

Sphere Studios Announces The Rocky Horror Picture Show at Sphere

2026-06-16

In Special Arrangement with Primary Wave Music and 20th Century Studios

BURBANK, Calif.--(BUSINESS WIRE)-- Sphere Entertainment Co. (NYSE: **SPHR**) announced today the production of a new Sphere Experience – The Rocky Horror Picture Show at Sphere. Sphere Studios will use its advanced technologies to enhance the original beloved 1975 film. Audiences should prepare to time warp back into the iconic madness of The Rocky Horror Picture Show at Sphere, expected to open in 2027. This new production is part of The Sphere Experience®, Sphere’s slate of original immersive content including Postcard from Earth and The Wizard of Oz at Sphere.

The Rocky Horror Picture Show at Sphere Coming 2027

Jim Dolan, Executive Chairman
and CEO of Sphere

Entertainment, said: “Through Sphere Studios, we are building a slate of original experiences that push the boundaries of technology and storytelling for this new medium, while always keeping the audience at the center of the experience. Since The Rocky Horror Picture Show premiered in 1975, it redefined audience participation and became a cultural phenomenon. With Sphere, we have the opportunity to take that spirit of immersion to an entirely new level.”

About Sphere

Sphere is an experiential medium that is redefining the future of immersive experiences. Powered by advanced

technologies that ignite the senses, Sphere is a venue where the foremost artists, creators, and technologists create extraordinary experiences that bring storytelling to a new level and transport audiences to places both real and imagined. The venue hosts original Sphere Experiences from leading Hollywood creatives; concerts and residencies from the world's biggest artists; and premier brand events. The first Sphere opened in Las Vegas, with plans also announced for Sphere venues in Abu Dhabi and National Harbor. More information is available at thesphere.com.
