"We are committed to providing all of our guests with a safe and enjoyable experience and our work with Molekule will only enhance what we seek to accomplish at each and every event at Madison Square Garden," said Ron Skotarczak, executive vice president, marketing partnerships, Madison Square Garden Entertainment Corp. "This partnership is a perfect fit as we are both dedicated to making sure every fan who walks through the arena enjoys themselves from start to finish."

"We are excited to bring cutting edge air purification solutions to this space throughout reopening and beyond. It's our mission to provide clean air to everyone, everywhere. Our partnership with Madison Square Garden will enable that mission to come to life for thousands of fans over the course of the relationship," said Jaya Rao, CEO & Co-Founder, Molekule.

Throughout the partnership, Molekule will also support the Garden of Dreams Foundation, a non-profit organization that works with MSG Entertainment, MSG Sports and MSG Networks, Inc., through a charitable

donation of Molekule's air purifiers and filters to one of the Foundation's many deserving community-based partners, further enabling access to cleaner air in parts of New York City.
