be entitled to a tax deduction. The participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) at the time the restrictions lapse in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for the shares. The amount of ordinary income recognized upon the lapse of restrictions is deductible by Zebra as compensation expense, subject to any limitations on deductibility for “covered persons” under Section 162(m) of the Code. In addition, a participant receiving dividends with respect to restricted stock prior to the time the restrictions lapse will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee), rather than dividend income, in an amount equal to the dividends paid and Zebra will be entitled to a corresponding deduction, subject to any limitations on deductibility for “covered persons” under Section 162(m) of the Code.</p>
<p>Performance Awards, Performance Units, or Performance Shares</p>	<p>A participant will not recognize taxable income at the time performance awards, performance units or performance shares are granted and Zebra will not be entitled to a tax deduction at that time.</p> <p>Upon the settlement of performance awards, units or shares, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of cash paid by Zebra. This amount is deductible by Zebra as compensation expense, subject to any limitations on deductibility for “covered persons” under Section 162(m) of the Code.</p>

Golden Parachute Payments. Awards that are granted, accelerated or enhanced upon the occurrence of a change in control may give rise, in whole or in part, to “excess parachute payments” under Section 280G and Section 4999 of the Code. Under these provisions, the participant would be subject to a 20% excise tax on, and Zebra would be denied a deduction with respect to, any “excess parachute payments.”

Section 409A of the Code. Section 409A of the Code (“Section 409A”) establishes rules that must be followed with respect to covered deferred compensation arrangements in order to avoid the imposition of premature income tax and a 20% excise tax on the individual entitled to receive the deferred compensation. Certain awards granted under the LTIP may constitute deferred compensation subject to Section 409A. If an award is subject to Section 409A and does not comply with the requirements of Section 409A, then amounts deferred in the current year and

in previous years will become subject to immediate taxation to the participant, and the participant will be required to pay (1) a penalty equal to interest at the underpayment rate plus 1% on the tax that should have been paid on the amount of the original deferral and any related earnings, and (2) in addition to any regular tax, an excise tax equal to 20% of the original deferral and any earnings credited on the deferral. It is intended that the provisions of the LTIP either satisfy the requirements of Section 409A or fall within an exemption from Section 409A. Zebra reserves the right to amend the LTIP and outstanding award agreements as the company determines in good faith to be necessary to comply with the requirements of Section 409A.

The Board gives stockholders the opportunity to express their opinions on the matter of auditors for Zebra, and, accordingly, is submitting a proposal to ratify the Audit Committee's appointment of Ernst & Young. Exhibit A Zebra Technologies Corporation 2018 Long-Term Incentive Plan

Section 1 Establishment and Purpose

1.1 Establishment. This Plan shall be submitted to the stockholders of Zebra Technologies Corporation, a Delaware corporation (“Zebra”), for approval at the 2018 annual meeting of stockholders and, if approved by majority of the votes cast affirmatively or negatively by the holders of the shares of Class A Common Stock, par value \$0.01 per share, of Zebra (“Common Stock”) present in person or represented by proxy at such meeting, shall become effective on the date of such approval. In the event that the Plan is not approved by the stockholders of Zebra, the Plan shall be null and void. The Plan supersedes and

replaces the Zebra Technologies Corporation 2015 Long-Term Compensation Plan (the “Prior Plan”), except that the Prior Plan shall remain in effect with respect to outstanding awards under the Prior Plan until such awards have been exercised, forfeited, canceled, expired or otherwise terminated in accordance with their terms.

1.2 Purposes. The purposes of the Plan are to align participants’ long-term compensation with the interests of Zebra and its stockholders and to attract, retain, motivate and reward key personnel. Section 4 Shares Subject to the Plan and Maximum Awards

4.1. Shares Available for Awards.

- (a) The Shares available for Awards may be either authorized and unissued Shares or Shares issued and re-acquired by Zebra. The aggregate number of Shares that may be issued or used for reference purposes under the Plan or with respect to which any Awards may be granted shall not exceed 3,800,000 Shares; provided, however, that the number of Shares that may be subject to an ISO shall not exceed 1,000,000, in each case subject to adjustment as provided in Section 4.3.
- (b) In the case of any Award granted in substitution for an award of a company or business acquired by Zebra or a Subsidiary, Shares issued or issuable in connection with such substitute Award shall not be counted against the number of Shares reserved under the Plan, but shall be available under the Plan by virtue of Zebra’s assumption of the plan or arrangement of the acquired company or business.

4.2. Maximum Awards to Non-Employee Directors.

Notwithstanding anything to the contrary in the Plan, the value of all Awards granted under this Plan to any Non-Employee Director in any calendar year shall not exceed \$400,000 (excluding any Awards granted to any Non-Employee Director in connection with his or her initial appointment or election to the Board). For purposes of this limitation, the value of any equity-based Award shall be the Fair Market Value.

4.3. Adjustments in Authorized Shares. In the event of any stock split, stock dividend, recapitalization, reorganization, merger, consolidation, combination, exchange of shares, liquidation, spin-off or other similar change in capitalization or event, or any distribution to holders of Shares other than a regular cash dividend, the number and class of securities available under the Plan, the maximum number of securities available for Awards, the number and class of securities subject to each outstanding Award and, if applicable, the purchase price per security, the maximum

number of securities with respect to which Awards may be granted during any calendar year to any person, the terms of each outstanding Award shall be appropriately adjusted by the Committee, such adjustments to be made in the case of outstanding Options and SARs without an increase in the aggregate purchase price or base price. The decision of the Committee regarding any such adjustment shall be final, conclusive and binding. If any such adjustment would result in a fractional security being (a) available under the Plan, such fractional security shall be disregarded, or (b) subject to an award under the Plan, Zebra shall pay the holder of such Award, in connection with the first vesting, exercise or settlement of such Award in whole or in part occurring after such adjustment, an amount in cash determined by multiplying (i) the fraction of such security (rounded to the nearest hundredth) by (ii) the excess, if any, of (A) the Fair Market Value on the vesting, exercise or settlement date over (B) the exercise or base price, if any, of such Award.

Section 5 Eligibility and Participation

5.1. Eligibility. Persons eligible to participate in the Plan include current and future Employees (including officers), Directors and consultants of Zebra and its Subsidiaries, as determined by the Committee.

5.2. Participation. Subject to the provisions of the Plan, the Committee shall determine and designate, from time to time, the Employees, Directors and consultants of Zebra and any Subsidiary to whom Awards shall be granted.

Section 6 Stock Options and Stock Appreciation Rights

6.1. Grants of Options and SARs. Options and SARs may be granted to one or more Participants in such number, upon such terms and conditions, and at any time and from time to time, as determined by the Committee, in its sole discretion. Each Option, or portion thereof, that is not an ISO shall be an NQSO. An ISO may not be granted to any person who is not an employee of Zebra or any parent or subsidiary (as defined in Section 424 of the Code). Each ISO shall be granted within ten years of the date the Plan is adopted by the Board. To the extent that the aggregate Fair Market Value (determined as of the date of grant) of Shares with respect to which Options designated as ISOs are exercisable for the first time by a Participant during any calendar year (under the Plan or any other plan of Zebra, or any parent or subsidiary as defined in Section 424 of the Code) exceeds the amount established by the Code, such Options shall constitute NQSOs. Non-Tandem SARs, Tandem SARs, or any combination of these forms of SARs may be granted.

6.2. Option Price and Base Price. The Award Agreement shall set forth the Option Price or base price for each Option or SAR; provided, that the Option Price shall not be less than 100% of the Fair Market Value on the grant date, and which Option Price may not be subsequently changed by the Committee except pursuant to Section 4.3. With respect to a Participant who owns, directly or indirectly, more than 10% of the total combined voting power of all classes of

the stock of Zebra or any Subsidiary, the Option Price of Shares subject to an ISO shall be at least 110% of the Fair Market Value of such Shares on the ISO's grant date.

6.3. Term. Each Option or SAR granted to a Participant shall expire at such time as set forth in the Award Agreement, but in no event shall be exercisable later than the 10th anniversary of the grant date. Notwithstanding the foregoing, with respect to ISOs, in the case of a Participant who owns, directly or indirectly, more than 10% of the total combined voting power of all classes of the stock of Zebra or any Subsidiary, no such ISO shall be exercisable later than the fifth anniversary of the grant date.

6.4. Exercise of Options and SARs. Options and SARs shall be exercisable, in whole or in part, at such times and be subject to such restrictions and conditions as set forth in the Award Agreement, which need not be the same for each Award or for each Participant. Options and SARs shall be exercised by the delivery of a written, electronic or other notice of exercise to Zebra, setting forth the number of Shares with respect to which the Option or SAR is to be exercised, accompanied in the case of Options by full payment for the Shares as set forth in Section 6.7. The payment by Zebra to the Participant upon an SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof, as set forth in the Award Agreement. If an Award Agreement does not specify the time or times

at which the Option or SAR shall become exercisable, the Option or SAR shall become exercisable by the Participant (i) to a maximum cumulative extent of one-third of the Shares or SARs (rounded down to the nearest whole) covered by the Option or SAR on the first anniversary of the grant date, and (ii) to a maximum cumulative extent of two-thirds of the Shares or SARs (rounded down to the nearest whole) covered by the Option or SAR on the second anniversary of the grant date, and (iii) to a maximum cumulative extent of 100% of the Shares or SARs covered by the Option or SAR on the third anniversary of the grant date.

- 6.5. Exercise of Tandem SARs.** Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. Notwithstanding any other provision of the Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (i) the Tandem SAR will expire no later than the expiration of the underlying ISO; (ii) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the difference between the Option Price of the underlying ISO and the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised; and (iii) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.
- 6.6. Exercise of Non-Tandem SARs.** SARs may be exercised upon the terms and conditions set forth in the Award Agreement. Upon exercise, a Participant shall be entitled to receive payment from Zebra in an amount determined by multiplying (a) the excess of the Fair Market Value of a Share on the date of exercise over the base price by (b) the number of Shares with respect to which the SAR is exercised.
- 6.7. Option Price Payment.** The Option Price upon exercise of any Option shall be payable to Zebra in full either: (a) in cash, (b) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price, (c) a combination (i) and (ii), or (d) in cash by a broker-dealer acceptable to Zebra to whom the holder of the Option has submitted an irrevocable notice of exercise.

Any fraction of a Share which would be required to pay the Option Price shall be disregarded and the remaining amount due shall be paid in cash. No book-entry record or certificate representing Shares shall be made or delivered until the full Option Price and any withholding taxes have been paid (or arrangement made for such payment to Zebra's satisfaction).

- 6.8. Termination of Employment, Service as a Director, or Consulting Arrangement.** The Award Agreement shall set forth the extent to which a Participant shall have the right to exercise the Option or SAR following termination

of employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries. Such provisions need not be uniform among Options or SARs, and may reflect distinctions based on the reasons for such termination, including, but not limited to, termination for Cause or Good Reason, or reasons relating to the breach or threatened breach of restrictive covenants. Subject to Section 9.8, in the event that an Award Agreement does not set forth such provisions, the following provisions shall apply:

- (a) *Death or Disability.* In the event that a Participant's employment, service as a Director or consulting arrangement with Zebra and/or any Subsidiary terminates by reason of death or Disability, to the extent that the Option or SAR is not exercisable, all Shares covered by the Option or SAR shall immediately become fully exercisable and shall remain exercisable until the earlier of (i) the remainder of the term of the Option or SAR, or (ii) 12 months after the date of termination.
- (b) *Retirement; Termination other than for Cause.* In the event that a Participant's employment, service as a Director or consulting arrangement with Zebra and/or any Subsidiary terminates by reason of Retirement or by the Company or any Subsidiary other than for Cause, a prorata portion of the Option or SAR, minus the number of Options or SARs that vested prior to the date of Retirement or termination other than for Cause, shall immediately become fully exercisable and shall remain exercisable until the earlier of (i) in the case of Retirement, (A) the remainder of the term of the Option or SAR, or (B) 12 months after the date of termination, and (ii) in the case of termination other than for Cause, (A) the remainder of the term of the Option or SAR, or (B) ninety (90) days after the date of termination.
- (c) *Termination for Cause.* In the event that a Participant's employment, service as a Director or consulting arrangement with Zebra and/or any Subsidiary terminates for Cause, all Options or SARs shall expire immediately and all rights thereunder shall cease upon termination.
- (d) *Other Termination.* In the event that a Participant's employment, service as a Director or consulting arrangement with Zebra terminates for any reason other than death, Disability, or for Cause, all then exercisable Options or SARs shall remain exercisable from the date of termination until the earlier of (i) the remainder of the term of the Option or SAR, or (ii) 90 days after the date of termination. Such Options or SARs shall only be exercisable to the extent that they were exercisable as of such termination date and all unexercisable Options or SARs shall be forfeited.

Section 7 Restricted Stock and Restricted Stock Units

7.1. **Grant of Restricted Stock and Restricted Stock Units.**

Restricted Stock Awards and RSU Awards may be granted to one or more Participants in such number, upon such terms and conditions, and at any time and from time to time, as determined by the Committee, in its sole discretion. If the Award Agreement does not set forth a Vesting Period, the transfer and any other restrictions shall lapse (i) to a maximum cumulative extent of one-third of the Shares or RSUs (rounded to the nearest whole) covered by the Award on the first anniversary of the grant date, (ii) to a maximum cumulative extent of two-thirds of the Shares or RSUs (rounded to the nearest whole) covered by the Award on the second anniversary of the grant date, and (iii) to a maximum cumulative extent of 100% of the Shares or RSUs covered by the Award on the third anniversary of the grant date.

7.2. Restrictions. Subject to Section 9.1, such other conditions and/or restrictions on any Shares of Restricted Stock or RSUs may be imposed as set forth in the Award Agreement, including without limitation, a requirement that Participants pay a purchase price for each Share of Restricted Stock or RSU, restrictions based upon the achievement of Performance Targets with respect to one or more Performance Goals (company-wide, subsidiary-wide, divisional, and/or individual), time-based restrictions on vesting, which may or may not be following the attainment of the Performance Targets, sales restrictions under applicable stockholder agreements or similar agreements, and/or restrictions under applicable federal or state securities laws.

7.3. **Voting Rights, Dividends and Other Distributions.**

Unless otherwise set forth in the Award Agreement, Participants to whom Shares of Restricted Stock have been granted may exercise full voting rights with respect to those Shares during the Vesting Period and shall be credited with regular cash dividends paid with respect to the underlying Shares while they are so held during the Vesting Period. The Award Agreement may contain restrictions on the dividends and other distributions.

7.4. **Termination of Employment, Service as a Director, or Consulting Arrangement.**

The Award Agreement shall set forth the extent to which a Participant shall have the right to receive or settle unvested Shares of Restricted Stock or RSUs following termination of employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries. Such provisions need not be uniform among Restricted Stock Awards and RSU Awards, and may reflect distinctions based on the reasons for termination of employment including, but not limited to, termination of employment for Cause or Good Reason, or reasons relating to the breach or threatened breach of restrictive covenants. Subject to Section 9.8, in the event that an Award Agreement does not set forth such provisions, the following provisions shall apply:

- (a) *Death or Disability.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated due to death or Disability, all Shares of Restricted Stock and RSUs shall immediately become fully vested on the date of termination and any restrictions shall lapse.
- (b) *Retirement; Termination by the Company other than for Cause.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated due to Retirement or termination other than for Cause, a pro rata portion of all Shares of Restricted Stock and RSUs, minus the number of Shares of Restricted Stock and RSUs that vested prior to the date of Retirement or termination other than for Cause, shall immediately become fully vested on the date of termination and any restrictions shall lapse.
- (c) *Other Termination.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated for any reason other than death or Disability, all Shares of Restricted Stock and RSUs that are unvested at the date of termination shall be forfeited.

Section 8 Performance Awards, Performance Units and Performance Shares

8.1. **Grant of Performance Awards, Performance Units and Performance Shares.**

Performance Awards, Performance Units and Performance Shares may be granted to one or more Participants in such number, upon such terms and conditions, and at any time and from time to time, as determined by the Committee, in its sole discretion.

8.2. **Termination of Employment, Service as a Director or Consulting Arrangement.**

The Award Agreement shall set forth the extent to which the Participant shall have the right to receive payment for Performance Awards, Performance Units and/or Performance Shares following termination

of the Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries. Such provisions need not be uniform among Performance Awards, Performance Unit Awards and Performance Share Awards, and may reflect distinctions based on the reasons for such termination, including, but not limited to, termination for Cause or Good Reason, or reasons relating to the breach or threatened breach of restrictive covenants. Subject to Section 9.8, in the event that an Award Agreement does not set forth such provisions, the following provisions shall apply:

- (a) *Death or Disability.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated during a Performance Period, or prior to the date of the payment of the Performance Award, Performance Unit and/or Performance Share Award, due to death or Disability, the Participant shall receive the greater of the banked number of Performance Awards, Performance Units and/or Performance Shares and the number of Performance Awards, Performance Units, and/or Performance Shares determined based on the GAAP vesting percentage used by the Company.
- (b) *Retirement, Termination other than for Cause.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated during a Performance Period, or prior to the date of the payment of the Performance Award, Performance Unit and/or Performance Share Award, due to Retirement or by the Company for a reason other than for Cause, the Participant shall receive the prorated portion of the greater of any banked number of Performance Awards, Performance Units and/or Performance Shares and the number of Performance Awards, Performance Units, and/or Performance Shares determined based on the GAAP vesting percentage used by the Company.
- (c) *Other Termination.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated during a Performance Period, or prior to the date of the payment of the Performance Award, Performance Unit and/or Performance Share Award, for any reason other than a reason set forth in Section 8.2(a) or (b), all Performance Awards, Performance Unit Awards and Performance Share Awards shall be forfeited.

Section 9 General

9.1 Performance Goals. The Performance Goals and Performance Targets to be used for purposes of grants of Performance Awards shall be established by the Committee or Board in writing, shall be objectively measurable and shall be stated in terms of the attainment of specified levels of, percentage changes in, or relative performance against, any one or more of any performance measure, including, but not limited to the following measurements: revenue; primary or fully-diluted earnings per Share; earnings before interest, taxes, depreciation, and/or amortization; adjusted earnings before interest, taxes, depreciation, and/or amortization; pretax income; adjusted pretax income; cash flows from operations; total cash flows; bookings; return on equity; return on invested capital; return on assets; net operating profits after taxes; economic value added; total stockholder return or return on sales; or any individual Performance Goal which is measured solely in terms of quantitative targets related to Zebra or Zebra's business, or any combination thereof. In addition, Performance Goals and Performance Targets may be based on one or more business criteria, one or more business units or divisions of Zebra or the applicable sector, or Zebra as a whole, and if so desired by the Committee, by comparison with a peer group of companies. A Performance Target need not be based upon an increase or positive result under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria). The Performance Targets for any Performance Period may be measured on an absolute basis or in relation to a peer group or an index. The Committee shall have the sole discretion to determine the degree of attainment of the Performance Targets.

9.2 Non-Transferability of Awards. All ISOs granted to a Participant shall be exercisable during his or her lifetime only by the Participant. Unless otherwise specified in

the Agreement relating to an Award, no Award shall be transferable other than by will, the laws of descent and distribution or pursuant to beneficiary designation procedures approved by Zebra. Except to the extent permitted by the foregoing sentence or the Agreement relating to an Award, each Award may be exercised or settled during the Participant's lifetime only by the Participant or the Participant's legal representative or similar person. Except to the extent permitted by the second preceding sentence or the Agreement relating to an Award, no Award may be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process. Upon any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of any such Award, such Award and all rights thereunder shall immediately become null and void.

9.3 Beneficiary Designation. If permitted by Zebra, each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by Zebra, and will be effective only when filed by the Participant in writing with Zebra's Human Resources Department during the Participant's lifetime. The spouse of a married Participant domiciled in a community property jurisdiction shall join in any designation of a beneficiary other than such spouse. If a Participant fails to designate a beneficiary, or if all designated beneficiaries of a Participant predecease the Participant, then each outstanding Option and SAR hereunder held by such Participant, to the extent exercisable, may be exercised by such Participant's executor, administrator, legal representative or similar person. In the absence of any such

designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

9.4 Deferrals; Compliance with Section 409A. The Committee, in its sole discretion, may include in an Award Agreement provisions that permit a Participant to defer receipt of payment of cash or delivery of Shares that would otherwise be due to such Participant upon the exercise, lapse or waiver of restrictions, or satisfaction of any requirements, goal or target with respect to such Award. Such deferral provisions shall be consistent with Section 409A of the Code and applicable regulations and shall be made in accordance with such terms and conditions as the Committee may establish from time to time or as may be provided in any employment agreement between Zebra and the Participant or in any deferred compensation plan maintained by Zebra.

9.5. No Guarantee of Employment or Service or Right to Participate. Nothing in the Plan shall interfere with or limit in any way the right of Zebra to terminate any Participant's employment or consulting arrangement at any time, nor confer upon any Participant any right to continue in the employ of or consulting arrangement with Zebra or any Subsidiary. Temporary absence from employment because of illness, vacation, approved leaves of absence, and transfers of employment among Zebra and its Subsidiaries, shall not be considered to terminate employment or to interrupt continuous employment. Temporary cessation of the provision of consulting services because of illness, vacation or any other reason approved in advance by Zebra shall not be considered a termination of the consulting arrangement or an interruption of the continuity thereof.

Except as otherwise provided in an Award Agreement, conversion of a Participant's employment relationship to a consulting arrangement, or vice versa, shall not result in termination of previously granted Awards. No Employee, Director or consultant shall have the right to be selected to receive an Award under the Plan, or, having been so selected, to be selected to receive a future Award.

9.6. Right of Setoff. Zebra or any Subsidiary may, to the extent permitted by applicable law and which would not trigger tax under Section 409A of the Code, deduct from and set off against any amounts Zebra or Subsidiary may owe to the Participant from time to time, including amounts payable in connection with any Award, owed as wages, fringe benefits, or other compensation owed to the Participant, such amounts as may be owed by the Participant to Zebra, although the Participant shall remain liable for any part of the Participant's payment obligation not satisfied through such deduction and setoff. By accepting any Award granted hereunder, the Participant agrees to any deduction or setoff under this Section.

9.7 Section 83(b) Election. No election under Section 83(b) of the Code to include in gross income in the year of transfer the amounts specified in Section 83(b) of the Code or under a similar provision of the laws of a jurisdiction outside the

United States may be made, unless expressly permitted by the terms of the Award Agreement or by action of the Committee in writing before the making of such election. In any case in which a Participant is permitted to make such an election in connection with an Award, the Participant shall notify Zebra of such election within ten days after filing notice of the election with the Internal Revenue Service or other governmental authority, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code or other applicable provision.

9.8. Change in Control.

(a) Notwithstanding any provision in the Plan or any Award Agreement, in the event of a Change in Control pursuant to Section 2.5(c) or (d) in connection with which (i) holders of Shares receive consideration consisting solely of shares of common stock that are registered under Section 12 of the Exchange Act (disregarding the payment of cash in lieu of fractional shares) and (ii) outstanding Options, SARs, Restricted Stock Awards and RSU Awards are assumed or provision is made for the continuation of outstanding Options, SARs, Restricted Stock Awards and RSU Awards after the Change in Control, then, subject to Section 4.3, all outstanding Options, SARs, Restricted Stock Awards and RSU Awards shall continue in accordance with their terms and there shall be substituted for each Share available under the Plan, whether or not then subject to an outstanding Award, the number and class of shares into which each outstanding Share shall be converted pursuant to such Change in Control; provided, however, in the event of any such substitution, the purchase price per share in the case of an Option and the base price in the case of a SAR shall be appropriately adjusted by the Committee (whose determination shall be final, binding and conclusive), such adjustments to be made in the case of outstanding Options and SARs without an increase in the aggregate purchase price or base price; provided, further, that in the event a Participant's employment with Zebra and its Subsidiaries is terminated by the Participant for Good Reason or by Zebra or any Subsidiary without Cause on or after the date of such Change in Control, then all outstanding Options and SARs held by the Participant under the Plan shall become exercisable in full as of the effective date of the termination of employment and, along with any then unexercised portions of such Options and SARs, shall remain exercisable through the remaining term of such Options and SARs, as applicable, and all outstanding Restricted Stock Awards and RSU Awards held by the Participant under the Plan shall become fully vested as of the effective date of the termination of employment and the remainder of any Vesting Period relating to such Restricted Stock Awards and RSU Awards shall lapse; provided, further, that upon the occurrence of such Change in Control the Performance Periods applicable to all outstanding Awards shall lapse

and the Performance Goals applicable to such Awards shall be deemed to be satisfied at the amount of such Award that is payable or earned upon satisfaction, or banked or accrued under generally accepted accounting principles as an estimate of satisfaction of, the applicable Performance Goals and, along with any then unexercised portion(s) of any such Options and SARs as to which a Performance Period lapses, shall remain exercisable through the remaining terms of such Options and SARs, as applicable.

- (b) Notwithstanding any provision in the Plan or any Award Agreement and unless otherwise provided in a Participant's employment or other agreement, in the event of a Change in Control pursuant to Section 2.5(a) or (b), or in the event of a Change in Control pursuant to Section 2.5(c) or (d) in connection with which (i) holders of Shares do not receive consideration consisting solely of shares of common stock that are registered under Section 12 of the Exchange Act or (ii) outstanding Options and SARs are not assumed or provision is not made for the continuation of outstanding Options and SARs after the Change in Control, each outstanding Award shall be surrendered to Zebra by the holder thereof, and each such Award shall immediately be canceled by Zebra, and the holder shall receive, within ten days of the occurrence of such Change in Control, a cash payment from Zebra (or any successor) in an amount equal to (i) in the case of an Option, the number of Shares then subject to such Option, multiplied by the excess, if any, of the greater of (A) the highest per share price offered to Zebra stockholders in any transaction whereby such Change in Control takes place or (B) the Fair Market Value of a Share on the date of occurrence of such Change in Control, over the Option Price per Share subject to the Option, (ii) in the case of a Non-Tandem SAR, the number of Shares then subject to such SAR, multiplied by the excess, if any, of the greater of (A) the highest price per Share offered to Zebra stockholders in any transaction whereby such Change in Control takes place or (B) the Fair Market Value of a Share on the date of occurrence of such Change in Control, over the base price of the SAR, (iii) in the case of a Restricted Stock Award, RSU Award, Performance Unit Award or Performance Share Award, the number of Shares, number of units or number of Performance Shares, as the case may be, then subject to such Award, multiplied by the greater of (A) the highest per Share price offered to Zebra stockholders in any transaction whereby such Change in Control takes place or (B) the Fair Market Value of a Share on the date of occurrence of such Change in Control, and (iv) in the case of a Performance Award, the amount of such Award that is payable or earned upon satisfaction of, or banked or accrued under generally accepted accounting principles as an estimate of satisfaction of, the applicable Performance Goals. In the event of such Change in Control, each Tandem SAR shall be surrendered by the holder thereof and shall be canceled simultaneously with the cancellation

of the related Option. Zebra may, but is not required to, cooperate with any person who is subject to Section 16 of the Exchange Act to assure that any cash payment in accordance with the foregoing to such person is made in compliance with Section 16 and the rules and regulations thereunder.

9.9. Amendment, Modification, and Termination. The Board may amend, suspend or terminate the Plan or the Committee's authority to grant Awards without the consent of stockholders or Participants; provided, however, that any amendment to the Plan shall be submitted to Zebra's stockholders for approval not later than the earliest annual meeting for which the record date is after the date of such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange on which the Shares may then be listed or quoted and the Board may otherwise, in its sole discretion, determine to submit other amendments to the Plan to stockholders for approval; and provided, further, that, without the consent of an affected Participant, no Board or Committee action may materially and adversely affect the rights of such Participant under any outstanding Award, unless such action is determined by the Board or Committee in good faith to be necessary to comply with any applicable law, regulation or rule (including Section 409A of the Code). Subject to the preceding sentence, the Committee may waive or modify any term of an Award to the extent that the terms of the Award Agreement, taking the waiver or modification into account, would have been permissible if included in the original Award Agreement, but shall have no authority to waive or modify any other Award term after the Award has been granted to the extent that the waived or modified term was mandatory under the Plan.

9.10. Tax Withholding. Zebra shall have the power and the right to deduct or withhold, or require a Participant to remit to Zebra, an amount sufficient to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of the Plan. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock or RSUs, upon the satisfaction of Performance Targets, or upon any other taxable event arising as a result of Awards granted hereunder, Participants may elect, subject to the approval of Zebra, to satisfy the withholding requirement, in whole or in part, by having Zebra withhold Shares having a Fair Market Value on the date the tax is to be determined in an amount that does not exceed the minimum statutory total tax which would be imposed on the transaction. All such elections shall be irrevocable, made in writing, signed by the Participant, and shall be subject to any restrictions or limitations that Zebra deems appropriate.

9.11. Unfunded Plan. The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant or obligation to deliver Shares pursuant to an Award, nothing contained in the Plan or any Award shall give any

such Participant any rights that are greater than those of a general creditor of Zebra; provided, however, that the Committee may authorize the creation of trusts and deposit therein cash, Shares, other Awards or other property, or make other arrangements to meet Zebra's obligations under the Plan. Such trusts or other arrangements shall be consistent with the "unfunded" status of the Plan unless the Committee otherwise determines with the consent of each affected Participant.

9.12 Forfeitures; Fractional Shares. Unless otherwise determined by Zebra, in the event of a forfeiture of an Award with respect to which a Participant paid cash consideration, the Participant shall be repaid the amount of such cash consideration. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. Zebra shall determine whether cash, other Awards or other property shall be issued or paid in lieu of such fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

9.13. No Repricing of Options or Stock Appreciation Rights. Notwithstanding anything in this Plan to the contrary and subject to Section 4.3, the terms of outstanding Options or SARs may not be amended to reduce the exercise price or base price, as the case may be, and no Option or SAR shall be canceled in exchange for cash, other Awards or Options or SARs with an exercise price or base price that is less than the exercise price or base price of the original Option or SAR without the approval of a majority of the votes cast affirmatively or negatively by the holders of the Shares present in person or represented by proxy at a meeting in which the reduction of such exercise price or base price, or the cancellation and regranting of an Award, as the case may be, is considered for approval.

9.14. Awards to Participants Outside the United States. The Committee may modify the terms of any Award made to or held by a Participant who is then resident or primarily employed outside of the United States in any manner deemed by the Committee to be necessary or appropriate in order that such Award shall conform to laws, regulations, and customs of the country in which the Participant is then resident or primarily employed, or so that the value and other benefits of the Award to the Participant, as affected by foreign tax laws and other restrictions, applicable as a result of the Participant's residence or employment abroad shall be comparable to the value of such an Award to a Participant who is resident or primarily employed in the United States. An Award may be modified under this Section in a manner that is inconsistent with the express terms of the Plan, so long as such modifications will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the Participant whose Award is modified.

9.15. Successors. All obligations of Zebra under the Plan with respect to Awards shall be binding on any successor to Zebra, whether the existence of such successor is the result of a direct or indirect merger, consolidation, purchase of all or substantially all of the business and/or assets of Zebra or otherwise.

9.16. Governing Law. To the extent not preempted by federal law, the Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware without giving effect to principles of conflicts of laws.
